Edgar Filing: ANZA CAPITAL INC - Form DEF 14C

recommending each of the Proposals on February 28, 2003. As of the Record Date, the Company had outstanding 96,597,900 shares of common stock, 434,554 shares of Series A Convertible Preferred Stock, and 8,201.5 shares of Series C Convertible Preferred Stock. Holders of the shares have no preemptive rights. All outstanding shares are fully paid and nonassessable. The transfer agent for the common stock is Securities Transfer Corporation, 2591 Dallas Parkway, Suite 102, Frisco, Texas 95034, telephone (469) 633-0101.

VOTE OBTAINED - SECTION 78.320 NEVADA REVISED STATUTES

Section 78.320 of the Nevada Revised Statutes (the "Nevada Law") provides that the written consent of the holders of the outstanding shares of voting stock, having not less than the minimum number of votes which would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted, may be substituted for such a meeting. Pursuant to Section 78.390 of the Nevada Revised Statutes, a majority of the outstanding voting shares of stock entitled to vote thereon is required in order to amend the Articles of Incorporation. In order to eliminate the costs and management time involved in obtaining proxies and in order to effect the Proposals as early as possible in order to accomplish the purposes of the Company as hereafter described, the Board of Directors of the Company voted to utilize, and did in fact obtain, the written consent of the holders of a majority of the voting power of the Company.

Pursuant to Section 78.370 of the Nevada Revised Statutes, the Company is required to provide prompt notice of the taking of the corporate action without a meeting to the stockholders of record who have not consented in writing to such action. This Information Statement is intended to provide such notice. No dissenters' or appraisal rights under the Nevada Law are afforded to the Company's stockholders as a result of the approval of the Proposals.

PROPOSAL ONE ELECTION OF DIRECTORS

Directors are elected by the shareholders at each annual meeting to hold office until their respective successors are elected and qualified, and need not be shareholders of the Company or residents of the State of Nevada. Directors may receive compensation for their services as determined by the Board of Directors. See "Compensation of Directors." The number of Directors shall be set by the Board of Directors. Presently, the Board consists of two (2) members, namely Mr. Vincent Rinehart and Mr. Scott A. Presta. All of the above-mentioned directors have chosen to stand for re-election and have been nominated for re-election by the Board. In addition, the Board has nominated Mr. Kenneth Arevalo and Mr. L. Wade Svicarovich for election to the Board.

5

The Board of Directors has instructed the President to explore additional candidates to be added to the Board. No candidates have been identified at this time.

Voting for the election of directors is non-cumulative, which means that a simple majority of the shares voting may elect all of the directors. Each share of common stock is entitled to one (1) vote and, therefore, has a number of votes equal to the number of authorized directors. The outstanding shares of Series A and Series C Convertible Preferred Stock are not entitled to vote.

Although management of the Company expects that each of the following nominees will be available to serve as a director, in the event that any of them should become unavailable prior to the shareholders meeting, a replacement will be appointed by a majority of the then-existing Board of Directors. Management has no reason to believe that any of its nominees, if elected, will be

Edgar Filing: ANZA CAPITAL INC - Form DEF 14C

unavailable to serve. All nominees are expected to serve until the next Annual Meeting of Shareholders or until their successors are duly elected and qualified.

PROPOSAL TWO AMENDMENT TO THE ARTICLES OF INCORPORATION TO EFFECTUATE A 1-FOR-20 REVERSE STOCK SPLIT

GENERAL

On February 28, 2003, the Board of Directors approved, subject to stockholder approval, an Amendment to the Company's Articles of Incorporation to effectuate a one (1) for twenty (20) reverse stock split of the Company's issued and outstanding common stock. The Board of Directors believes that a reverse stock split is in the best interest of the Company and its shareholders in order to increase the Company's stock price so as to position it for a possible listing on a national exchange, and to make available authorized but unissued common stock which may be used for raising capital and for acquisitions. On March 5, 2003, the Proposal was approved by written consent of a majority of the Company's stockholders.

7

AMENDMENT TO EFFECTUATE A 1-FOR-20 REVERSE STOCK SPLIT

On February 28, 2003, the Board of Directors of the Company approved, declared it advisable and in the Company's best interests and directed that there be submitted to the holders of a majority of the Company's common stock for action by written consent, the proposed amendment to Article 5 of the Company's Articles of Incorporation to effectuate a 1-for-20 reverse stock split of the presently issued and outstanding shares of common stock. The Board of Directors has fixed the close of business on March 5, 2003 as the record date for the determination of shareholders who are entitled to give consent and receive this Information Statement. As of the record date, the Company had outstanding 96,597,900 shares of common stock held by approximately 75 shareholders of record. The Board of Directors further elected that any fractional shares created as a result of the reverse stock split would be rounded up to the nearest whole share. After the reverse stock split, there will be approximately 4,829,895 shares of common stock issued and outstanding.

The Board of Directors believes that it is advisable and in the Company's best interests to have available additional authorized but unissued shares of common stock in an amount adequate to provide for the Company's future needs.

Edgar Filing: ANZA CAPITAL INC - Form DEF 14C

The additional shares will be available for issuance from time to time by the Company in the discretion of the Board of Directors, normally without further stockholder action (except as may be required for a particular transaction by applicable law, requirements of regulatory agencies or by stock exchange rules), for any proper corporate purpose including, among other things, future acquisitions of property or securities of other corporations, stock dividends, stock splits, stock options, convertible debt and equity financing. The availability of additional authorized but unissued shares will be achieved by effectuating a 1-for-20 reverse stock split of the presently issued and outstanding common stock, without changing the authorized common stock. This step is necessary, in the judgment of the Board of Directors, in order to attract potential new equity capital and carry out the Company's business objectives.

AMENDMENT TO INCREASE THE AUTHORIZED PREFERRED STOCK TO 2,500,000 SHARES

On February 28, 2003, the Board of Directors of the Company approved, declared it advisable and in the Company's best interests and directed that there be submitted to the holders of a majority of the Company's common stock for action by written consent the proposed amendment to Article 5 of the Company's Articles of Incorporation to increase the authorized preferred stock from 1,000,000 shares to 2,500,000 shares, par value \$0.001 per share, the rights, privileges, and preferences of which would be determined by the Board of Directors, in their sole discretion, from time to time.

The Board of Directors believes that it is advisable and in the Company's best interests to have available additional authorized but unissued shares of preferred stock in an amount adequate to provide for the Company's future needs. The additional shares will be available for issuance from time to time by the Company in the discretion of the Board of Directors, normally without further stockholder action (except as may be required for a particular transaction by applicable law, requirements of regulatory agencies or by stock exchange rules), for any proper corporate purpose including, among other things, future acquisitions of property or securities of other corporations, stock dividends, stock splits, stock options, convertible debt and equity financing. This step is necessary, in the judgment of the Board of Directors, in order to attract potential new equity capital and carry out the Company's business objectives.

8

CERTAIN MATTERS RELATED TO THE PROPOSAL

The amendment will become effective upon filing the Amendment to the Company's Articles of Incorporation, anticipated to be approximately twenty-one (21) days after this Information Statement has been distributed to the Company's stockholders.

PROPOSAL THREE TO INCREASE THE AUTHORIZED PREFERRED STOCK TO 2,500,000 SHARES

GENERAL

On February 28, 2003, the Board of Directors approved, subject to stockholder approval, an Amendment to the Company's Articles of Incorporation to increase the authorized preferred stock to 2,500,000 shares. On March 5, 2003, the Proposal was approved by written consent of a majority of the Company's stockholders.

Following the effectiveness of the restructuring transactions presented in Proposal Eight of this Information Statement, the Company will have outstanding approximately 245,000 shares of preferred stock of all classes, leaving

Edgar Filing: ANZA CAPITAL INC - Form DEF 14C

approximately 755,000 shares of preferred stock available for issuance. The Board of Directors believes that it is in the best interest of the Company to increase the authorized preferred stock to 2,500,000 shares in order to have more shares of preferred stock available for raising capital and for completing acquisitions.

AMENDMENT TO INCREASE THE AUTHORIZED PREFERRED STOCK TO 2,500,000 SHARES

On February 28, 2003, the Board of Directors of the Company approved, declared it advisable and in the Company's best interests and directed that there be submitted to the holders of a majority of the Company's common stock for action by written consent the proposed amendment to Article 5 of the Company's Articles of Incorporation to increase the authorized preferred stock from 1,000,000 shares to 2,500,000 shares, par value \$0.001 per share, the rights, privileges, and preferences of which would be determined by the Board of Directors, in their sole discretion, from time to time.

The Board of Directors believes that it is advisable and in the Company's best interests to have available additional authorized but unissued shares of preferred stock in an amount adequate to provide for the Company's future needs. The additional shares will be available for issuance from time to time by the Company in the discretion of the Board of Directors, normally without further stockholder action (except as may be required for a particular transaction by applicable law, requirements of regulatory agencies or by stock exchange rules), for any proper corporate purpose including, among other things, future acquisitions of property or securities of other corporations, stock dividends, stock splits, stock options, convertible debt and equity financing. This step is necessary, in the judgment of the Board of Directors, in order to attract potential new equity capital and carry out the Company's business objectives.

CERTAIN MATTERS RELATED TO THE PROPOSAL

The amendment will become effective upon filing the Amendment to the Company's Articles of Incorporation, anticipated to be approximately twenty-one (21) days after this Information Statement has been distributed to the Company's stockholders.

9

PROPOSAL FOUR ADOPTION OF RESTATED ARTICLES OF INCORPORATION

On February 28, 2003, the Board of Directors approved, subject to stockholder approval, the Restated Articles of Incorporation of Anza Capital, Inc. Following the initial filing of the Company's original Articles of Incorporation. The Company has filed numerous amendments to its Articles of Incorporation, and the reverse stock split and authorized preferred stock discussed herein will be an additional amendment.

In order to simplify the Company's Articles of Incorporation and the various subsequent amendments, the Board of Directors believes it in the Company's best interest to consolidate the original Articles of Incorporation and the subsequent amendments into a single Restated Articles of Incorporation.

The Restated Articles will become effective upon their filing, anticipated to be approximately twenty-one (21) days after this Information Statement has been distributed to the Company's stockholders.

PROPOSAL FIVE APPROVAL OF THE ANZA CAPITAL, INC. 2003 OMNIBUS SECURITIES PLAN

GENERAL

Edgar Filing: ANZA CAPITAL INC - Form DEF 14C

On February 28, 2003, the Board of Directors of the Company approved, declared it advisable and in the Company's best interests and directed that there be submitted to the holders of a majority of the Company's voting stock for action by written consent, the Anza Capital, Inc. 2003 Omnibus Securities Plan (the "2003 Securities Plan"). On March 5, 2003, the Proposal was approved by written consent of a majority of the Company's stockholders.

PURPOSE

The purpose of the 2003 Securities Plan is to promote the interests of the Company (including its subsidiaries) and its stockholders by using investment interests in the Company to attract, retain and motivate its management and other persons, including officers, directors, key employees and certain consultants, to encourage and reward such persons' contributions to the performance of the Company and to align their interests with the interests of the Company's stockholders. In furtherance of this purpose, the 2003 Securities Plan authorizes the granting of the following types of stock-based awards (each, an "Award"):

- stock options (including incentive stock options and non-qualified stock options);
- restricted stock awards;
- unrestricted stock awards; and
- performance stock awards.

Each of these types of Awards is described below under "Awards."

10

ELIGIBILITY

Key employees (including employees who are also directors or officers), directors and certain consultants of the Company or any subsidiary are eligible to be granted Awards under the 2003 Securities Plan at the discretion of the Board of Directors. In determining the eligibility of any person, as well as in determining the number of shares to be covered by an Award and the type or types of Awards to be made, the Board of Directors may consider:

- the position, relationship, responsibilities and importance of the person to the Company; and
- such other factors as the Board of Directors deems relevant.

Selected consultants may participate in the 2003 Securities Plan if:

- the consultant renders bona fide services to the Company or one of its subsidiaries;
- the services rendered by the consultant are not in connection with the offer or sale of securities in a capital-raising transaction and do not directly or indirectly promote or maintain a market for the Company's securities; and
- the consultant is a natural person who has contracted directly with the Company or a subsidiary of the Company to render such services.

ADMINISTRATION

The 2003 Securities Plan currently is administered by the Board of Directors. In the future, the Board of Directors may form a Compensation Committee to administer the 2003 Securities Plan. Any Compensation Committee must be comprised of at least two non-employee directors. If a Compensation Committee is formed to administer the 2003 Securities Plan, the Board of Directors will delegate to the Compensation Committee full authority, in its

Edgar Filing: ANZA CAPITAL INC - Form DEF 14C

discretion, to:

- select the persons to whom Awards will be granted (each a "Participant");
- grant Awards under the 2003 Securities Plan;
- determine the number of shares to be covered by each Award;
- determine the nature, amount, pricing, timing and other terms of the Award;
- interpret, construe and implement the provisions of the 2003 Securities Plan (including the authority to adopt rules and regulations for carrying out the purposes of the plan); and
- terminate, modify or amend the 2003 Securities Plan.

The 2003 Securities Plan is not subject to the provisions of the Employee Retirement Income Security Act of 1974.

SHARES SUBJECT TO THE PLAN

A total of 750,000 shares of Common Stock (subject to adjustment as described below) are reserved for issuance under the 2003 Securities Plan. Shares of common stock issued under the 2003 Securities Plan may be authorized but unissued shares, or shares reacquired by the Company, including shares purchased on the open market. The unexercised, unearned or yet-to-be acquired portions of any Award that expire, terminate or are canceled, and shares of common stock issued pursuant to Awards under the 2003 Securities Plan that are reacquired by the Company pursuant to the terms under which such shares were issued, will again become available for the grant of further Awards.

11

ADJUSTMENT. In general, the aggregate number of shares as to which Awards may be granted to Participants under the 2003 Securities Plan, the number and kind of shares thereof covered by each outstanding Award, and/or the price per share thereof in each such Award will, upon a determination of the Board of Directors, all be proportionately adjusted for any increase or decrease in the number of issued shares of common stock resulting from an increase, decrease or exchange in the outstanding shares of common stock or additional shares or new or different shares are distributed in respect of such shares of common stock, through merger, consolidation, sale or exchange of all or substantially all of the assets of the Company, reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split, spin-off or other distribution with respect to such shares. On May 1 of each year, the number of shares in the 2003 Securities Plan shall automatically be adjusted to an amount equal to ten percent (10%) of the outstanding stock of the Company on April 30 of the immediately preceding year.

Fractional interests will not be issued upon any adjustments made by the Board or Directors; however, the committee may, in its discretion, make a cash payment in lieu of any fractional shares of common stock issuable as a result of such adjustments.

AWARDS

STOCK OPTIONS. Under the 2003 Securities Plan, the Board of Directors may grant either incentive stock options or nonqualified stock options. Incentive stock options and non-qualified stock options may be granted for such number of shares of common stock as the Board of Directors determines.

The exercise price for each stock option is determined by the Board of Directors. Stock options must have an exercise price of at least 85% (100% in the case of incentive stock options, or at least 110% in the case of incentive stock options granted to certain employees owning more than 10% of the

Edgar Filing: ANZA CAPITAL INC - Form DEF 14C

outstanding voting stock) of the fair market value of the common stock on the date the stock option is granted. Under the 2003 Securities Plan, fair market value of the common stock for a particular date is generally the average of the closing bid and asked prices per share for the stock as quoted on the OTC Bulletin Board on such date.

No stock option may be exercised after the expiration of ten years from the date of grant (or five years in the case of incentive stock options granted to certain employees owning more than 10% of the outstanding voting stock). Pursuant to the 2003 Securities Plan, the aggregate fair market value of the common stock, for which one or more incentive stock options granted to any participant may for the first time become exercisable as incentive stock options under the federal tax laws during anyone calendar year shall not exceed \$100,000.

A stock option may be exercised in whole or in part according to the terms of the applicable stock option agreement by delivery of written notice of exercise to the Company specifying the number of shares to be purchased. The exercise price for each stock option may be paid by the Participant in cash or by such other means as the Board of Directors may authorize. Fractional shares are not to be issued upon exercise of a stock option. The Board of Directors may grant reload stock options in tandem with stock options that provide for an automatic grant of a stock option in the event a participant pays the exercise price of a stock option by delivery of common stock.

12

The Board of Directors may, in its discretion, at any time after the grant of a stock option, accelerate vesting of such option, as a whole or in part, by increasing the number of shares then purchasable. However, the Board of Directors may not increase the total number of shares subject to an option.

Subject to the foregoing and the other provisions of the 2003 Securities Plan, stock options may be exercised at such times and in such amounts and be subject to such restrictions and other terms and conditions, if any, as determined by the Board of Directors.

RESTRICTED STOCK. Restricted stock may be awarded by the Board of Directors subject to such terms, conditions and restrictions as it deems appropriate. Restrictions may include limitations on voting rights and transferability of the shares, restrictions based on the duration of employment or engagement with the Company, and Company or individual performance. Restricted stock may not be sold or encumbered until all restrictions expire or are terminated. In this regard, the Secretary of the Company or such other escrow holder as the Board of Directors may appoint shall retain physical custody of each certificate representing restricted stock until all restrictions imposed under the applicable Award Agreement shall expire or be removed.

The Board of Directors may require the Participant to pay the Company an amount at least equal to the par value of the common stock awarded to the Participant. Subject to any limitations imposed by the applicable Award Agreement, from the date a Participant becomes the holder of record of restricted stock, the Participant has all the rights of a stockholder with respect to such shares, including the right to vote the shares and to receive all dividends and other distributions paid with respect to the shares.

The 2003 Securities Plan provides that to the extent the Board of Directors elects to grant an Award of restricted stock, the Award Agreement applicable thereto shall, except in certain specified situations, provide the Company with the right to repurchase the restricted stock then subject to restrictions immediately upon a termination of employment or engagement for any reason whatsoever at a cash price per share equal to the price paid by the Participant

Edgar Filing: ANZA CAPITAL INC - Form DEF 14C

for the restricted stock.

UNRESTRICTED STOCK. The Board of Directors may, in its discretion, grant an Award of unrestricted stock to any eligible Participant, pursuant to which such Participant may receive shares of Common Stock free of any vesting restrictions under the 2003 Securities Plan. The Board of Directors may also sell shares of unrestricted stock to eligible Participants at a purchase price determined in its discretion. Unrestricted stock may be granted or sold in respect of past services or other valid consideration, or in lieu of any cash compensation due to such individual.

PERFORMANCE STOCK AWARDS. The Board of Directors may make performance stock awards under the 2002 Securities Plan based upon terms it deems appropriate. The Board of Directors may make performance stock awards independent of or in connection with the granting of any other Award under the 2003 Securities Plan. The Board of Directors shall determine whether and to whom performance stock awards shall be made, the performance criteria applicable under each such Award, the periods during which performance is to be measured, and all other limitations and conditions applicable to the awarded shares. The Board of Directors may utilize any of the following performance criteria when granting performance stock awards:

- net income;
- pre-tax income;
- operating income;
- cash flow;

13

- earnings per share;
- return on equity;
- return on invested capital or assets;
- cost reductions or savings;
- funds from operations;
- appreciation in the fair market value of the common stock;
- earnings before anyone or more of the following: interest, taxes, depreciation or amortization; and
- such other criteria deemed appropriate by the Board of Directors.

The Participant receiving a performance stock award shall have the rights of a stockholder only as to shares actually received by the Participant and not with respect to shares subject to the Award but not actually received. At any time prior to the Participant's termination of employment (or other business relationship) by the Company, the Board of Directors may, in its discretion, accelerate, waive or, subject to the other provisions of the 2003 Securities Plan, amend any and all performance criteria specified under any performance stock award.

FEDERAL INCOME TAX CONSEQUENCES

The following is a brief summary of the principal federal income tax consequences of the grant and exercise of Awards under present law. This summary is not intended to be exhaustive and does not describe foreign, state or local tax consequences. Recipients of Awards are advised to consult their personal tax advisors with regard to all tax consequences arising with respect to the Awards.

TAX WITHHOLDING. If a distribution is made under this 2003 Securities Plan in cash, the Company will withhold taxes as required by law. If an Award is satisfied in the form of shares of the common stock, then no shares may be issued unless and until arrangements satisfactory to the Company have been made to satisfy any tax withholding obligations applicable with respect to such

Award.

DEDUCTIBILITY OF AWARDS. Company deductions for Awards granted under the 2003 Securities Plan are limited by Section 162(m) of the Internal Revenue Code of 1986 (the "Code") which generally limits the Company's deduction for non-performance based compensation to \$1.0 million per year for the Company's CEO and its other four (4) most highly compensated officers. The Company has not paid any compensation to any executive officers that was not deductible by reason of the prohibition of Section 162(m).

INCENTIVE STOCK OPTIONS. Pursuant to the 2003 Securities Plan, employees may be granted stock options that are intended to qualify as "incentive stock options" under the provisions of Section 422 of the Code. An optionee will not recognize any taxable income for federal income tax purposes upon receipt of an incentive stock option or, generally, at the time of exercise of an incentive stock option. The exercise of an incentive stock option generally will result in an increase in an optionee's taxable income for alternative minimum tax purposes.

If an optionee exercises an incentive stock option and does not dispose of the shares received in a subsequent "disqualifying disposition" (generally, a sale, gift or other transfer within two years after the date of grant of the incentive stock option or within one year after the shares are transferred to the optionee), upon disposition of the shares any amount realized in excess of the optionee's tax basis in the shares disposed of will be treated as a

14

long-term capital gain, and any loss will be treated as a long-term capital loss. In the event of a disqualifying disposition, the difference between the fair market value of the shares received on the date of exercise and the exercise price (limited, in the case of a taxable sale or exchange, to the excess of the amount realized upon disposition over the optionee's tax basis in the shares) will be treated as compensation received by the optionee in the year of disposition. Any additional gain will be taxable as a capital gain and any loss as a capital loss, which will be long-term or short-term, depending on the length of time the optionee held the shares.

If the exercise price of an incentive stock option is paid in whole or in part with shares of common stock, no income gain or loss generally will be recognized by the optionee with respect to the shares of common stock paid as the exercise price. However, if such shares of common stock were received upon the exercise of an incentive stock option, the use of those shares as payment of the exercise price will be considered a disposition for purposes of determining whether there has been a disqualifying disposition of those shares.

Neither the Company nor any of its subsidiaries will be entitled to a deduction with respect to shares received by an optionee upon exercise of an incentive stock option and not disposed of in a disqualifying disposition. If an amount is treated as compensation received by an optionee because of a disqualifying disposition, the Company or one of its subsidiaries generally will be entitled to a corresponding deduction in the same amount for compensation paid.

NON-QUALIFIED STOCK OPTIONS. An optionee will not recognize any taxable income for federal income tax purposes upon receipt of a non-qualified stock option. Upon the exercise of a non-qualified stock option the amount by which the fair market value of the shares received, determined as of the date of exercise, exceeds the exercise price, the stock option will be treated as compensation received by the optionee in the year of exercise. If the exercise price of a non-qualified stock option is paid in whole or in part with shares of common stock, (i) no income, gain or loss will be recognized by the optionee on

Edgar Filing: ANZA CAPITAL INC - Form DEF 14C

the receipt of shares equal in value on the date of exercise to the shares delivered in payment of the exercise price, and (ii) no income, gain or loss will be recognized by the optionee with respect to the shares of common stock paid as the exercise price of the option. The fair market value of the remainder of the shares received upon exercise of the non-qualified stock option, determined as of the date of exercise, less the amount of cash, if any, paid upon exercise, will be treated as compensation income received by the optionee on the date of exercise of the stock option. The Company or one of its subsidiaries, generally will be entitled to a deduction for compensation paid in the same amount treated as compensation received by the optionee.

RELOAD OPTION RIGHTS. An optionee should not recognize any taxable income for federal income tax purposes upon receipt of reload option rights, and a reload option should be treated as a non-qualified stock option.

RESTRICTED STOCK. A recipient of restricted stock will not recognize any taxable income for federal income tax purposes in the year of the Award, provided the shares are subject to restrictions (that is, they are non-transferable and subject to a substantial risk of forfeiture). However, the recipient may elect under Section 83(b) of the Code to recognize compensation income in the year of the Award in an amount equal to the fair market value of the shares on the date of the Award (less the amount paid by the recipient for such shares), determined without regard to the restrictions. If the recipient does not make a Section 83(b) election, the fair market value of the shares on the date the restrictions lapse (less the amount paid by the recipient for such shares) will be treated as compensation income to the recipient and will be taxable in the year the restrictions lapse. The Company or one of its subsidiaries generally will be entitled to a deduction for compensation paid in the same amount treated as compensation income to the recipient.

15

UNRESTRICTED STOCK. Any shares of common stock received pursuant to an Award of unrestricted stock will be treated as compensation income received by the recipient, generally, in the year in which the recipient receives such shares. In each case, the amount of compensation income will equal the fair market value of the shares of common stock on the date compensation income is recognized (less the amount, if any, paid by the recipient for such shares). The Company or one of its subsidiaries, generally, will be entitled to a corresponding deduction in the same amount for compensation paid.

PERFORMANCE STOCK AWARDS. A recipient of a performance stock award will not recognize any taxable income for federal income tax purposes upon receipt of the Award. Any shares of common stock received pursuant to the Award will be treated as compensation income received by the recipient, generally, in the year in which the recipient receives such shares of common stock. The amount of compensation income will equal the fair market value of the shares of common stock on the date compensation income is recognized. The Company or one of its subsidiaries, generally, will be entitled to a deduction for compensation paid in the same amount treated as compensation income to the recipient.

OTHER TAX MATTERS. The exercise by a recipient of a stock option, the lapse of restrictions on restricted stock, or the deemed earnout of performance stock awards following the occurrence of a change in control, in certain circumstances, may result in:

- a 20% federal excise tax (in addition to federal income tax) to the recipient on certain payments of common stock or cash resulting from such exercise or deemed earnout of performance stock awards or, in the case of restricted stock, on all or a portion of the fair market value of the shares on the date the restrictions lapse; and

Edgar Filing: ANZA CAPITAL INC - Form DEF 14C

- the loss of a compensation deduction which would otherwise be allowable to the Company or one of its subsidiaries as explained above.

As of the date of this Information Statement, no employee has been granted Options or Shares under the Plan.

PROPOSAL SIX ADOPTION OF SECOND RESTATED BYLAWS

On February 28, 2003, the Board of Directors approved, subject to stockholder approval, the Second Restated Bylaws of Anza Capital, Inc. In order to simplify the Company's Bylaws and subsequent amendments, including changing the name of the Bylaws to correspond with the Company's current name, the Board of Directors believes it in the Company's best interest to adopt the Second Restated Bylaws of Anza Capital, Inc.

There are five material changes made by the Second Restated Bylaws:

- The existing bylaws of the Company are known as the Amended and Restated Bylaws of E-Net Financial.com Corporation. The Second Restated Bylaws are known as the Second Restated Bylaws of Anza Capital, Inc. to correspond to the name of the Company.

16

- The existing bylaws of the Company provide that the number of directors shall be set from time to time by the Board of Directors. The Board of Directors believes it is in the best interest of the Company and its shareholders to fix the number of directors. The Second Restated Bylaws of Anza Capital, Inc. provide that the Board of Directors shall consist of at least one (1) but not more than nine (9) directors.
- The existing bylaws of the Company state that cumulative voting shall be allowed for the election of directors. The Articles of Incorporation of the Company, as amended, expressly state that cumulative voting is not allowed. Thus, the existing bylaws are not consistent with the Company's Articles of Incorporation, as amended. The Second Restated Bylaws of Anza Capital, Inc. do not provide for cumulative voting.
- The existing bylaws of the Company provide that a special meeting of shareholders may be called by shareholders holding at least thirty three percent (33%) of the outstanding stock of the Company. The Board of Directors believes it is in the best interest of the Company and its shareholders to reduce this percentage to ten percent (10%). The Second Restated Bylaws of Anza Capital provide that a special meeting of shareholders may be called by shareholders holding at least ten percent (10%) of the outstanding stock of the Company.
- The existing bylaws of the Company provide that any provision in the bylaws can be amended by the Board of Directors, without further shareholder approval. The Board of Directors of the Company believes it is in the best interest of the Company and its shareholders to provide that the number of directors may not be changed without shareholder approval. The Second Restated Bylaws of Anza Capital, Inc. provide that the bylaws may be amended by the Board of Directors, other than an amendment to the bylaws changing the authorized number of directors.

Edgar Filing: ANZA CAPITAL INC - Form DEF 14C

The Second Restated Bylaws will become effective upon their execution, anticipated to be approximately twenty-one (21) days after this Information Statement has been distributed to the Company's stockholders.

PROPOSAL EIGHT RATIFICATION OF RECENT RESTRUCTURING TRANSACTIONS INVOLVING PREFERRED STOCKHOLDERS AND DEBTHOLDERS

The Board of Directors has authorized and approved a series of transactions, which were undertaken as part of a plan of restructuring the Company, so as to better position it for growth and acquisitions, and seeks ratification of such approvals. In each transaction with the Series A and Series C preferred stockholders, the stockholders exchanged their preferred stock for a new class of preferred stock that the Board of Directors believed was less burdensome to the Company, primarily because of its more favorable

Edgar Filing: ANZA CAPITAL INC - Form DEF 14C

conversion provisions. In the transaction involving the exchange of debt, the Company was able to materially reduce its debt load. PROPOSAL NINE RATIFICATION OF THE COMPANY'S STOCK REPURCHASE PLAN

The Board of Directors has authorized the President of the Corporation to review plans for the repurchase of an undetermined number of shares of Anza Capital, Inc. common stock, and seeks ratification of such authorization. The shares may be repurchased from time to time in the open market or through negotiated transactions. The amount and timing of purchases under the program will depend upon a number of factors, including the price and availability of

Edgar Filing: ANZA CAPITAL INC - Form DEF 14C

the Company's shares and general market conditions. The repurchased shares may be reserved for later reissue in connection with employee benefit plans and other general corporate purposes. The Board of Directors believes that the Company is undervalued based on its current stock price and thus represents a potentially favorable investment, and that by repurchasing its common stock in the open market, the Company can increase its earnings per share and help stabilize its stock price.

20

PROPOSAL TEN RATIFICATION OF ACQUISITION STRATEGY

The Board of Directors has authorized and instructed the President of the Corporation to seek acquisition candidates, and seeks ratification of such instructions. The Company's revenues are primarily concentrated in one business, mortgage brokerage, and the Board of Directors believes that the Company should not only continue to expand revenues in that business, but should also consider diversifying by acquiring businesses with revenues in other related areas. The acquisition strategy is anticipated to focus initially on financial service providers, such as credit reporting, appraising, banking, and insurance. Candidates outside these industries will be considered on a case-by-case basis. There are currently no specific acquisition candidates under consideration or in negotiations with the Company.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Effective March 1, 1999, we acquired e-Net Mortgage Corporation, a Nevada corporation ("e-Net Mortgage"), and City Pacific International, U.S.A., Inc., a Nevada corporation ("City Pacific"). Pursuant to the Share Exchange Agreement and Plan of Reorganization dated March 1, 1999, regarding e-Net Mortgage, its shareholders received 2,000,000 shares of the Company's common stock in exchange for all of the issued and outstanding stock of e-Net Mortgage, which became the Company's wholly owned subsidiary. Regarding City Pacific, its shareholders received 500,000 shares of the Company's common stock in exchange for all of the issued and outstanding stock of City Pacific, which also became our wholly owned subsidiary. Effective as of March 1, 1999, Michael Roth, who had owned 100% of e-Net Mortgage, became the Chairman, CEO, President, a director, and the owner of 44% of common stock. Also effective as of that date, Al Marchi, who had owned 100% of City Pacific, became a director and the owner of 11% of the common stock. Following this transaction, the Company entered into a series of acquisitions as part of our strategy of horizontal market penetration and in an effort to increase revenues.

On November 29, 1999, the Company issued 250,000 shares of common stock to Paul Stevens in exchange for Mr. Stevens' transfer to the Company of 500,000 shares of common stock of EMB Corporation ("EMB") that he owned (the "Stevens EMB Shares"). On December 21, 1999, and in connection with that exchange, the Company entered into agreements with Digital Integrated Systems, Inc. ("DIS"), and EMB to acquire their respective 50% interests in VPN.COM JV Partners, a Nevada joint venture ("VPN Partners") involved in vertically integrated communications systems. In consideration of the purchase of the interests, the Company issued a one-year promissory note to DIS in the amount of \$145,000 (the "DIS Note") and tendered to EMB the Stevens EMB Shares. At the time of such transactions, Mr. Stevens was the sole owner of DIS and the President and Chief Executive Officer of VPN Partners. Upon closing of the acquisitions, the Company integrated VPN Partners with VPNCOM.Net, Inc. (previously known as City Pacific). At the time of the transaction, the Company's management believed that VPN Partners and Mr. Stevens would contribute materially to the Company's planned expansion.

Edgar Filing: ANZA CAPITAL INC - Form DEF 14C

On January 12, 2000, as revised on April 12, 2000, we entered into an agreement (the "Amended and Restated Purchase Agreement") with EMB to acquire two of its wholly owned subsidiaries, namely American Residential Funding, Inc., a Nevada corporation ("AMRES"), and Bravo Real Estate, Inc., a California corporation ("Bravo Real Estate"). At the time of the acquisition, AMRES was the principle operating company of EMB, and EMB had previously acquired AMRES from AMRES Holding LLC ("AMRES Holding"), in exchange for EMB common stock. Mr. Rinehart, now one of the Company's officers and one of two directors, controls AMRES Holding and his shares of the Company's common stock are held in the name of AMRES Holding. The purpose of the acquisition was to acquire market share, revenues, and certain key management personnel. The Company also acquired all of EMB's rights to acquire Titus Real Estate LLC, a California limited liability company ("Titus Real Estate") from its record owners. Titus Real Estate is the management company for Titus Capital Corp., Inc., a California real estate investment trust (the "Titus REIT"), in which the Company has no ownership interest. Titus REIT currently holds one apartment building in Long Beach, California, which is in escrow to be sold.

23

On February 11, 2000, the Company executed a purchase agreement (the "Titus Purchase Agreement") for the acquisition of Titus Real Estate and issued 100,000 shares of Class B Convertible Preferred Stock (the "B Preferred") to AMRES Holding/Rinehart, and 300,000 shares of the Company's common stock to Scott A. Presta, in their capacities as the owner-members of Titus Real Estate. Mr. Rinehart and Mr. Presta were not, at the time, otherwise affiliated with the Company in any way, but both became members of management in April 2000. Upon closing, Titus Real Estate became the Company's wholly owned subsidiary. The consideration given was valued at \$1.6 million, all of which was allocated to Goodwill to be amortized over a period of 10 years. Management had hoped that the acquisition of Titus Real Estate would increase the overall revenue stream. The Company took a charge for impairment of goodwill in the amount of \$1,155,057 in the fourth quarter 2000 with respect to the Company's investment in Titus Real Estate.

On February 14, 2000, in a continuing effort to expand, the Company acquired all of the common stock of LoanNet Mortgage, Inc., a Kentucky corporation ("LoanNet"), a mortgage broker with offices in Kentucky and Indiana. Pursuant to the Stock Purchase Agreement dated February 14, 2000, we issued 250,000 shares of the Company's common stock, valued at \$2.3 million, to the selling shareholders of LoanNet, which became a wholly-owned subsidiary. As of the closing of the transaction, LoanNet also had 400 shares outstanding of 8% non-cumulative, non-convertible preferred stock, the ownership of which has not changed. The preferred stock is redeemable for \$100,000. As of February 28, 2001, all three LoanNet offices have been closed. The Company took a charge for impairment of goodwill in the amount of \$1,985,012 in the fourth quarter 2000 with respect to the Company's investment in LoanNet.

On March 1, 2000, the Company sold VPNCOM.Net, Inc., which had proven to be unprofitable and inconsistent with the Company changing business structure, to Al Marchi, its then-President. The sales consideration consisted of a 30-day promissory note in the principal amount of \$250,000 (paid in full on April 15, 2000), the assumption of the DIS Note, and the return of 250,000 shares of common stock owned by Mr. Marchi.

On March 17, 2000, the Company acquired all of the common stock of ExpiDoc.com, Inc., a California corporation ("ExpiDoc"). ExpiDoc is an Internet-based, nationwide notary service, with over 6,500 affiliated notaries, that provides document-signing services for various mortgage companies. Pursuant to the Stock Purchase Agreement dated February 14, 2000, the Company issued 24,000 shares of common stock, valued at \$196,510, to the selling shareholders of ExpiDoc, which became a wholly owned subsidiary. As of the closing of the

Edgar Filing: ANZA CAPITAL INC - Form DEF 14C

acquisition, the Company entered into management and consulting agreements with ExpiDoc's owners and management, including Mr. Rinehart and Mr. Presta. Mr. Rinehart and Mr. Presta were not, at the time, otherwise affiliated with the Company in any way, but both became members of management in April 2000.

On April 12, 2000, the Company closed the acquisition of AMRES and Bravo Real Estate. Pursuant to the Amended and Restated Purchase Agreement, the Company issued 7.5 million shares of common stock to EMB, representing nearly 40% of the then issued and outstanding common stock, paid \$1,595,000 cash, and issued a promissory note in the initial amount of \$2,405,000, and AMRES and Bravo Real Estate became a wholly owned subsidiaries. As of April 30, 2001, the remaining principal balance of the promissory note was \$1,055,000, and the note was cancelled in its entirety effective June 27, 2001, (see discussion of Global Settlement below). AMRES was the acquirer for financial reporting purposes. Since Bravo Real Estate had no operations or net assets, our management

24

determined that a nominal value of \$1,000 be attributed to its name. The fair value attributable to the 7.5 million shares of common stock on April 12, 2000 was \$3,838,000 based on the fair value of assets acquired. Because the purchase was accounted for as a reverse acquisition, the \$4.0 million in cash and notes issued to EMB were treated as a deemed distribution with a charge to the Company's accumulated deficit. On April 12, 2000, James E. Shipley, the former CEO of EMB, was elected Chairman of the Board of Directors and Vincent Rinehart was elected President, Chief Executive Officer, and a director. Bravo Real Estate never commenced operations, had no assets, and is no longer an operating subsidiary.

Mr. Shipley was the CEO, President, and a less than 5% owner of EMB at the time of the acquisition of AMRES and Bravo from EMB. Mr. Shipley resigned as Chairman of EMB and became Chairman in April 2000 (replacing Mr. Roth as Chairman), and resigned as one of the officers on December 31, 2000, when Mr. Rinehart became Chairman.

Mr. Rinehart was never an officer or director of EMB, but was the owner of 2,000,000 shares of EMB common stock, making him an approximate 10% owner of EMB at the time of the sales in April 2000, and continues as one of the officers and directors, as well as an officer of all of the Company's wholly-owned subsidiaries.

On April 12, 2000, in accordance with the provisions of the Certificate of Designations, Preferences and Rights of Class B Convertible Preferred Stock, AMRES Holding/Rinehart demanded that its B Preferred be repurchased by the Company for an aggregate of \$1.0 million. On April 20, 2000, the Company agreed with AMRES Holding/Rinehart and Mr. Presta to amend the Titus Purchase Agreement to provide for the return of 100,000 shares of Class B Preferred Stock issued to AMRES Holding and Mr. Presta upon the issuance of 1,000,000 shares of common stock to them.

On May 24, 2000, Michael Roth and Jean Oliver, the sole remaining officers and directors of prior management, resigned their remaining positions with the Company. On that date, Mr. Presta, an executive officer and director of Titus Real Estate, was elected as Secretary and director.

On April 13, 2000, Mr. Shipley loaned the Company \$300,000 due April 12, 2001, together with interest at 10% per annum. This loan was satisfied by the issuance of 150,000 shares of the Company's common stock to Mr. Shipley on or about April 25, 2001. Based on a press release by EMB, effective July 25, 2001, James E. Shipley again became the Chief Executive Officer of EMB.

On July 1, 2001, the Company entered into an Employment Agreement with

Edgar Filing: ANZA CAPITAL INC - Form DEF 14C

Vincent Rinehart. Under the terms of the agreement, the Company is to pay to Mr. Rinehart a salary equal to \$275,000 per year, subject to an annual increase of 10% commencing January 1, 2002, plus an automobile allowance of \$1,200 per month and other benefits, including life insurance. The agreement is for a term of 5 years and provides for a severance payment in the amount of \$500,000 and immediate vesting of all stock options in the event his employment is terminated for any reason, including cause. Mr. Rinehart was granted options to acquire 2,500,000 shares of common stock at the closing price on the date of the agreement, which shall vest over a three-year period. The number of shares to be acquired upon exercise of the options shall not be adjusted for a stock split, and is limited to both a maximum value of \$1,900,000, and 20% of the outstanding common stock of the Company. Mr. Rinehart's Employment Agreement was ratified by the shareholders of the Company at the 2001 Annual Shareholders Meeting.

25

On February 28, 2003, the Company entered into a Debt Exchange Agreement with Vincent Rinehart, Chairman, CEO, Secretary, and Chief Financial Officer. Under the terms of the agreement, Rinehart (i) cancelled options to acquire 2,500,000 shares of common stock previously acquired as part of his Employment Agreement, and (ii) converted an aggregate of \$433,489.06 in principal and interest under a promissory into (y) 6,000,000 shares of common stock and (z) 18,800 shares of newly created Series F Convertible Preferred Stock.
