On April 7, 2006, Bally Total Fitness Holding Corporation (Bally or the Company) entered into: (i) a supplemental indenture (the Senior Notes Supplemental Indenture) with U.S. Bank National Association, as trustee (the Trustee), which amended the Indenture dated as of July 2, 2003, as supplemented on July 22, 2003, among Bally, as issuer, certain subsidiaries of Bally, as guarantors, and the Trustee (the Senior Notes Indenture), that governs Bally s 10-1/2% Senior Notes due 2011 (the Senior Notes) and (ii) a supplemental indenture (the Senior Subordinated Notes Supplemental Indenture), which amended the Indenture dated as of December 16, 1998, between Bally and the Trustee (the Senior Subordinated Notes Indenture and, together with the Senior Notes Indenture, the Indentures), that governs Bally s 9-7/8% Senior Subordinated Notes due 2007 (the Senior Subordinated Notes and, together with the Senior Notes, the Notes). The Senior Notes Supplemental Indenture and Senior Subordinated Notes Supplemental Indenture are collectively referred to herein as the Supplemental Indentures.

The Supplemental Indentures were entered into in connection with the successful completion of Bally s solicitation of consents from holders of the Senior Notes and holders of the Senior Subordinated Notes to: (1) waive defaults arising from the Company s previously announced failure to timely file its financial statements for the fiscal year ended December 31, 2005 with the Securities and Exchange Commission, and to deliver such financial statements to the Trustee; and (2) extend the time for filing its financial statements for the quarters ended March 31 and June 30, 2006 (the Waivers).

The preceding description of the terms of the Supplemental Indentures is qualified in its entirety by reference to the text of the Supplemental Indentures, which are attached hereto as Exhibit 4.1 and Exhibit 4.2.

(b) Stock Purchase Agreements

On April 11, 2006, the Company entered into stock purchase agreements (the Stock Purchase Agreements) with Wattles Capital Management, LLC (Wattles) and investment funds affiliated with Ramius Capital Group, L.L.C. (collectively, Ramius), as described in more detail in Item 3.02 of this Current Report on Form 8-K.

In connection with the issuance of shares of the Company s Common Stock to Wattles and Ramius, as described in more detail in Item 3.02 of this Current Report on Form 8-K, the Company entered into a registration rights agreement with Wattles and Ramius on April 11, 2006 (the Registration Rights Agreement). Under the terms of the Registration Rights Agreement, at any time and from time to time after the Company becomes eligible to use a short form registration statement on Form S-3 or any successor form, an initiating holder may make an initiating request on one occasion to register all or part of such holder s shares of Common Stock. In addition, holders of registrable common stock are entitled to request the inclusion of shares of their registrable common stock in any registration statement whenever the Company proposes to register any of its Common Stock under the Securities Act of 1933, as amended, for sale for its own account. The right to request inclusion of shares does not apply to a registration on Form S-4 or S-8.

In the Registration Rights Agreement, the Company agreed to indemnify the holders of the registrable common stock against certain liabilities in connection with the registration statement or contribute to payments that the holders may be required to make in respect of those liabilities.

The preceding description of the terms of the Registration Rights Agreement is qualified in its entirety by reference to the text of the Registration Rights Agreement, which is attached hereto as Exhibit 4.3.

Securities Act. The Company will issue the shares of its Common Stock to Wattles and Ramius in reliance upon Section 4(2) of the Securities Act. Proceeds from the sale of Common Stock will be used to finance: (i) the cash portion of the consent solicitation consideration to be paid to holders of the Notes and related expenses; (ii) fees and expenses relating to similar waivers obtained from the lenders under the Company's senior secured credit facility; and (iii) additional working capital. Wattles and Ramius have agreed, subject to certain exceptions, to vote the shares purchased pursuant to the Stock Purchase Agreements in favor of a transaction that may result from the Company's strategic process and approved by the Company's Board of Directors.

On April 10, 2006, the Company instructed its transfer agent to issue 1,951,417 shares of Common Stock to holders of the Notes that gave their consent to the Waivers in the consent solicitations and elected to receive their consent payment in shares of Common Stock.
