Dear Fellow Shareholders,

For 2008, the Fund's net asset value ("NAV") declined 28%, after taking into account the Fund's \$0.3512 per share year-end cash dividend. The S&P 500 (total return basis), which is the benchmark against which the Fund compares itself, fell 37% for the year.

Value \$100 invested in Eagle Capital Growth Fund and S&P 500 in 2000

While the Fund's relative performance was excellent, it is hard to be too ecstatic when the absolute return is so dismal. To paraphrase an old saying---you can't live off relative performance.

We've used the market turmoil and volatility to fine-tune the Fund's portfolio. As you will note, we've added (or increased our stake in) some mutual fund management companies (Eaton Vance, Franklin Resources, Inc. and T. Rowe Price Group) and bolstered our position in data processing companies, including Automatic Data Processing, Inc. and Paychex, Inc.

We dramatically reduced our exposure to banks during 2008 and remain wary of bank managers generally. We expressed our concern about managerial incompetence in the banking arena in our 2008 Semiannual Report, and nothing in the past six months has altered our views. The Fund still holds investments in a few banks where the valuations are depressed. Longer-term, it will be a rare and special event to find a bank in the Fund's portfolio.

There were some other significant developments in 2008. The Fund changed its name from "NAIC Growth Fund, Inc." to its current moniker. This decision was driven by the NAIC (National Association of Investors Corporation), which no longer wanted to license its name to any third party. We remain on excellent terms with the NAIC and continue to share a common philosophy based on long-term investing in growth companies.

Edgar Filing: EAGLE CAPITAL GROWTH FUND, INC. - Form N-CSR/A

The Fund was fortunate to be able to add two new talented directors during 2008, Phil Hanrahan and Neal Zalenko. Mr. Hanrahan, now retired, practiced corporate law for more than 40 years. Mr. Zalenko retired as a certified public accountant after 35 years of practice, including the sale of his accounting practice to a larger firm. We welcome Phil and Neal to the Board and know that the Fund will benefit from their intelligence, experience and insights.

We're always thrilled to hear from our shareholders. But, our ground rules remain the same: we won't discuss any prospective Fund security purchase or sale.

Thank you for your continued support.

Notes to Financial Statements

(1) *Organization.*

Eagle Capital Growth Fund, Inc., a Maryland corporation (“Fund”), is a diversified closed-end investment company subject to the Investment Company Act of 1940. The Fund changed its corporate name from “NAIC Growth Fund, Inc.” to its current name at the end of May, 2008.

(2) *Significant Accounting Policies.*

The following is a summary of the significant accounting policies followed by the Fund not otherwise set forth in the Notes to the Financial Statements:

Dividends and distributions—Dividends from the Fund’s net investment income and realized net long- and short-term capital gains will be declared and distributed at least annually.

Investments—Investments in equity securities are stated at market value, which is determined based on quoted market prices or dealer quotes. If no such price is available on the valuation date, the Board of Directors has determined that the most recent market price be used. The Fund uses the amortized cost method to determine the carrying value of short-term debt obligations. Under this method, investment securities are valued for both financial reporting and Federal tax purposes at amortized cost, which approximates fair value. Any discount or premium is amortized from the date of acquisition to maturity. Investment security purchases and sales are accounted for on a trade date basis. Interest income is accrued on a daily basis while dividends are included in income on the ex-dividend date.

Use of estimates—The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Federal income taxes—The Fund intends to comply with the general qualification requirements of the Internal Revenue Code applicable to regulated investment companies such as the Fund. The Fund plans to distribute annually at least 90% of its taxable income, including net long-term capital gains, to its shareholders. In order to avoid imposition of the excise tax applicable to regulated investment companies, the Fund intends to declare as dividends in each calendar year an amount equal to at least 98% of its net investment income and 98% of its net realized capital gains (including undistributed amounts from previous years).

The following information is based upon the Federal income tax basis of portfolio investments as of December 31, 2008:

Gross unrealized appreciation	\$ 4,856,968
Gross unrealized depreciation	(4,056,886)
Net unrealized appreciation	\$ 800,082
Federal income tax basis	\$ 15,742,947

Expenses—The Fund’s service providers bear all of their expenses in connection with the performance of their services. The Fund bears all of its expenses incurred in connection with its operations including, but not limited to, investment advisory fees (as discussed in Note 3), legal and audit fees, taxes, insurance, shareholder reporting and other related costs. As noted in Note 3, the Fund’s investment advisor, as part of its responsibilities under the Investment Advisory Agreement, is required to provide certain internal administrative services to the Fund at such investment advisor’s expense. The Investment Advisory Agreement provides that the Fund may not incur annual aggregate expenses in excess of two percent (2%) of the first \$10 million of the Fund’s average net assets, one and a half percent (1.5%) of the next \$20 million of the average net assets, and one percent (1%) of the remaining average net assets for any fiscal year. Any excess expenses are the responsibility of the investment advisor.

Edgar Filing: EAGLE CAPITAL GROWTH FUND, INC. - Form N-CSR/A

Fair Value Accounting—Effective January 1, 2008, the Fund adopted SFAS 157. SFAS 157 established a framework for measuring fair value and expands disclosure about fair value measurements. SFAS 157 was issued to bring conformity to the definition of fair value; prior to SFAS 157 there was no conformity in the accounting guidance regarding the definition of fair value.

Valuation Hierarchy

SFAS 157 establishes a three-level valuation hierarchy for disclosure of fair value measurements. The valuation hierarchy is based upon the transparency of inputs to the valuation of an asset or liability as of the measurement date. The three levels are defined as follows:

Level 1 – inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets in which the Fund can participate.

Level 2 – inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement, and include inputs that are available in situations where there is little, if any, market activity for the related asset or liability.

A financial instrument’s categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for instruments measured at fair value, as well as the general classification of such instruments pursuant to the valuation hierarchy.

Assets

Common Stock Investments

All of the Fund’s common stock investments are classified within Level 1 of the valuation hierarchy as quoted prices are available in an active market.

The following table presents the financial instruments carried at fair value as of December 31, 2008, as identified on the Statement of Assets and Liabilities and by the SFAS 157 hierarchy (as described above):

Assets measured at fair value on a recurring basis as of December 31, 2008:

	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Balance at December 31, 2008
Common Stock Investments	\$ 16,543,029	\$ —	\$ —	\$ 16,543,029

(3) *Certain Service Providers Arrangements*

Investment advisor—For its services under the Investment Advisory agreement, the investment advisor receives a monthly fee calculated at an annual rate of three-quarters of one percent (0.75%) of the weekly net asset value of the Fund, as long as the weekly net asset value is at least \$3.8 million. The investment advisor is not entitled to any compensation for any week in which the average weekly net asset value falls below \$3.8 million. Pursuant to the Investment Advisory Agreement, the investment advisor is required to provide certain internal administrative services to the Fund at the investment advisor’s expense.

Edgar Filing: EAGLE CAPITAL GROWTH FUND, INC. - Form N-CSR/A

Effective June 1, 2007, following shareholder approval of the Investment Advisory Agreement, Sims Capital Management LLC ("SCM") began serving as the Fund's investment advisor. Pursuant to the Investment Advisory Agreement, SCM is responsible for the management of the Fund's portfolio,

Edgar Filing: EAGLE CAPITAL GROWTH FUND, INC. - Form N-CSR/A

subject to oversight by the Fund's Board of Directors. Sims, the son of the President and CEO, is the Fund's Chief Financial Officer and Chief Compliance Officer and owns the remaining 50 percent of SCM.

Custodian—LaSalle Bank, NA ("LaSalle"), an affiliate of Bank of America Corporation, serves as the Fund's custodian pursuant to a custodian agreement. As the Fund's custodian, LaSalle receives fees and compensation of expenses for services provided including, but not limited to, an annual account charge, annual security fee, security transaction fee and statement of inventory fee.

Transfer Agent—Transfer agent American Stock Transfer & Trust Company ("AST") serves as the Fund's transfer agent and dividend disbursing agent pursuant to custody agreements. AST receives fees for services provided including, but not limited to, account maintenance fees, activity and transaction processing fees and reimbursement for its out-of-pocket expenses. AST also acts as the agent under the Fund's Dividend Reinvestment and Cash Purchase Plan.

(4) *Dividend Reinvestment and Cash Purchase Plan.*

The Fund has a Dividend Reinvestment and Cash Purchase Plan ("Plan") which allows shareholders to reinvest cash dividends and make cash contributions. Pursuant to the terms of the Plan, cash dividends may be used by the Plan agent to either purchase shares from the Fund or in the open market, depending on the most favorable pricing available to Plan participants. Voluntary cash contributions from Plan participants are used to purchase Fund shares in the open market. A complete copy of the Plan is available on the Fund's website (www.eaglecapitalgrowthfund.com) or from AST, the Plan agent.

(5) *Distributions to Shareholders*

On December 1, 2008, a distribution of \$0.3512 per share aggregating \$1,035,015 was declared from realized short- and long-term gains and ordinary income. The dividend was paid on December 26, 2008, to shareholders of record December 12, 2008.

The tax character of distributions paid during 2007 and 2008 was as follows:

As of December 31, 2008, the components of distributable earnings on a tax basis were as follows:

Under-distributed ordinary income	\$ 612
Unrealized appreciation	\$ 800,082

(6) *Fund Investment Transactions*

Purchases and sales of securities, other than short-term securities, for the period ended December 31, 2008, were \$8,524,522 and \$8,311,856, respectively.

(7) *Financial Highlights.*

Edgar Filing: EAGLE CAPITAL GROWTH FUND, INC. - Form N-CSR/A

The Financial Highlights present a per share analysis of how the Fund's net asset value has changed during the periods presented. Additional quantitative measures expressed in ratio form analyze important relationships between certain items presented in the financial statements. The total investment return based on market value assumes that shareholders bought into the Fund at the bid price and sold out of the Fund at the bid price. In reality, shareholders buy into the Fund at the asked price and sell out of the Fund at the bid price. Therefore, actual returns may differ from the amounts shown.

**EAGLE CAPITAL GROWTH FUND, INC.
DIVIDEND REINVESTMENT AND CASH PURCHASE PLAN
(THE "PLAN")**

ADVANTAGES OF THE PLAN

Your increased shareholdings of Eagle Capital Growth Fund, Inc. common stock will generate additional dividend and/or other distribution income.

You may choose to have all of your dividends and/or other distributions reinvested in shares of Eagle Capital Growth Fund, Inc. common stock.

You may make additional voluntary cash investments as often as once each month, in an amount of not less than \$50 nor more than \$250,000 per year.

Your cash dividends and/or other distributions will go directly to American Stock Transfer & Trust Company (the "Plan Agent"), which will administer the Plan, assuring prompt reinvestment of your dividends and/or other distributions. It is intended that such cash dividends and/or other distributions, together with any voluntary cash payments, will be fully utilized to purchase shares of Eagle Capital Growth Fund, Inc. common stock.

The Plan Agent does all of the work and, at your option, will accept delivery from you, for safekeeping of, the certificates which you hold in your own name and representing shares of stock of Eagle Capital Growth Fund, Inc. by establishing a "book-entry" account in your name.

The maintenance of your personal records is simplified by the detailed statements which the Plan Agent will mail to you after each investment.

Participation in the Plan is entirely voluntary. You may join at any time, and you may terminate your participation whenever you wish by following the procedures described below.

There are no fees or charges imposed upon you, other than brokerage commissions, and reasonable transaction and termination fees.

PARTICIPATION IN THE PLAN

Any holder of common stock of Eagle Capital Growth Fund, Inc. ("Fund"), may participate in the Plan.

JOINING THE PLAN

To join the Plan, you can either enroll on-line at www.amstock.com and clicking on "Shareholder Account Access" or you can sign and complete the enclosed enrollment and authorization form and mail it to: American Stock Transfer & Trust Company, P.O. Box 922 Wall Street Station, New York, New York 10269-0560. Please make sure that if you enroll by completing the enrollment and authorization form that you sign your name exactly the same as shown on your shareholder account. Once you have completed and returned the form to American Stock Transfer & Trust Company, you will begin participating automatically in the Plan and all cash dividends and/or other distributions on Eagle Capital Growth Fund, Inc. common stock registered in your name will be reinvested automatically.

COSTS OF THE PLAN

There are no special fees or charges relating to participation in the Plan, other than reasonable transaction fees and brokerage commissions. A termination or sale fee (currently \$15 plus \$0.10 per share) may be imposed when you terminate or sell your shares in the Plan and take delivery of accumulated shares. The benefit of any reduced brokerage commissions will be passed on, *pro rata*, to participants. In addition, if you wish to deposit your certificated shares in your plan account, there is currently a transaction fee of \$7.50 for this service.

DIVIDEND REINVESTMENT

Dividend payments and/or other distributions made by the Fund to participants in the Plan are made in one of two ways. They are paid to the Plan Agent either in cash (which then are used to purchase shares in the open market), or by the delivery of newly-issued Fund shares. The option chosen by the Fund is the one that the Fund determines is the most favorable to participants, as described below under “Additional Terms and Conditions of Participation in the Eagle Capital Growth Fund, Inc. Dividend Reinvestment and Cash Purchase Plan.” In the event the Plan Agent is unable to complete its acquisition of shares to be purchased on the open market by the end of the thirtieth (30th) day following receipt of the cash dividends and/or other distributions from the Fund, any remaining funds will be returned to the Participants on a pro rata basis.

VOLUNTARY CASH PAYMENTS

You may make voluntary monthly cash payments of not less than \$50 (but not more than \$250,000 per year) for the purpose of acquiring additional shares. You may make these voluntary cash payments regularly or from time to time, and you may also vary the amount of each payment so long as the amount of any monthly voluntary cash payment meets the foregoing limitations. Voluntary cash payments must be received by the Plan Agent on or prior to the last day of any month and will be invested beginning on or about the first business day of the following month (an “Investment Date”). Voluntary cash payments will be invested in shares purchased in the open market, (calculated to three decimal places in your account). However, if purchases of shares on the open market with such voluntary cash payments have not been completed by an ex-dividend date, the balance of such cash payments will be returned and credited on a pro rata basis. The Plan Agent will also return all voluntary cash payments it is holding or receives for purchases to be made on the Investment Date immediately following the dividend payment date if purchases are being made with the cash dividends or other distributions on or after such Investment Date. In the event the Plan Agent is unable to complete its acquisition of shares to be purchased on the open market by the end of the thirtieth (30th) day following the Investment Date, any remaining funds will be returned to the participants on a pro rata basis. All cash payments received by the Plan Agent in connection with the Plan will be held without earning interest. To avoid unnecessary cash accumulations, and also to allow ample time for receipt and processing by the Plan Agent, participants that wish to make voluntary cash payments should send such payments to the Plan Agent in such a manner that assures that the Plan Agent will receive and collect federal funds by the end of the month. This procedure will avoid unnecessary accumulations of cash and will enable participants to realize lower brokerage commissions and avoid additional transaction charges. If a voluntary cash payment is not received in time to purchase shares for the calendar month indicated, the Plan Agent shall attempt to invest such payment on the next Investment Date. Optional cash payments can also be made on-line at www.amstock.com. You need to know your American Stock Transfer & Trust Company 10 digit account number to access your account.

If an optional cash payment is paid by a check and the check is returned by the bank, a fee of \$25 will be charged. If the funds have not yet been invested, the Plan Agent will debit the amount of such funds. If the funds have been invested, then the Plan Agent will sell the shares to recover the amount of the returned check. If the cash balance of the sale is not enough to cover the debit of the amount of the returned check, then the Plan Agent reserves the right to sell account shares to pay the balance. The Plan Agent will also sell additional shares to recover the amount of the return fee.

HOLDING OF SHARES

For your convenience, the Plan Agent will hold all shares that you acquire as a result of your participation in the Plan for safekeeping. However, upon your on-line request at www.amstock.com, telephonically at (877) 739-9994 or request by mail, the Plan Agent will send you a certificate representing a specified number of full shares which you have acquired through the Plan and which are held for your account.

The Plan Agent will also allow you to deposit with it, in safekeeping and in your “book-entry” account for the Plan, any additional stock certificates for the Fund’s shares you might have in your possession. This will enable you to guard against loss, theft or damage.

STATEMENT OF ACCOUNT

A cumulative, detailed statement of your account under the Plan for each current calendar year will be sent to you by the Plan Agent; and you will also receive the customary Form 1099 (Internal Revenue Service) reporting dividend and/or other distribution income.

WITHDRAWAL OF SHARES

You are not committed to remain in the Plan. You may terminate your participation at any time by written notice to the Plan Agent or on line at www.amstock.com. All requests for termination of participation in the Plan must be received at least three business days prior to the next dividend and/or other distribution payment date in order for the cash dividend and/or other distribution not to be reinvested. A separate written request, however, must be made to obtain the return of any voluntary cash payment. You may obtain the return of any voluntary cash payment if your written request is received by the Plan Agent at least forty-eight (48) hours prior to the time such voluntary cash payment is invested.

Upon terminating participation in the Plan, certificates for full shares held in your account will be issued and sent to you. Any remaining fractional share will be converted to cash, on the basis of the then current market price of the Fund's common stock, and a check, representing the same, will be issued and sent to you (less service fees). If you desire, you may direct that your full shares be sold in the open market and that the proceeds (less any brokerage commission incurred as a result of such sale) be sent to you.

INCOME TAX CONSIDERATIONS

Dividends (including those declared in shares of stock) and other distributions invested under the Plan are taxable in the same way as dividends and other distributions paid to you in cash.

SHAREHOLDERS' RIGHTS

Shares held under the Plan have the same rights as all other shares, in terms of stock dividends, stock splits, and preemptive and voting rights. Stock dividends will be fully credited to your account. Transaction processing may either be curtailed or suspended until the completion of any stock dividend, stock split or corporate action.

The Board determined that SCM's performance should be reviewed on an approximate five-year time horizon, and that it was too soon to use performance as a criterion, though the Board was pleased that the Fund's performance had outperformed the S&P 500 index. The Board then reviewed other factors in determining to retain SCM as investment advisor including, among other things, the nature, extent and quality of services provided by SCM, the cost of services provided by SCM (and benefits to be realized by SCM as a result of its relationship with the Fund), the economics of scale that may be realized as the Fund grows, whether fee level reflects the economics of scale for the benefit of Fund investors, the investment philosophy of SCM, the Fund's portfolio turnover, best execution and trading costs, personnel considerations, resources available to SCM, SCM's ability to satisfy compliance obligations and other relevant factors. Overall, the Board determined that it remained satisfied with the nature, extent and quality of services provided by SCM.

ITEM 6. SCHEDULE OF INVESTMENTS

The Fund's schedule of investments is included as part of the report to shareholders filed under Item 1 of this Form.

ITEM 7. DISCLOSURE OF PROXY VOTING AND PROCEDURES FOR CLOSED END MANAGEMENT INVESTMENT COMPANIES.

Sims Capital Management LLC, a Wisconsin limited liability company (the "Advisor"), is the investment advisor for the Fund. The Fund and the Advisor, are parties to an Investment Advisory Agreement dated as of February 16, 2007 (the "Advisory Agreement"). The Fund is one of the Advisor's two advisory clients.

The Advisor's authority to vote the proxies of the Fund is established through the Investment Advisory Agreement. It has adopted the following policies and procedures:

The Advisor will vote proxies for its clients and, therefore, will adhere to the following requirements:

A. General Statement of Policy. When the Advisor votes proxies, it generally follows the so-called “Wall Street Rule” (i.e., it votes as management recommends or sells the stock prior to the meeting). The Advisor believes that following the “Wall Street Rule” is consistent with the economic best interests of its clients. Consistent with its care of duty, the Advisor monitors proxy proposals just as it monitors other corporate events affecting the companies in which its clients invest. In the rare circumstances that the Advisor would vote against management’s recommendations, a detailed explanation as to the reason for divergence with the such recommendation would be put into writing and maintained in the client file.

B. Conflicts of Interest. There may be instances where the interests of the Advisor may conflict or appear to conflict with the interest of its clients. For example, the Advisor may manage a pension plan of a company whose management is soliciting proxies and there may be a concern that the Advisor would vote in favor of management because of its relationship with the Advisor. In such situations, the Advisor will, consistent with its duty of care and duty of loyalty, vote the securities in accordance with its pre-determined voting policy; the “Wall Street Rule”, but only are the disclosing the conflict to clients and affording the clients the opportunity to direct the Advisor in the voting of such securities.

C. Record Keeping. The Advisor will maintain records with respect to proxy voting:

1. A copy of this proxy voting policy;
2. A copy of all proxy statements received (the Advisor may rely on the EDGAR system to satisfy this requirement);
3. A record of each vote cast on behalf of a client (the Advisor may rely on a third party to satisfy this requirement);
4. A copy of any document prepared by the Advisor that was material to making a voting decision or that memorializes the basis for that decision;
5. A copy of each written client request for information on how the Advisor voted proxies on the client’s behalf, and a copy of any written response to any (written or oral) client request for information on how the Advisor voted proxies on behalf of the requesting client.

ITEM 8. PORTFOLIO MANAGERS OF CLOSED-END MANAGEMENT INVESTMENT COMPANIES.

To the extent investment opportunities arise in which both the Fund and Peregrine will invest and in which the amount to be

Edgar Filing: EAGLE CAPITAL GROWTH FUND, INC. - Form N-CSR/A

With respect to Peregrine, David Sims is the principal decision maker with respect to Peregrine's portfolio, and Luke Sims participates in the decision-making process.
