The terms and conditions of the Note Purchase Agreement were authorized and approved by the Company's Special Committee of Disinterested and Independent Directors.

The promissory notes shall accrue interest at the variable per annum rate equal to the Prime Rate (as defined) plus four percent (4.00%). Principal installments of \$100,000 are payable on the last day of each month end beginning with the month ending August 31, 2020 and continuing through the Maturity Date.

The principal of the promissory notes may be prepaid at any time in whole or in part, by payment of an amount equal to the unpaid principal balance to be pre-paid, plus all unpaid interest accrued thereon through the prepayment date, plus all outstanding and unpaid fees and expenses payable through the prepayment date.

At each anniversary of the Closing, an administration fee will be payable to Mr. Burish equal to 0.5% of the purchase price less principal payments made.

The promissory notes are collateralized by substantially all the Company's assets, including intellectual property, subject to the rights of Partners for Growth V, L.P., which shall be senior to these promissory notes.

The Note Purchase Agreement requires compliance with the following financial covenants: (i) Minimum Coverage Ratio, which requires, as of the last day of each month on or after the closing date, the Minimum Coverage Ratio (as defined) to be equal to or greater than (x) 0.7: 1.00 for the December through May calendar months, (y) 0.9:1.00 for the June through November calendar months; (ii) Minimum Qualifying Revenue (as defined), as of the last day of any calendar month, on or after December 1, 2018, on a trailing twelve-month basis, to be less than \$13,000,000.
