PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Company's Certificate of Incorporation provides that the Board of Directors shall consist of not more than nine nor less than five members. The exact number of Directors is fixed by the Board prior to each year's Annual Meeting of Shareholders. The Board is divided into three staggered classes, each class having not less than one or more than three members. Each Director is elected to serve for a three-year term, and until the election and qualification of his or her successor. When vacancies on the Board occur, due to resignation or otherwise, the Directors then in office may continue to exercise the powers of the Directors and a majority of such directors may select a new Director to fill the vacancy. Any Director may resign at any time. Any Director may be removed by the vote of, or written consent of, the holders of a majority of the shares of Common Stock outstanding at a special meeting called for the purpose of removal or to ratify the recommendation of a majority of the Directors that such Director be removed.

The Board has nominated Jerold R. Babin to serve as a Class A Director, in place of Josef A. Grunwald, who resigned from the Board effective September 1, 2013, to serve until the fiscal 2015 Annual Meeting and until the election and qualification of his successor. The term of the Class B Directors expires at the fiscal 2013 Annual Meeting to be held on February 19, 2014. The Board has proposed Gary N. Jacobs and William J. Nance as Class B Directors to serve until the fiscal 2016 Annual Meeting and until the election and qualification of their successors. The Board of Directors has been informed that the nominees have consented to being named as nominees and are willing to serve as directors if elected. However, if the nominees should be unable, or decline to serve, it is intended that the proxies will be voted for such other persons as the proxies shall, in their discretion, designate. Unless otherwise directed in the accompanying Proxy, the persons named therein will vote FOR the election of the nominees. Election requires the affirmative vote of a majority of the shares represented and voted at the Annual Meeting.

BOARD AND COMMITTEE INFORMATION

InterGroup is a Smaller Reporting Company under the rules and regulations of the Securities and Exchange Commission (“SEC”). The Company’s common stock is listed on the Capital Market tier of the NASDAQ Stock Market LLC (“NASDAQ”).

The Board of Directors of InterGroup currently consists of five members. With the exception of the Company's President and CEO, John V. Winfield, all of InterGroup's Board of Directors consists of "independent" directors as independence is defined by the applicable rules of the SEC and NASDAQ. The Board of Directors held four meetings during the 2013 Fiscal Year (in person, telephonically or by written consent). No Director attended (whether in person, telephonically, or by written consent) less than 75% of all meetings held during the period of time he served as Director during the 2013 Fiscal Year. The independent directors also meet in executive session at least two times per year.

Board Leadership Structure

The Chairman of the Board, Mr. Winfield, also serves as our Chief Executive Officer. The Board believes that combining the Chairman and Chief Executive officer roles is the most appropriate structure for the Company at this time because (i) this structure has had a longstanding history with the Company, which the Board believes has served our stockholders well through many economic cycles and business challenges; (ii) the Board believes Mr. Winfield's unique business experience and history with the Company makes it appropriate for him to serve in both capacities; and (iii) the Board believes its corporate government processes and committee structures preserve Board independence by insuring independent discussions among directors and independent evaluation of, and communications with, members of senior management such that separation of the Chairman and Chief Executive Officer roles is unnecessary at this time.

Role of the Board in Oversight of Risk

The Board of Directors does not have a separate risk oversight body, but rather manages risk directly. The Board mitigates risk through discussing with management the appropriate level of risk for the Company and evaluating the risk information received by management. These risks include financial, competitive and operational risks. Further, on a quarterly basis, management reports to the Audit Committee regarding the Company's various risk areas to as part of the Committee's oversight role over financial reporting in accordance with the Audit Committee charter. In addition, other committees of the Board of Directors consider risks within their areas of responsibility.

We do not consider that our compensation policies encourage excessive risk-taking. The design of our compensation policies encourages employees to remain focused on both short-term and long-term financial and operational goals. Our equity awards typically vest over a number of years, which we believe encourages employees to focus on sustained stock price appreciation over time and the intrinsic value of the Company instead of short-term financial results.

Communications with the Board of Directors

The Board of Directors has not established a formal process for security holders to send communications to the Board of Directors and the Board has not deemed it necessary to establish such a procedure at this time. Historically, almost all communications that the Company receives from security holders are administrative in nature and are not directed to the Board of Directors. If the Company should receive a security holder communication directed to the Board of Directors, or to an individual director, said communication will be relayed to the Board of Directors or the individual director as the case may be.

Board Attendance at Annual Meetings of Shareholders

The Company does not have any formal policy with regard to board members attendance at annual meetings of shareholders but encourages each director to attend said meetings. With the exception of Director Grunwald, all of the Company's directors attended the fiscal 2012 annual meeting of shareholders.

Committees

The Company has an Executive Committee that meets in lieu of the Board upon the request of the Chairman of the Committee. Mr. Winfield is Chairman of the Executive Committee. The Committee held three meetings (in person, telephonically or by written consent) during the 2013 Fiscal Year.

The Company's Administrative and Compensation Committee (the "Compensation Committee") is comprised of "independent" members of the Board of Directors as independence is defined by the applicable rules of the Securities and Exchange Commission (the "SEC") and NASDAQ. Mr. Nance, Mr. Grunwald and Mr. Jacobs were the members of the Compensation Committee during fiscal year 2013. Mr. Grunwald resigned as a Director effective September 1, 2013. None of the members of the Compensation Committee is or has been an executive officer of the Company, or had any relationships requiring disclosure by the Company under the SEC rules or NASDAQ listing requirements.

Mr. Nance serves as Chairman of the Compensation Committee. The Company has not established a charter for the Compensation Committee. The Compensation Committee reviews and recommends to the Board of Directors the compensation for the Company's Chief Executive Officer and other executive officers, including equity or performance based compensation and plans. The Compensation Committee seeks to design and set compensation to attract and retain highly qualified executive officers and to align their interests with those of long-term owners of the Company. The Compensation Committee may also make recommendations to the Board of Directors as to the amount and form of director compensation. The Compensation Committee has not engaged any compensation consultants in determining the amount or form of executive or director compensation, but does review and monitor published compensation surveys and studies. The Compensation Committee held three meetings (in person, telephonically or by written consent) during the 2013 Fiscal Year. The Compensation Committee also oversees the Company's 2007 Stock Compensation Plan for Non-Employee Directors (the "2007 Stock Plan"), the Company's 2008 Restricted Stock Unit Plan (the "2008 RSU Plan") and the Company's 2010 Omnibus Employee Incentive Plan (the "2010 Incentive Plan"). As a Smaller Reporting Company under the rules of the SEC, the Company is in the process of drafting a Compensation Committee Charter consistent with the rules adopted by the SEC and NASDAQ for Smaller Reporting Companies and will post such Charter on its website within 30 days of its Annual Meeting. The Board has adopted guidelines consistent with most of the requirements contained in such rules.

The Company has a Real Estate Investment Committee, which is chaired by Mr. Nance. This Committee held nine meetings (in person, telephonically or by written consent) during the 2013 Fiscal Year. The Real Estate Investment Committee reviews and considers potential acquisitions, dispositions, and financings of properties.

The Company's Nominating Committee is comprised of two "independent" directors as independence is defined by the applicable rules of the SEC and NASDAQ. The Company has not established a charter for the Nominating Committee and the Committee has no policy with regard to consideration of any director candidates recommended by security holders. As a Smaller Reporting Company whose directors own in excess of seventy percent of the voting shares of

the Company, InterGroup has not deemed it appropriate to institute such a policy. There have not been any material changes to the procedures by which security holders may recommend nominees to the Company's board of directors during the last fiscal year. Mr. Jacobs is the Chairman of the Nominating Committee. The Committee held one meeting during the 2013 Fiscal Year.

The Company's Securities Investment Committee oversees and establishes certain investment procedures and reports to the Board of Directors. The Committee's Chairman is Mr. Winfield. This committee held three meetings (in person, telephonically or by written consent) during the 2013 Fiscal Year.

The Company's Special Strategic Options Committee is chaired by Mr. Winfield. This committee held two formal meetings during the 2013 Fiscal Year, and its members consult with each other frequently on an informal basis. The Special Strategic Options Committee reviews and considers the Company's strategic options and provides guidance to accomplish its goals considering both current and prospective investment opportunities.

The Company's Audit Committee is currently comprised of two members: Directors Nance (Chairperson) and Love and Mr. Babin is expected to be named to the Audit Committee at the Annual Meeting, each of whom meet the independence requirements of the SEC and NASDAQ as modified or supplemented from time to time. Directors Nance and Love also meet the Audit Committee Financial Expert requirement as defined by the SEC and NASDAQ based on their qualifications and business experience discussed above. The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its responsibility of overseeing management's conduct of the financial reporting process, the annual independent audit of the Company's financial statements, reviewing the financial reports provided by the Company to any governmental body or the public; the Company's system of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established; and the Company's auditing, accounting and financial processes generally. The Audit Committee is also responsible for the selection and retention of the Company's independent registered public accounting firm. The Audit Committee held six meetings during the 2013 Fiscal Year.

The Company's Board of Directors has adopted a written charter for the Audit Committee, which is reviewed on an annual basis. A copy of that written charter, as amended, is posted on the Company's website at www.intgla.com.

Code of Ethics

The Company has adopted a Code of Ethics that applies to its principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A copy of the Code of Ethics is posted on the Company's website at www.intgla.com. The Company will provide to any person without charge, upon request, a copy of its Code of Ethics by sending such request to: The InterGroup Corporation, Attn: Treasurer, 10940 Wilshire Blvd., Suite 2150, Los Angeles, CA 90024. The Company will promptly disclose any amendments or waivers to its Code of Ethics on Form 8-K and will post such information on its website.

⁽¹⁾ Mr. Winfield also serves as President and Chairman of the Board of the Company's subsidiary, Santa Fe, and Santa Fe's subsidiary, Portsmouth. Mr. Winfield received a salary from Santa Fe and Portsmouth in the aggregate amount of \$255,000 from those entities for each of fiscal years 2013 and 2012, as well as director's fees totaling \$12,000 for each year. Those amounts are included in this item.

⁽²⁾ For fiscal 2013 and 2012, the dollar amount reflects the fair market value of 15,000 shares of common stock issued to Mr. Winfield upon the vesting of 15,000 Restricted Stock Units ("RSUs") on September 10, 2011, as determined by reference to the closing price of the Company's common stock as reported on the NASDAQ Capital Market on the vesting dates. With respect to the September 10, 2011 vesting, Mr. Winfield surrendered 4,958 shares of the 15,000 shares issued to him back to the Company to satisfy tax withholding requirements. All RSUs were issued pursuant to the Company's 2008 RSU Plan. On December 21, 2008, Mr. Winfield surrendered to the Company 225,000 fully vested stock options in exchange for 84,628 RSUs pursuant to an exchange offer made by the Compensation Committee as authorized by 2008 RSU Plan. The RSUs are taxable as ordinary income to Mr. Winfield upon vesting and issuance of the shares of Common Stock.

⁽³⁾ For fiscal 2012, the dollar amount reflects aggregate grant date fair value of options expected to vest, computed in accordance with FASB ASC Topic 718, of 90,000 stock options granted to Mr. Winfield on February 28, 2012 pursuant to the Company's 2010 Incentive Plan. [See Note 17 to the Consolidated Financial Statements for assumptions.] The options expire 10 years from the date of grant and have an exercise price of \$19.77 per share, which was 100% of the fair market value of the Company's common stock as determined by reference to the closing price as reported on the NASDAQ Capital Market on February 28, 2012, the date of grant. The options are subject to both time and performance based vesting requirements, each of which must be satisfied before the options are fully

vested and eligible to be exercised. Pursuant to the time vesting requirements, the options vest over a period of five years, with 18,000 options vesting upon each one year anniversary of the date of grant. Pursuant to the performance vesting requirements, the options vest in increments of 18,000 shares upon each increase of \$2.00 or more in the market price of the Company's common stock above the exercise price (\$19.77) of the options. To satisfy this requirement, the common stock must trade at that increased level for a period of at least ten trading days during any one quarter. Assuming that the highest level of performance conditions will be achieved, the total value of the grant is estimated at \$944,000.

(4) Amounts include an auto allowance and compensation for a portion of the salary of an assistant. The auto allowance was \$29,000 for 2013 and 2012. The amount of compensation related to the assistant was approximately \$54,000 and \$59,000 for fiscal years 2013 and 2012, respectively. During fiscal 2013 and 2012, the Company and its subsidiaries also paid annual premiums in the total amount of \$85,000 for split dollar whole life insurance policies owned by, and the beneficiary of which are, a trust for the benefit of Mr. Winfield's family. Of the \$85,000 in premiums paid each year, Santa Fe and Portsmouth paid \$43,000 of that amount. The Company has a secured right to receive, from any proceeds of the policies, reimbursement of all premiums paid prior to any payment to the beneficiary.

(5) For fiscal 2013, Mr. Gonzalez exercised 5,000 stock options with an exercise price of \$10.30. The Company received cash proceeds of \$52,000 related to the stock option exercise. The intrinsic value of the stock options exercised was \$53,000.

(6) Mr. Nguyen's salary is allocated approximately 50% to the Company and 50% to Santa Fe and Portsmouth.

Should the companies have a net investment loss during any quarter, Mr. Winfield would not be entitled to any further performance-based compensation until any such investment losses are recouped by the Company. Internal Revenue Code Limitations

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), provides that, in the case of a publicly held corporation, the corporation is not generally allowed to deduct remuneration paid to its chief executive officer and certain other highly compensated officers to the extent that such remuneration exceeds \$1,000,000 for the taxable year. Certain remuneration, however, is not subject to disallowance, including compensation paid on a commission basis and, if certain requirements prescribed by the Code are satisfied, other performance based compensation. Since InterGroup, Santa Fe and Portsmouth are each public companies, the \$1,000,000 limitation applies separately to the compensation paid by each entity. Stock option expenses are also amortized over a several years. For fiscal years 2013 and 2012, no compensation paid by the Company to its CEO or other executive officers was subject the deduction disallowance prescribed by Section 162(m) of the Code.

EQUITY COMPENSATION PLANS

The Company currently has three equity compensation plans, each of which has been approved by the Company's stockholders. However, any outstanding stock options issued under the Company's prior equity compensation plans remain effective in accordance with their terms.

The purpose of the Company's equity compensation plans is to provide a means whereby officers, directors and key employees of the Company develop a sense of proprietorship and personal involvement in the development and financial success of the Company, and to encourage them to devote their best efforts to the business of the Company, thereby advancing the interests of the Company and its shareholders. A further purpose of these plans is to provide a means through which the Company may attract able individuals to become employees or serve as directors of the Company and to provide a means for such individuals to acquire and maintain stock ownership in the Company, thereby strengthening their concern for the welfare of the Company.

The InterGroup Corporation 2007 Stock Compensation Plan for Non-Employee Directors

The InterGroup Corporation 2007 Stock Compensation Plan for Non-Employee Directors (the "2007 Stock Plan") was approved by the shareholders of the Company on February 21, 2007, and was thereafter adopted by the Board of Directors. The 2007 Plan will terminate upon the earlier of the date all shares reserved for issuance have been awarded or February 21, 2017, if not sooner terminated by the Board upon recommendation by the Compensation Committee. The stock available for issuance under the 2007 Stock Plan shall be unrestricted shares of the Company's common stock, par value \$.01 per share, which may be unissued shares or treasury shares. Subject to certain adjustments upon changes in capitalization, a maximum of 60,000 shares of the common stock will be available for issuance to participants under the 2007 Stock Plan.

All non-employee directors are eligible to participate in the 2007 Stock Plan. Each non-employee director as of the adoption date of the 2007 Stock Plan was granted an award of 600 unrestricted shares of the Company's common stock. On each July 1 following the adoption date of the 2007 Stock Plan, each non-employee director shall receive an automatic grant of a number of shares of company's common stock equal in value to \$18,000 based on 100% of the fair market value (as defined) of the Common Stock on the date of grant, provided he or she holds such position on that date and the number of shares of Common Stock available for grant under the 2007 Stock Plan is sufficient to permit such automatic grant. Any fractional shares resulting from such grant will be rounded up to next highest whole share. All stock awards to non-employee directors will be fully vested on the date of grant. The dollar amount of the annual grant is subject to further adjustment by the Board of Directors upon recommendation by the Compensation Committee. The stock awards granted under the 2007 Stock Plan are shares of unrestricted common stock and are fully vested on the date of grant. The right of the non-employee director to receive his or her annual grant of common stock is personal to the director and is not transferable. Once received, shares of common stock awarded to the non-employee director are freely transferable subject to any requirements of Section 16(b) of the Securities Exchange

Act of 1934, as amended (the “Exchange Act”). On June 28, 2007, Company filed a registration statement on Form S-8 to register the shares subject to the 2007 Stock Plan and the Company’s two prior stock option plans under the Securities Act of 1933, as amended (the “Securities Act”).

Upon recommendation of the Compensation Committee, the Board may, at any time and from time to time and in any respect, amend or modify the 2007 Stock Plan. The Board must obtain stockholder approval of any material amendment to the 2007 Stock Plan if required by any applicable law, regulation or stock exchange rule. The Board of Directors may amend the 2007 Stock Plan or any award agreement, which amendment may be retroactive, in order to conform it to any present or future law, regulation or ruling relating to plans of this or similar nature. No amendment or modification of the 2007 Stock Plan or any award agreement may adversely affect any outstanding award without the written consent of the participant holding the award.

Upon recommendation of the Compensation Committee, the Board of Directors, on February 23, 2011, voted to increase the annual grant awarded to each of the non-employee directors to a number of shares of Company's common stock equal in value to \$22,000, effective as of the July 1, 2011 grant, while decreasing the annual cash compensation payable to non-employee directors from \$16,000 to \$12,000 per year.

For the fiscal year ended June 30, 2013, the four non-employee directors of the Company, Josef A. Grunwald, Gary N. Jacobs, John C. Love and William J. Nance, each received a grant of 882 shares of Common Stock pursuant to the 2007 Stock Plan.

The InterGroup Corporation 2008 Restricted Stock Unit Plan

On December 3, 2008, the Board of Directors adopted, subject to shareholder approval, a new equity compensation plan for its officers, directors and key employees entitled, The InterGroup Corporation 2008 Restricted Stock Unit Plan (the "2008 RSU Plan"). The 2008 RSU Plan was approved and ratified by the shareholders on February 18, 2009.

The 2008 RSU Plan authorizes the Company to issue restricted stock units ("RSUs") as equity compensation to officers, directors and key employees of the Company on such terms and conditions established by the Compensation Committee of the Company. RSUs are not actual shares of the Company's common stock, but rather promises to deliver common stock in the future, subject to certain vesting requirements and other restrictions as may be determined by the Committee. Holders of RSUs have no voting rights with respect to the underlying shares of common stock and holders are not entitled to receive any dividends until the RSUs vest and the shares are delivered. No awards of RSUs shall vest until at least six months after shareholder approval of the Plan. Subject to certain adjustments upon changes in capitalization, a maximum of 200,000 shares of the common stock are available for issuance to participants under the 2008 RSU Plan. The 2008 RSU Plan will terminate ten (10) years from December 3, 2008, unless terminated sooner by the Board of Directors. After the 2008 RSU Plan is terminated, no awards may be granted but awards previously granted shall remain outstanding in accordance with the Plan and their applicable terms and conditions.

The shares of common stock to be delivered upon the vesting of an award of RSUs have been registered under the Securities Act, pursuant to a registration statement filed on Form S-8 by the Company on June 16, 2010. The grant of RSUs is personal to the recipient and is not transferable. Once received, shares of common stock issuable upon the vesting of the RSUs are freely transferable subject to any requirements of Section 16(b) of the Exchange Act. Under the 2008 RSU Plan, the Compensation Committee also has the power and authority to establish and implement an exchange program that would permit the Company to offer holders of awards issued under prior shareholder approved compensation plans to exchange certain options for new RSUs on terms and conditions to be set by the Committee. The exchange program is designed to increase the retention and motivational value of awards granted under prior plans. In addition, by exchanging options for RSUs, the Company will reduce the number of shares of common stock subject to equity awards, thereby reducing potential dilution to stockholders in the event of significant increases in the

value of its common stock.

Pursuant to an exchange offer authorized by the Compensation Committee, a total of 8,245 RSUs were issued to five holders of Non-Employee Director stock options in exchange for a total of 15,000 stock options which were surrendered to the Company on June 30, 2013. The number of RSUs issued was determined by multiplying the number of options that were surrendered by the difference between the exercise price of the options surrendered (\$11.47) and the closing price of the Company's common stock on June 30, 2013 of \$20.99, with that product divided by the closing price of the common stock on June 30, 2013. Of the 8,195 RSUs issued pursuant to that exchange offer, 4,100 vested on October 1, 2013 and 4,120 will vest on April 1, 2014.

The InterGroup Corporation 2010 Omnibus Employee Incentive Plan

On February 24, 2010, the shareholders of the Company approved The InterGroup Corporation 2010 Omnibus Employee Incentive Plan (the “2010 Incentive Plan”), which was formally adopted by the Board of Directors following the annual meeting of shareholders. The 2010 Incentive Plan authorizes a total of up to 200,000 shares of common stock to be issued as equity compensation to officers and employees of the Company in an amount and in a manner to be determined by the Compensation Committee in accordance with the terms of the Plan. The 2010 Incentive Plan authorizes the awards of several types of equity compensation including stock options, stock appreciation rights, performance awards and other stock based compensation. The 2010 Incentive Plan will expire on February 23, 2020, if not terminated sooner by the Board of Directors upon recommendation of the Compensation Committee. Any awards issued under the Plan will expire under the terms of the grant agreement.

The shares of common stock to be issued under the 2010 Incentive Plan have been registered under the Securities Act, pursuant to a registration statement filed on Form S-8 by the Company on June 16, 2010. Once received, shares of common stock issued under the Plan will be freely transferable subject to any requirements of Section 16(b) of the Exchange Act.

On February 28, 2012, the Compensation Committee authorized the grant of 90,000 stock options to the Company’s Chairman, President and Chief Executive, John V. Winfield to purchase up to 90,000 shares of the Company’s common stock pursuant to the 2010 Incentive Plan. The exercise price of the options is \$19.77, which equals 100% of the fair market value of the Company’s common stock as determined by reference to the closing price of the Company’s common stock as reported on the NASDAQ Capital Market on February 28, 2012 the date of grant. The options expire ten years from the date of grant, unless earlier terminated in accordance with the terms of the 2010 Incentive Plan. The options shall be subject to both time and performance based vesting requirements, each of which must be satisfied before options are fully vested and eligible to be exercised. Pursuant to the time vesting requirements, the options vest over a period of five years, with 18,000 options vesting upon each one year anniversary of the date of grant. Pursuant to the performance vesting requirements, the options vest in increments of 18,000 shares upon each increase of \$2.00 or more in the market price of the Company’s common stock above the exercise price (\$19.77) of the options. To satisfy this requirement, the common stock must trade at that increased level for a period of at least ten trading days during any one quarter. As of June 30, 2013, 18,000 options have met the performance vesting requirements.

On July 1, 2011, the Compensation Committee authorized a grant of 5,000 stock options to the Company’s Assistant Secretary and General Counsel, Michael G. Zybala, to purchase up to 5,000 shares of the Company’s common stock pursuant to the 2010 Incentive Plan. The exercise price of the options is \$24.92 and the options expire ten years from the date of grant, unless earlier terminated in accordance with the terms of the 2010 Incentive Plan. The options vest over a period of five years, with 1,000 options vesting upon each one year anniversary of the date of grant, July 1, 2011.

Change in Controls Provisions in Equity Compensation Plans

Under the Company's 2008 RSU Plan and its 2010 Incentive Plan, RSUs, stock options and other incentive awards may vest upon a change in control of the Company in accordance with their respective grant agreements. Outstanding unvested RSUs issued pursuant to the 2008 RSU Plan in exchange for vested stock options will immediately vest upon a change in control. Outstanding stock options issued pursuant to the Company's 2010 Incentive Plan will also immediately vest and become exercisable upon a change in control. Except for the foregoing, there are no employment contracts between the Company and its Officers or Directors or any change in control arrangements.

SHAREHOLDER ADVISORY VOTES ON EXECUTIVE COMPENSATION

At its Fiscal 2010 Annual Meeting of Shareholders held on February 23, 2011, the Company submitted to its shareholders two proposals regarding executive compensation. The first proposal to approve, in a non-binding vote, the compensation of the Company's named executive officers was approved by the shareholders, having received more than 98% of the shares voted at the meeting in favor of the proposal. The second proposal was to determine, in a non-binding vote, whether a shareholder advisory vote to approve the compensation of the Company's executive officers should occur every one, two or three years. The shareholders overwhelmingly voted in favor of three years as the frequency in which the Company should have an advisory vote on executive compensation with more than 96% percent of the shares voted at the meeting being in favor of three years. The Compensation Committee and the Board of Directors have considered the guidance provided by these advisory votes and have set three years as the frequency in which it will have a non-binding vote on executive compensation.

COMPENSATION OF DIRECTORS

Until fiscal 2011, each non-employee director received an annual cash retainer in the amount of \$16,000, to be paid in equal quarterly payments. Upon recommendation of the Compensation Committee, the Board of Directors, on February 23, 2011, voted to decrease the annual cash compensation payable to non-employee directors from \$16,000 to \$12,000, effective as of fiscal year ended June 30, 2011. With the exception of members of the Audit Committee, non-employee directors do not receive any additional fees for attending Board or Committee meetings, but are entitled to reimbursement of their reasonable expenses to attend such meetings. Members of the Audit Committee are paid a fee of \$1,000 per quarter, with the Chair of that Committee to receive \$1,500 per quarter. As an executive officer, the Company's Chairman has elected to forego his annual board fees.

Non-employee directors are also eligible for grants of equity compensation under the Company's 2007 Stock Plan and 2008 RSU Plan. Pursuant to the 2007 Stock Plan, each non-employee director was entitled to an annual grant of a number of shares of common stock of the Company equal in value to \$18,000 based on the fair market value of the Common Stock on the date of grant. To compensate for the \$4,000 reduction in annual cash compensation payable to non-employee directors as discussed above, the Board of Directors, upon recommendation of the Compensation Committee, increased the annual grant of common stock to an amount equal in value to \$22,000, effective as of the July 1, 2011 grant. Non-employee directors may also be eligible to participate in exchange offers as may be authorized by the Compensation Committee under the 2008 RSU Plan to exchange previously issued stock options for RSUs.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On December 4, 1998, the Compensation Committee authorized the Company to obtain whole life and split dollar insurance policies covering the Company's President and Chief Executive Officer, Mr. Winfield. During fiscal 2013 and 2012, the Company paid annual premiums in the amount of approximately \$85,000 for the split dollar insurance policy owned by, and the beneficiary of which is, a trust for the benefit of Mr. Winfield's family. The Company has a secured right to receive, from any proceeds of the policy, reimbursement of all premiums paid prior to any payments to the beneficiary.

On June 30, 1998, the Company's Chairman and President entered into a voting trust agreement with the Company giving the Company the power to vote his 4.0% interest in the outstanding shares of the Santa Fe common stock.

In December 2013, The Compensation Committee approved an increase in the aggregate annual base compensation which Mr. Winfield receives from the Company, Santa Fe and Portsmouth by a total of \$250,000, of which it is anticipated that approximately \$150,000 will be paid by the Company and approximately \$100,000 will be paid by Portsmouth.

In connection with the successful completion of the refinancing of the San Francisco Hilton-Financial District owned by Justice Investors, a subsidiary of Portsmouth, and the reorganization of Justice, the Compensation Committee has approved payments to certain officers of Justice and the Company, including \$500,000 to Mr. Winfield and \$250,000 to Mr. Zybala. In addition, in connection with the foregoing, the Compensation Committee approved additional fees for service on Committees of the InterGroup and Portsmouth Board of Directors as follows: \$250,000 to each of Mr. Jacobs and Mr. Nance in connection with their service on the Strategic Options Committee; and \$50,000 to Mr. Love in connection with his service on the Hotel Committee of Portsmouth. With respect to such fees, (which will be paid by Justice) 20% was paid in December 2013, and it is anticipated that 20% will be paid in fiscal 2014 and the remaining 60% will be paid in fiscal 2015.

As Chairman of the Securities Investment Committee, the Company's President and Chief Executive officer, John V. Winfield, oversees the investment activity of the Company in public and private markets pursuant to authority granted by the Board of Directors. Mr. Winfield also serves as Chief Executive Officer and Chairman of Santa Fe and Portsmouth and oversees the investment activity of those companies. Depending on certain market conditions and various risk factors, the Chief Executive Officer, his family, Santa Fe and Portsmouth may, at times, invest in the same companies in which the Company invests. The Company encourages such investments because it places personal resources of the Chief Executive Officer and his family members, and the resources of Santa Fe and Portsmouth, at risk in connection with investment decisions made on behalf of the Company. Under the direction of the Securities Investment Committee, the Company has instituted certain modifications to its procedures to reduce the potential for conflicts of interest.

The Company, its subsidiary Santa Fe and Santa Fe's subsidiary, Portsmouth, have established performance based compensation programs for Mr. Winfield's management of the securities portfolios of those companies. The performance based compensation program was approved by the disinterested members of the respective Boards of Directors of the Company and its subsidiaries. No performance bonus compensation was paid to Mr. Winfield for the fiscal years ended June 30, 2013 and 2012.

PROPOSAL NO. 4

APPROVAL OF AMENDMENT TO THE INTERGROUP CORPORATION
2010 OMNIBUS EMPLOYEE INCENTIVE PLAN AND
A GRANT OF OPTIONS

Description of the Amendment

Based on the recommendation of the Compensation Committee of our Board of Directors, we are submitting to the shareholders for approval an amendment (the “2010 Plan Amendment”) to The InterGroup Corporation 2010 Omnibus Employee Incentive Plan (which we refer to as the “2010 Incentive Plan”). A majority of the outstanding shares of Common Stock are required to approve the 2010 Incentive Plan. The Amendment would increase the number of shares of common stock subject to the 2010 Incentive Plan from 200,000 shares to 400,000 shares and would increase the number of shares that could be subject to awards to any individual participant under the 2010 Incentive Plan in any year from 100,000 shares to 200,000 shares. The Company has received firm written commitments that at least 52% of the outstanding shares of the Company will vote in favor of the Amendment.

Our executive officers and key employees have an interest in the proposal to amend the 2010 Incentive Plan since each is an eligible participant in such awards that may be granted under the 2010 Incentive Plan by the Compensation Committee. As of January 11, 2010, there were four (4) named executive officers that are eligible participants under the 2010 Incentive Plan and 7 employees, including officers.

On December 26, 2013, the Compensation Committee authorized, subject to shareholder approval, a grant of non-qualified and incentive stock options for an aggregate of 160,000 shares (the “Option Grant”) to the Company’s President and Chief Executive Officer, John V. Winfield. The grant of stock options was made pursuant to, and consistent with, the 2010 Incentive Plan, as proposed to be amended. The non-qualified stock options are for 133,195

shares and have a term of ten years, expiring on December 26, 2023, with an exercise price of \$18.65 per share. The incentive stock options are for 26,805 shares and have a term of five years, expiring on December 26, 2018, with an exercise price of \$20.52 per share. In accordance with the terms of the 2010 Incentive Plan, the exercise prices were based on 100% and 110%, respectively, of the fair market value of the Company's common stock as determined by reference to the closing price of the Company's common stock as reported on the NASDAQ Capital Market on the date of grant. The stock options are subject to time vesting requirements, with 20% of the options vesting annually commencing on the first anniversary of the grant date.

A copy of the 2010 Incentive Plan, as proposed to be amended, is attached to this Proxy Statement as Appendix A and is hereby incorporated by reference. The following summary of the key provisions of the 2010 Incentive Plan is qualified in its entirety by reference to the attached 2010 Incentive Plan document.

Description of the Plan

EFFECTIVE DATE AND TERM. The Amendment will be effective February 19, 2014 upon formal adoption by the Board of Directors if approved by the shareholders at the Annual Meeting. The 2010 Incentive Plan will terminate upon the earlier of the date all shares reserved for issuance have been awarded or February 23, 2020, if not sooner terminated by the Board upon recommendation by the Committee.

ADMINISTRATION AND ELIGIBILITY. Among other powers, the Compensation Committee has full and exclusive power to: interpret the terms and the intent of the 2010 Incentive Plan and any award agreement; determine eligibility for awards; determine award recipients; establish the amount and type of award; determine the fair market value of our common stock; determine the terms and conditions of awards; grant awards; and make all other determinations relating to the 2010 Incentive Plan.

The Compensation Committee may delegate to one or more of its members, agents or advisors or to one or more of our officers, or those of our subsidiaries or affiliates, such administrative duties or powers as it may deem advisable. The Compensation Committee may authorize one or more of our officers to designate employees to be recipients of awards and/or determine the size of any such award; provided that (i) the Compensation Committee may not delegate such authority with respect to awards to be granted to any of our officers or other directors or a person who beneficially owns more than ten percent of the common stock, (ii) the authorizing resolution of the Compensation Committee must state the total number of awards that may be so granted; and (iii) the officer must report periodically to the Compensation Committee about the nature and scope of the awards granted.

SHARES AVAILABLE FOR AWARDS; MAXIMUM AWARDS. The stock to be available for issuance under the 2010 Incentive Plan are be shares of the Company's Common Stock, par value \$.01 per share, which may be unissued shares or treasury shares. Subject to certain adjustments upon changes in capitalization, a maximum of 400,000 shares of the Common Stock will be available for issuance to participants under the 2010 Incentive Plan. The maximum aggregate number of shares subject to all awards granted in any one plan year to any one participant shall be 200,000.

TYPES OF AWARDS.

Stock Options. Stock options allow the participant to buy a certain number of shares of the common stock at an exercise price equal to at least the fair market value (as determined by the Compensation Committee) on the date the option is granted. Stock options may be incentive stock options intended to qualify for special tax treatment or nonqualified stock options. Specific terms of the option are set by the Compensation Committee and reflected in each award agreement. Upon exercise of a stock option, the participant may pay the exercise price using (i) cash, common stock, or a combination of cash and common stock, or (ii) a cashless exercise procedure through the participant's

broker, or (iii) any other payment method approved or accepted by the Compensation Committee, including a net gain procedure. The maximum term of stock options is ten years.

Stock Appreciation Rights. SARs entitle the participant to receive a payment equal to the “spread” between the exercise price of the right and the fair market value of the shares subject to the right on the date of exercise. SARs may be free standing or granted in tandem with a stock option. The Compensation Committee will determine the term of any SAR granted, provided that no SAR, including an SAR issued in tandem with a stock option, may be exercised after the tenth anniversary of its grant date.

Performance Awards. The Compensation Committee may grant performance awards in the form of performance shares or performance units and will set the specific terms of any such award. The Compensation Committee will set the initial value of each performance unit at the time of grant. Each performance share will have an initial value equal to the fair market value of a share on the date of grant, as determined by the Compensation Committee. The Compensation Committee will set performance goals which, depending on the extent to which they are met, will determine the value and/or the number of performance units/shares to be paid to the participant. Holders of performance share awards will have voting rights only upon issuance of the underlying shares. The Compensation Committee may grant holders of performance share awards the right to receive dividend equivalents, which may be paid currently or accumulated and paid to the extent that performance shares become non-forfeitable, as determined by the Compensation Committee. Dividend equivalents may be settled in cash, shares or a combination of both. Holders of performance units have no voting rights or dividend rights associated with those awards.

Other Stock-Based Awards. The Compensation Committee may also grant other types of stock-based awards, including the grant or offer for sale of unrestricted shares of our common stock. The terms of any such award will be at the discretion of the Compensation Committee, subject to the terms of the 2010 Incentive Plan.

PERFORMANCE MEASURES. The 2010 Incentive Plan provides that, with respect to certain awards, the Compensation Committee may make the degree of payout and/or vesting dependent upon the attainment of certain performance measures set forth in the 2010 Incentive Plan. Performance goals with respect to awards intended to qualify as performance based compensation are limited to the following performance measures: net earnings or net income (before or after taxes); earnings per share; net sales or revenue growth; net operating profit; return measures (including return on assets, capital, invested capital, equity, sales or revenue); cash flow (including operating cash flow, free cash flow, cash flow return on equity and cash flow return on investment); EBITDA; gross or operating margins; productivity ratios; share price (including growth measures and total shareholder return); expense targets; margins; operating efficiency; market share; customer satisfaction; working capital targets; and economic value added (net operating profit after tax minus the sum of capital multiplied by the cost of capital).

Performance measures may be used to measure our performance together with our subsidiaries as a whole or any of our business units or any combination thereof. Performance measures may also be established relative to: (i) peer companies selected by the Compensation Committee; (ii) internal goals; or (iii) levels attained in prior years. The Compensation Committee may provide in any award that an evaluation of performance may include or exclude various events, including asset write-downs, the effect of changes in the tax laws and extraordinary items such as acquisitions or divestitures. In addition, if applicable tax and/or securities laws and applicable listing rules change to permit Compensation Committee discretion to alter the governing performance measures, then the Compensation Committee may make such changes without seeking stockholder approval.

TAX WITHHOLDING. To the extent that a participant incurs any tax liability in connection with the exercise or receipt of an award under the 2010 Incentive Plan, we have the right to deduct or withhold, or to require the participant to pay to us, the minimum statutory amount to satisfy federal, state and local tax withholding obligations. In addition, the Compensation Committee may allow the participant to satisfy the withholding obligation by allowing

us to withhold a portion of the shares to be issued to the participant. Those shares would be available for future awards under the 2010 Incentive Plan.

TRANSFERABILITY. All awards under the 2010 Incentive Plan are nontransferable other than by will or the laws of descent and distribution, provided that, with respect to awards other than incentive stock options, the Compensation Committee may, in its sole discretion, permit transferability to a family member or family trust, foundation or other entity, on a general or specific basis. Unless otherwise provided in the award agreement, awards granted under the 2010 Incentive Plan may be exercised only by the participant during the participant's lifetime.

AMENDMENT AND TERMINATION. The Compensation Committee may, at any time and from time to time and in any respect, amend or modify the 2010 Incentive Plan. The Board must obtain stockholder approval of any material amendment to the 2010 Incentive Plan if required by any applicable law, regulation or stock exchange rule. In addition, no option or SAR award under the 2010 Incentive Plan may be repriced, replaced or regranted through cancellation without the prior approval of the stockholders, except for adjustments by the Compensation Committee for corporate changes described above. The Board of Directors may amend the 2010 Incentive Plan or any award agreement, which amendment may be retroactive, in order to conform it to any present or future law, regulation or ruling relating to plans of this or similar nature. No amendment or modification of the 2010 Incentive Plan or any award agreement may adversely affect any outstanding award without the written consent of the participant holding the award.

ADJUSTMENTS FOR CORPORATE CHANGES. In the event of a recapitalization, reclassification or other specified event affecting us or shares of our common stock, the Compensation Committee shall make appropriate and proportionate adjustments in the number and kind of shares that may be issued under the 2010 Incentive Plan, as well as other maximum limitations under the 2010 Incentive Plan, and the number and kind of shares of common stock or other rights and prices under outstanding awards.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES. The following is a brief description of certain federal income tax consequences that will generally apply to awards issued under the 2010 Incentive Plan, based on current federal income tax laws. This summary is not intended to be exhaustive and, among other things, does not describe state, local or foreign income and other tax consequences. Participants in the 2010 Incentive Plan should not rely on this discussion for individual tax advice, as each participant's situation and the tax consequences of exercising awards and disposing of the underlying shares of common stock will vary depending upon the specific facts and circumstances involved. Each participant is advised to consult with his or her own tax advisor.

Incentive Stock Options. A participant will not recognize income upon the grant or exercise of an award that qualifies as an incentive stock option ("ISO") under the 2010 Incentive Plan. However, the difference between the fair market value of the stock on the date of exercise and the exercise price is an item of tax preference which may cause the participant to be subject to the alternative minimum tax in the year in which the ISO is exercised.

If a participant exercises an ISO and does not dispose of the underlying shares within (i) two years from the date of grant of the ISO, and (ii) one year from the date of exercise, the participant will generally recognize capital gain or loss on a subsequent sale of the stock equal to the difference between the sales price and the exercise price. If a participant disposes of common stock acquired upon exercise of an ISO before the expiration of either the two-year or the one-year holding periods described in the preceding sentence (each a "disqualifying disposition"), the participant will generally realize ordinary income in an amount equal to the lesser of (a) the excess of the fair market value of the shares on the date of exercise over the exercise price, or (b) the excess of the fair market value of the shares on the date of disposition over the exercise price. The remaining gain, if any, will be taxed to the participant as long-term or short-term capital gain depending on the holding period for such shares. We will not be allowed any deduction for federal income tax purposes at either the time of grant or the time of exercise of an ISO. Upon any disqualifying

disposition by a participant, we will generally be allowed a deduction to the extent the participant realizes ordinary income.

Nonqualified Stock Options. A participant who is granted an option under the 2010 Incentive Plan which does not qualify as an ISO shall be treated as having been granted a nonqualified stock option (“NQSO”). Generally, the grant of an NQSO does not result in a participant recognizing income. Upon the exercise of an NQSO, the participant will recognize ordinary income in an amount equal to the excess of the fair market value of the shares of the common stock at the time of exercise over the exercise price of the NQSO. We will generally be entitled to a deduction for federal income tax purposes in an amount equal to the amount included in income by the participant, provided we satisfy our information reporting obligations with respect to such income.

On a subsequent sale of the shares of the common stock, the participant will recognize capital gain or loss equal to the difference between the amount realized from the sale of stock and the participant's adjusted basis in those shares, which will generally be the sum of the amount paid and the amount of income previously recognized by the participant in connection with the exercise of the NQSO. Such capital gain will be long or short term depending upon the holding period for such shares.

Stock Appreciation Rights. In general, a participant will not recognize ordinary income for federal income tax purposes upon the grant of an SAR, and we will not be entitled to a deduction at that time. Upon the exercise of an SAR, the participant will recognize ordinary income equal to the amount by which the fair market value of a share on the exercise date exceeds the exercise price of the SAR, multiplied by the number of shares with respect to which the participant exercises his or her SAR. We will be entitled to a federal income tax deduction equal to the amount of ordinary income the recipient is required to recognize in connection with the exercise. The participant's basis in those shares will equal their fair market value on the date of their acquisition.

In general, the issuance of a tandem SAR will not result in a participant recognizing ordinary income. We will not be entitled to a deduction at such time. Upon the exercise of a tandem SAR, the participant will recognize ordinary income equal to the amount by which the fair market value of the shares acquired under the tandem SAR on the exercise date exceeds the exercise price of such shares. We will generally be entitled to a corresponding deduction equal to the amount of income recognized by the participant.

Other Stock-Based or Performance-Based Awards. The recipient of performance units/shares or other stock-based or performance-based awards under the 2010 Incentive Plan will not recognize taxable income at the time of grant as long as the award is nontransferable and is subject to a substantial risk of forfeiture as a result of performance-based vesting targets, continued services requirements or other conditions that must be satisfied before delivery of shares can occur. The recipient will generally recognize ordinary income when the substantial risk of forfeiture expires or is removed. We will generally be entitled to a corresponding deduction equal to the amount of income the recipient recognizes. On a subsequent sale of the shares, the recipient will recognize capital gain or loss equal to the difference between the sales price and the participant's adjusted basis in those shares, which will generally be the amount of income previously recognized by the participant.

Miscellaneous Tax Issues. Compensation to a participant who is an employee which results from awards under the 2010 Incentive Plan constitute wages for purposes of the Federal Insurance Contributions Act and the Federal Unemployment Tax Act and thus will result in additional tax liability to us, generally with respect to each award at the time that such award is no longer subject to a substantial risk of forfeiture or becomes transferable.

NEW PLAN BENEFITS. The Amendment will become effective upon adoption by the Board of Directors following approval by our shareholders. Other than the Option Grant, no benefits have been received or allocated under the Amendment. As such, any additional benefits and amounts are not determinable at this time.

Administration

3.1 General. The Committee shall be responsible for administering this Plan, subject to this Article 3 and the other provisions of this Plan. The Committee may employ attorneys, consultants, accountants, agents, and other individuals, any of whom may be an Employee, and the Committee, the Company, and its officers and Directors shall be entitled to rely upon the advice, opinions, or valuations of any such individuals. All actions taken and all interpretations and determinations made by the Committee shall be final and binding upon the Participants, the Company, and all other interested individuals.

A-4

3.2 Authority of the Committee. The Committee shall have full and exclusive discretionary power to interpret the terms and the intent of this Plan and any Award Agreement or other agreement or document ancillary to or in connection with this Plan, to determine eligibility for Awards and to adopt such rules, regulations, forms, instruments, and guidelines for administering this Plan as the Committee may deem necessary or proper. Such authority shall include, but not be limited to, selecting Award recipients, establishing all Award terms and conditions, including the terms and conditions set forth in Award Agreements, granting Awards as an alternative to or as the form of payment for grants or rights earned or due under compensation plans or arrangements of the Company, construing any ambiguous provision of the Plan or any Award Agreement, and, subject to Article 16, adopting modifications and amendments to this Plan or any Award Agreement, including without limitation, any that are necessary to comply with the laws of the countries and other jurisdictions in which the Company, its Associates, and/or its Subsidiaries operate.

3.3 Delegation. The Committee may delegate to one or more of its members or to one or more officers of the Company, and/or its Subsidiaries and Associates or to one or more agents or advisors such administrative duties or powers as it may deem advisable, and the Committee or any individuals to whom it has delegated duties or powers as aforesaid may employ one or more individuals to render advice with respect to any responsibility the Committee or such individuals may have under this Plan. The Committee may, by resolution, authorize one or more officers of the Company to do one or both of the following on the same basis as can the Committee: (a) designate Employees to be recipients of Awards; and (b) determine the size of any such Awards; provided, however, (i) the Committee shall not delegate such responsibilities to any such officer for Awards granted to an Employee who is considered an Insider; (ii) the resolution providing such authorization sets forth the total number of Awards such officer(s) may grant; and (iii) the officer(s) shall report periodically to the Committee regarding the nature and scope of the Awards granted pursuant to the authority delegated.

Article 4.

Shares Subject to this Plan and Maximum Awards

4.1 Number of Shares Available for Awards and Maximum Awards. Subject to adjustment as provided in Section 4.3 herein, the maximum number of Shares available for issuance to Participants under this Plan (the "Share Authorization") shall be four hundred thousand (400,000) Shares. The maximum aggregate number of Shares subject to all Awards granted in any one Plan Year to any one Participant shall be 200,000.

4.2 Share Usage. Shares covered by an Award shall only be counted as used to the extent they are actually issued. Any Shares related to Awards which terminate by expiration, forfeiture, cancellation, or otherwise without the issuance of such Shares, are settled in cash in lieu of Shares, or are exchanged with the Committee's permission, prior to the issuance of Shares, for Awards not involving Shares, shall be available again for grant under this Plan. Moreover, if the Option Price of any Option granted under this Plan or the tax withholding requirements with respect to any Award granted under this Plan are satisfied by tendering Shares to the Company (by either actual delivery or by attestation), or if an SAR is exercised, only the number of Shares issued, net of the Shares tendered, if any, will be

deemed delivered for purposes of determining the maximum number of Shares available for delivery under this Plan. The Shares available for issuance under this Plan may be authorized and unissued Shares or treasury Shares.

4.3 Adjustments in Authorized Shares. If the outstanding securities of the class then subject to this Plan are increased, decreased or exchanged for or converted into cash, property or a different number or kind of securities, or if cash, property or securities are distributed in respect of those outstanding securities, in any case as a result of a reorganization, merger consolidation, recapitalization, restructuring, reclassification, extraordinary dividend or other distribution, stock split, reverse stock split or the like, or if substantially all of the property and assets of the Company are sold, then, the Committee will make appropriate and proportionate adjustments in (a) the number and type of shares or other securities or cash or other property that may be acquired pursuant to Options or are the basis for determining the value of other Awards previously granted under this Plan, (b) the maximum number and type of shares or other securities or cash or other property that may be issued pursuant to Awards thereafter granted under this Plan, and (c) the maximum number of Shares for which Awards may be granted during any one calendar year; provided, however, that no adjustment may be made to the number of Shares that may be acquired pursuant to outstanding Incentive Stock Options or the maximum number of Shares with respect to which Incentive Stock Options may be granted under this Plan to the extent the adjustment would result in those options being treated as other than Incentive Stock Options.

A-5

Subject to Section 15.3, the Committee, in its sole discretion, may also make appropriate adjustments in the terms of any Awards under this Plan to reflect or related to such changes or distributions and to modify any other terms of outstanding Awards, including modifications of performance goals and changes in the length of Performance Periods. Subject to Section 15.3, the determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan.

Subject to the provisions of Article 15 and notwithstanding anything else herein to the contrary, without affecting the number of Shares reserved or available hereunder, the Committee may authorize the issuance or assumption of benefits under this Plan in connection with any merger, consolidation, acquisition of property or stock, or reorganization upon such terms and conditions as it may deem appropriate (including, but not limited to, a conversion of equity awards into Awards under this Plan in a manner consistent with paragraph 53 of FASB Interpretation No. 44), subject to compliance with the rules under Code Sections 422 and 424, as and where applicable.

Article 5.

Eligibility and Participation

5.1 Eligibility. Individuals eligible to participate in this Plan include all Officers and Employees.

5.2 Actual Participation. Subject to the provisions of this Plan, the Committee may, from time to time, select from all eligible individuals, those individuals to whom Awards shall be granted and shall determine, in its sole discretion, the nature of, any and all terms permissible by law, and the amount of each Award.

Article 6.

Stock Options

6.1 Grant of Options. Subject to the terms and provisions of this Plan, Options may be granted to Participants in such number, and upon such terms, and at any time and from time to time as shall be determined by the Committee, in its sole discretion; provided that ISOs may be granted only to eligible Employees of the Company or of any parent or subsidiary corporation (as permitted under Code Sections 422 and 424).

6.2 Award Agreement. Each Option grant shall be evidenced by an Award Agreement that shall specify the Option Price, the maximum duration of the Option, the number of Shares to which the Option pertains, the conditions

upon which an Option shall become vested and exercisable, and such other provisions as the Committee shall determine which are not inconsistent with the terms of this Plan. The Award Agreement also shall specify whether the Option is intended to be an ISO or an NQSO.

6.3 Option Price. The Option Price for each grant of an Option under this Plan shall be determined by the Committee in its sole discretion and shall be specified in the Award Agreement; provided, however, the Option Price on the date of grant must be at least equal to one hundred percent (100%) of the FMV of the Shares as determined on the date of grant. Notwithstanding the foregoing, the price at which shares of stock may be purchased under an ISO granted to a Participant who is a ten-percent owner shall not be less than one hundred ten percent (110%) of the FMV of the Shares as determined on the date of grant. For this purpose, a "ten-percent owner" shall mean a person who, at the time the ISO is granted, owns stock with more than ten percent (10%) of the total combined voting power of all classes of stock of the Company.

A-6

6.4 Term of Options. Each Option granted to a Participant shall expire at such time as the Committee shall determine at the time of grant; provided, however, no Option shall be exercisable later than the tenth (10th) anniversary date of its grant. Notwithstanding the foregoing, the period during which an ISO may be exercised by a ten percent owner shall expire not later than five years from the date the ISO is granted.

6.5 Exercise of Options. Options granted under this Article 6 shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall in each instance approve, which terms and restrictions need not be the same for each grant or for each Participant.

6.6 Payment. Options granted under this Article 6 shall be exercised by the delivery of a notice of exercise to the Company or an agent designated by the Company in a form specified or accepted by the Committee, or by complying with any alternative procedures which may be authorized by the Committee, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares.

A condition of the issuance of the Shares as to which an Option shall be exercised shall be the payment of the Option Price. The Option Price of any Option shall be payable to the Company in full either: (a) in cash or its equivalent; (b) by tendering (either by actual delivery or attestation) previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the Option Price (provided that except as otherwise determined by the Committee, the Shares that are tendered must have been held by the Participant for at least six (6) months (or such other period, if any, as the Committee may permit) prior to their tender to satisfy the Option Price if acquired under this Plan or any other compensation plan maintained by the Company or have been purchased on the open market); (c) by a cashless exercise (broker-assisted exercise) through a "same day sale" commitment; (d) by utilizing a net gain procedure; (e) by a combination of (a), (b), (c) and (d); or (f) any other method approved or accepted by the Committee in its sole discretion.

The net gain procedure, is intended to work, in effect, like a stock-settled SAR. An option holder who elects to use the net gain procedure will receive the number of shares of common stock with a value equal to the difference between the market price on the date of exercise and the exercise price of the option, less applicable tax withholding. For example, if an optionee has an option to acquire 300 shares at an exercise price of \$10.00 per share and exercises the option when the market price is \$30.00 and the withholding rate is 30%, the optionee would receive 140 shares (100 shares would be withheld to pay the exercise price and 60 shares would be withheld to pay the required withholding tax).

Subject to any governing rules or regulations, as soon as practicable after receipt of written notification of exercise and full payment (including satisfaction of any applicable tax withholding), the Company shall deliver to the Participant evidence of [book entry Shares], or upon the Participant's request, Share certificates in an appropriate amount based upon the number of Shares purchased under the Option(s).

Unless otherwise determined by the Committee, all payments under all of the methods indicated above shall be paid in United States dollars.

6.7 Restrictions on Share Transferability. The Committee may impose such restrictions on any Shares acquired pursuant to the exercise of an Option granted under this Article 6 as it may deem advisable, including, without limitation, minimum holding period requirements, restrictions under applicable federal securities laws, under the requirements of any stock exchange or market upon which such Shares are then listed and/or traded, or under any blue sky or state securities laws applicable to such Shares.

A-7

6.8 Termination of Employment. Each Participant's Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the Option following termination of the Participant's employment or provision of services to the Company and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Options issued pursuant to this Article 6, and may reflect distinctions based on the reasons for termination.

6.9 Notification of Disqualifying Disposition. If any Participant shall make any disposition of Shares issued pursuant to the exercise of an ISO under the circumstances described in Code Section 421(b) (relating to certain disqualifying dispositions), such Participant shall notify the Company of such disposition within ten (10) days thereof.

Article 7.

Stock Appreciation Rights

7.1 Grant of SARs. Subject to the terms and conditions of this Plan, SARs may be granted to Participants at any time and from time to time as shall be determined by the Committee. The Committee may grant Freestanding SARs, Tandem SARs, or any combination of these forms of SARs.

Subject to the terms and conditions of this Plan, the Committee shall have complete discretion in determining the number of SARs granted to each Participant and, consistent with the provisions of this Plan, in determining the terms and conditions pertaining to such SARs.

The Grant Price for each grant of a Freestanding SAR shall be determined by the Committee and shall be specified in the Award Agreement; provided, however, the Grant Price on the date of grant must be at least equal to one hundred percent (100%) of the FMV of the Shares as determined on the date of grant. The Grant Price of Tandem SARs shall be equal to the Option Price of the related Option.

7.2 SAR Agreement. Each SAR Award shall be evidenced by an Award Agreement that shall specify the Grant Price, the term of the SAR, and such other provisions as the Committee shall determine.

7.3 Term of SAR. The term of an SAR granted under this Plan shall be determined by the Committee, in its sole discretion, and except as determined otherwise by the Committee and specified in the SAR Award Agreement, no SAR shall be exercisable later than the tenth (10th) anniversary date of its grant.

7.4 Exercise of Freestanding SARs. Freestanding SARs may be exercised upon whatever terms and conditions the Committee, in its sole discretion,

imposes.

7.5 Exercise of Tandem SARs. Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable.

Notwithstanding any other provision of this Plan to the contrary, with respect to a Tandem SAR granted in connection with an ISO: (a) the Tandem SAR will expire no later than the expiration of the underlying ISO; (b) the value of the payout with respect to the Tandem SAR may be for no more than one hundred percent (100%) of the excess of the Fair Market Value of the Shares subject to the underlying ISO at the time the Tandem SAR is exercised over the Option Price of the underlying ISO; and (c) the Tandem SAR may be exercised only when the Fair Market Value of the Shares subject to the ISO exceeds the Option Price of the ISO.

A-8

7.6 Settlement of SAR Amount. Subject to Section 19.11 herein, upon the exercise of an SAR, a Participant shall be entitled to receive payment from the Company of Shares in an amount determined by multiplying:

(a) The excess of the Fair Market Value of a Share on the date of exercise over the Grant Price, less applicable tax withholding; by

(b) The number of Shares with respect to which the SAR is exercised.

7.7 Termination of Employment. Each Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the SAR following termination of the Participant's employment with or provision of services to the Company, its Associates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with Participants, need not be uniform among all SARs issued pursuant to this Plan, and may reflect distinctions based on the reasons for termination.

7.8 Other Restrictions. The Committee shall impose such other conditions and/or restrictions on any Shares received upon exercise of an SAR granted pursuant to this Plan as it may deem advisable or desirable. These restrictions may include, but shall not be limited to, a requirement that the Participant hold the Shares received upon exercise of an SAR for a specified period of time.

Article 8.

Performance Units/ Performance Shares

8.1 Grant of Performance Units/ Performance Shares. Subject to the terms and provisions of this Plan, the Committee, at any time and from time to time, may grant Performance Units and/or Performance Shares to Participants in such amounts and upon such terms as the Committee shall determine.

8.2 Value of Performance Units/ Performance Shares. Each Performance Unit shall have an initial value that is established by the Committee at the time of grant. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the date of grant. The Committee shall set performance goals in its discretion which, depending on the extent to which they are met, will determine the value and/or number of Performance Units/ Performance Shares that will be paid out to the Participant.

8.3 Earning of Performance Units/ Performance Shares. Subject to the terms of this Plan, after the applicable Performance Period has ended, the holder of Performance Units/ Performance Shares shall be entitled to receive payout on the value and number of Performance Units/ Performance Shares earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance goals have been achieved.

8.4 Form and Timing of Payment of Performance Units/ Performance Shares. Payment of earned Performance Units/ Performance Shares shall be as determined by the Committee and as evidenced in the Award Agreement. Subject to the terms of this Plan, the Committee, in its sole discretion, may pay earned Performance Units/ Performance Shares in the form of cash or in Shares (or in a combination thereof) equal to the value of the earned Performance Units/Performance Shares at the close of the applicable Performance Period, or as soon as practicable after the end of the Performance Period. Any Shares may be granted subject to any restrictions deemed appropriate by the Committee. The determination of the Committee with respect to the form of payout of such Awards shall be set forth in the Award Agreement pertaining to the grant of the Award.

8.5 Termination of Employment. Each Award Agreement shall set forth the extent to which the Participant shall have the right to retain Performance Units and/or Performance Shares following termination of the Participant's employment with or provision of services to the Company, its Associates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Awards of Performance Units or Performance Shares issued pursuant to this Plan, and may reflect distinctions based on the reasons for termination.

Article 9.

Other Stock-Based Awards

9.1 Other Stock-Based Awards. The Committee may grant other types of equity-based or equity-related Awards not otherwise described by the terms of this Plan (including the grant or offer for sale of unrestricted Shares) in such amounts and subject to such terms and conditions, as the Committee shall determine. Such Awards may involve the transfer of actual Shares to Participants, and may include, without limitation, Awards designed to comply with or take advantage of the applicable local laws of jurisdictions other than the United States.

9.2 Value of Other Stock-Based Awards. Each Other Stock-Based Award shall be expressed in terms of Shares or units based on Shares, as determined by the Committee. The Committee may establish performance goals in its discretion. If the Committee exercises its discretion to establish performance goals, the number and/or value of Other Stock-Based Awards that will be paid out to the Participant will depend on the extent to which the performance goals are met.

9.3 Payment of Other Stock-Based Awards. Payment, if any, with respect to an Other Stock-Based Award shall be made in accordance with the terms of the Award, in cash or Shares as the Committee determines.

9.4 Termination of Employment. Such provisions shall be determined in the sole discretion of the Committee, and may be included in an agreement entered into with each Participant, but need not be uniform among all Other Stock-Based Awards issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination.

Article 10.

10.1 Transferability of Incentive Stock Options. No ISO granted under this Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, all ISOs granted to a Participant under Article 6 shall be exercisable during his or her lifetime only by such Participant.

A-10

10.2 All Other Awards. Except for any Permitted Transfers provided for in a Participant's Award Agreement, which Permitted Transfers may be subject to additional restrictions determined by the Committee and as set forth in the Award Agreement, no other Award granted under this Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, except with respect to interests in Awards which have been subject to a Permitted Transfer provided for in a Participant's Award Agreement, all Awards granted to a Participant under this Plan shall be exercisable during his or her lifetime only by such Participant. With respect to those Awards (other than ISOs), if any, that are subject to Permitted Transfers, references in this Plan to exercise or payment related to such Awards by or to the Participant shall be deemed to include, as determined by the Committee, the Participant's Family Members to whom such Permitted Transfers were made.

Article 12.

Each Participant under this Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under this Plan is to be paid in case of his death before he receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Committee, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. In the absence of any such beneficiary designation, benefits remaining unpaid or rights remaining unexercised at the Participant's death shall be paid or exercised by the Participant's executor, administrator, or legal representative.

Article 14.

Rights of Participants

14.1 Employment. Nothing in this Plan or an Award Agreement shall interfere with or limit in any way the right of the Company, its Associates, and/or its Subsidiaries, to terminate any Participant's employment or service on the Board or to the Company at any time or for any reason not prohibited by law, nor confer upon any Participant any right to continue his employment or service as an Officer or Director for any specified period of time.

Neither an Award nor any benefits arising under this Plan shall constitute an employment contract with the Company, its Associates, and/or its Subsidiaries and, accordingly, subject to Articles 3 and 15, this Plan and the benefits hereunder may be terminated at any time in the sole and exclusive discretion of the Committee without giving rise to any liability on the part of the Company, its Associates, and/or its Subsidiaries.

14.2 Participation. No individual shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

14.3 Rights as a Stockholder. Except as otherwise provided herein, a Participant shall have none of the rights of a stockholder with respect to Shares covered by any Award until the Participant becomes the record holder of such Shares.

Article 15.

Amendment, Modification, Suspension, and Termination

15.1 Amendment, Modification, Suspension, and Termination. Subject to Section 15.3, the Committee may, at any time and from time to time, alter, amend, modify, suspend, or terminate this Plan and any Award Agreement in whole or in part; provided, however, that, without the prior approval of the Company's stockholders and except as provided in Section 4.3, Options or SARs issued under this Plan will not be repriced, replaced, or regranted through cancellation, or by lowering the Option Price of a previously granted Option or the Grant Price of a previously granted SAR, and no material amendment of this Plan shall be made without stockholder approval if stockholder approval is required by law, regulation, or stock exchange rule.

15.2 Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events. The Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including, without limitation, the events described in Section 4.4 hereof) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent unintended dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan.

A-13

15.3 Awards Previously Granted. Notwithstanding any other provision of this Plan to the contrary (other than Section 15.4), no termination, amendment, suspension, or modification of this Plan or an Award Agreement shall adversely affect in any material way any Award previously granted under this Plan, without the written consent of the Participant holding such Award.

15.4 Amendment to Conform to Law. Notwithstanding any other provision of this Plan to the contrary, the Board of Directors may amend the Plan or an Award Agreement, to take effect retroactively or otherwise, as deemed necessary or advisable for the purpose of conforming the Plan or an Award Agreement to any present or future law relating to plans of this or similar nature (including, but not limited to, Code Section 409A), and to the administrative regulations and rulings promulgated thereunder.

Article 16.

Withholding

16.1 Tax Withholding. The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, the minimum statutory amount to satisfy federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of this Plan.

16.2 Share Withholding. With respect to withholding required upon the exercise of Options or SARs, or upon the achievement of performance goals related to Performance Shares, or any other taxable event arising as a result of an Award granted hereunder, Participants may elect, subject to the approval of the Committee, to satisfy the withholding requirement, in whole or in part, by having the Company withhold Shares having a Fair Market Value on the date the tax is to be determined equal to the minimum statutory total tax that could be imposed on the transaction. All such elections shall be irrevocable, made in writing, and signed by the Participant, and shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

Article 17.

Successors

All obligations of the Company under this Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

Article 18.

General Provisions

18.1 Legend. The certificates for Shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer of such Shares.

18.2 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural.

18.3 Severability. In the event any provision of this Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of this Plan, and this Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

A-14

18.4 Requirements of Law. The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

18.5 Delivery of Title. The Company shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan prior to:

(a) Obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and

(b) Completion of any registration or other qualification of Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable.

18.6 Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary or advisable to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

18.7 Investment Representations. The Committee may require any individual receiving Shares pursuant to an Award under this Plan to represent and warrant in writing that the individual is acquiring the Shares for investment and without any present intention to sell or distribute such Shares.

Notwithstanding the above, the Committee may not take any actions hereunder, and no Awards shall be granted, that would violate applicable law.

18.8 Uncertificated Shares. To the extent that this Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be affected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

18.9 Unfunded Plan. Participants shall have no right, title, or interest whatsoever in or to any investments that the Company, and/or its Subsidiaries, and/or its Associates may make to aid it in meeting its obligations under this Plan. Nothing contained in this Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal

representative, or any other individual. To the extent that any person acquires a right to receive payments from the Company, its Subsidiaries, and/or its Associates under this Plan, such right shall be no greater than the right of an unsecured general creditor of the Company, a Subsidiary, or an Associate, as the case may be. All payments to be made hereunder shall be paid from the general funds of the Company, a Subsidiary, or an Associate, as the case may be and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in this Plan.

18.10 No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to this Plan or any Award. The Committee shall determine whether cash, Awards, or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

18.11 Retirement and Welfare Plans. Neither Awards made under this Plan nor Shares or cash paid pursuant to such Awards may be included as "compensation" for purposes of computing the benefits payable to any Participant under the Company's or any Subsidiary's or Associate's retirement plans (both qualified and non-qualified) or welfare benefit plans unless such other plan expressly provides that such compensation shall be taken into account in computing a Participant's benefit.

A-15

18.12 **Deferred Compensation.** No deferral of compensation (as defined under Code Section 409A or guidance thereto) is intended under this Plan. However, the Committee may permit deferrals of compensation pursuant to the terms of a Participant's Award Agreement, a separate plan or a subplan which meets the requirements of Code Section 409A and any related guidance. Employees who are subject to Code Section 409A shall only be granted Awards under this Plan that meet the requirements of Code Section 409A or qualify for an exemption under Code Section 409A or any related guidance. If any Employee who is subject to Code Section 409A receives an Award that does not comply with Code Section 409A or qualify for an exemption thereto, such Award shall be null and void and shall be deemed to have never been granted. Additionally, to the extent any Award is subject to Code Section 409A, notwithstanding any provision herein to the contrary, the Plan does not permit the acceleration of the time or schedule of any distribution related to such Award, except as permitted by Code Section 409A, the regulations thereunder, and/or the Secretary of the United States Treasury.

18.13 **Nonexclusivity of this Plan.** The adoption of this Plan shall not be construed as creating any limitations on the power of the Board or Committee to adopt such other compensation arrangements as it may deem desirable for any Participant.

18.14 **No Constraint on Corporate Action.** Nothing in this Plan shall be construed to: (i) limit, impair, or otherwise affect the Company's or a Subsidiary's or an Associate's right or power to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets; or, (ii) limit the right or power of the Company or a Subsidiary or an Associate to take any action which such entity deems to be necessary or appropriate.

18.15 **Governing Law.** The Plan and each Award Agreement shall be governed by the laws of the State of Delaware, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Plan to the substantive law of another jurisdiction. Unless otherwise provided in the Award Agreement, recipients of an Award under this Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts of Delaware, to resolve any and all issues that may arise out of or relate to this Plan or any related Award Agreement.
