CHICAGO, Jan. 28, 2004 RR Donnelley (NYSE: DNY) announced today that it plans to release its financial results for the fourth quarter and fiscal year ended December 31, 2003, after the market closes on Thursday, February 5, 2004.

The company is aligning its announcement with Moore Wallace Incorporated (NYSE:MWI), which expects to release its financial results on February 5 as well. The alignment is expected to help the financial community process the information from both companies' announcements at approximately the same time. RR Donnelley and Moore Wallace are currently involved in a transaction to combine the two companies that is expected to close at the end of February.

The company will not conduct its customary quarterly conference call in conjunction with the release of its fourth quarter and year-end 2003 results, but expects to resume the practice with its announcement of first quarter 2004 results.

RR Donnelley (www.rrdonnelley.com) prepares, produces and delivers integrated communications across multiple channels for content owners such as publishers, merchandisers, and telecommunications companies, as well as capital markets and diversified financial services companies. As a single source supplying services up and down the communications value chain, the company excels in digital photography, content management, printing, online services, and print and package logistics. With these integrated services, RR Donnelley provides effective solutions for its customers' targeted communications and delivery needs. Headquartered in Chicago, Ill., RR Donnelley serves a global customer market and has 30,000 employees in more than 200 locations in North America, South America, Europe and the Asia/Pacific Basin.

Except for historical information, certain statements contained in this news release constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve known and unknown risks, uncertainties and other factors, which may cause actual results or developments to differ materially from the future results or developments expressed or implied by these statements. Refer to Part I, Item I of the company's annual report on Form 10-K for the year ended December 31, 2002, for a description of such factors.
