## ELAN COMPLETES ITS AVINZA(TM) LICENSE RESTRUCTURING WITH PAYMENT TO ELAN OF \$100 MILLION IN CASH

DUBLIN, Ireland, December 9, 2002 - Elan Corporation, plc (NYSE: ELN) ("Elan") today announced that the amendment to the terms of its development, license and supply agreement with Ligand Pharmaceuticals, Inc. ("Ligand") regarding Avinza(TM) (morphine sulfate extended-release) capsules, previously announced on November 12, 2002, has become effective. As per the terms of the amended agreement, Ligand has made a cash payment of \$100 million to Elan.

The proceeds from the amended agreement will form part of Elan's targeted proceeds as outlined in its recovery plan. Elan's cash position will in future periods be dependent on a number of factors, including its asset divestiture program, its balance sheet restructuring, its debt service requirements and its future operating cash flow. In addition to the actions and objectives previously outlined with respect to Elan's recovery plan, Elan may in the future seek to raise additional capital, restructure or refinance its outstanding indebtedness, repurchase its equity securities or its outstanding debt, including its Liquid Yield Option Notes, in the open market or pursuant to privately negotiated transactions, or take a combination of such steps or other steps to increase or manage its liquidity and capital resources. Any such refinancings or repurchases may be material.

Elan Completes its Avinza(TM) License Restructuring with a Payment to  
Elan of \$100 million in Cash

Elan is focused on the discovery, development, manufacturing, selling and marketing of novel therapeutic products in neurology, pain management and autoimmune diseases. Elan shares trade on the New York, London and Dublin Stock Exchanges.

This news release may contain certain forward-looking statements by Elan that involve risks and uncertainties and reflect the company's judgement as of the date of this release. Actual events or results may differ from the company's expectations. For example, there can be no assurance that the funds received from this transaction will have a material contribution to Elan's efforts to, or predict or guarantee Elan's ability to, raise substantial proceeds from the
