**Item 3.02 Unregistered Sales of Equity Securities**

On July 19, 2005, we closed a private placement consisting of 1,650,000 shares of our common stock at a price of \$2.00 per share. The shares were issued to three accredited investors pursuant to exemptions from registration as set out in Rule 506 of Regulation D and/or Section 4(2) of the Securities Act of 1933, as amended. No advertising or general solicitation was employed in offering the securities. The gross proceeds from the private placement will be used to fund our pilot well program in Coos Bay, Oregon. As a condition of the private placement, we agreed to file a registration statement registering the 1,650,000 shares of common stock issued, and to have the registration statement declared effective within 140 days of closing.

**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year End**

On July 12, 2005, by unanimous consent of the board of directors, our company created a class of Series C convertible preferred stock. The Series C Stock consists of 25,000 shares with a par value \$.01 per share and have certain special rights and restrictions as set out in the Certificate of Designation set out in the Articles of Amendment. The Series C Stock became effective on July 13, 2005 with the filing of Articles of Amendment with the Colorado Secretary of State. A copy of the Articles of Amendment is attached as an exhibit to this current report.

**Item 7.01 Regulation FD Fair Disclosure**

On July 19, 2005, we closed a private placement with Cornell Capital Partners, LP resulting in the issuance of 12,500 shares of Series C Stock and gross proceeds of \$12,500,000. The Series C Stock is convertible into common stock at any time by dividing the dollar amount being converted by the lower of \$3.00 or 85% of the volume weighted average trading price per common share of our company for 5 trading days. The holder of the Series C Stock may only convert up to \$950,000 of Series C Stock into common shares in any 30 day period. Each share of Series C Stock will automatically convert into shares of our common stock at the conversion price then in effect two years from the date of issuance of each share. Our company may redeem the Series C Stock by paying 120% of the invested amount together with any unpaid dividends. As a condition of the private placement, we agreed to file a registration statement within 60 days registering the 12,500 shares of common stock issued, and to have the registration statement declared effective within 140 days of closing.

The gross proceeds of the private placement will be paid as follows:

- (i) \$6,000,000 was paid on closing;
- (ii) \$3,500,000 on the second business day prior to the filing date of the registration statement; and
- (iii) \$3,000,000 on the effective date of the registration statement.

The gross proceeds from the private placement will be used to fund our Coos Bay program and for general working capital.

The shares were issued to an accredited investor pursuant to exemptions from registration as set out in Rule 506 of Regulation D and/or Section 4(2) of the Securities Act of 1933, as amended. No advertising or general solicitation was employed in offering the securities.

The Investment Agreement and Registration Rights Agreement are attached as exhibits to this current report.
