Item 2.02. Results of Operations and Financial Condition

During the quarterly conference call on November 19, 2008, we advised listeners that our November 18, 2008 press release mistakenly stated that the goodwill impairment charge from the second quarter of fiscal 2008 was \$0.11 per share. The correct goodwill impairment charge was \$0.07 per share as reported in the prior year's second quarter press release.
