THE DATANG PRE-EMPTIVE SUBSCRIPTION

Pre-emptive rights of Datang

References are made to the Company's announcements dated 10 November 2008, 4 June 2014 and 18 June 2014 in relation to the Datang Share Purchase Agreement and the delivery by Datang of an irrevocable notice to the Company that it will fully exercise its pre-emptive right in respect of the issue of the Subscription Shares and the Further Bonds and any Country Hill Pre-emptive Subscription.

Edgar Filing: SEMICONDUCTOR MANUFACTURING INTERNATIONAL CORP - Form 6-K

Pursuant to the Datang Share Purchase Agreement, in case of any issue of new Shares or securities convertible into Shares, subject to certain exceptions, Datang has the pre-emptive right to purchase such number of additional Shares or securities convertible into Shares so as to enable Datang to hold, after the issue of such securities, a pro rata portion of such securities equivalent to the percentage of the issued share capital of the Company then beneficially owned by Datang prior to the issue of such securities. Datang's pre-emptive right is applicable to the issue of the Subscription Shares, the Further Bonds and any Country Hill Pre-emptive Subscription. Pursuant to the Datang Share Purchase Agreement, completion of any such issue of the Datang Pre-emptive Shares and the Datang Pre-emptive Bonds to Datang upon exercise of its pre-emptive right will be further subject to the receipt of any required regulatory approvals.

Any exercise by Datang of its pre-emptive right to subscribe for the Datang Pre-emptive Shares and the Datang Pre-emptive Bonds in connection with the issue of the Subscription Shares, the Further Bonds and any Country Hill Pre-emptive Subscription will be at a price equivalent to the Subscription Price (in the case of the Datang Pre-emptive Shares) or at a price equivalent to the issue price of the Further Bonds (in the case of the Datang Pre-emptive Bonds) and conditional on the obtaining of the necessary governmental approval and the obtaining of the approval of the Independent Shareholders for the Datang Pre-emptive Subscription.

The Company has notified Datang in accordance with the terms of the Datang Share Purchase Agreement in respect of the issue of the Subscription Shares, the issue of the Further Bonds and the possibility of the Country Hill Pre-emptive Subscription. Pursuant to the Datang Share Purchase Agreement, Datang delivered an irrevocable notice to the Company on 18 June 2014 that it would be fully exercising its pre-emptive right in respect of the issue of the Subscription Shares, the Further Bonds and the Country Hill Pre-emptive Subscription. The subscription by Datang of the Datang Pre-emptive Shares and the Datang Pre-emptive Bonds will be based on terms and conditions that are substantially the same as the Placing, the Subscription and the issue of the Further Bonds.

The Datang Pre-emptive Securities were calculated in accordance with Datang's shareholding immediately before the Company's entry into the Placing and Subscription Agreement and the Further Bonds Subscription Agreement, being approximately 18.98% of the issued share capital of the Company. As a result of the place down of Shares by Datang under the Placing and the dilutive effect of the Subscription pursuant to the Placing and Subscription Agreement, Datang's shareholding immediately before the issue of the Subscription Shares and immediately before the issue of the Further Bonds were approximately 10.94% and 17.56% of the issued share capital of the Company, respectively. However, the parties have agreed that it is fair and reasonable for Datang's pre-emptive right to be based on its shareholding immediately before the date of the Placing and Subscription Agreement and the Further Bonds Subscription Agreement, being 18.98%, in order to give effect to the purpose of the relevant pre-emptive rights provision in the Datang Share Purchase Agreement. Datang, Datang Telecom and the Company have further agreed to enter into the Datang Supplemental Agreement to amend the pre-emptive rights provision in the Datang Share Purchase Agreement to give effect to this understanding.

Pre-emptive Subscription and the Country Hill Pre-emptive Subscription are fair and reasonable, the entering into of the Datang Pre-emptive Share Subscription Agreement, the Datang Pre-emptive Bond Subscription Agreement, the Datang Supplemental Agreement and the Country Hill Pre-emptive Subscription Agreement is on normal commercial terms or better, in the ordinary and usual course of business of the Company and in the interests of the Company and the Shareholders as a whole.
