Item 2. Acquisition or Disposition of Assets.

On September 17, 2003, the initial offering period for the tender offer by Flexsteel Industries, Inc., a Minnesota corporation ("Flexsteel"), through its wholly owned subsidiary, Churchill Acquisition Corp., a Delaware corporation, for all of the outstanding shares of common stock of DMI Furniture, Inc., a Delaware corporation ("DMI"), for \$3.30 in cash per share, expired. The tender offer was made pursuant to an Agreement and Plan of Merger, by and among Flexsteel, Churchill Acquisition Corp. and DMI, dated as of August 12, 2003 (the "Merger Agreement"). A copy of the Merger Agreement is filed as Exhibit 2.1 to this Current Report. The details of the tender offer were disclosed in a Tender Offer Statement on Schedule TO, filed with the Securities and Exchange Commission on August 20, 2003 and subsequently amended. On September 18, 2003, Churchill Acquisition Corp. accepted all validly tendered shares and commenced a subsequent offering period to acquire any remaining shares of DMI common stock. The subsequent offering period expired on October 1, 2003. Churchill Acquisition Corp. acquired a total of [o] shares of DMI common stock, representing approximately [o]% of the

outstanding shares, pursuant to the tender offer.

On October 1 2003, Flexsteel completed a short-form merger of Churchill Acquisition Corp. with and into DMI. As a result of the merger, all remaining stockholders of DMI will receive \$3.30 per share in cash, without interest, other than stockholders who properly exercise dissenters' rights under applicable state law.

Approximately \$[o] million was required to purchase all of the outstanding shares of DMI common stock pursuant to the tender offer and the merger. Flexsteel used generally available corporate funds to provide Churchill Acquisition Corp. with all funds used by it for the acquisition of DMI.

DMI is a Louisville, Kentucky based vertically integrated manufacturer, importer, and marketer of residential and commercial office furniture with four manufacturing plants and warehouses in Indiana and manufacturing sources in Asia and South America. Flexsteel currently intends to devote the DMI assets to the continuation of the business operations of DMI, substantially as they were conducted prior to the completion of the merger.
