SHAREHOLDER UPDATE - JULY 2003

Dear Fellow Shareholder,

Aloha. Thanks to our enthusiastic and hardworking employees and management team, your company has enjoyed an especially productive and profitable second quarter.

We are extremely pleased to bring you this update regarding second quarter earnings for your company and our ongoing efforts to grow CB Bancshares, Inc., by providing outstanding service and innovative products to City Bank customers.

Enclosed you will find an earnings news release which has been distributed to the media. This news is so important we wanted to be sure we brought it to your attention.

### SECOND QUARTER EARNINGS INCREASE OVER 20%

Consolidated net income for the second quarter of 2003 was \$4.4 million. This is an increase of more than 20% over last year. Diluted earnings per share was \$0.99, an increase of more than 19% over the same quarter in 2002.

For the six-month period ended June 30, 2003, consolidated net income totaled \$8.3 million, an increase of \$1.2 million or more than 16% over the same period last year. Diluted earnings per share was \$1.91, an increase of more than 15% over the same period in 2002.

These strong earnings clearly demonstrate the great strides your company is making in improving asset quality, growing core deposits and fee income, and building our lending operations. We fully intend to continue our strategy of providing our customers with choice, value and service while delivering enhanced shareholder value. The management and staff of City Bank and CB Bancshares, Inc. are committed to continue this progress and we appreciate your support of our efforts on your behalf.

### UNSOLICITED HOSTILE TAKEOVER PROPOSAL

As you know, we have been vigorously fighting the unsolicited, hostile takeover attempt announced by Central Pacific Financial Corp. on April 16, 2003. Consolidated net income for the second quarter of 2003 includes \$4.2 million (\$2.7 million after taxes, or \$0.64 per share) in expenses associated with this matter. Excluding the after-tax effect of these expenses, consolidated net income for the second quarter of 2003 was \$7.1 million, (\$1.63 per diluted share) an increase of 97.4% over the same period last year. Excluding the effects of these expenses, for the six months ended June 30, 2003, consolidated net income was \$11.1 million (\$2.55 per diluted share), an increase of 55.4% over the same period in 2002.

### STOCK DIVIDEND TRIPLES

Your Board of Directors has declared a cash dividend of \$0.36 per common share, payable on September 29, 2003 to stockholders of record on September 15, 2003. This represents an increase of over \$0.25 per share, or 230%, over the current quarterly cash dividend.

Recent tax legislation has made dividend payments a more tax efficient way to provide value to our shareholders. This new dividend level reflects our solid second quarter performance and underscores our confidence in our financial strength and future earnings potential of the CB Bancshares franchise.

## Edgar Filing: CB BANCSHARES INC/HI - Form SC14D9C

On August 9th, we will hold the grand opening for our first City Bank branch on the West side of the island of Hawaii. City Bank's Kona Branch will be located in the Crossroads Shopping Center in Kailua-Kona. This new branch enables us to serve the rapidly growing West Hawaii community and builds upon our strong existing operations in Hilo.

### EXPANDING TO BETTER SERVE THE WAIPAHU COMMUNITY

Our customer base in this community continues to grow and we are expanding our Waipahu Branch to meet the needs of our nearly 5,000 customers.

Improved Waipahu facilities will include two additional teller windows and an overall increase in branch size which will allow us to provide our customers with additional services and products.
