**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Executive Compensation and Employee Benefits Committee of  
Haverty Furniture Companies, Inc.

We audited the accompanying statement of net assets available for benefits of **Haverty Furniture Companies, Inc. Thrift Plan** (the Plan ) as of December 31, 2004, and the related statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan s internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the 2004 financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2004, and the changes in its net assets available for benefits for the year ended December 31, 2004, in conformity with accounting principles generally accepted in the United States.

**Table of Contents**

Our audit was performed for the purpose of forming an opinion on the 2004 financial statements taken as a whole. The accompanying supplemental schedule of assets held for investment purposes as of December 31, 2004, is presented for the purpose of additional analysis and is not a required part of the basic financial statements. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the 2004 financial statements and, in our opinion, is fairly stated in all material respects in relation to the 2004 financial statements taken as a whole.
