**Section 7 Regulation FD**

**Item 7.01 Regulation FD Disclosure**

On August 4, 2008, WCI Communities, Inc. (Symbol: WCI), a homebuilding and real estate services company headquartered in Bonita Springs, Florida, filed a petition in the United States Bankruptcy Court for the District of Delaware for bankruptcy protection under Chapter 11 of the U.S. Bankruptcy Code.

A number of recent media reports have erroneously indicated or implied that KeyBank National Association, a wholly-owned subsidiary of KeyCorp, is one of a number of banks that currently have significant outstanding loans and/or lending commitments to WCI. While in recent years KeyBank has been a significant lender to WCI, as of June 30, 2008, KeyBank had \$12.9 million of remaining exposure to WCI under credit agreements, all of which was under agreement for sale and pending settlement as of such date. \$8.6 million of this amount settled on July 30, 2008 and \$4.3 million is pending settlement in August 2008. In addition, as of this date, KeyBank has a \$10.5 million net exposure pursuant to an interest rate swap agreement, which is in the process of being terminated.

The information set forth in this Item 7.01 is furnished and not filed for purposes of the Securities Exchange Act of 1934, as amended.

**Forward-Looking Statements.** *This filing contains forward-looking statements, including statements about our financial condition, results of operations, earnings outlook, asset quality trends and profitability. Forward-looking statements express management's current expectations or forecasts of future events and, by their nature, are subject to assumptions, risks and uncertainties. Although management believes that the expectations and forecasts reflected in these forward-looking statements are reasonable, actual results could differ materially due to a variety of factors including: (1) changes in interest rates; (2) changes in trade, monetary or fiscal policy; (3) continued disruption in the fixed income markets; (4) adverse capital markets conditions; (5) changes in general economic conditions; or in the condition of the local economies or industries in which we have significant operations or assets, which could, among other things materially impact credit quality trends and our ability to generate loans; (6) increased competitive pressure among financial services companies; (7) the inability to successfully execute strategic initiatives designed to grow revenues and/or manage expenses; (8) consummation of significant business combinations or divestitures; (9) operational or risk management failures due to technological or other factors; (10) changes in accounting or tax practices or requirements; (11) new legal obligations or liabilities or unfavorable resolution of litigation; (12) heightened regulatory practices, requirements or expectations; and (13) disruption in the economy and general business climate as a result of terrorist activities or military actions. Forward-looking statements are not guarantees of future performance and should not be relied upon as representing management's views as of any subsequent date. We do not assume any obligation to update these forward-looking statements.*
