Plan Administrator
Comcast-Spectacor 401(k) Plan

We have audited the accompanying statement of net assets available for benefits of the Comcast-Spectacor 401(k) Plan as of December 31, 2003 and 2002, the related statement of changes in net assets available for benefits for the year ended December 31, 2003 and the supplemental schedule of assets held for investment purposes as of December 31, 2003. These financial statements are the responsibility of the Plan's management.

We conducted our audit of the financial statements as of and for the year ended December 31, 2003, in accordance with standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial

statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2003 and 2002, and the changes in net assets available for benefits for the year ended December 31, 2003, in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

December 31, 2003 and 2002

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Comcast-Spectacor 401(k) Plan (the Plan) provides only general information. Participants should refer to the official Plan document for a complete description of the Plan's provisions.

1. General

The effective date of the Plan is January 1, 1992. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974. The Plan covers "eligible employees," as defined in the Plan, who have completed one year of eligibility service (as defined in the Plan) and have attained age 21. Effective January 1, 1994, a 401(k) feature was added to the Plan and the name was changed from the Spectacor Retirement Plan to the Spectacor Retirement and Savings Plan. Effective January 1, 1997, the name was changed to the Comcast-Spectacor 401(k) Plan. The following entities participate in the Plan, referred to collectively as "the Company":

- o Comcast-Spectacor Limited Partnership (Plan Sponsor)
- o Comcast-Spectacor Limited Partnership Baysox Club, LLC
- o Comcast-Spectacor Limited Partnership Keys Club, LLC
- o Comcast-Spectacor Limited Partnership Shorebirds Club, LLC
- o Spectrum Arena Limited Partnership
- o Philadelphia Flyers Limited Partnership
- o Philadelphia 76ers Limited Partnership
- o Philadelphia Phantoms Limited Partnership
- o Comcast Spectacor Foundation
- o Flyers Skate Zone Limited Partnership
- o Global Spectrum Limited Partnership
- o Spectacor, Inc.
- o Patron Solutions Limited Liability Partnership
- o FPS Rinks Limited Partnership

Effective January 1, 2003, the Trustee and Record-keeper for the Plan was changed by the Plan Sponsor to Smith Barney Corporate Trust Company and Citi Street Associates, LLC, respectively.

2. Contributions and Related Party Transactions

Each participant may make a pretax contribution deferring not less than 1% or more than 100% of eligible compensation (as defined in the Plan agreement), subject to Internal Revenue Service (IRS) regulations. The Company contributed to the Plan an amount equal to 100% of the first 3% of eligible compensation contributed by the participants and 50% of the next 4% of eligible compensation contributed by the participants. Additionally, the Plan provides for discretionary matching contributions of up to 5% of eligible compensation contributed by a participant. The Plan also provides for discretionary profit sharing contributions.

NOTE A - DESCRIPTION OF THE PLAN - Continued

3. Participant Accounts

Each participant's account is credited with the participant's elective deferral contribution, an allocation of the Company's contribution, if any, and Plan earnings, net of expenses. Allocations of Company matching contributions are based on participant elective deferrals to the Plan. Allocations of profit sharing contributions are in proportion to total compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

4. Vesting

Participants are immediately vested in their elective deferral contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of service. A participant is 100% vested after five years of credited service. Vesting can be accelerated under certain other conditions defined in the Plan. All forfeited amounts may be applied to plan expenses including legal, consulting, education materials, etc. or to reduce Company contributions.

In the event of whole or partial termination of the Plan, there will be full and immediate vesting of each affected employee's account balance.

5. Payment of Benefits

All benefits under the Plan are paid as lump-sum distributions. Beginning on July 1, 2000, distributions of Comcast Corporation stock can be taken in the form of stock. In-kind distributions are not specifically provided for under the Plan.

6. Loans to Participants

Smith Barney Corporate Trust Company (the Trustee) may make loans from the Plan to participants in accordance with the Plan document. All loans to participants are considered investments of the trust fund and bear market rates of interest. All loans are to be repaid within five years unless the loan is used to acquire a principal residence, in which case the term may be longer.

Edgar Filing: COMCAST CORP - Form 11-K

7. Income Tax Status

The IRS issued a determination letter to the Plan, dated April 29, 2003, stating that the Plan was qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, is exempt from federal income tax under Section 501(a) of the Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Valuation of Investments and Income Recognition

Plan assets are stated at fair value. The fair value of money market and mutual funds is determined by quoted market price. The change in fair value of assets during the year is measured by the difference between the fair value at year-end and the fair value at the beginning of the year or costs of purchases during the year and is reflected in the statement of changes in net assets available for benefits as net appreciation in fair value of investments.

Participant loans are stated at their outstanding balances.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

2. Use of Estimates

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

NOTE C - INVESTMENTS

The fair market value of investments held by the Plan representing 5% or more of the Plan's assets are identified below.
