Item 2. Securities Act Exemption Applicable

As described in the proposed joint prepackaged Chapter 11 plan of reorganization of the Company and its affiliate debtors (the Plan), a copy of which is filed as Exhibit T3E-3 to this Form T-3, the Company has accepted alternative restructuring proposals from (i) Anschutz Investment Company, Goldman Sachs & Co. and funds advised by Tennenbaum Capital Partners, LLC (the Sponsoring Subordinated Noteholders) and (ii) Harbinger Capital Partners Master Fund I, Ltd. and Harbinger Capital Partners Special Situations Fund L.P. (Harbinger). Subject to the terms and conditions of the Plan, when the Plan becomes effective on the date on which all conditions to consummation of the Plan have been satisfied or waived (the Effective Date), either (i) the restructuring proposal funded by the Sponsoring Subordinated Noteholders (the Noteholder Proposal) or (ii) the restructuring proposal funded by Harbinger will be consummated (the Harbinger Proposal). If the Harbinger Proposal is consummated pursuant to the Plan, the Company will issue up to \$247,337,500 of 13% Senior Second Lien Notes (the New Senior Second Lien Notes) under an indenture to be qualified hereby (the New Senior Second Lien Notes Indenture) to holders of the Company's existing 10 1/2% Senior Notes due 2011 (the Prepetition Senior Notes), who will receive their pro rata share of the New Senior Second Lien Notes in addition to a fee equal to 2% of the principal amount of the Prepetition Senior Notes.

The Company solicited pre-petition acceptances of the Plan and commenced a bankruptcy case on July 31, 2007. As originally filed with the bankruptcy court, the Plan contemplated only the Noteholder Proposal. Prior to the commencement of its bankruptcy case, the Company filed applications to qualify four indentures governing four series of debt securities to be issued pursuant to the Noteholder Proposal, if the Noteholder Proposal is consummated and that will not be issued if the Harbinger Proposal is consummated. The Company filed an amended Plan, which contemplates the alternative Harbinger Proposal, with the bankruptcy court on August 13, 2007 and August 17, 2007. In the event that the Harbinger Proposal is consummated under the Plan and the New Senior Second Lien Notes to be issued under the Senior Second Lien Notes Indenture to be qualified hereby are exchanged for Prepetition Senior Notes pursuant to the Plan, the issuance of the New Senior Second Lien Notes would be exempt from registration under the Securities Act of 1933, as amended (the Securities Act), pursuant to the exemption provided by Section 1145(a)(1) of Title 11 of the United States Bankruptcy Code. To the extent that the solicitation of acceptances of the Plan constituted an offer of new securities not exempt from registration under Section 1145(a)(1), the Company relied on Section 3(a)(9) of the Securities Act and Section 4(2) of the Securities Act and, to the extent applicable, Regulation D promulgated thereunder.

Generally, Section 1145(a)(1) exempts an offer and sale of securities under a plan of reorganization from registration under the Securities Act and state securities laws if three principal requirements are satisfied: (i) the securities must be offered and sold under a plan of reorganization and must be securities of the debtor, an affiliate participating in a joint plan with the debtor or a successor to the debtor under the plan; (ii) the recipients of the securities must hold a prepetition or administrative expense claim against the debtor or an interest in the debtor; and (iii) the securities must be issued entirely in exchange for the recipient's claim against or interest in the debtor, or principally in such exchange and partly for cash or property. The Company believes that the offer of the New Senior Second Lien Notes under the solicitation of acceptances for the Plan and the exchange of New Senior Second Lien Notes for Prepetition Senior Notes under the Plan will satisfy the requirements of Section 3(a)(9) of the Securities Act and Section 1145(a)(1) of the Bankruptcy Code, respectively, and, therefore, such offer and exchange is exempt from the registration requirements referred to above.

No sales of securities of the same class as the New Senior Second Lien Notes have been or are to be made by the Company by or through an underwriter at or about the same time as the solicitation of acceptances and exchange for which the exemption is claimed. No consideration has been, or is to be, given, directly or indirectly, to any person in connection with the transaction, except for customary payments to be made in respect of (1) preparing, printing and mailing the Disclosure Statement and related documents, (2) the engagement of MacKenzie Partners, Inc., as voting agent for the solicitation of pre-petition acceptances of the Plan and (3) payments of the fees and expenses of the Company's legal and financial advisors. Neither the voting agent nor the Company's financial advisors solicited acceptances in connection with the Company's solicitation of approval for the Plan or made recommendations as to acceptance or rejection of the Plan. The compensation payable to the agents and advisors is not conditioned on the acceptance of the Plan.

INDENTURE SECURITIES

Item 8. Analysis of Indenture Provisions

The New Senior Second Lien Notes will be subject to the New Senior Second Lien Notes Indenture between the Company and U.S. Bank National Association, as trustee (the Trustee). The following is a general description of certain provisions of the New Senior Second Lien Notes Indenture, and the description is qualified in its entirety by reference to the form of Indenture filed as exhibit T3C herewith. Capitalized terms used below and not defined herein have the meanings ascribed to them in the New Senior Second Lien Notes Indenture.

(a) Events of Default; Withholding of Notice of Default.

The occurrence of any of the following events will constitute an Event of Default under the New Senior Second Lien Notes Indenture: (i) failure to pay any interest on any of the New Senior Second Lien Notes when due, continued for 30 days; (ii) failure to pay the principal of, or premium, if any, on the New Senior Second Lien Notes at Maturity; (iii) failure by the Company to comply with certain covenants and such failure continues for 30 days after notice; (iv) failure by the Company to comply with certain covenants regarding sales of assets or repurchases of the New Senior Second Lien Notes upon certain events; (v) default under any indebtedness of the Company or any Subsidiary which individually or in the aggregate is in excess of \$10,000,000 and either (a) is caused by a failure to pay principal of such indebtedness when due an prior to the expiration of the grace period provided in such indebtedness or (b) results in the acceleration of such indebtedness; (vi) failure by the Company or any of its Subsidiaries to pay final judgments aggregating in excess of \$10,000,000, which judgments are not paid, stayed or otherwise discharged for a period of 60 days; (vii) the rendering of a decree, judgment or order by a court of competent jurisdiction against the Company or any of its Significant Subsidiaries under any bankruptcy or similar law which remains undischarged or unstayed for a period of 60 days; (viii) certain events of bankruptcy or insolvency with respect to the Company or any Significant Subsidiary; (ix) any Guarantee of a Significant Subsidiary ceases to be in full force and effect; (x) the Liens created by the Security Documents shall at any time not constitute valid and perfected Liens on the Collateral, and such default continues for 15 days after notice; or (xi) failure of the Company to make, when due, any transfer, delivery, pledge, assignment or grant of Collateral required to be made by it and such failure, continued for 10 business days after notice.

If an Event of Default occurs and is continuing (other than an Event of Default described in clauses (vii) or (viii) of the preceding paragraph), the Trustee or the Holders of at least 25% in aggregate principal amount of the outstanding New Senior Second Lien Notes, by a notice in writing to the Company, may declare the unpaid principal of, and accrued and unpaid interest on, and other Obligations under, such New Senior Second Lien Notes to be due and payable immediately. Notwithstanding the foregoing, if an Event of Default related to the Company and described in clauses (vii) or (viii) of the preceding paragraph occurs, the unpaid principal of, and accrued and unpaid interest on, and other Obligations under all outstanding New Senior Second Lien Notes will become immediately due and payable without further action or notice. Any such declaration with respect to the New Senior Second Lien Notes may be annulled by the Holders of a majority in aggregate principal amount of the outstanding New Senior Second Lien Notes upon the conditions provided in the New Senior Second Lien Notes Indenture.

(b) Execution, Authentication, Delivery and Dating; Application of Money Collected.

The New Senior Second Lien Notes may be executed on behalf of the Company by one of its Chairman of the Board, its President, its Chief Executive Officer, its Chief Financial Officer or one of its Vice Presidents and attested by its Secretary or one of its Assistant Secretaries. The signatures of any of these officers on the New Senior Second Lien Notes may be manual or facsimile. Each Guarantor shall execute a Guarantee in the manner set forth in the New Senior Second Lien Notes Indenture.

Notes bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such New Senior Second Lien Notes or did not hold such offices at the date of such New Senior Second Lien Notes.

On the Issue Date, the Company may deliver New Senior Second Lien Notes in the outstanding aggregate principal amount of \$247,337,500 executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Notes; and the Trustee in accordance with such Company Order shall

authenticate and make available for delivery such Notes as provided in the New Senior Second Lien Notes Indenture and not otherwise.

Because the New Senior Second Lien Notes are being issued to holders of the Prepetition Senior Notes, there will be no proceeds from the issuance of the New Senior Second Lien Notes.

(c) Release of Collateral.

The Company and the Guarantors will be entitled to a release of Collateral (i) if all other Liens on the Collateral, including Liens securing Permitted Indebtedness, are released and have not been reinstated; (ii) for permitted asset sales; (iii) upon release of a Guarantor, with respect to the property and assets of such Guarantor; (iv) on defeasance of the New Senior Second Lien Notes; or (v) pursuant to the terms of a supplemental indenture. The Collateral Agent or the Trustee shall release the collateral upon receipt of an Officers Certificate and an Opinion of Counsel, provided that if an Event of Default exists under the New Senior Second Lien Notes

Indenture, on the date on which the First Priority Lien Obligations are repaid in full and terminated, the second priority Liens on the Collateral shall not be released.

(d) Satisfaction and Discharge.

The New Senior Second Lien Notes Indenture will be discharged and cease to be of further effect as to all of the New Senior Second Lien Notes issued, when (i) either (a) the Company delivers to the Trustee all outstanding New Senior Second Lien Notes for cancellation or (b) all such New Senior Second Lien Notes become due and payable, whether at maturity, within one year of maturity or on a redemption date specified in a proper notice to the Trustee; (ii) the Company has paid or caused to be paid all amounts payable to discharge the entire Indebtedness, including the principal, premium (if any) and accrued interest; and (iii) the Company delivers to the Trustee an Officers Certificate and an Opinion of Independent Counsel, each stating that all conditions have been complied with and such satisfaction and discharge will not result in a violation of the New Senior Second Lien Notes Indenture.

(e) Statement as to Compliance.

The Company will deliver to the Trustee within 120 days after the end of its fiscal year an Officers Certificate stating that a review of the activities of the Company during such fiscal year has been made with a view to determining whether the Company has fulfilled all of its obligations and is in compliance with all covenants under the New Senior Second Lien Notes Indenture and, if there has been a Default, specifying each Default and the nature and status thereof. If a Default or Event of Default occurs and is continuing, the Company will deliver to the Trustee, within 10 business days after becoming aware of its occurrence, a certificate describing the Default or Event of Default, its status and what action the Company is taking or proposes to take with respect thereto.

Item 9. Other Obligors

No person other than the Applicants is an obligor of the New Senior Second Lien Notes.
