PROXY STATEMENT

HAWKINS, INC.

**3100 East Hennepin Avenue
Minneapolis, Minnesota 55413**

July 11, 2005

The following statement is furnished in connection with the solicitation of proxies by the Board of Directors of Hawkins, Inc. (the Company) to be voted at the Annual Meeting of Shareholders of the Company to be held on Thursday, August 4, 2005 at the Four Points Sheraton Hotel, 1330 Industrial Boulevard, Minneapolis, Minnesota, at 3:00 p.m., Central Daylight Time, and at any adjournments of such meeting. Distribution of this proxy statement and proxy to shareholders began on or about July 11, 2005.

SOLICITATION

The cost of soliciting proxies and of the notices of the meeting, including the preparation, assembly and mailing of proxies and this Proxy Statement, will be borne by the Company. In addition to the use of the mail, proxies may be solicited personally or by telephone, mail or electronic mail by directors, officers and regular employees of the Company. Furthermore, arrangements may be made with brokers, banks and similar organizations to send proxies and proxy materials to beneficial owners for voting instructions. The Company will reimburse such organizations for their expenses.

REVOCATION AND VOTING OF PROXY

Any proxy given pursuant to this solicitation and received in time for the Annual Meeting will be voted in accordance with the instructions in such proxy, unless the proxy is properly revoked prior to the meeting. Any shareholder giving a proxy may revoke it prior to its exercise at the meeting by (1) delivering a written notice expressly revoking the proxy to the Secretary at the Company's offices, (2) signing and forwarding to the Company at its offices a later dated proxy, or (3) attending the Annual Meeting and casting his or her votes personally.

Unless otherwise directed in the accompanying proxy, the persons named therein will vote FOR the nominees for director as set forth in this Proxy Statement. The Company's management is not aware of any other business that will, or is likely to, come before the meeting. If any other business does properly come before the meeting, the persons named in the accompanying proxy will vote in accordance with their judgment as to what is in the Company's best interests.

A majority of the outstanding shares will constitute a quorum at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Abstentions are counted in determining the total number of the votes cast on proposals presented to shareholders, but will not be treated as votes in favor of the proposals. Accordingly, a withholding or an abstention will have the effect of a negative vote. Broker non-votes are not counted for purposes of determining the total number of votes cast on proposals presented to shareholders.

OUTSTANDING SHARES AND VOTING RIGHTS

At the close of business on July 1, 2005, the record date, there were 10,257,341 shares of the Company's common stock, par value \$.05 per share, outstanding. The common stock is the only outstanding class of capital stock of the Company. Holders of common stock are entitled to one vote for each share held on the record date with respect to all matters that may be brought before the meeting. There is no cumulative voting for directors.

**ELECTION OF DIRECTORS
(PROPOSAL 1)**

At the Annual Meeting, eight persons are to be elected to the Company's Board of Directors, each to hold office for the ensuing year or until his successor is duly elected and qualified. The Company's By-laws provide for a Board of Directors of not fewer than three nor more than eleven directors. The Company's By-laws provide that the nominees must be elected by the affirmative vote of the holders of a majority of the voting power of the shares represented at the meeting (whether in person or by proxy). Abstentions have the effect of a vote against the nominees. Proxies will be voted for the election of all nominees unless you direct otherwise. Should any nominee decline or be unable to accept such nomination or to serve as a director (an event which the Company's management does not now expect to occur), proxies will be voted for a substitute nominee or nominees in accordance with the best judgment of the person or persons acting under them.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE ELECTION OF ALL NOMINEES FOR DIRECTOR.

Director Independence

The Board of Directors has determined that all of the directors of the Company, except Howard M. Hawkins and John R. Hawkins, are independent as that term is defined under the applicable independence listing standards of the NASDAQ Stock Market. Accordingly, the Company's Board of Directors is predominantly independent.

Meetings of the Board of Directors

The Board of Directors held seven meetings in fiscal 2005. All directors attended at least 75% of the meetings of the Board of Directors and the committees on which they served, with the exception of Howard M. Hawkins and Donald L. Shipp. All directors attended the Company's annual meeting of shareholders in 2004. The Board of Directors encourages, but does not require, director attendance at annual meetings of shareholders.

Audit Committee

The Audit Committee, which consists of John S. McKeon (Chair), Duane M. Jergenson, G. Robert Gey and Daryl I. Skaar, is responsible for, among other things, selecting and appointing the Company's independent auditors, meeting with the independent auditors and financial management to review the scope of the audit and the audit procedures, reviewing annually the responsibilities of the Audit Committee and recommending to the Board of Directors any changes to these responsibilities, and establishing and reviewing internal controls. The Audit Committee held four meetings during fiscal 2005.

All members of the Audit Committee are independent as that term is defined in the applicable standards of the NASDAQ Stock Market, Section 301 of the Sarbanes-Oxley Act of 2002 and the rules adopted by the Securities and Exchange Commission (the "SEC") pursuant to the Sarbanes-Oxley Act. The Board of Directors has determined that John S. McKeon, Duane M. Jergenson, G. Robert Gey and Daryl I. Skaar are audit committee financial experts, as the term is defined under Section 407 of the Sarbanes-Oxley Act and the rules promulgated by the SEC in furtherance of Section 407.

The responsibilities of the Audit Committee are set forth in the Audit Committee Charter. The Audit Committee has reviewed and assessed the adequacy of its charter and concluded that the charter satisfactorily states the responsibilities of the Audit Committee. A revised Audit Committee Charter was adopted by the Board of Directors on February 20, 2004, which was included as an appendix to the Proxy Statement furnished to shareholders in connection with the 2004 annual meeting of shareholders.

Compensation Committee

The Compensation Committee, which consists of Duane M. Jergenson (Chair), John S. McKeon, G. Robert Gey and Daryl I. Skaar, is responsible for establishing compensation policies for the Company and for reviewing and setting compensation for senior executives of the Company. The Compensation Committee held two meetings during fiscal 2005.

Nominating Process

The Board of Directors does not have a separately constituted nominating committee and has no written charter related to the nomination process. Given the small size of the Company and its Board, and the small number of new directors elected each year, the Board does not believe that creating a separate nominating committee would result in any greater efficiency in the nominating process or quality of nominees. All members of the Board of Directors participate in the consideration of director nominees, and the approval of a majority of the independent directors is required to nominate a director candidate. In order to maintain flexibility in its consideration of candidates, the Board of Directors does not have a formal policy regarding the consideration of any director candidates recommended by shareholders. However, the Board of Directors would consider for possible nomination qualified nominees recommended by shareholders in compliance with the Company's By-laws. To make a director nomination, a shareholder should send the director candidate's name, credentials and contact information, a signed statement consenting to his or her nomination and agreeing, if elected, to serve as a director, and a completed director nominee questionnaire (available from the Secretary of the Company upon request) to the Secretary of the Company no later than 60 days after the end of the Company's fiscal year. The proposing shareholder should also include his or her contact information and a statement of his or her share ownership (how many shares of the Company owned and for how long). The Board of Directors will evaluate candidates (nominated by shareholders or otherwise) based on financial literacy, knowledge of the Company's industry or other background relevant to the Company's needs, status as a stakeholder in the Company, independence for purposes of compliance with SEC rules and NASDAQ Stock Market listing standards, and willingness, ability and availability for service.

Communications with Directors

You can contact the full Board of Directors, the independent directors as a group or any of the individual directors by writing to the Company's Secretary at 3100 East Hennepin Avenue, Minneapolis, Minnesota 55413. All communications will be compiled by the Secretary and submitted to the addressees on a periodic basis.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee has (i) reviewed and discussed the Company's audited financial statements for the fiscal year ended April 3, 2005 with both the Company's management and its independent auditors, Deloitte & Touche LLP (Deloitte); (ii) discussed with Deloitte the matters required to be discussed by Statement of Auditing Standards No. 61 regarding communications with audit committees; (iii) received from Deloitte the written disclosures and the letter required by Independence Standards Board Standard No. 1 and discussed with Deloitte its independence; and (iv) considered whether the level of non-audit services provided by Deloitte is compatible with maintaining the independence of Deloitte.

Based on the review and discussions described above, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended April 3, 2005 for filing with the SEC.

INDEPENDENT AUDITORS FEES

The following table shows the aggregate fees billed to the Company by Deloitte for services rendered during the fiscal years ended April 3, 2005 and March 28, 2004. The Audit Committee pre-approved 100% of the services described below.

Description of Fees	Fiscal 2005	Fiscal 2004

Audit-Related Fees(2)	15,000	15,000
Tax Fees(3)	9,000	7,000
All Other Fees(4)	64,000	568,000
Total	\$ 479,000	\$ 700,000

The Audit Committee's current practice on pre-approval of services performed by the independent auditors is to approve annually all audit services and, on a case-by-case basis, recurring permissible non-audit services to be provided by the independent auditors during the fiscal year. The Audit Committee reviews each non-audit service to be provided and assesses the impact of the service on the auditors' independence. In addition, the Audit Committee may pre-approve other non-audit services during the year on a case-by-case basis.

COMPENSATION COMMITTEE REPORT ON ANNUAL COMPENSATION

The annual compensation programs of the Company are designed to create incentives and reward performance. The Company's annual compensation mix generally has lower base salaries than comparable companies, coupled with an incentive system that rewards good performance and the achievement of Company objectives.

Executive Salaries

Salary increases for the Company's executive officers are based on inflation, performance and increase in corporate profits. Fiscal 2005 increases were primarily attributable to a Company-wide salary reallocation that included the executive officers that was effective October 1, 2003 (beginning of the third quarter of fiscal 2004). The Board of Directors and the Company's management determined that a salary reallocation was necessary in order to create a more appropriate base pay and bonus structure.

Executive Bonus Plan

The bonus plan for executive officers uses the following factors: corporate performance and business unit performance. The corporate performance ratings are based on a general assessment of the Company's performance against its income target and the Company's progress in implementing a new Enterprise Resource Planning (ERP) system and complying with the requirements of Section 404 of the Sarbanes-Oxley Act of 2002. Business unit performance ratings are based primarily on business unit profitability.

Bonuses for Company-wide executive officers are weighted as follows: 50% based upon the Company's performance against its income targets and 50% based upon the Company's progress in implementing its ERP system and complying with Section 404 of the Sarbanes-Oxley Act of 2002. Bonuses for executive officers who manage business units are generally weighted as follows: 60% based upon the factors used to assess Company-wide executive officers and 40% based upon business unit performance.

Long-Term Incentives

Long-term incentives in the form of restricted stock grants have been used on a limited basis and are intended to provide compensation opportunities based on the creation of shareholder value. The committee believes this promotes the interests of the Company and its shareholders by providing Company personnel with an opportunity to acquire a proprietary interest in the Company and thereby develop a stronger incentive to put forth maximum effort for its continued success and growth. In fiscal 2005, the committee approved the grant of an aggregate of 40,653 shares to its executive officers and other key personnel. Employees also have the opportunity to acquire an ownership interest in the Company through the Employee Stock Purchase Plan and the Employee Stock Ownership Plan (limited to non-bargaining employees).

Chief Executive Officer Compensation

The compensation of John R. Hawkins, Chief Executive Officer, is determined in the same manner as set forth above for all other executive officers. During fiscal 2005, Mr. Hawkins' base salary was increased by 21.3% over fiscal 2004 to \$254,520 primarily due to a salary reallocation effective October 1, 2003 and in recognition of his individual performance. The Board and the Company's management determined that a salary reallocation was necessary in order to create a more appropriate base pay and bonus structure. For fiscal 2005, Mr. Hawkins received a cash bonus pursuant to the Company's executive bonus plan described above in the amount of \$111,225, which is equal to 44% of his base salary as of the end of the fiscal year. During fiscal 2005, Mr. Hawkins also received a grant of 7,350 shares of restricted stock that will vest in full on August 31, 2005.
