Performance Based Restricted Shares

The performance based restricted shares are shares of the Registrant's common stock which are issued to the participant subject to (a) restrictions on transfer for a period of time and (b) forfeiture under certain conditions. With regard to 2/3 of the restricted shares (the Income Based Restricted Shares), such Income Based Restricted Shares vest and the restrictions on their transfer lapse with respect to such vested shares on May 23, 2009, provided that (i) the Income from Operations of the Registrant, as reported in its audited Consolidated Statement of Operations, has increased during fiscal years 2006, 2007 and 2008 (measured as of December 31, 2008) at least an amount equal to 10% compounded annual growth over the amount reported for the 2005 fiscal year (Income from Operations Calculation), and (ii) the participant is employed by the Registrant or a subsidiary on such date. The number of the Income Based Restricted Shares which will vest, and with regard to which the restrictions will lapse will be a number equal to 53.3% of the Income Based Restricted Shares in the event the Income from Operations Calculation is 10%, and will increase on a pro-rata basis up to a number equal to 66.7% of the Income Based Restricted Shares in the event the Income from Operations Calculation is 12.5%. The number of the Revenue Based Restricted Shares which will vest, and with regard to which the restrictions will lapse will be a number equal to 53.3% of the Revenue Based Restricted Shares in the event the Gross Revenue from Operations Calculation is 4%, and will increase on a pro-rata basis up to a number equal to 66.7% of the Revenue Based Restricted Shares in the event the Gross Revenue from Operations Calculation is 5%. In the event the Gross Revenue from Operations Calculation is between 5% and 7.5%, the number of Revenue Based Restricted Shares which will vest, and with regard to which the restrictions will lapse will increase on a pro-rata basis between a number equal to 66.7% of the Revenue Based Restricted Shares up to a number equal to 100% of the Revenue Based Restricted Shares.

In the event of a change in control (as defined in the Plan) prior to the date the restricted shares vest, all of the restricted shares will vest and the restrictions on transfer will lapse with respect to such vested shares on the date of the change in control, provided that participant is employed by the Registrant or a subsidiary on the date of the change in control.

If the participant's employment with the Registrant or subsidiary is terminated for any reason, either by the Registrant or participant, prior to the date on which the restricted shares have vested and the restrictions have lapsed with respect to such vested shares, any restricted shares remaining subject to the restrictions (together with any dividends paid thereon) will be forfeited, unless there has been a change in control prior to such date.
