PROXY STATEMENT
FOR THE
2004 ANNUAL MEETING OF SHAREOWNERS

This proxy statement and proxy card are furnished in connection with the solicitation of proxies to be voted at our annual meeting of shareowners, which will be held at the Hotel du Pont, 11th and Market Streets, Wilmington, Delaware 19801, on May 6, 2004, at 8:00 a.m. The proxy is solicited by our board of directors. This proxy statement and proxy card are first being sent to our shareowners on or about March 22, 2004.

Why am I receiving this proxy statement and proxy card?

You are receiving a proxy statement and proxy card because you own shares of United Parcel Service, Inc. common stock. This proxy statement describes issues on which we would like you to vote at our annual meeting of shareowners. It also gives you information on these issues so that you can make an informed decision.

When you vote by using the Internet, vote by telephone or sign and return the proxy card, you appoint Michael L. Eskew and Allen E. Hill as your representatives at the annual meeting. They will vote your shares as you have instructed them at the annual meeting (or, if an issue that is not on the proxy card comes up for vote, in accordance with their best judgment). This way, your shares will be voted whether or not you attend the annual meeting. Even if you plan to attend the annual meeting, we encourage you to vote using the Internet, vote by telephone or sign and return your proxy card in advance.

Who is entitled to vote?

Holders of our class A common stock and our class B common stock on the close of business on March 8, 2004 are entitled to vote. March 8, 2004 is referred to as the record date.

In accordance with Delaware law, a list of shareowners entitled to vote at the meeting will be available in electronic form at the place of the annual meeting on May 6, 2004 and will be accessible in electronic form for ten days prior to the meeting at our principal place of business, 55 Glenlake Parkway, N.E., Atlanta, Georgia 30328, between the hours of 9:00 a.m. and 5:00 p.m.

To how many votes is each share of common stock entitled?

Holders of class A common stock are entitled to ten votes per share. Holders of class B common stock are entitled to one vote per share. On the record date, there were 556,016,041 shares of our class A common stock and 570,746,213 shares of our class B common stock outstanding and entitled to vote.

The voting rights of any shareowner or shareowners as a group, other than any of our employee benefit plans, that beneficially own shares representing more than 25% of our voting power are limited so that the shareowner or group may cast only one one-hundredth of a vote with respect to each vote in excess of 25% of the outstanding voting power.

How do I vote?

Edgar Filing: UNITED PARCEL SERVICE INC - Form DEF 14A

Shareowners of record may vote by using the Internet, by telephone or by mail as described below. Shareowners also may attend the meeting and vote in person. If you hold class B shares through a bank or broker, please refer to your proxy card or the information forwarded by your bank or broker to see which options are available to you.

You may vote by using the Internet. You may vote by using the Internet. The address of the web site for Internet voting is www.proxyvote.com. Internet voting is available 24 hours a day and will be accessible until 11:59 p.m. Eastern Time on May 5, 2004. Easy-to-follow instructions allow you to vote your shares and confirm that your instructions have been properly recorded. If you vote by using the Internet, you do not need to return your proxy card.

You may vote by telephone. You may vote by calling the toll-free telephone number noted on your proxy card. Telephone voting is available 24 hours a day and will be accessible until 11:59 p.m. Eastern Time on May 5, 2004. Easy-to-follow voice prompts allow you to vote your shares and confirm that your instructions have been properly recorded. If you vote by telephone, you do not need to return your proxy card.

You may vote by mail. If you choose to vote by mail, simply mark your proxy card, date and sign it, and return it in the postage-paid envelope provided.

The method you use to vote will not limit your right to vote at the annual meeting if you decide to attend in person. Written ballots will be passed out to anyone who wants to vote at the annual meeting. If you hold your shares in street name, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote in person at the annual meeting.

How many votes do you need to hold the annual meeting?

Shares are counted as present at the annual meeting if the shareowner either is present and votes in person at the annual meeting or properly has submitted a proxy by using the Internet, by telephone or by mail.

As of the record date, 556,016,041 shares of our class A common stock and 570,746,213 shares of our class B common stock were outstanding and are entitled to vote at the annual meeting. Shares representing a majority of our issued and outstanding common stock as of the record date must be present at the annual meeting in order to hold the annual meeting and conduct business. This is called a quorum.

What if I change my mind after I return my proxy?

You may revoke your proxy and change your vote at any time before the polls close at the annual meeting. You may do this by:

submitting a subsequent proxy by Internet, telephone or mail with a later date;

sending written notice of revocation to our Corporate Secretary at 55 Glenlake Parkway, N.E., Atlanta, Georgia 30328; or

voting in person at the annual meeting.

Attendance at the meeting will not by itself revoke a proxy.

On what items am I voting?

You are being asked to vote on two items:

the election of a board of directors to serve until our 2005 annual meeting of shareowners; and

the ratification of the appointment of Deloitte & Touche LLP, independent auditors, as our auditors for the year ending December 31, 2004.

No cumulative voting rights are authorized, and dissenters' rights are not applicable to these matters.

How may I vote for the nominees for director, and how many votes must the nominees receive to be elected?

With respect to the election of nominees for director, you may:

vote FOR the election of the ten nominees for director;

WITHHOLD AUTHORITY to vote for one or more of the nominees and vote FOR the remaining nominees; or

WITHHOLD AUTHORITY to vote for the ten nominees.

The ten nominees receiving the highest number of affirmative votes will be elected as directors. This number is called a plurality. Accordingly, a vote withheld from a nominee for director has the same effect as a vote against the nominee.

What happens if a nominee is unable to stand for election?

If a nominee is unable to stand for election, the board may, by resolution, provide for a lesser number of directors or designate a substitute nominee. If the board designates a substitute nominee, shares represented by proxies voted for the nominee that is unable to stand for election will be voted for the substitute nominee.

How may I vote for the ratification of the appointment of our auditors, and how many votes must the proposal receive to pass?

With respect to the proposal to ratify the appointment of our auditors, you may:

vote FOR the proposal;

vote AGAINST the proposal; or

ABSTAIN from voting on the proposal.

The ratification of the appointment of our auditors must receive the affirmative vote of a majority of the shares present at the annual meeting either in person or by proxy and entitled to vote to pass. If you abstain from voting on the proposal, it will have the same effect as a vote against the proposal.

How does the board of directors recommend that I vote?

The board recommends a vote FOR all ten director nominees and FOR the ratification of the appointment of our auditors.

What happens if I sign and return my proxy card but do not provide voting instructions?

If you return a signed card but do not provide voting instructions, your shares will be voted FOR all ten director nominees and FOR the ratification of the appointment of our auditors.

Will my shares be voted if I do not vote by using the Internet, vote by telephone or sign and return my proxy card?

If you own class A shares and you do not vote by using the Internet, vote by telephone or sign and return your proxy card, then your class A shares will not be voted and will not count in deciding the matters presented for shareholder consideration in this proxy statement. If your class A shares are held pursuant to the UPS Qualified Stock Ownership Plan and Trust and you do not sign and return voting instructions, the trustee will vote your shares for each proposal in the same proportion as the shares held pursuant to that plan for which voting instructions were received.

If your class B shares are held in street name through a bank or broker, your bank or broker may vote your class B shares under certain circumstances if you do not provide voting instructions before the annual meeting in accordance with New York Stock Exchange rules that govern the banks and brokers. These circumstances include routine matters, such as the election of directors and ratification of the appointment of our auditors described in this proxy statement. With respect to these matters, therefore, if you do not vote your shares, your bank or broker may vote your shares on your behalf or leave your shares unvoted.

Can I receive future proxy materials and annual reports electronically?

Yes. This proxy statement and the 2003 Annual Report to Shareowners are available on the investor relations page of our website located at www.ups.com. Instead of receiving paper copies in the mail, shareowners can elect to receive an e-mail that provides a link to our future annual reports and proxy materials on the Internet. Opting to receive your proxy materials online will save us the cost of producing and mailing documents to your home or business, and will give you an automatic link to the proxy voting site.

If you are a shareowner of record and wish to enroll in the electronic proxy delivery service, you may do so by going to www.icsdelivery.com/ups and following the prompts.

Phantom Stock Units are bookkeeping units, the value of each of which corresponds to one share of UPS common stock. Dividends paid on UPS common stock automatically are reinvested in additional phantom stock units. Upon termination of the individual's service as a director, amounts represented by phantom stock units will be distributed in cash.

Restricted performance units are bookkeeping units, the value of each of which corresponds to one share of UPS common stock. Restricted performance units vest on the fifth anniversary date of their grant if the grantee remains an employee or director of UPS or one of its subsidiaries. In addition, the restricted performance units will vest if the grantee's employment terminates by reason of death, disability or retirement. Dividends paid on UPS common stock automatically are reinvested in additional restricted performance units. The number of restricted performance units granted to each individual will increase by 10% if we attain certain performance measures for the year ending December 31, 2007. Upon vesting of restricted performance units, the individual receives shares of UPS class A common stock.

Stock Option Deferral Shares are shares held for the individual in a rabbi trust within the UPS Deferred Compensation Plan. Each individual elected to defer the receipt of these shares rather than acquiring them directly upon the exercise of a stock option.

Other Deferred Compensation Plan Balances are (i) amounts our board of directors allocated to certain directors to satisfy obligations accrued under a previous retirement plan, which were transferred to the UPS Deferred Compensation Plan during 2003 and (ii) other amounts within the UPS Deferred Compensation Plan allocated to UPS common stock.

Stock Ownership Guidelines

During 2003, we introduced stock ownership guidelines for our management and board of directors. The guidelines are based on our expectation that our management team maintain a significant level of investment in our company.

Our stock ownership guidelines extend to all levels of management and to members of our board of directors. For our senior executive officers and directors, they are as follows:

Chairman and CEO: 9.0 to 11.0 times annualized base salary;

Management Committee: 5.5 to 6.5 times annualized base salary; and

Non-employee Directors: 6.0 times annualized retainer.

COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

The following table shows the cash compensation paid or to be paid by us or any of our subsidiaries and other compensation paid or accrued during the last three fiscal years to our Chief Executive Officer and our other four highest paid executive officers who were serving as executive officers at the end of 2003. We refer to these executive officers as our named executive officers.

The compensation upon which the benefits are summarized in the table above includes salary and management incentive awards granted under the United Parcel Service, Inc. Incentive Compensation Plan. The average final compensation for each participant in the plans is the average covered compensation of the participant during the five highest consecutive years out of the last ten full calendar years of service.

Benefits payable under the UPS Retirement Plan are subject to the maximum compensation limits and the annual benefit limits for a tax qualified defined benefit plan as prescribed and adjusted from time to time by the Internal Revenue Service. Amounts exceeding these limits will be paid pursuant to the UPS Excess

Coordinating Benefit Plan. Under this plan, participants may choose to receive the benefit in the form of a life annuity in a cash lump sum.

As of December 31, 2003, estimated or actual credited years of service under the plans to our named executive officers were as follows: Mike Eskew 32, Cal Darden 32, Joe Moderow 33, Lea Soupata 34 and Tom Weidemeyer 32.

The plans permit participants with 25 or more years of benefit service to retire as early as age 55 with only a limited reduction, or no reduction, in the amount of their monthly benefits. Prior to January 1, 2001, the plans limited credit years of service to 35.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the board of directors has responsibility for establishing the salary of the Chief Executive Officer, and for approving the salaries of all other executive officers after the Chief Executive Officer's recommendation. The Committee also determines the eligibility and levels of participation of executive officers under the United Parcel Service, Inc. Incentive Compensation Plan. The compensation department of the Human Resources group and independent compensation consultants assist the Committee.

One of UPS's most important compensation policies is the historical focus on the "manager-owner" concept, which has played a central role in UPS's success. Throughout its history, UPS has been owned by its employees and managed by its owners. To achieve this objective, compensation plans such as the UPS Managers Incentive Plan, the UPS 1996 Stock Option Plan, UPS Qualified Stock Ownership Plan, UPS Discounted Employee Stock Purchase Plan and the United Parcel Service, Inc. Incentive Compensation Plan have facilitated stock ownership by management employees.

UPS has a long-standing policy of promotion from within, wherever possible, which has significantly reduced, relative to other companies, the need to externally hire managers and executive officers. To a high degree, employees who have spent virtually their entire careers with UPS comprise the overall management organization.

These policies have strongly influenced executive compensation. The named executive officers are long-term employees, each with significant years of service. Because plans are designed to foster stock ownership by managers, each executive officer has accumulated a meaningful number of shares of UPS common stock. As a result, the interests of shareowners and our executive officers are closely aligned, and the executive officers have strong incentives to provide for our effective management. In the case of the named executive officers, annual appreciation derived from stock ownership, dividends, stock options and management incentive awards granted in the form of UPS stock constitute a significant component of total compensation. Of the forms of compensation in use, management incentive awards granted in the form of UPS stock are keyed to corporate performance because the aggregate amount available for distribution is based on profits.

With respect to cash compensation, the Committee reviews data received directly from consultants concerning compensation for comparable positions at companies that have similar revenues and other characteristics. The 2003 compensation of each executive officer, including that of the Chief Executive Officer, generally was less than median compensation levels at similarly sized companies. The companies used for executive compensation comparisons are not limited to the companies that comprise the S&P 500 Index and the Dow Jones Transport Average used in the shareowner return performance graph contained in our proxy statement.

To determine the appropriate Chief Executive Officer compensation and approve the appropriate compensation of each executive officer, the Committee exercises its judgment based on considerations including overall responsibilities and the importance of these responsibilities to UPS's success, experience and ability, past short-term and long-term job performance and salary history. A significant factor in determining annual salary increases is the Committee's strong desire to keep the salary levels of executive officers equitable in comparison with the salaries of other executives with similar responsibilities at comparable companies and when compared to the salaries of other UPS management positions. The Committee places a strong emphasis on teamwork, so annual base salaries are not solely dependent on objective, corporate performance standards for any executive officer.

The Committee recommended and the Board approved a base salary increase during 2003 for Mike Eskew that reflected Mike's strategic vision and leadership, UPS's business and operational results, and Mike's ability to position UPS as the premier enabler of global commerce. The Committee did not assign particular weights to these factors.

Management incentive awards granted in the form of UPS stock under the United Parcel Service, Inc. Incentive Compensation Plan are determined by a formula that takes into consideration profits, monthly salary, the number of participants and the level of participation. The level of participation for the Chief

Executive Officer and executive officers is the same as for approximately 11,000 participating employees at or above the center manager level.

Options granted under the United Parcel Service, Inc. Incentive Compensation Plan are long-term options intended to promote continuity of employment and to provide an additional opportunity for stock ownership. Generally, eligible employees include division managers, district department managers and others having equivalent or greater responsibilities. The number of options granted is based on salary and level of participation.

Section 162(m) of the Internal Revenue Code makes compensation paid to certain executives in amounts in excess of \$1 million not deductible unless the compensation is paid under a predetermined objective performance plan meeting certain requirements, or satisfies one of various other exemptions. The Committee has not adopted a policy that all compensation be deductible under Section 162(m) in order to preserve the Committee's flexibility to compensate executive officers.

Committee chairs receive a minimum annual meeting fee of \$8,000, and other committee members receive a minimum annual meeting fee of \$5,000.

In February 2004, we granted to each non-employee director 352 phantom stock units.

In April 2003, we granted each non-employee director options to purchase 1,521 shares of UPS class A common stock and 619 restricted performance units.

We established a retirement plan in February 1991 that provided retirement and disability benefits for directors who were neither employees nor former employees. Effective January 1, 1997, our board discontinued this plan and instead increased the options that non-employee directors were eligible to receive under the UPS 1996 Stock Option Plan. At the discretion of our board of directors, non-employee directors may now receive grants of options, restricted performance units and phantom stock units.

Non-employee directors also have the option of deferring some or all of the fees and/or retainer payable in connection with their services on our board. Deferred amounts track the performance of investments selected by each non-employee director, although no funds are set aside or invested. At the time a participating non-employee director ceases to be a director, the total value of the non-employee director's account will be payable to him or her, or his or her designated beneficiary, at his or her election, in a lump sum, or in payments over three, five, seven or ten years.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Gary MacDougal, Vic Pelson and Bob Teeter were members of the Compensation Committee of our board of directors during 2003. None of these directors are employees or former employees of UPS. None of the members of the Compensation Committee has any direct or indirect material interest in or relationship with us outside of his position as a non-employee director. None of our executive officers serves as a member of a board of directors or compensation committee of any entity that has one or more executive officers who serves on our board of directors or Compensation Committee.

SHAREOWNER RETURN PERFORMANCE GRAPH

The following graph shows a five-year comparison, prepared in accordance with the rules of the Securities and Exchange Commission, of cumulative total shareowners' returns for our common stock, the S&P 500 Index and the Dow Jones Transport Average. The comparison of the total cumulative return on investment, which is the change in the quarterly stock price plus reinvested dividends for each of the quarterly periods, assumes that \$100 was invested on December 31, 1998 in the S&P 500 Index, the Dow Jones Transport Average and the common stock of United Parcel Service of America, Inc. (each share of which was converted into two shares of class A common stock of United Parcel Service, Inc. in November 1999). Although there is no public market for our class A common stock, it is convertible on a one-for-one basis into our class B common stock, which trades on the New York Stock Exchange under the symbol UPS. The graph below assumes that our class A shares and class B shares have the same value.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of our board of directors is responsible for, among other things, reviewing with Deloitte & Touche LLP, our independent auditors, the scope and results of their audit engagement. In connection with the 2003 audit, the Audit Committee has:

reviewed and discussed with management UPS's audited financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2003,

discussed with Deloitte & Touche the matters required by Statement of Accounting Standards No. 61, as amended, and

received from and discussed with Deloitte & Touche the communications from Deloitte & Touche required by Independence Standards Board Standard No. 1 regarding their independence.

Based on the review and the discussions described in the preceding bullet points, the Audit Committee recommended to the board of directors that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission.

The Audit Committee has adopted a charter and a process for pre-approving services to be provided by Deloitte & Touche. The members of the Audit Committee have been determined to be independent in accordance with the requirements of Section 303.01 (B)(2)(a) and (3) of the New York Stock Exchange listing standards.

Fees for such services in 2003 were unusually high due to the culmination of a large project that lasted 18 months for which the fees were due only at completion. Tax compliance services are services to document, compute and obtain government approval for amounts to be included in tax filings based upon preexisting facts or transactions that have already occurred and consisted primarily of the following:
- i. Assistance in preparing amended state tax returns related to state apportionment changes and enterprise zone tax credits, including assistance necessary to document and obtain state approval for such credits,
 - ii. Assistance in preparing federal refund claims to deduct certain costs incurred in recent years to acquire various subsidiaries and businesses and
 - iii. Assistance in preparing and reviewing various tax return filings in foreign jurisdictions.
- Fees for tax planning and advice services totaled \$0.2 million and \$0.1 million in 2003 and 2002, respectively. Tax planning and advice are services related to proposed transactions or advice that alters a transaction to obtain a particular tax result.
- (d) Includes financial information system design and implementation fees.

The Audit Committee has considered whether the provision of audit-related and other non-audit services by Deloitte & Touche is compatible with maintaining Deloitte & Touche's independence.

Our Audit Committee has established a policy requiring the pre-approval of all audit and non-audit services provided to us by Deloitte & Touche. The policy provides for pre-approval of audit, audit-related and tax services specifically described by the Audit Committee. The Audit Committee has delegated to its chair authority to pre-approve permitted services between the Committee's regularly scheduled meetings, and the chair must report any pre-approval decisions to the Committee at its next scheduled meeting for review by the Committee. The policy prohibits the Audit Committee from delegating to management the committee's responsibility to pre-approve permitted services of our independent auditor.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, executive officers and persons who own beneficially more than 10% of either our class A or class B common stock to file reports of ownership and changes in ownership of such stock with the Securities and Exchange Commission. These persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file with the SEC. To our knowledge, each of our directors and executive officers complied during 2003 with all applicable Section 16(a) filing requirements except that, due to an administrative error, two acquisitions of UPS class B common stock by John Thompson were not timely filed on Form 4.

EQUITY COMPENSATION PLANS

The following table provides information as of December 31, 2003, concerning shares of our class A common stock authorized for issuance under our existing equity compensation plans.

Equity compensation plans not approved by security holders		N/A

Our shareowners have approved the United Parcel Service, Inc. Incentive Compensation Plan and the United Parcel Service, Inc. Discounted Employee Stock Purchase Plan. The material features of each of these plans are described in Note 11 to our consolidated financial statements for the year ended December 31, 2003.

SOLICITATION OF PROXIES

We will pay our costs of soliciting proxies. Directors, officers and other employees may solicit proxies by mail, in person or by telecommunication. We have engaged Automatic Data Processing and Mellon Investor Services to assist us in the proxy distribution and solicitation process and will pay these firms approximately \$50,000 each for their services. We will not pay any additional compensation, except reimbursement for actual expenses, for this solicitation. We will reimburse brokers, fiduciaries, custodians and other nominees for out-of-pocket expenses incurred in sending our proxy materials to, and obtaining instructions relating to the proxy materials from, beneficial owners.

HOUSEHOLDING

In 2001, we adopted a procedure approved by the SEC called householding. Under this procedure, multiple shareowners who share the same last name and address and do not participate in electronic delivery will receive only one copy of the annual proxy materials, unless they notify us that they wish to continue receiving multiple copies. We have undertaken householding to reduce our printing costs and postage fees.

If you wish to opt-out of householding and continue to receive multiple copies of the proxy materials at the same address, you may do so at any time prior to thirty days before the mailing of proxy materials, which typically are mailed in March of each year, by notifying us in writing or by telephone at: UPS Investor Relations, 55 Glenlake Parkway, N.E., Atlanta, Georgia 30328, (404) 828-6059. You also may request

additional copies of the proxy materials by notifying us in writing or by telephone at the same address or telephone number.

If you share an address with another shareowner and currently are receiving multiple copies of the proxy materials, you may request householding by notifying us at the above-referenced address or telephone number.

OTHER BUSINESS

Our board of directors is not aware of any business to be conducted at the annual meeting of shareowners other than the proposals described in this proxy statement. Should any other matter requiring a vote of the shareowners arise, the persons named in the accompanying proxy card will vote in accordance with their best judgment.

Under our bylaws and SEC regulations, any shareowner proposals or director nominations for the 2005 annual meeting of shareowners must be received by our Corporate Secretary at 55 Glenlake Parkway, N.E., Atlanta, Georgia 30328, no later than November 22, 2004 to be eligible for inclusion in the proxy statement for next year's meeting.

Pursuant to Rule 14a-4 under the Exchange Act, if a shareholder notifies us after February 4, 2005 of an intent to present a proposal at our 2005 annual meeting of shareholders, our proxy holders will have the right to exercise discretionary voting authority with respect to the proposal, without including information regarding the proposal in our proxy materials.

A copy of our 2003 annual report on Form 10-K, including financial statements, as filed with the SEC, may be obtained without charge upon written request to: Corporate Secretary, 55 Glenlake Parkway, N.E., Atlanta, Georgia 30328. It is also available on our website at www.ups.com.

UNITED PARCEL SERVICE, INC.

AUDIT COMMITTEE CHARTER

I. Statement of Purpose

The Audit Committee represents the Board of Directors in discharging its responsibilities relating to the accounting, reporting and financial practices of the Company and its subsidiaries. The Audit Committee has general responsibility for oversight of the accounting and financial reporting processes of the Company and its subsidiaries, including oversight of the integrity of the Company's financial statements, the Company's systems of disclosure controls and internal controls, the Company's compliance with legal and regulatory requirements, the qualification and independence of the Company's auditors, the performance of the Company's internal audit function and independent auditors, and the preparation of the report that the Securities and Exchange Commission (the "SEC") requires to be included in the Company's annual proxy statement.

II. Committee Members

The Board of Directors appoints an Audit Committee of at least three members, consisting entirely of independent directors of the Board, and designates one member as chairperson. Independent means a director who satisfies all criteria for independence of an audit committee member established by the SEC and the New York Stock Exchange (the "NYSE"), both as determined by the Board of Directors.

Each member of the Audit Committee must be financially literate and at least one member of the Audit Committee will have such accounting or related financial management expertise as required to be a financial expert in compliance with the criteria established by the SEC, both as determined by the Board of Directors.

III. Powers, Duties and Responsibilities

In carrying out its intended purpose, the Audit Committee shall have the powers, duties and responsibilities delegated to it by the Board of Directors as set forth below. The Audit Committee shall:

Services of Independent Auditors

(a) Have sole authority to appoint and oversee a registered public accounting firm (as defined by applicable law) to serve as the Company's independent auditors and to perform the Company's annual financial statement audit (subject, if applicable, to shareholder ratification). This authority shall include the sole discretion to retain and terminate such independent auditors, to approve the terms and conditions of all audit engagements as well as all significant non audit engagements with such independent auditors (including preapproval of such services as required by applicable law, rule or regulation), and to determine the compensation to be paid to such independent auditors. In no event shall the Audit Committee engage the Company's independent auditor to perform any service enumerated in Section 201(a) of the Sarbanes Oxley Act of 2002, except as may otherwise be provided by law or regulation.

(b) Oversee the work performed by the Company's independent auditors (including resolution of disagreements between management and the independent auditors regarding financial reporting). Such independent auditors shall report directly to the Audit Committee and shall be ultimately accountable to the entire Board of Directors through the Audit Committee.

(c) Review with the independent auditors the scope of the audit and review the results of the annual audit examination and any reports of the independent auditors with respect to the Company's financial statements or policies.

(d) Review the independent auditor's attestation and report on management's internal control report.

(e) Review information, including written statements from the independent auditors, concerning any relationships between the auditors and the Company or any other relationships that may adversely affect the independence of the auditors and assess the independence of the outside auditor as set forth in Independence Standards Board Standard No. 1 and the rules, regulations and standards of the SEC and the NYSE. The Audit Committee shall, at least annually, obtain and review a report by the Company's independent auditors describing: (1) the firm's internal quality control procedures; (2) any material issues raised by the most recent internal quality control review, or peer review, of the audit firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues; and (3) (to assess the auditor's independence) all relationships between the independent auditors and the Company.

Audit Practices and Financial Reporting Matters

(f) Discuss with management and the independent auditors the Company's annual audited financial statements and quarterly financial statements, including the Company's disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations and a discussion with the independent auditors of their judgments as to the quality of the Company's accounting principles.

(g) Review with management and the independent auditors the results of any significant matters identified as a result of the independent auditors' interim review procedures prior to the filing of each Form 10-Q or as soon thereafter as possible. The Audit Committee Chair may perform this function on behalf of the Audit Committee.

(h) Discuss earnings press releases and financial information and earnings guidance provided to analysts and rating agencies.

(i) Review the annual program for the Company's internal audits and review audit reports submitted by the internal auditing staff. Review the adequacy of the Company's internal controls at least quarterly.

(j) Review and discuss with the independent auditors and the internal auditors the integrity of the Company's financial reporting processes (both internal and external) and internal controls (including disclosure controls).

(k) Review changes in the accounting policies of the Company and accounting and financial reporting proposals that may have a significant impact on the Company's financial reports, and make reports on the foregoing to the Board of Directors.

(l) Regularly review with the independent auditors any audit problems or difficulties and management's response, including any restrictions on the scope of the independent auditors' activities or access to information and any significant disagreements with management.

(m) Meet separately, periodically, with management, with internal auditors (or other personnel responsible for the internal audit function) and with independent auditors in connection with the performance of its oversight function.

Company Governance Policies and Compliance

(n) Prepare the report that SEC rules require to be included in the Company's annual proxy statement.

(o) Establish clear policies for the Company to follow in hiring employees or former employees of the independent auditors.

(p) Discuss with management policies with respect to financial risk assessment and risk management, including guidelines to govern the process by which major financial and accounting risk assessment and management is undertaken by the Company.

(q) Review the adequacy of this Audit Committee Charter on an annual basis and conduct an annual performance evaluation of the Audit Committee.

(r) Review with management and the independent auditors any correspondence with regulators or governmental agencies and any employee complaints or published reports, which raise material issues regarding the Company's financial statements or accounting policies. In connection therewith, the Audit Committee shall establish procedures for (1) the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and (2) the confidential, anonymous submission by employees of the Company of concerns of questionable accounting or auditing matters.

(s) Oversee the Company's Business Conduct and Compliance Program.

General Powers

(t) Have the ability (but not the obligation) to conduct or authorize, if it considers appropriate, investigations into any matters within the scope of its responsibilities.

(u) Have the authority (without the necessity or requirement of approval from the Board of Directors) to obtain advice, services and assistance from outside legal, accounting or other advisors, as the Audit Committee deems necessary to assist it in carrying out its responsibilities, and to determine the compensation for any such advisors.

(v) Perform such activities consistent with this Charter, the Company's bylaws and applicable law as the Board of Directors or the Audit Committee deems necessary or appropriate.

(w) Make reports and recommendations to the Board of Directors within the scope of its functions.

IV. Scope of Duties

While the Audit Committee has the responsibilities and the authority set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with GAAP. This is the responsibility of the independent auditors and management, respectively. Nor is it the duty of the Audit Committee to assure compliance by the Company or its subsidiaries with applicable laws and regulations and the Business Conduct and Compliance Program.

V. Committee Meetings

The Audit Committee will meet as often as it deems necessary or appropriate, in its judgment, either in person or telephonically, and at such times and places as the Audit Committee determines, provided that the Audit Committee will meet at least four times each year. The majority of the members of the Audit Committee constitute a quorum.
