PART III

ITEM 10. DIRECTORS AND EXECUTIVE OFFICERS OF THE REGISTRANT

Partnership Management

Our Second Amended and Restated Agreement of Limited Partnership (the "Partnership Agreement") provides that all management powers over our business and affairs are exclusively vested in our Board of Supervisors and, subject to the direction of the Board of Supervisors, our officers. No Unitholder has any management power over our business and affairs or actual or apparent authority to enter into contracts on behalf of or otherwise to bind us. Three independent Elected Supervisors and two Appointed Supervisors serve on the Board of Supervisors pursuant to the terms of the Partnership Agreement. The Elected Supervisors are elected by the Unitholders to serve a three-year term. The Appointed Supervisors are appointed by our General Partner.

The three Elected Supervisors serve on the Audit Committee with authority to review, at the request of the Board of Supervisors, specific matters as to which the Board of Supervisors believes there may be a conflict of interest in order to determine if the resolution of such conflict proposed by the Board of Supervisors is fair and reasonable to us. Under the Partnership Agreement, any matters approved by the Audit Committee will be conclusively deemed to be fair and reasonable to us, approved by all of our partners and not a breach by our General Partner or the Board of Supervisors of any duties they may owe us or the Unitholders. The Audit Committee also assists the Board of Supervisors in fulfilling its oversight responsibilities relating to (a) integrity of the Partnership's financial statements and internal controls over financial reporting; (b) the Partnership's compliance with applicable laws, regulations and the code of conduct; (c) independence and qualifications of the independent registered public accounting firm; and, (d) performance of the internal audit function and the independent registered public accounting firm.

The Board of Supervisors has determined that all three members of the Audit Committee, John Hoyt Stookey, Harold R. Logan, Jr. and Dudley C. Mecum, are audit committee financial experts and are independent of management within the meaning of the New York Stock Exchange ("NYSE") corporate governance listing standards and in accordance with Item 401 of Regulation S-K as of the date of this Annual Report. The Corporate Governance Guidelines and Principles adopted by the Board of Supervisors sets forth that Supervisors are deemed to be lacking a material relationship to the Partnership and are therefore independent of management if the following criteria are satisfied:

1. Within the past three years, the Supervisor:
 - a. has not been employed by the Partnership and has not received more than \$100,000 per year in direct compensation from the Partnership, other than Supervisor and committee fees and pension or other forms of deferred compensation for prior service;
 - b. has not provided significant advisory or consultancy services to the Partnership, and is not affiliated with a company or a firm that has revenue of the greater of 2% of the other company's consolidated gross revenues or \$1 million;
 - c. has not been a significant customer or supplier of the Partnership nor affiliated with a company or firm that has revenue of the greater of 2% of the other company's consolidated gross revenues or \$1 million;
 - d. has not been employed by or affiliated with an internal or external auditor that within the past three years provided services to the Partnership;
 - e. has not been employed by another partnership where any of the Partnership's current executives serve on that company's compensation committee;

1

-
2. Is not a spouse, parent, sibling, child, mother- or father-in-law, son- or daughter-in-law or brother- or sister-in-law of a person having a relationship described in (1) above or shares a residence with such person;
 3. Is not affiliated with a tax-exempt entity that within the past 12 months received significant contributions from the Partnership (revenue of the greater of 2% of the entity's consolidated gross revenues or \$1 million is considered significant); and
 4. Does not have any other relationships with the Partnership or with members of senior management that the Board determines to be material.

Mr. Logan, Chairman of the Audit Committee, presides at the regularly scheduled executive sessions of the non-management supervisors held as part of the meetings of the Audit Committee. Investors and other parties interested in communicating directly with the non-management supervisors as a group may do so by writing to the Non-Management Members of the Board of Supervisors, c/o Corporate Secretary, P.O. Box 206, Whippany, New Jersey 07981.

Each such plan has been assumed by the Partnership and each such person will be credited for service earned under such plan to date. Messrs. Alexander and Dunn have 8 years and 7 years, respectively, under both plans. For vesting purposes, however, Mr. Alexander has 20 years combined service with the Partnership and his prior service with

Hanson Industries. Messrs. Plante and Jolly have 27 years and 7 years, respectively, under the Pension Plan. Benefits under the Pension Plan are limited to IRS statutory maximums for defined benefit plans. Currently, the statutory maximum for a defined benefit plan is \$200,000. Mr. Trautman has no benefits under the Pension Plan.

¹The Plans' definitions of earnings consists of base pay only.

²Annual Benefits are computed on the basis of straight life annuity amounts. The pension benefit is calculated as the sum of (a) plus (b) multiplied by (c) where (a) is that portion of final average earnings up to 125% of social security Covered Compensation times 1.4% and (b) is that portion of final average earnings in excess of 125% of social security Covered Compensation times 1.75% and (c) is credited service up to a maximum of 35 years.

³Effective January 1, 1998, the Plan was amended to a cash balance benefit formula for current and future plan participants. Initial account balances were established based upon the actuarial equivalent value of the accrued benefit under the prior plan as of December 31, 1997. Annual interest credits and service based credits were credited to the accounts until December 31, 2002. The Plan was frozen to new participants effective January 1, 2000, and effective January 1, 2003 all future service based credits were discontinued. Interest credits continue to be applied based upon the five-year U.S. Treasury bond rate in effect during the preceding November, plus one percent. Plan participants as of December 31, 1997 are entitled to receive the greater of the cash balance benefit and the prior plan benefit through the year

2002.

⁴In addition, a supplemental cash balance account was established equal to the value of certain benefits related to retiree medical and vacation benefits. An initial account value was determined for those active employees who were eligible for retiree medical coverage as of April 1, 1998 equal to \$415 multiplied by years of benefit service (maximum of 35 years). Future pay-based credits and interest are credited to this account. The 2002 pay-based credits for Messrs. Alexander, Dunn, Plante and Jolly are 2.0%, 0.0%, 2.0% and 0.0%, respectively.

⁵Effective January 1, 2003 the annual benefits accrued by Messrs. Alexander and Dunn pursuant to the Supplemental Executive Retirement Plan (in excess of the statutory limitations governing the Pension Plan) were, in the aggregate, approximately \$100,000.

Supplemental Executive Retirement Plan

We have adopted a non-qualified, unfunded supplemental retirement plan known as the Supplemental Executive Retirement Plan (the "SERP"). The purpose of the SERP is to provide certain executive officers with a level of retirement income from us, without regard to statutory maximums, including the IRS limitation for defined benefit plans. Effective January 1, 1998, the Pension Plan for Eligible Employees of Suburban Propane, L.P. (the "Qualified Plan") was amended and restated to reflect the change into a cash balance plan. In light of the conversion of the Qualified Plan to a cash balance formula, the SERP was amended and restated effective January 1, 1998. The annual Retirement Benefit under the SERP represents the amount of Annual Benefits that the participants in the SERP would otherwise be eligible to receive, calculated using the same pay-based credits described under the Retirement Benefits section above, applied to the amount of Annual

6

Compensation that exceeds the IRS statutory maximums for defined benefit plans which is currently \$200,000. Messrs. Alexander and Dunn currently participate in the SERP.

Effective January 1, 2003, the SERP was discontinued with a frozen benefit determined for Messrs. Alexander and Dunn. Provided that the SERP requirements are met, Mr. Alexander will receive a monthly benefit of \$6,737 and Mr. Dunn will receive a monthly benefit of \$372. In the event of a change of control involving the Partnership, the SERP will terminate effective on the close of business 30 days following the change of control. Each participant will be deemed retired and will have his benefit determined as of the date the plan is terminated with payment of the benefit no later than 90 days after the change in control. Each participant will receive a lump sum payment equivalent to the present value of each participant's benefit payable under the plan utilizing the lesser of the prime rate of interest as published in the Wall Street Journal as of the date of the change of control or one percent as the discount rate to determine the present value of the accrued benefit.

Long-Term Incentive Plan

Effective October 1, 1997, we adopted a non-qualified, unfunded long-term incentive plan for officers and key employees ("LTIP-1"). LTIP-1 awards are based on a percentage of base pay and are subject to the achievement of certain performance criteria, including our ability to earn sufficient funds and make cash distributions on our Common Units with respect to each fiscal year. Awards vest over a five-year period with one-third vesting at the beginning of each of years three, four, and five following the award date. Effective September 30, 2004, LTIP-1 was discontinued with the effect that no new awards will be made after that date, but all award grants prior thereto will continue to vest and be payable in accordance with their terms. Prior to the enactment of Internal Revenue Code ("IRC") Section

409(A), payouts, if any, of awards made prior to September 30, 2004 under LTIP-1 were expected to be made annually through the end of fiscal year 2011. In the event of a change of control of the Partnership, all earned unvested awards under LTIP-1 shall be deemed vested and all outstanding awards shall be paid to participants within 30 days following the change of control.

On November 2, 2005, the Board of Supervisors approved amendments to LTIP-1 for the purpose of IRC Section 409(A) compliance. The principal amendments provide (i) that all previously vested amounts under LTIP-1 as of the date of the amendment shall be distributed to participants no later than December 31, 2005; (ii) that all future vested amounts will be distributed to plan participants within 30 days after such amounts become vested; and (iii) that deferrals of awards under LTIP-1 are no longer permitted after December 31, 2004. The purpose of the amendments is to ensure that LTIP-1 operates in compliance with Section 409(A).

Effective October 1, 2002, we adopted a new non-qualified, unfunded long-term incentive plan for officers and key employees ("LTIP-2"). The new plan measures our performance on the basis of total return to unitholders ("TRU") and compares that to a predetermined peer group, primarily composed of other Master Limited Partnerships, approved by our Compensation Committee. Awards are granted in respect of and payouts, if any, are earned at the end of a three year performance period. Depending on the quartile ranking within which our performance falls for the applicable performance period relative to the peer group, LTIP-2 participants will receive a payout equal to the product of (a) a factor based on the participant's salary and bonus at the beginning of the performance period, and (b) an amount determined pursuant to the formula used to measure TRU, multiplied by: zero if our performance falls within the lowest quartile of the peer group; 0.50 if our performance falls within the second lowest quartile; 1.0 if our performance falls within the second highest quartile and 1.25 if our performance falls within the top quartile. The first performance period for which awards under LTIP-2 were available to be earned was for the period from October 1, 2002 through September 30, 2005. No awards were earned or will be paid for that performance period. Upon a change of control of the Partnership, all outstanding awards under LTIP-2 shall be determined as if our performance fell within the top quartile and shall be paid to participants within 30 days following the change of control.

Because the formula used to determine TRU incorporates market value at the end of the performance period and the sum of distributions paid to unitholders during the performance period, both of which are variables that cannot be predicted prior to the end of the performance period, the

7

future value of an award is not determinable. However, the table below sets forth hypothetical payments of the 2005 award grants to our Chief Executive Officer and our four other most highly compensated officers for LTIP-2 as if the 2005 award grants had vested over a three-year measurement period ending at the conclusion of our 2005 fiscal year and our ranking were within the second highest quartile.

Employment Agreement with the Chief Executive Officer

We entered into an employment agreement (the "Employment Agreement") with Mr. Alexander, which became effective March 5, 1996 and was amended October 23, 1997, April 14, 1999 and November 2, 2005.

Mr. Alexander's Employment Agreement had an initial term of three years, and automatically renews for successive one-year periods, unless earlier terminated by us or by Mr. Alexander or otherwise terminated in accordance with the Employment Agreement. The Employment Agreement for Mr. Alexander provides for an annual base salary of \$450,000 as of September 24, 2005 and provides for Mr. Alexander to earn a bonus up to 100% of annual base salary (the "Maximum Annual Bonus") for services rendered based upon certain performance criteria. The Employment Agreement also provides for the opportunity to participate in benefit plans made available to our other senior executives and senior managers. We also provide Mr. Alexander with term life insurance with a face amount equal to three times his annual base salary.

If a "change of control" (as defined in the next paragraph) of the Partnership occurs and within six months prior thereto or at any time subsequent to such change of control we terminate Mr. Alexander's employment without "cause" (as defined in the Employment Agreement) or if Mr. Alexander resigns with "good reason" (as defined in the Employment Agreement) or terminates his employment during the six month period commencing on the six month anniversary and ending on the twelve month anniversary of such change of control, then Mr. Alexander will be entitled to (i) a lump sum severance payment equal to three times the sum of his annual base salary in effect as of the date of termination plus the Maximum Annual Bonus, and (ii) medical benefits for three years from the date of such termination. The Employment Agreement provides that if any payment received by Mr. Alexander is subject to the 20% federal excise tax under Section 4999 and, pursuant to an amendment approved by the Board of Supervisors on November 2, 2005, Section 409(A) of the IRC, the payment will be increased to permit Mr. Alexander to retain a net amount on an after-tax basis equal to what he would have received had the excise tax not been payable.

For the purposes of the Employment Agreement, "change of control" means the occurrence during the employment term of: (i) an acquisition of our Common Units or voting equity interests by any person other than the Partnership, the General Partner or any of our affiliates immediately after which such person beneficially owns more than 25% of the combined voting power of our then outstanding units, unless such acquisition was made by (a) us or our subsidiaries, or any employee benefit plan maintained by us, our Operating Partnership or any of our subsidiaries, or (b) by any person in a transaction where (A) the existing holders prior to the transaction own at least 60% of the voting power of the entity surviving the transaction and (B) none of the Unitholders other than the Partnership, our subsidiaries, any employee benefit plan maintained by us, our Operating Partnership, or the surviving entity, or the existing beneficial owner of more than 25% of the outstanding units owns more than 25% of the combined voting power of the surviving entity (such transaction, a "Non-Control Transaction"); or (ii) approval by our partners of (a) a merger, consolidation or reorganization involving the Partnership other than a Non-Control Transaction; (b) a complete

liquidation or dissolution of the Partnership; or (c) the sale or other disposition of 50% or more of our net assets to any person (other than a transfer to a subsidiary).

Mr. Alexander also participates in the SERP, which provides retirement income which could not be provided under our qualified plans by reason of limitations contained in the Internal Revenue Code.

Severance Protection Plan for Key Employees

Our officers and key employees are provided with employment protection following a "change of control" (the "Severance Protection Plan"), as defined in the immediately preceding section. The Severance Protection Plan provides for severance payments equal to sixty-five (65) weeks of base pay and target bonuses for such officers and key employees following a "change of control" and termination of employment. This group comprises approximately fifty-three (53) individuals. Pursuant to their severance protection agreements, Messrs. Dunn, Plante, Trautman and Jolly, as our executive officers, have been granted severance protection payments of seventy-eight (78) weeks of base pay and target bonuses following a "change of control" and termination of employment in lieu of participation in the Severance Protection Plan. Our Compensation Committee has also granted severance protection payments of seventy-eight (78) weeks to five (5) other executive officers who do not participate in the Severance Protection Plan.

On November 2, 2005, the Board of Supervisors approved an amendment to the Severance Protection Plan to provide that if any payment under the Severance Protection Plan subjects a participant to the 20% federal excise tax under IRC Section 409(A), the payment will be increased to permit such participant to retain a net amount on an after-tax basis equal to what would be received had the excise tax not been payable.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

Compensation of our executive officers is determined by the Compensation Committee of our Board of Supervisors. The Compensation Committee is comprised of Messrs. Stookey, Mecum and Logan, none of whom are our officers or employees.

Compensation of Supervisors

Mr. Stookey, who is the Chairman of the Board of Supervisors, receives annual compensation of \$100,000 for his services to us. Mr. Logan and Mr. Mecum, the other two Elected Supervisors, receive \$75,000 per year. All Elected Supervisors receive reimbursement of reasonable out-of-pocket expenses incurred in connection with meetings of the Board of Supervisors. We do not pay any additional remuneration to our employees (or employees of any of our affiliates) or employees of our General Partner or any of its affiliates for serving as members of the Board of Supervisors. During the first quarter of fiscal 2006, the Board of Supervisors approved a per meeting fee for the Audit Committee of \$2,500 for the Chairman of the Audit Committee, and \$2,000 for each of the other Elected Supervisors who serve on the Audit Committee, for services rendered in connection with evaluating potential transactions. Under this arrangement, Mr. Logan received \$25,000, Mr. Stookey received \$18,000 and Mr. Mecum received \$10,000.

In addition, during fiscal year 2005, each of Messrs. Stookey, Logan and Mecum were granted awards of 8,500 units under the Partnership's 2000 Restricted Unit Plan. These restricted awards will vest and the units will be issued in installments of 25%, 25% and 50% of the total award on the third, fourth and fifth anniversaries, respectively, of the date of grant. Prior to vesting, the recipient has no power to dispose of the units, no distributions are payable with respect to the units and the units have no voting rights.

These Common Units are held in trust pursuant to a Compensation Deferral Plan, and Mr. Alexander and Mr. Dunn will have no voting or investment power over these Common Units until they are distributed by the trust. Mr. Alexander and Mr. Dunn have elected to receive the quarterly cash distributions on these deferred units. (e) Holder reports having shared voting power with respect to all of the Common Units and shared disposition power with respect to all of the Common Units.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During fiscal 2004, two relatives of the Partnership's Chief Executive Officer purchased franchise interests in Suburban Cylinder Express for the standard franchise fee of \$35,000. Additionally, as part of the franchise agreement on an ongoing basis, the franchisees purchase propane from the Partnership in the normal course of business. The initial purchase price for the franchises was paid with funds received as a gift from the Partnership's Chief Executive Officer. The Chief Executive Officer did not receive any economic interest in the franchises and will recuse himself from any determinations that may be made by the Partnership concerning the franchises. The Partnership's Audit Committee has reviewed the terms of the foregoing arrangements and determined that these related parties have not received any preferential treatment.

ITEM 14. PRINCIPAL ACCOUNTING FEES AND SERVICES

The following table sets forth the aggregate fees for services related to fiscal years 2005 and 2004 provided by PricewaterhouseCoopers LLP, our principal accountants.

	Fiscal 2005	Fiscal 2004
Audit Fees(a)	\$ 3,117,745	\$ 1,088,480
Audit-Related Fees(b)	62,500	509,500
Tax Fees(c)	708,535	660,000
All Other Fees(d)	4,000	3,500

(a) Audit Fees represent fees billed for professional services rendered for the integrated audit of our annual consolidated financial statements and our internal control over financial reporting, including reviews of our quarterly financial statements, as well as audit services provided in connection with other regulatory filings in connection with our March 31, 2005 debt refinancing. As a result of the requirement to implement Section 404 of the Sarbanes-Oxley Act at the end of our fiscal 2005, audit fees to PricewaterhouseCoopers LLP increased for the additional work necessary to report on the audit of our internal control over financial reporting.

(b) Audit-Related Fees represent fees billed for assurance services related to the audit of our financial statements.

(c) Tax Fees represent fees for professional services related to tax reporting, compliance and transaction services assistance.

(d)All Other Fees represent fees for services provided to us not otherwise included in the categories above. The Audit Committee of the Board of Supervisors has adopted a formal policy concerning the approval of audit and non-audit services to be provided by the principal accountant, PricewaterhouseCoopers LLP. The policy requires that all services PricewaterhouseCoopers LLP may provide to us, including audit services and permitted audit-related and non-audit services, be pre-approved by the Audit Committee. The Audit Committee pre-approved all audit and non-audit services provided by PricewaterhouseCoopers LLP during fiscal 2005 and fiscal 2004.
