The results will be for the period from the Company's incorporation on 2 July 2004 until 31 March 2005. However, the results will reflect the 2.5 month operating performance of the Company after the acquisition of British Energy plc (the Acquired Group) on 14 January 2005.

Where appropriate it is intended to give information relating to the 9.5 month period to 14 January 2005 for the Acquired Group and certain annual equivalent results for the 12 month period to 31 March 2005. However, it is generally not possible to compare the 9.5 month results of the Acquired Group and the 2.5 month results of the Company due to the different basis of preparation before and after the restructuring.
