PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors of Skyline Corporation (Skyline) for use at the Annual Meeting of Shareholders to be held September 22, 2003. The shares represented by properly executed proxies received prior to the meeting will be voted. If the shareholder directs in the proxy how the shares are to be voted, they will be voted accordingly. Any proxy given may be revoked by the shareholder at any time prior to the voting of the proxy. The approximate date on which this proxy statement and the form of proxy are first sent or given to security holders is July 30, 2003.

VOTING SECURITIES

Termination of Employment Arrangements

The Skyline Corporation and Affiliates Employees Profit Sharing Plan provides benefits on death, disability or retirement for substantially all employees. Employees become eligible as of the June 1 or December 1 immediately following completion of six months of employment. The amount of contribution under the Plan is at the discretion of Skyline each year. The maximum contribution for any participant shall not exceed 12% of a participant's basic compensation. Upon retirement, death or permanent total disability, a participant is entitled to all of the funds credited to his account. In case of termination of employment by resignation or discharge, the participant is entitled to a percentage of the amount credited to his account, ranging from 0% after one year of employment to 100% after seven years. Forfeitures resulting from any employee's termination of employment prior to full vesting will be used to reduce employer contributions. Net investment earnings or net losses for each fiscal year are allocated to the account of each participant in the same ratio as the participant's account balance bears to the total account balances of all participants. Skyline reserves the right to modify, amend or terminate the Plan. In the event of termination of the plan, the entire amount theretofore contributed under the Plan must be paid to participants or their beneficiaries and under no circumstances reverts to Skyline.

Under an insurance plan, payments would be made to the below named executive officers and two former executive officers, and executive officers as a group, for a period of 10 years upon retirement from Skyline at age 60, 62 or later, in the following annual amounts: Thomas G. Deranek, \$75,000; William H. Murschel, \$75,000; Terrence M. Decio, \$75,000; James R. Weigand, \$60,000; Christopher R. Leader, \$60,000; Arthur J. Decio, \$100,000; and Ronald F. Kloska, \$100,000; and all current and former executive officers as a group, consisting of 9 individuals, \$645,000. Under the same insurance plan, in the event of the death of any of these individuals while employed by Skyline, payments would be made for a period of 10 years in the annual amounts hereinafter specified to the beneficiaries of the following individuals and group: Thomas G. Deranek, \$75,000; William H. Murschel, \$75,000; Terrence M. Decio, \$75,000; James R. Weigand, \$40,000; Christopher R. Leader, \$40,000; Arthur J. Decio, \$100,000; and Ronald F. Kloska, \$100,000 and 2 other executive officers,

totaling 9 individuals, \$575,000. Skyline is the owner and beneficiary of policies insuring the lives of all these individuals in the total amount of \$5,012,000.

In addition, in the event of the death of Arthur J. Decio, whether before or after his retirement from Skyline, Skyline has agreed to pay his survivor(s) the sum of \$2,700,000, which at the present income tax rates, would result in after tax cost to Skyline of approximately \$1,620,000. Skyline is the owner and beneficiary of policies insuring Arthur J. Decio's life in the amount of \$1,700,000.

The appreciation in cash surrender value of all of the above-described insurance policies is such that there is no current cost to Skyline for their maintenance.

Compensation Committee Interlocks and Insider Participation

The following persons served as members of the Governance and Compensation Committee (the Compensation Committee) of Skyline's Board of Directors during the fiscal year ended May 31, 2003: Andrew J. McKenna, Jerry Hammes, William H. Lawson and David T. Link. Arthur J. Decio is the Chairman of the Board of Skyline, and is a member of the Board of Directors of Schwarz. Andrew J. McKenna is an executive officer of Schwarz.

Report of the Governance and Compensation

**Committee (the Compensation Committee)
on Executive Compensation**

The compensation of Skyline's executive officers is determined by the Compensation Committee of the Board of Directors. Each member of the Compensation Committee is a director who is not an employee of Skyline or any of its affiliates. The following report with respect to compensation paid to Skyline's executive officers for the fiscal year ended May 31, 2003 is furnished by the Compensation Committee.

General Policies. Skyline's compensation programs are intended to enable Skyline to attract, motivate, reward and retain the executive management talent required to achieve corporate objectives. It is Skyline's policy to reward exceptional performance and contributions to the development of Skyline's business. To attain these objectives, Skyline's executive compensation program includes a competitive base salary coupled with the opportunity to participate in a bonus pool which is created based on the performance of Skyline's business. The Governance and Compensation Committee (the Compensation Committee) establishes the base salaries and discretionary bonuses which will be paid to Skyline's executive officers for each fiscal year. In setting salaries and bonuses,

Table of Contents

the Compensation Committee takes into account several factors, including compensation paid by competitors and other industries' compensation data as well as qualitative factors bearing on an individual's experience, responsibilities, management and job performance. The Compensation Committee evaluates the contributions to Skyline's overall performance during the last fiscal year, leadership, effectiveness and commitment of all executive officers, including the Chief Executive Officer. For the fiscal year ended May 31, 2003, each of the executive officers received a bonus, in the amounts set forth above in the executive compensation table.

Salaries. Salary levels for executive officer positions are set so as to reflect the duties and level of responsibilities inherent in the position and current economic conditions relating to Skyline's business. Comparative salaries paid by other companies in the industries in which Skyline does business are considered in establishing the salary level for a given position. The Compensation Committee does not, however, target a specific percentile range within the comparative group in setting salaries of Skyline's executive officers. The particular qualifications and level of experience of the individual holding the position are also considered in establishing a salary level when the individual is first appointed to a given position.

Bonus. Skyline provides executive officers the opportunity to earn an annual incentive bonus based on an evaluation of the executive's individual performance and Skyline's performance. No executive officer is automatically entitled to a bonus or a bonus in any particular amount. In considering bonuses for executives other than Arthur J. Decio, the Compensation Committee consults with the Chairman of the Board.

Other. In addition, the executive officers participate in a profit sharing program and insurance and other plans described above providing payments on death or retirement.

Compensation of Chief Executive Officer (CEO). In setting the base salary and bonus for Skyline's CEO, for the fiscal year ended May 31, 2003, the Compensation Committee considered the same factors as with other executive officers of Skyline. The Compensation Committee believes the CEO's compensation was fully supported by those standards.
