This annual report on Form 40-F, including exhibits 99.1 through 99.9 hereto, is specifically incorporated by reference into Kinross Gold Corporation's registration statement on Form F-10, Registration No. 333-102660, filed January 22, 2003, as amended January 29, 2003.

NOTE FOR U.S. READERS ON CANADA/U.S. REPORTING DIFFERENCES

Pursuant to the requirements of Form 40-F, Kinross' Annual Information Form dated April 30, 2004, which includes the audited consolidated financial statements and notes thereto for the three years ended December 31, 2003, together with the accompanying Management's Discussion and Analysis of Financial Condition and Results of Operation, is hereby filed under cover of this form. See Note 22 to the audited consolidated financial statements for a reconciliation of the financial statements to U.S. GAAP as required by Item 17 of Form 20-F. The formation of Kinross on May 31, 1993, qualifies under

Edgar Filing: KINROSS GOLD CORP - Form 40-F

International Accounting Standard No. 22 (IAS 22), business combinations, as a uniting of interests and thereby has been accounted for as a pooling of interests. For purposes of reconciliation to U.S. GAAP, the accounting complies with Item 17 of Form 20-F and is different than that required by U.S. GAAP.

Readers should note that in the United States, reporting standards for auditors require the addition of an explanatory paragraph (following the opinion paragraph) when there are changes in accounting principles that have a material effect on the comparability of the financial statements, such as the changes described in Note 1 to Kinross' consolidated financial statements. The report of Deloitte & Touche LLP to the shareholders dated March 12, 2004, is expressed in accordance with Canadian reporting standards, which do not require a reference to such changes in accounting principles in the auditors' report when the changes are properly accounted for and adequately disclosed in the financial statements.

CONTROLS AND PROCEDURES

A. EVALUATION

Based on their evaluation as of December 31, 2003, Kinross' Chief Executive Officer and Chief Financial Officer have concluded that Kinross' disclosure controls and procedures as defined in Rule 13(a)-14(c) and 15(d)-14(c) under the Exchange Act are effective to ensure that information required to be disclosed by Kinross in reports that it files or submits under the Exchange Act is recorded, processed, summarized, and reported within the time periods specified in Securities and Exchange Commission rules and forms.

B. CHANGES IN INTERNAL CONTROLS

Since the date of the evaluation, there have not been any significant changes in the internal controls or in other factors that could significantly affect the internal controls, and there were not any significant deficiencies or material weaknesses. As a result, no corrective actions were required or undertaken.

AUDIT COMMITTEE

The audit committee is comprised of four individuals, John A. Brough, chairman, Richard S. Hallisey, John M.H. Huxley and George F. Nichols. Each of the members of the audit committee are independent as that term is defined in the listing standards of the New York Stock Exchange. The board of directors has determined that Mr. Brough is the audit committee financial expert.

CODE OF ETHICS

Kinross has a Code of Business Conduct and Ethics that applies to all directors, officers and employees. The Code of Business Conduct and Ethics may be viewed at the Company's website at www.kinross.com under Corporate - Governance. The Company has not granted any waivers under its Code of Business Conduct and Ethics.

PRINCIPAL ACCOUNTANT FEES AND SERVICES

The Company paid the following fee to Deloitte & Touche LLP during the last two fiscal years:

Edgar Filing: KINROSS GOLD CORP - Form 40-F

	2003	2002
Audit Fees	CDN \$1,150,000	CDN \$615,000
Audit Related Fees	CDN \$1,533,321	CDN \$2,356,000
Tax Fees	CDN \$592,541	CDN \$320,000
All Other Fees	---	---

Audit related fees include fees related to the preparation of prospectuses and registration statements and consultations regarding financial accounting and reporting standards. Tax fees were for tax compliance and advisory services. Audit related fees for 2002 were high in comparison to other years due to the significant regulatory work associated with the combination between Kinross, TVX Gold, Inc., and Echo Bay Mines, Ltd.

The audit committee is required to approve all services provided by the Company's principal auditor. All audit services, audit related services, tax services, and other services provided for the year ended December 31, 2003 were pre-approved by the audit committee which concluded that the provision of such services by Deloitte & Touche LLP was compatible with the maintenance of that firm's independence in the conduct of its auditing functions.
