NOTICE IS HEREBY GIVEN that the Annual Meeting of Shareholders of Inter-Tel, Incorporated (the Company), an Arizona corporation, will be held on April 27, 2004, at 10:00 a.m., local time, at the Company's office located at 1615 S. 52nd Street, Tempe, Arizona 85281, for the following purposes:

1. To elect directors to serve for the ensuing year and until their successors are duly elected and qualified;
2. To consider and ratify the appointment of Ernst & Young LLP as the Company's independent auditors;
3. To transact such other business as may properly come before the meeting or any adjournment thereof.

Each of the foregoing items of business is more fully described in the Proxy Statement accompanying this Notice and will be discussed at the Annual Meeting with adequate time allotted for shareholder questions.

Only shareholders of record at the close of business on March 5, 2004 (the Record Date) are entitled to notice of and to vote at the meeting. PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

General

This Proxy Statement is furnished by Inter-Tel, Incorporated (Inter-Tel or the Company), for use at the Annual Meeting of Shareholders to be held April 27, 2004 at 10:00 a.m., local time or at any postponement or continuation of the meeting, as applicable, or at any adjournment thereof (as applicable, the Annual Meeting), for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Shareholders. The Annual Meeting will be held at the Company s principal office building located at 1615 S. 52nd Street, Tempe, Arizona 85281. These proxy solicitation materials were mailed on or about March 19, 2004 to all shareholders entitled to vote at the Annual Meeting.

Record Date and Share Ownership

Only shareholders of record at the close of business on the Record Date, or March 5, 2004, are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, 25,626,871 shares of the Company s Common Stock were issued and outstanding.

Revocability of Proxies

The enclosed proxy is being solicited by the Board of Directors of the Company. Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to the Company a written notice of revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. Attendance at the meeting will not, by itself, revoke a proxy.

Voting and Solicitation

Every shareholder voting at the Annual Meeting for the election of directors may either (i) cumulate such shareholder s votes and give one nominee for director a number of votes equal to (a) the number of directors to be elected, multiplied by (b) the number of shares of the Company s Common Stock held by such shareholder; or (ii) distribute such shareholder s votes on the same principle among as many nominees for director as the shareholder thinks fit, provided that votes cannot be cast for more than five nominees. However, no shareholder will be entitled to cumulate votes for any nominee unless such nominee s name has been placed in nomination prior to the voting and such shareholder, or another shareholder, has given notice at the Annual Meeting prior to the voting for directors of the intention of such shareholder to cumulate such shareholder s votes. On all other matters, one vote may be cast for each share of the Company s Common Stock held by a shareholder.

A quorum will be present if a majority of the votes entitled to be cast are present in person or by valid proxy. All matters to be considered and acted upon by the shareholders at the Annual Meeting must be approved by a majority of the shares represented at the Annual Meeting and entitled to vote. Consequently, abstentions will have the same legal effect as votes against a proposal. In contrast, broker non-votes resulting from a broker s inability to vote a client s shares on non-discretionary matters will have no effect on the approval of such matters.

Edgar Filing: INTER TEL INC - Form DEF 14A

If the enclosed proxy is properly executed and returned to the Company in time to be voted at the Annual Meeting, it will be voted as specified on the proxy, unless it is properly revoked prior thereto. Telephone and Internet voting will also be allowed according to the instructions provided on the proxy card submitted with this proxy.

The cost of this proxy solicitation will be borne by the Company. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares of the Company's Common Stock for expenses incurred in forwarding solicitation material to such beneficial owners. Proxies also may be solicited by certain of the Company's directors, officers and regular employees, personally or by

telephone or facsimile, without additional compensation.

Deadline for Receipt of Shareholder Proposals

Proposals of shareholders of the Company that are intended to be presented by such shareholders at the annual meeting of the Company for the fiscal year ending December 31, 2004 must be received by the Company no later than November 19, 2004, in order to be included in the proxy statement and form of proxy relating to such meeting.

SEC rules also establish a different deadline for submission of shareholder proposals that are not intended to be included in the Company's proxy statement with respect to discretionary voting. The discretionary vote deadline for the 2005 Annual Meeting is February 2, 2005, 45 calendar days prior to the anniversary of the mailing date of this proxy statement. If a shareholder gives notice of such a proposal after the discretionary vote deadline, the Company's proxy holders will be allowed to use their discretionary voting authority to vote against the shareholder proposal when and if the proposal is raised at the Company's year 2005 Annual Meeting.

Independent Auditors

The independent auditors of the Company for the fiscal year ended December 31, 2003 were Ernst & Young LLP. A representative of Ernst & Young LLP will attend the annual meeting for purposes of responding to appropriate questions.

**RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS
(Proposal No. 2)**

The Audit Committee of the Board of Directors has appointed Ernst & Young LLP as independent auditors to audit the consolidated financial statements of the Company and its subsidiaries for the year ending December 31, 2004. Although Inter-Tel is not required to seek shareholder approval of this appointment, the Board of Directors believes it to be sound corporate governance to do so. If the appointment is not ratified, the Audit Committee will investigate the reasons for shareholder rejection and will reconsider the appointment.

Ernst & Young LLP has issued its report, included in the Company's Form 10-K, on the consolidated financial statements of the Company for the year ending December 31, 2003. Ernst & Young LLP has served as the Company's independent auditors in every year in which the Company's stock has been publicly traded.

Before selecting Ernst & Young LLP, the Audit Committee carefully considered Ernst & Young LLP's qualifications as independent auditors. This included a review of the qualifications of the engagement team, the quality control procedures the firm has established, any issues raised by the most recent quality control review of the firm, as well as its reputation for integrity and competence in the fields of accounting and auditing.

Table of Contents**Fees Billed by Ernst & Young LLP During Fiscal 2003 and 2002.**

The Audit Committee has established a policy of pre-approving audit and non-audit services provided by the auditors of Inter-Tel. Each of the fees for services listed below for 2003 were pre-approved by Inter-Tel's Audit Committee. The Audit Committee's review included matters to be considered under the rules of the SEC, including the nature and extent of non-audit services, to ensure that the auditors' independence will not be impaired. The Audit Committee expressed its satisfaction with Ernst & Young LLP in all of these respects. The Audit Committee of our board of directors has determined that the provision of services by Ernst & Young LLP other than for audit related services is compatible with maintaining the independence of Ernst & Young LLP as our independent auditors. Identifying and Evaluating Nominees for Director

The Corporate Governance and Nominating Committee will utilize a variety of methods for identifying and evaluating nominees for director. The Corporate Governance and Nominating Committee will regularly assess the appropriate size of the Board of Directors, and whether any vacancies on the Board of Directors are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Corporate Governance and Nominating Committee will consider various potential candidates for director. Candidates may come to the attention of the Corporate Governance and Nominating Committee through current members of the Board of Directors, professional search firms, shareholders or other persons. These candidates will be evaluated at regular or special meetings of the Corporate Governance and Nominating Committee, and may be considered at any point during the year. In evaluating the suitability of the candidates, the committee will consider relevant factors, including, among other things, issues of character, judgment, independence, age, expertise, diversity of experience, length of service, other commitments and the like. The committee will evaluate such factors, among others, and considers each individual candidate in the context of the current perceived needs of the board of directors as a whole.

As described above, the Corporate Governance and Nominating Committee will consider properly submitted shareholder recommendations for candidates for the Board of Directors. In evaluating such recommendations, the Corporate Governance and Nominating Committee will use the qualifications standards discussed above and seek to achieve a balance of knowledge, experience and capability on the Board of Directors.

The Board of Directors has final authority on determining the selection of director candidates for nomination to the Board. These policies and procedures may be modified at any time as may be determined by the committee.

AUDIT COMMITTEE REPORT FOR THE YEAR ENDED DECEMBER 31, 2003

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant accounting judgments and the clarity of the Company's disclosures in the financial statements.

In addition, the Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards, and in particular, SAS 61. Furthermore, the Audit Committee discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures required by the Independence Standards Board Standard No. 1, and considered the compatibility of non-audit services with the auditors' independence.

The Audit Committee also discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal control, and the overall quality of the Company's financial reporting. The Audit Committee held four (4) meetings during the fiscal year ended December 31, 2003. The members of the Audit Committee are Mr. Chapman (Chairman), Mr. Anderson, Mr. Edens and Dr. Haden, all of whom meet the independence requirements of the Nasdaq stock market. The Board has determined that Mr. Chapman is an Audit Committee financial expert.

Non-management directors meet regularly in executive sessions without management. Non-management directors are all those who are not Company officers. An executive session is held in conjunction with each regularly scheduled Board meeting and other sessions may be called by directors in their discretion or at the request of the Board.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board approved, that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission. The Audit Committee and the Board have also recommended, subject to shareholder approval, the selection of Ernst & Young LLP, as the Company's independent auditors.

AUDIT COMMITTEE: Jerry W. Chapman (Chairman), J. Robert Anderson, Dr. C. Roland Haden and Gary Edens.

February 17, 2004

Table of Contents**COMPENSATION COMMITTEE REPORT FOR THE YEAR ENDED DECEMBER 31, 2003****Executive Compensation Principles**

The Company's Compensation Committee's responsibilities include determining the cash and non-cash compensation of executive officers. The Compensation Committee's policy regarding compensation of the Company's executive officers is to provide generally competitive salary levels and compensation incentives in order to attract and retain individuals of outstanding ability; to recognize and reward individual performance and the performance of the Company; and to support the Company's primary goal of increasing shareholder value. Through 2003, non-cash compensation had been limited to stock option grants to purchase Common Stock at fair market value at the grant date. All executive officers and certain employees of the Company participate in such stock incentive plans. All options to purchase Common Stock were granted with exercise prices equal to the fair market value of the Common Stock on the date of grant. These plans are designed to attract and retain qualified personnel and to tie their performance to the enhancement of shareholder value. Stock options vest at the end of either four or five years from the date of grant.

Executive officers, together with other permanent Inter-Tel employees, may also participate in the Company's 401(k) Thrift Savings Plan. Each executive officer participated in the Inter-Tel Employee Stock Ownership Plan through July 1997, the date the plan assets were frozen, except for Mr. Stout, who was not allocated shares before the date the plan was frozen. All executive officers may also participate in the Inter-Tel Employee Stock Purchase Plan except for Mr. Mihaylo, who is not eligible to participate because he owns greater than 5% of the Company's Common Stock.

In February 2002, Inter-Tel received a gross cash award of \$20 million as a result of an arbitration settlement in connection with a lawsuit filed by Inter-Tel in 1996. As a result of this settlement, the board of directors approved payments of \$250,000, \$225,000, \$225,000 and \$40,000 to Steven G. Mihaylo, Craig Rauchle, Norman Stout and Jeff Ford, respectively. These one-time special payments were approved by the Compensation Committee after the settlement was awarded, based in part on the significant amounts of time and energy expended over several years by these executives related to the lawsuit.

During 1999, each of the Named Executive Officers and other officers and selected employees of the Company were offered loans to acquire the Company's Common Stock. Promissory Notes were established to cover the cost of exercise of stock options, including applicable taxes, or the cost of the Company's Common Stock purchased in the open market during May and June of 1999. The loans were interest-only notes with balloon payments due on or before March 15, 2004. The loans bore interest at the mid-term applicable federal interest rates, compounded annually. Executive Compensation Program for Key Executives

The total compensation program for executives includes both cash and equity-based compensation. The Compensation Committee determines the level of salary for executive officers and determines the salary or salary ranges based upon periodic reviews of base salary levels for comparable officer positions in similar companies of comparable size. Salary changes are based upon comparable market rates, the Compensation Committee's assessment of the executive's performance, and the scope and complexity of the position held.

At the beginning of 2003, the Compensation Committee considered the Company's target earnings per share goals and the operating plans of the Company. Consideration included past and anticipated performance, new product and market expectations, assets employed and similar factors. The Compensation Committee set earnings per share performance levels for the consolidated Company, upon which incentives were established for each of the executives. Cash bonus awards, based upon meeting or exceeding such performance levels (limited to a maximum percentage of base salary), were set for each executive officer. With the exception of Mr. Ford, Named Executive Officer bonuses were based entirely on Inter-Tel earnings per share targets. Seventy-five percent of the performance award opportunity for Mr. Ford was based on earnings and other specific measurements within his operating segment of the Company, and 25% was based on Inter-Tel earnings per share targets. Maximum bonus awards, ranging from 60% to 100% of annual base compensation were set for the Named Executive Officers.

The cash bonuses in the Summary Compensation Table reflect the performance of the Named Executive Officers against the targets established at the beginning of each year.

Chief Executive Officer

The Chief Executive Officer's salary for 2003 was determined based upon a review of the salaries of Chief Executive Officers of similar companies of comparable size and capitalization and upon a review of the Chief Executive Officer's performance compared with the prior year and the 2002 budget. The Compensation Committee determined that the CEO's 2003 maximum bonus opportunity should remain unchanged from prior years, at a level of 100% of base salary. No stock options were granted to Mr. Mihaylo to purchase Inter-Tel stock during 2003.

- (3) Potential realizable value assumes that the stock price increases from the date of grant until the end of the option term (10 years) at the annual rate specified (5% and 10%). Annual compounding results in total appreciation of 62.9% (at 5% per year) and 159.4% (at 10% per year). The assumed annual rates of appreciation are mandated by the rules of the Securities and Exchange Commission and do not represent the Company's estimate or projection of future stock price growth. Actual gains, if any, on stock option exercises are dependent upon the Company's future financial performance, overall market conditions and the option holders' continued employment or consultancy through the vesting period.
