**Award of Restricted Stock Units**

On March 23, 2007, the Registrant, acting through the Human Resources and Compensation Committee of the Board of Directors, awarded to David J. Paterson, Chairman, President and Chief Executive Officer, 54,200 restricted stock units ( RSUs ). The RSUs were awarded as an incentive in connection with the pending combination of the Registrant and Abitibi-Consolidated Inc. The RSUs represent a contingent right to receive up to 54,200 shares of Bowater common stock (each such share would be converted in the combination to 0.52 of a share of common stock of the combined company if the combination is consummated). The vesting of the RSUs is contingent upon attaining certain performance targets as measured by post-combination synergies during the two-year period following consummation of the combination. The RSUs will vest with respect to all 54,200 shares upon the achievement of documented synergies of at least \$300 million; with respect to 45,100 shares upon the achievement of documented synergies of at least \$250 million and with respect to 36,100 shares upon the achievement of documented synergies of at least \$200 million.
