**METROPOLITAN HEALTH ADDS 1 , 100 MEDICARE ADVANTAGE PATIENT LIVES WITH
ADDITION OF BROWARD COUNTY PHYSICIAN PRACTICE**

Deal Set to Bolster Revenue Potential for Metropolitan and Improve Service to Broward County Area

WEST PALM BEACH, FL July 29, 2004 - Metropolitan Health Networks, Inc. (**OTCBB: MDPA**), a provider of high quality, comprehensive healthcare services to patients in South and Central Florida, announced today that the

Company has entered into an agreement to acquire a multi-specialty physician practice, currently serving approximately 1,100 Humana Medicare Advantage members and several hundred fee-for-service patients in Broward County ..

The practice, located in Plantation Florida, is managed by lead physician Debra Gutterman, M.D. Dr. Gutterman is Board Certified in both Internal Medicine and Infectious Disease. Effective August 1, 2004, Metropolitan will assume operational control and begin implementing its policies and procedures, including its Partners In Quality (PIQ) program.

Debra Finnel, Metropolitan's Chief Operating Officer, commented, "We are pleased to have Dr. Gutterman and her staff join our Company. Their capability and their practice location enhance Metropolitan's presence in this important market. The acquisition increases our Humana Medicare Advantage membership by over 18% in South Florida. Our agreement with Humana limits our financial exposure during an initial transition period and Metropolitan has the required infrastructure in place to incorporate the management of this physician practice into the Company's operations with minimal capital expenditure. From a top and bottom line growth perspective, we believe this bodes well for Metropolitan Health Networks .. For many years Metropolitan and Humana have enjoyed a synergistic and healthy relationship that both organizations have come appreciate. We are pleased to see this significant addition to our home South Florida market.

Finnel concluded, "This transaction should be seamless to the patients served by this practice and Metropolitan is committed to providing them with a continued level of excellent healthcare service.
