ITEM 5.02 Compensatory Arrangements of Certain Officers.

(e) As previously disclosed, Bluefly, Inc. (the "Company") is currently in active discussions regarding bridge financing and the evaluation of strategic alternatives under the direction of a special committee consisting of independent members of the Board, together with the assistance of an independent financial advisor. The Company believes that any such transactions are likely to be substantially dilutive in share price to existing shareholders. The inability of the Company to consummate the transactions currently under discussion or an alternative transaction, could have a material adverse effect on the operations of the Company.

On April 2, 2013, the special committee approved a bonus arrangement for Joseph Park, the Company's Chief Executive Officer, that had been recommended by the Company's compensation committee. The bonus arrangement is intended to incentivize Mr. Park to secure the best possible price in any sale of the Company. Under the arrangement, Mr. Park will receive five per cent of the net proceeds, which would otherwise have been payable to the shareholders of the Company, of any transaction constituting a sale of the Company approved by the Board. The special committee reserved the right to make any determinations requiring the interpretation of the incentive, in its sole discretion.
