Independent Auditors Report

To the Board of Trust Managers and Shareholders of
Hartman Commercial Properties REIT

We have audited the accompanying Statement of Revenue and Certain Expenses, for the Windsor Park Centre (the Property) for the year ended December 31, 2002. This financial statement is the responsibility of the Property s management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying Statement of Revenue and Certain Expenses was prepared as described in Note 2, for the purpose of complying with the rules and regulations of the Securities and Exchange Commission for inclusion in a Current Report on Form 8-K/A of Hartman Commercial Properties REIT and is not intended to be a complete presentation of the Property s revenue and expenses.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the revenue and certain expenses of Windsor Park Centre for the year ended December 31, 2002 in conformity with accounting principles generally accepted in the United States of America.

Windsor Park Centre

Notes to Statements of Revenue and Certain Expenses

Note 1 Organization and Operation of Properties

-

Effective December 16, 2003, Hartman REIT Operating Partnership, L.P. (HROP) acquired Windsor Park Centre, a shopping center located in San Antonio, Texas (the Property). HROP is a Delaware limited partnership formed to acquire, own, lease, operate, and manage real properties on behalf of Hartman Commercial Properties REIT (HCP), a Texas real estate investment trust. As the sole general partner of HROP, HCP possesses full legal control and authority over the operations of HROP.

The Property is a multi-tenant retail center comprising approximately 192,000 square feet of gross leaseable area (GLA). The Property is leased to multiple tenants (see Note 4).

Note 2 Summary of Significant Accounting Policies

-

The accompanying statements of revenue and certain expenses are presented in conformity with accounting principles generally accepted in the United States of America and in accordance with the applicable rules and regulations of the Securities and Exchange Commission, including Rule 3-14 of Regulation S-X, for real estate properties acquired. Accordingly, these statements exclude certain historical expenses that are not comparable to the proposed future operations of the property such as depreciation and amortization. Therefore, these statements are not comparable to the statement of operations of the Property after its acquisition by HROP.

Rental income is recognized on a straight-line basis over the terms of the respective leases. Percentage rents are recognized as rental income when the thresholds upon which they are based have been met. Recoveries from tenants for taxes, insurance, and other operating expenses are recognized as revenue in the period the corresponding costs are incurred.

Repairs and maintenance costs are expensed as incurred, while significant improvements, renovations and replacements are capitalized.

The preparation of the financial statement in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Note 3 Mortgage Note Payable

-

HROP acquired the Property subject to a mortgage loan with an outstanding balance of approximately \$6,500,000. The note is payable in equal monthly installments of principal and interest of \$80,445, with interest at a rate of 8.34% per annum. The balance of the note is payable in full on December 1, 2006.

Note 4 Future Minimum Rental Commitments

-

As of December 31, 2002, the Property had approximately seven tenants with remaining lease terms ranging from three to 13 years. Six of these tenants individually account for more than 10% of annual minimal rentals for 2002 and three of these tenants account for approximately 67% of the rental income for 2002. Future minimum rental commitments (exclusive of renewals, tenant reimbursements, and contingent rentals) under noncancelable operating leases in existence at December 31, 2002 are as follows:

Year Ending December 31,	
2003	\$ 1,658,313
2004	1,641,092
2005	1,599,431
2006	1,418,081
2007	1,286,201
Thereafter	<u>6,145,380</u>
 Total	 <u>\$ 13,748,498</u>

Note 5 Interim Unaudited Financial Statement

-

The accompanying interim statement of revenue and certain expenses for the nine month period ended September 30, 2003 is unaudited and has been prepared pursuant to the rules and regulations of the Securities and Exchange Commission described above and on the same basis as the statement of revenue and certain expenses for the year ended December 31, 2002. In the opinion of management, all adjustments, consisting only of normal recurring adjustments, necessary for fair presentation of the information for this interim period have been made. The revenue in excess of certain expenses for such interim period is not necessarily indicative of the results for the full year.
