**RAYOVAC CORPORATION
PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON WEDNESDAY, JULY 23, 2003**

General

Edgar Filing: RAYOVAC CORP - Form DEF 14A

We are furnishing this proxy statement to shareholders of record of Rayovac Corporation ("Rayovac" or the "Company") in connection with the solicitation of proxies for use at the annual meeting of shareholders (the "Annual Meeting") to be held on Wednesday, July 23, 2003, at 8:00 a.m., local time, at our headquarters located at 601 Rayovac Drive, Madison, Wisconsin, and at any adjournments or postponements thereof, for the purposes set forth in the foregoing Notice of Annual Meeting of Shareholders. The Notice of Annual Meeting of Shareholders, this proxy statement and the enclosed form of proxy are first being mailed to shareholders on or about June 17, 2003.

Voting Securities, Quorum and Vote Required

Only holders of record of common stock, par value \$.01 per share, of Rayovac (the "Common Stock") as of the close of business on June 2, 2003 (the "Record Date") are entitled to receive notice of and to vote at the Annual Meeting. On the Record Date, there were 32,461,769 shares of Common Stock outstanding, constituting all of our outstanding voting securities. Shareholders are entitled to one vote for each share of Common Stock they held as of the Record Date.

A quorum of shareholders is necessary to hold a valid annual meeting. A quorum will exist at the Annual Meeting if the holders of record of a majority of the number of shares of Common Stock outstanding as of the Record Date are present in person or represented by proxy at the Annual Meeting. Shares held as of the Record Date by holders who are present in person or represented by proxy at the Annual Meeting but who have abstained from voting or not voted with respect to some or all of such shares on any proposal to be voted on at the Annual Meeting will be counted as present for purposes of establishing a quorum.

To be elected as a Class III director at the Annual Meeting (Proposal No. 1), each candidate for election must receive a plurality of the votes cast by the shareholders present in person or represented by proxy at the Annual Meeting. The affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting, provided a quorum is present, is required to ratify the Board of Directors' appointment of KPMG LLP as our independent auditors for fiscal 2003 (Proposal No. 2).

Shares represented by proxies that are marked "**WITHHELD**" with regard to Proposal No. 1 will be excluded entirely from the vote and will have no effect. Shares represented by proxies which are marked "**ABSTAIN**" with regard to Proposal No. 2 will be considered present in person or represented by proxy at the Annual Meeting and will have the effect of a negative vote because approval of this proposal requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting.

A broker "non-vote" occurs with respect to shares as to a proposal when a broker who holds shares of record in his name is not permitted to vote on that proposal without instruction from the beneficial owner of the shares and no instruction is given. Brokers holding your shares in their name will be permitted to vote such shares with respect to all of the proposals to be voted on at the Annual

Meeting without instruction from you, and, accordingly, broker non-votes will not occur with respect to either proposal.

Proxies

Voting Your Proxy

You may vote in person at the Annual Meeting or by proxy. We recommend that you vote by proxy even if you plan to attend the Annual Meeting. You can always change your vote at the Annual Meeting.

Voting instructions are included on your proxy card. If you properly complete, date and sign your proxy and return it to us in time for it to be voted at the Annual Meeting, one of the individuals named as your proxy, each of whom is one of our officers, will vote your shares as you have directed on the proxy card.

If you sign and timely return your proxy card, but do not indicate how your shares are to be voted with respect to one or more of the proposals to be voted on at the Annual Meeting, your shares will be voted **FOR** each of such proposals. Our Board of Directors has no knowledge of any matters that will be presented for consideration at the Annual Meeting other than those described herein. If any other matter is properly presented at the Annual Meeting upon which a vote may properly be taken, shares represented by duly executed and timely returned proxy cards will be voted on any such matter in accordance with the judgment of the named proxies. The named proxies will also have discretionary authority to vote upon any adjournment or postponement of the Annual Meeting, including for the purpose of soliciting additional proxies.

How to Vote by Proxy

Edgar Filing: RAYOVAC CORP - Form DEF 14A

You may vote by proxy by completing, signing, dating and returning your proxy card in the enclosed envelope. If you hold your shares through a broker or other custodian, you should provide written instructions to your broker on how to vote your shares. The proposals to be voted on at the Annual Meeting are routine matters and, accordingly, your broker will be permitted to vote your shares without instruction from you. As a result, if you do not provide your broker with instructions on how to vote your shares, your broker may vote your shares in a different manner than you would have voted if you had provided instructions to your broker.

Revoking Your Proxy

You may revoke your proxy before it is voted by:

sending in a new proxy with a later date;

notifying the Secretary of the Company in writing before the Annual Meeting that you have revoked your proxy; or

voting in person at the Annual Meeting.

If you hold your shares through a broker or other custodian, you will need to contact them to revoke your proxy.

2

Voting in Person

If you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the Annual Meeting. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a proxy from your nominee authorizing you to vote your "street name" shares held as of the Record Date.

Proxy Solicitation

This solicitation of proxies is being made on behalf of our Board of Directors and we will bear the costs of the solicitation. We have engaged Georgeson Shareholder Communications Inc. to assist in soliciting proxies for a fee of approximately \$6,500 plus reasonable out-of-pocket expenses. In addition to the solicitation of proxies by mail, proxies may also be solicited by our directors, officers and employees in person or by telephone or fax, for which they will receive no additional compensation. We will also reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to shareholders.

Delivery of Proxy Materials and Annual Report to Households

The Rules of the Securities and Exchange Commission (the "SEC") permit companies and brokers, banks or other intermediaries to deliver a single copy of an annual report and proxy statement to households at which two or more shareholders reside. Beneficial owners sharing an address who have been previously notified by their broker, bank or other intermediary and who have consented to householding, either affirmatively or implicitly by not objecting to householding, will receive only one copy of our annual report to shareholders for the last fiscal year (the "Annual Report") and this proxy statement.

If you hold your shares in your own name as a holder of record, householding will not apply to your shares.

Beneficial owners who reside at a shared address at which a single copy of our Annual Report and this proxy statement is delivered may obtain a separate copy of our Annual Report and/or this proxy statement without charge by sending a written request to Rayovac Corporation, 601 Rayovac Drive, Madison, Wisconsin 53711, Attention: Corporate Communications Department, or by calling us at (608) 275-4912. We will promptly deliver an Annual Report and/or this proxy statement upon request.

Not all brokers, banks or other intermediaries may offer the opportunity to permit beneficial owners to participate in householding. If you want to participate in householding and eliminate duplicate mailings in the future, you must contact your broker, bank or other intermediary directly. Alternatively, if you want to revoke your consent to householding and receive separate annual reports and proxy statements for each beneficial owner sharing your address, you must contact your broker, bank or other intermediary to revoke your consent.

**PROPOSAL NO. 1
ELECTION OF DIRECTORS**

The Board of Directors currently consists of seven members, as determined in accordance with our Amended and Restated By-Laws. In accordance with our Amended and Restated Articles of Incorporation, the Board of Directors is divided into three classes (designated Class I, Class II and Class III, respectively), each consisting, as nearly as possible, of one-third of the total number of directors. The current term of office of the Class III directors expires at the Annual Meeting. The Class I and Class II directors are serving terms that expire at the annual meeting of shareholders to be held in 2005 and 2004, respectively.

The named proxies will vote the shares represented by all proxies received for the nominees for election as Class III directors, except to the extent authority to do so is withheld. Shareholders may withhold authority from the named proxies to vote for the entire slate of directors as nominated or, by writing the name of an individual nominee in the space provided on the proxy card, may withhold the authority to vote for any individual nominee. Withholding authority to vote for one or more of the nominees will result in those nominees receiving fewer votes. If any nominee is or becomes unable or unwilling to serve, all proxies received will be voted for the person, if any, as shall be designated by the Board of Directors to replace the nominee. Beneficial ownership is determined in accordance with the rules of the SEC. Determinations as to the identity of 5% Shareholders are based upon filings with the SEC and other publicly available information. Except as otherwise indicated, we believe, based on the information furnished or otherwise available to us, that each person or entity named in the table has sole voting and investment power with respect to all shares of Common Stock shown as beneficially owned by them, subject to applicable community property laws. The percentage of beneficial ownership set forth below is based upon 32,461,769 shares of Common Stock outstanding as of the close of business on May 30, 2003. In computing the number of shares of Common Stock beneficially owned by a person and the percentage ownership of that person, shares of Common Stock that are subject to options held by that person that are currently exercisable or exercisable within 60 days of May 30, 2003, are deemed outstanding. These shares are not, however, deemed outstanding for the purpose of computing the percentage ownership of any other person. Unless otherwise noted below, the address of each beneficial owner listed in the table is c/o Rayovac Corporation, 601 Rayovac Drive, Madison, Wisconsin 53711.

Supplemental Executive Retirement Plan

We provide a supplemental executive retirement plan for eligible employees. The Board of Directors determines which employees of the Company are eligible to participate in the plan. Currently, only our Named Executive Officers and certain other executive officers participate in the plan. Pursuant to the plan, we establish an account for each plan participant. Each October 1, we credit the account of each participant by an amount equal to 15% of the participant's salary. In addition, each

16

quarter we credit each account by an amount equal to 2% of the participant's account value. Each participant vests 20% per year in his account, with immediate full vesting occurring upon death, disability or a change in control of the Company.

Employment Agreements

We have an employment agreement with each of the Named Executive Officers. On October 1, 2002, we entered into amended and restated employment agreements with David A. Jones (the "Jones Employment Agreement") and Kent J. Hussey (the "Hussey Employment Agreement"), as well as amended and restated employment agreements with each of Luis A. Cancio, Stephen P. Shanesy and Merrell M. Tomlin (together with the Jones Employment Agreement and the Hussey Employment Agreement, the "Executive Employment Agreements").

Each of the Executive Employment Agreements:

except in the case of the Hussey Employment Agreement (which has a term of four years and expires on September 30, 2006), has a term of three years, expiring on September 30, 2005, and, except for the Jones Employment Agreement, provides for automatic renewal for successive one-year periods unless terminated earlier upon 90-days' written notice by either the respective Named Executive Officer or us;

Edgar Filing: RAYOVAC CORP - Form DEF 14A

provides that the Named Executive Officer has the right to resign and terminate his respective Executive Employment Agreement at any time upon 60-days' notice. Upon such resignation, we must pay any unpaid base salary through the date of termination to the resigning Named Executive Officer;

except in the case of the Jones Employment Agreement, provides that upon termination of the Named Executive Officer's employment without cause or for death or disability, we will pay to the terminated Named Executive Officer, or such Named Executive Officer's estate, two times the Named Executive Officer's base salary and annual bonus, to be paid out over the following twelve months. In addition, each Named Executive Officer shall be entitled to receive insurance and other benefits for the greater of 24 months or the remainder of the term;

provides us with the right to terminate the Named Executive Officer's employment for "cause" (as defined therein), in which event we shall be obligated to pay to the terminated Named Executive Officer any unpaid base salary accrued through the date of termination; and

provides that, during the term of the agreement or the period of time served as an employee or director, and for one year thereafter, the Named Executive Officer shall not engage in or have any business which is involved in the industries in which we are engaged.

Under their respective employment agreements, Mr. Jones became entitled to a base salary of \$700,000 per annum beginning October 1, 2002, Mr. Hussey became entitled to a base salary of \$435,000 per annum beginning October 1, 2002, Mr. Shanesy and Mr. Cancio each became entitled to a base salary of \$325,000 per annum beginning October 1, 2002 (such base salaries may be adjusted from time to time at the discretion of the Board of Directors) and each Named Executive Officer is entitled to an annual bonus based upon our achieving certain annual performance goals established by the Board of Directors. Mr. Tomlin resigned from his position with the Company and terminated his Executive Employment Agreement in February 2003. Prior to his resignation, Mr. Tomlin served as Executive Vice President of Global Sales and was entitled to a base salary of \$325,000 per annum and

17

an annual bonus. Pursuant to the terms of a severance agreement, Mr. Tomlin will receive payments from the Company for a two-year period following his resignation from his position with the Company.

In addition, pursuant to the Jones Employment Agreement, Mr. Jones was paid a bonus of \$400,000 in October 2000 as compensation for past services and will be paid an additional bonus of \$400,000 on September 30, 2003 and an additional bonus of \$2,200,000 on October 1, 2005, should he remain with the Company as of such dates. The Jones Employment Agreement grants Mr. Jones the option to purchase his Rayovac-owned home for one dollar on or after April 30, 2003. In the event of a "sale" of Rayovac (as defined in the Jones Employment Agreement), Mr. Jones' right to receive the September 30, 2003 bonus shall accelerate to the date of the "sale". Pursuant to the terms of a previous employment agreement, Mr. Jones purchased 227,895 shares of our Common Stock at approximately \$4.39 per share in connection with our 1996 recapitalization. One-half of the purchase price for those shares was paid in cash and one-half was paid with a promissory note from Mr. Jones in the principal amount of \$500,000 with an annual interest rate of 7.0% that will mature in September 2003 (the "Jones Equity Note"). Mr. Jones receives additional salary at an initial rate of \$35,000 annually as long as the Jones Equity Note remains outstanding to reimburse Mr. Jones for the annual interest due on the note and additional salary at a rate of \$18,500 annually for miscellaneous expenses.

The Jones Employment Agreement further provides that, upon termination of Mr. Jones' employment due to death or disability, we will pay him or his estate his base salary for the next 24 months following termination and we will continue to pay him or his estate two times the pro rata portion of his annual bonus. In addition, we will continue to pay him his additional salary at an initial rate of \$35,000 annually, as long as the Jones Equity Note is outstanding, and additional salary of \$18,500 annually for the duration of the term of his agreement, and he shall be entitled to insurance and other specified benefits for the greater of 24 months or the remainder of the term. In the event Mr. Jones is terminated "without cause" (as defined in the Jones Employment Agreement), he shall continue to be paid his annual bonus for the greater of 24 months or the remainder of the term. Mr. Jones shall also be entitled to receive additional salary at an initial rate of \$35,000 annually, as long as the Jones Equity Note is outstanding, and additional salary of \$18,500 annually for miscellaneous expenses and insurance and other benefits for the greater of 24 months or the remainder of the term.

Compensation Committee Interlocks and Insider Participation

From October 2001 to January 2002, the Compensation Committee of the Board of Directors was comprised of Scott A. Schoen, Thomas R. Shepherd and Warren C. Smith, Jr. From January 2002 until July 2002, the Compensation Committee of the Board of Directors was comprised of Scott A. Schoen, Thomas R. Shepherd and Scott L. Jaeckel. Thereafter, the Compensation Committee of the Board of Directors has been comprised of Thomas R. Shepherd and Philip F. Pellegrino. No member of our Compensation Committee is currently or has been, at any time since our formation, one of our officers or employees. None of our executive officers serves a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of our Board of Directors or Compensation Committee.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is currently comprised of Philip F. Pellegrino and Thomas R. Shepherd, each of whom is a non-employee director. The Compensation Committee determines the compensation of all of the executive officers of Rayovac. Decisions by the Compensation Committee relating to stock options are reviewed and approved by the full Board of Directors. The purpose of this report is to inform shareholders of our compensation policies for our executive officers and the rationale for the compensation paid to executive officers in fiscal 2002.

Compensation Procedures and Policies

Our executive compensation philosophy and specific compensation plans tie a significant portion of our executives' compensation to our success in meeting specified profit, growth and performance goals and to appreciation in our stock price. Our compensation objectives include attracting and retaining the best possible executive talent, motivating executive officers to achieve our performance objectives, rewarding individual performance and contributions, and linking executive and shareholder interests through equity-based plans.

Our executive compensation consists of three key components: base salary, annual incentive compensation and stock-based awards, each of which is intended to complement the others and, taken together, to satisfy our compensation objectives. The Compensation Committee's policies with respect to each of the three components, including the basis for the compensation awarded to our Chief Executive Officer, are discussed below.

Base Salary

Each of our Named Executive Officers is party to an employment agreement approved by the Compensation Committee that sets the base salary for each Named Executive Officer as well as other terms and conditions of employment. The base salary of each Named Executive Officer may be adjusted during the term of the agreement, as approved by the Board of Directors. The Compensation Committee periodically reviews the base salary of the Chief Executive Officer and the recommendation of the Chief Executive Officer with regard to the base salary of all our other executive officers. The Compensation Committee reviews available national survey data regarding salaries of persons holding comparable positions at comparably sized consumer goods companies to establish base salary ranges and then approves, with any modifications it deems appropriate, the base salaries recommended by the Chief Executive Officer for each of the other executive officers.

Mr. Jones' base salary, as well as other terms and conditions of his employment, was reviewed at the October 25, 2001 meeting of the Compensation Committee. The Compensation Committee primarily considered our achievement of annual goals relating to earnings per share, sales growth and return on investment in fiscal 2001 and Mr. Jones' contribution to achieving those goals. In consideration of Mr. Jones' performance, the Compensation Committee approved Mr. Jones' base salary of \$550,000 for fiscal 2002. On July 10, 2002, the Compensation Committee again reviewed Mr. Jones' base salary, as well as other terms and conditions of his employment, and approved the terms of the Jones Employment Agreement. See "Employment Agreements" above for further information about the Jones Employment Agreement.

The amount of base salary paid to each Named Executive Officer in fiscal 2002 is set forth in the summary compensation table on page 14.

Annual Incentive Compensation

Edgar Filing: RAYOVAC CORP - Form DEF 14A

In fiscal 2002, our executive officers were eligible to participate in an incentive bonus plan which called for payment to Mr. Jones and Mr. Hussey of up to 60% of their annual salaries as cash bonuses and payment to our other executive officers of up to 50% of their annual salaries as cash bonuses in the event that we reached 100% of our target financial goals. We reached 90% of our target financial goals in fiscal 2002 and, as a result, Mr. Jones and Mr. Hussey were paid 30% of their annual salaries and the other executive officers were paid 25% of their respective annual salaries in December 2002. Our executive officers were not paid any bonuses under our incentive bonus plan in fiscal 2002 relative to company performance in fiscal 2001; however, each of our executive officers received one-time cash payments in December 2001 of (i) \$186,000 in the case of Mr. Jones, (ii) \$48,000 in the case of Messrs. Shanesy, Tomlin, Steward and Biller and (iii) \$42,000 in the case of Messrs. Hussey and Cancio. These payments were made in recognition of the generally strong performance of the Company during the tenure of this executive leadership team.

In fiscal 2003, our executive officers may be eligible to participate in an incentive bonus plan which calls for payment to Mr. Jones of up to 100% of his annual salary, Mr. Hussey of up to 75% of his annual salary and our other executive officers of up to 60% of their annual salaries as cash bonuses in the event that we reach 100% of our target financial goals. If we reach at least 80%, but less than 100%, of our target financial goals, the executive officers may be eligible to receive up to one-half of the incentive bonus payment they would otherwise have been eligible to receive had we reached 100% of our target financial goals.

Stock-Based Awards

During fiscal 2002, our executive officers were also eligible to participate in the 1996 Plan and the Incentive Plan.

Under the 1996 Plan, options to acquire up to 2,318,127 shares of Common Stock, in the aggregate, could be granted to select employees and directors under a time-vesting and/or a performance-vesting formula at an exercise price equal to the market price of the Common Stock on the date of grant. The time-vesting options become exercisable primarily in equal 20% increments over a five-year period. The performance-vesting options become exercisable at the end of ten years with accelerated vesting over each of the first five years if we achieve certain performance goals. Accelerated vesting may also occur upon a sale of Rayovac, as defined in the 1996 Plan. As of May 30, 2003, options with respect to 1,186,367 shares of Common Stock were outstanding under the 1996 Plan. In 1997, the Board of Directors adopted the Incentive Plan, which replaced the 1996 Plan. No further awards will be granted under the 1996 Plan, other than awards to replace options granted under the 1996 Plan that terminate or expire prior to being exercised.

Under the Incentive Plan, we may grant to employees and non-employee directors stock options, stock appreciation rights, restricted stock, and other stock-based awards, as well as cash-based annual and long-term incentive awards. Accelerated vesting will occur in the event of a change in control, as defined in the Incentive Plan. Up to 5,000,000 shares of Common Stock may be issued under the

20

Incentive Plan. As of May 30, 2003, 4,395,788 shares of Common Stock underlying stock option grants and restricted stock awards were outstanding under the Incentive Plan. The Incentive Plan expires in August 2007.

The options granted to the Named Executive Officers in fiscal 2002 are set forth in the option grant table on page 16.

Policy Regarding Deductibility of Compensation.

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), generally limits the tax deductibility by a company of compensation in excess of \$1,000,000 paid to its chief executive officer and the four next highest compensated executive officers. This limit does not apply, however, to performance-based compensation, provided that certain conditions are satisfied.

The Compensation Committee's general policy is to preserve, when possible, the federal income tax deduction for compensation payable to executives. Accordingly, provided that we satisfy all other conditions under Section 162(m) of the Code and any related regulations, we believe that awards made under the Incentive Plan will be deductible. The Compensation Committee believes that no payments have been made that would fail to be deductible as a result of the application of Section 162(m) of the Code. We reserve the authority, however, to authorize payments that may not be deductible if we believe that it is in the best interests of Rayovac and our shareholders.

The foregoing report is furnished by the Compensation Committee of the Board of Directors.

COMPENSATION COMMITTEE

COMPARISON OF TOTAL SHAREHOLDER RETURN

The following graph demonstrates the total shareholder return on an initial investment of \$100 on November 20, 1997 (the date our Common Stock began to trade on the New York Stock Exchange) through September 30, 2002 (the last trading date of fiscal 2002) for (i) our Common Stock, (ii) the Standard & Poor's Small Cap 600 Index, (iii) the Russell 2000 Index and (iv) the Russell 2000 Consumer Staples Index. The starting point for our Common Stock represents the actual initial offering price of \$14.00 per share. All values assume reinvestment of the full amount of all dividends. The stock price performance on the following graph is not necessarily indicative of future stock price performance.

AUDIT COMMITTEE REPORT

Our Audit Committee consists of William P. Carmichael, Philip F. Pellegrino and Thomas R. Shepherd. Each of Messrs. Carmichael, Pellegrino and Shepherd are independent directors as defined in Section 303 of the New York Stock Exchange Listing Standards. The Audit Committee operates under, and has the responsibility and authority set forth in, the written charter adopted by the Board of Directors, a copy of which is attached as Appendix A to this proxy statement and which can be viewed at the Corporate Governance portion of our website at www.rayovac.com.

Management is responsible for our internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

With respect to our audited financial statements for the fiscal year ended September 30, 2002, management has represented to the Audit Committee that the financial statements were prepared in accordance with generally accepted accounting principles and the Audit Committee has reviewed and discussed those financial statements with management and the independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications), including the quality and acceptability of the Company's accounting principles as applied in its financial reporting.

Edgar Filing: RAYOVAC CORP - Form DEF 14A

The Audit Committee has received the written disclosures from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as modified or supplemented, and has discussed with the independent auditors the accounting firm's independence. The Audit Committee also considered whether the non-audit services provided by the independent auditors during the last fiscal year described below were compatible with maintaining the independent auditors independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended September 30, 2002 be included in our Annual Report on Form 10-K, as amended, filed with the SEC for that year. The Audit Committee also recommended to the Board of Directors that KPMG LLP be appointed as our independent auditors for fiscal 2003.

The foregoing report is furnished by the Audit Committee of the Board of Directors.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In connection with our recapitalization in 1996, we entered into a Management Agreement with Thomas H. Lee Company pursuant to which Thomas H. Lee Company and its affiliates (the "THL Entities") provided consulting and management advisory services to us for an initial period of five years ending September 12, 2001, which period was subsequently extended for an additional one year term. The agreement was not renewed upon expiration in September 2002. Pursuant to the terms of the Management Agreement, in consideration of the consulting and management advisory services provided under the Management Agreement in fiscal 2002, we paid the THL Entities approximately \$364,000 in fees and expenses. We believe that the Management Agreement was on terms no less favorable to us than could have been obtained from an independent third party. During the last quarter of fiscal 2002, the THL Entities that held shares of our Common Stock distributed all of their shares of our Common Stock to their individual limited partners. In addition, during the last quarter of fiscal 2002, two of our directors who were affiliates of the THL Entities resigned as directors of the Company.

In addition to the Jones Equity Note, we hold various promissory notes described below (together with the Jones Equity Note, the "Executive Notes") from each of the Named Executive Officers.

Mr. Shanesy previously executed three five-year promissory notes dated March 17, 1997, August 1, 1997, and September 16, 1997, in connection with his purchase of shares of Common Stock and exercise of options to purchase shares of Common Stock for a total of \$130,002. On May 1, 2002, Mr. Shanesy executed a promissory note replacing the three previous notes and in the amount of \$130,002. Interest on this promissory note is to be adjusted annually to the Internal Revenue Service minimum rate for 3-5 year maturities. This promissory note is secured by a security interest in shares of our Common Stock (including vested options) owned by Mr. Shanesy.

On July 20, 2000, the Board of Directors authorized additional loans to Messrs. Jones, Hussey, Shanesy, Tomlin, Biller and Cancio of up to the aggregate principal amounts of \$1,950,000, \$800,000, \$200,000, \$500,000, \$400,000 and \$200,000, respectively. As of August 11, 2000, Messrs. Jones, Hussey, Shanesy, Tomlin, Biller and Cancio had each executed a promissory note and, as of September 30, 2002, had drawn aggregate principal amounts of \$1,700,000, \$750,000, \$200,000, \$200,000, \$400,000 and \$200,000, respectively, under the authorized loan program. Interest on these promissory notes is to be adjusted annually to the Internal Revenue Service minimum rate for 3-5 year maturities. The annual interest rate on each of these notes was 4.6% in fiscal year 2002. Each of these promissory notes is secured by a security interest in shares of our Common Stock (including vested options) owned by the respective borrower.

Payments of interest on the Executive Notes are due annually and the outstanding principal amount and any unpaid interest on the Executive Notes is payable at maturity. The Jones Equity Note matures in September 2003 and the remaining Executive Notes mature in September 2005.

The purpose of the loans authorized by the Board of Directors in July 2000 was to provide the executive officers receiving the loans with access to funds as a component of their compensation program. In July 2000, a significant percentage of the stock options and our Common Stock held by such executive officers was subject to transfer restrictions imposed by a shareholders agreement among the Company, the executive officers and the Thomas H. Lee Company (which agreement expired on September 12, 2002). The loans provided the executive

officers with access to alternative funds in light

24

of the restrictions imposed by the shareholders agreement on the equity component of the executives' compensation.

The largest aggregate amount of indebtedness outstanding at any time during fiscal 2002 for each of the executive officers was as follows: Mr. Jones, \$2,200,000; Mr. Hussey, \$750,000; Mr. Shanesy, \$330,002; Mr. Tomlin, \$200,000; Mr. Biller, \$400,000; and Mr. Cancio, \$200,000. The aggregate amount of indebtedness outstanding as of May 30, 2003, for each of the executive officers is as follows: Mr. Jones, \$2,200,000; Mr. Hussey, \$750,000; Mr. Shanesy, \$330,002; Mr. Tomlin, \$200,000; Mr. Biller, \$400,000; and Mr. Cancio, \$200,000.

**PROPOSAL NO. 2
RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS**

General

Upon recommendation of the Audit Committee, the Board of Directors has appointed KPMG LLP as our independent auditors for fiscal 2003. The shareholders are asked to ratify this action of the Board of Directors. Shareholder ratification of the selection of KPMG LLP as our independent auditors for fiscal 2003 is not required by our Amended and Restated By-Laws, or otherwise, but is being pursued as a matter of good corporate practice. If shareholders do not ratify the selection of KPMG LLP as our independent auditors for fiscal 2003, the Board of Directors will consider the matter at its next meeting. KPMG LLP has audited our financial statements since September 12, 1996.

It is anticipated that one or more representatives of KPMG LLP will be present at the Annual Meeting with an opportunity to make a statement, if desired, and will be available to answer appropriate questions from shareholders who are present.

Audit Fees

We paid fees in the aggregate of \$210,000 to KPMG LLP for professional services rendered for the audit of our annual financial statements for fiscal 2002, and review of financial statements included in our quarterly reports on Form 10-Q for the first three quarters of fiscal 2002.

Financial Information Systems Design And Implementation Fees

We did not engage KPMG LLP in fiscal 2002 to perform any services for financial information systems design or implementation.

All Other Fees

In addition to the audit fees, we paid fees in the aggregate of \$1,259,000 to KPMG LLP for professional services rendered in fiscal 2002, comprised of fees of \$1,200,000 for audit-related services and fees of \$59,000 for non-audit services. Of the fees for audit-related services, approximately 90%, or \$1,052,000, of such fees were attributable to services performed in connection with our acquisition of substantially all of the consumer battery business of VARTA AG and other due diligence services. The remaining audit-related services consisted of statutory audits required for certain of our foreign subsidiaries and audits of financial statements of employee benefit plans. Non-audit services consisted of tax compliance assistance and tax advice. The Audit Committee considered these activities to be compatible with the maintenance of KPMG LLP's independence.

The Board of Directors recommends a vote FOR Proposal No. 2 to ratify the appointment of KPMG LLP as Rayovac's independent auditors for fiscal 2003.

26

OTHER MATTERS

The Board of Directors knows of no items of business to be brought before the Annual Meeting other than as described above. If any other items of business should properly come before the Annual Meeting, it is the intention of the persons named in the enclosed proxy card to vote such proxies in accordance with their best judgment with respect to any such items. Discretionary authority for them to do so is contained in the enclosed proxy card.

SHAREHOLDER PROPOSALS

Under the rules and regulations of the SEC, shareholder proposals intended to be presented in our proxy statement for the annual meeting of shareholders to be held in 2004 must be received at our principal executive offices at 601 Rayovac Drive, Madison, Wisconsin 53711, no later than February 17, 2004 in order to be considered for inclusion in our proxy statement for such meeting.

Under our Amended and Restated By-Laws, as amended, proposals of shareholders intended to be submitted for a formal vote (other than proposals to be included in our proxy statement) at the annual meeting of shareholders to be held in 2004 may be made only by a shareholder of record who has given notice of the proposal to the Secretary of Rayovac at our principal executive offices no earlier than March 9, 2004 and not later than June 3, 2004. The notice must contain certain information as specified in the Amended and Restated By-Laws. Any proposal received after June 3, 2004 will not be considered "timely" under the federal proxy rules for purposes of determining whether we may use discretionary authority to vote on such proposal.

ANNUAL REPORT AND FORM 10-K

A copy of our Annual Report on Form 10-K, and all amendments thereto, filed with the SEC is available on request by writing to the Corporate Communications Department, Rayovac Corporation, 601 Rayovac Drive, Madison, Wisconsin 53711.

Our Annual Report for the fiscal year ended September 30, 2002, including the financial statements for fiscal 2002, was previously mailed to shareholders on or about January 2, 2003. An additional copy of the Annual Report may be obtained by writing to the Corporate Communications Department at the above address.

By Order of the Board of
Directors,

James T. Lucke
Secretary

June 17, 2003

The Committee shall have the sole authority to appoint or replace the independent auditor (subject, if applicable, to shareholder ratification). The independent auditor shall report directly to the Committee.

The Committee shall preapprove all auditing services and permitted non-audit services to be performed for the Company by its independent auditor, subject to the de minimus exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act which are approved by the Committee prior to the completion of the audit. The Committee may delegate to one or more designated members the authority to grant such preapprovals, provided that decisions of such member or members to grant preapprovals shall be presented to the full Committee at its next scheduled meeting.

The Committee may form subcommittees for any purpose that the Committee deems appropriate and may delegate to such subcommittees such power and authority as the Committee deems appropriate; *provided, however*, that no subcommittee shall consist of fewer than two members; and *provided further* that the Committee shall not delegate to a subcommittee any power or authority required by any law, regulation or listing standard to be exercised by the Committee as a whole.

Edgar Filing: RAYOVAC CORP - Form DEF 14A

The Committee shall have the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting or other advisors. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report and to any advisors employed by the Committee.

The Committee shall make periodic reports to the Board. The Committee shall review and reassess the adequacy of this Charter annually and recommend any proposed changes to the Board for approval. The Committee shall annually review the Committee's own performance.

The Committee, to the extent it deems necessary or appropriate, shall:

4. Review and discuss quarterly reports from the independent auditors on:
 - (a) All critical accounting policies and practices to be used;
 - (b) All alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor; and
 - (c) Other material written communications between the independent auditor and management, such as any management letter or schedule of unadjusted differences.
5. Discuss with management the Company's earnings press releases, including the use of "pro forma" or "adjusted" non-GAAP information, as well as financial information and earnings guidance provided to analysts and rating agencies. Such discussion may be done generally (consisting of discussing the types of information to be disclosed and the types of presentations to be made).

The Committee shall present its conclusions with respect to the independent auditor to the Board.

12. Ensure the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law. Review reports and disclosures of insider and affiliated party transactions. Advise the Board with respect to the Company's policies and procedures regarding compliance with applicable laws and regulations and with the Company's Code of Ethics.

Establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

A-4

- 22. Discuss with management and the independent auditor any correspondence with regulators or governmental agencies and any published reports which raise material issues regarding the Company's financial statement or accounting policies.

Limitation of Committee's Role

While the Committee has the responsibilities and powers set forth in the Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations.
