Edgar Filing: DURA AUTOMOTIVE SYSTEMS INC - Form SC TO-T/A

This Amendment No. 4 to Tender Offer Statement on Schedule TO amends and supplements the Tender Offer Statement on Schedule TO, as amended by Amendment No. 1, Amendment No. 2 and Amendment No. 3 thereto, originally filed on July 8, 2003 by Dura Automotive Systems, Inc., a Delaware corporation (Parent), and MEI Investment Corp. (the Purchaser), a Delaware corporation and an indirect, wholly owned subsidiary of Parent. This Schedule TO relates to the offer by the Purchaser to purchase all outstanding shares of class B common stock, par value \$0.50 per share, and the associated preferred share purchase rights (together, the Class B Shares), of Methode Electronics, Inc., a Delaware corporation (the Company), at \$50.00 per Share, net to the seller in cash, without interest, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated July 8, 2003, and the Supplement to the Offer to Purchase, dated August 4, 2003 (the Offer to Purchase), and in the related Letter of Transmittal, copies of which were previously filed as Exhibits (a)(1)(i), (a)(1)(viii) and (a)(1)(ii), respectively (which, together with any amendments or supplements thereto, collectively constitute the Offer). The information set forth in the Offer to Purchase and the related Letter of Transmittal is incorporated herein by reference with respect to all the applicable items of the Schedule TO, except that such information is hereby amended and supplemented to the extent specifically provided herein.

Capitalized terms used and not defined herein have the meanings specified in the Offer to Purchase and the Schedule TO.

The second paragraph on the cover of the Supplement is hereby amended and restated in its entirety to read as follows:

The amended offer is conditioned upon, among other things, (i) there being validly tendered and not withdrawn before the expiration of the offer a number of shares of Class B Common Stock, par value \$0.50 per share, with the associated preferred share purchase rights (together, the Class B Shares), of Methode Electronics, Inc. (the Company), which represents at least a majority of the total number of Class B Shares outstanding on a fully diluted basis, and (ii) the Board of Directors of Methode not taking any action to amend the Rights Agreement, dated as of June 23, 2000, between the Company and ChaseMellon Shareholder Services, L.L.C., as rights agent (the Rights Agreement), to make the associated preferred share purchase rights applicable to the Purchaser or Dura Automotive Systems, Inc. (Parent) as a result of the offer as described herein.

The question entitled "What are the most significant conditions to the amended offer" in the Summary Term Sheet on page 3 of the Supplement is hereby amended and restated in its entirety to read as follows:

What are the most significant conditions to the amended offer?

We have amended our offer to waive and/or amend certain of its conditions. You should review pages S-15 through S-18 of this Supplement for a complete list of the remaining conditions to our offer. Our amended offer is conditioned upon, among other things, (i) there being validly tendered and not withdrawn before the expiration of the offer a number of Class B Shares, which represents at least a majority of the total number of Class B Shares outstanding on a fully diluted basis, and (ii) the Board of Directors of Methode not taking any action to amend the Rights Agreement to make the associated preferred share purchase rights applicable to us or our parent as a result of the offer as described herein. These conditions, as well as the other conditions to the offer, may be waived by us in our reasonable discretion in whole or in part at any time from time to time before the expiration date of our offer. See The Offer Section 14. as restated in this Supplement.

The second paragraph on page S-3 of the Introduction of the Supplement is hereby amended and restated in its entirety to read as follows:

Purchaser has amended the Offer to waive and/or amend certain of its conditions. The Offer is conditioned upon, among other things, (i) there being validly tendered and not withdrawn before the Expiration Date (as defined below) a number of Class B Shares, which represents at least a majority of the total number of Class B Shares outstanding on a fully diluted basis (the Minimum Tender Condition), and (ii) the Board of Directors of the Company not taking any action to amend the Rights Agreement to make the Rights applicable to the Purchaser or its Parent as a result of the Offer as described herein (the Rights

Condition). Purchaser has waived, among others, its prior condition that the restrictions on business combinations set forth in Section 203 of the General Corporation Law of the State of Delaware (the Delaware Law) be inapplicable to the Purchaser or Parent (the Section 203 Condition). See 14. Conditions of the Offer. on page S-15 of the Supplement.

The first paragraph under the heading 14. Conditions of the Offer on pages S-15 and S-16 of the Supplement is hereby amended and restated in its entirety to read as follows:

Notwithstanding any other provision of the Offer, we are not required to accept for payment or, subject to any applicable rules and regulations of the SEC, including Rule 14e-1(c) under the Exchange Act (relating to the Purchaser's obligation to pay for or return tendered Class B Shares promptly after termination or expiration of the Offer), pay for any Class B Shares, and may terminate or amend the Offer, unless, prior to the Expiration Date, (i) there is validly tendered and not withdrawn a number of Class B Shares that represents at least a majority of the total number of Class B Shares outstanding on a fully diluted basis, and (ii) the Board of Directors of the Company not taking any action to amend the Rights Agreement to make the Rights applicable to the Purchaser or its Parent as a result of the Offer, or (iii) if, at any time on or after July 3, 2003, and before the Expiration Date (or thereafter in relation to any condition dependent upon the receipt of governmental approvals), any of the following conditions exist:
