PROXY STATEMENT FOR THE ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON AUGUST 30, 2005

INFORMATION CONCERNING SOLICITATION AND VOTING

General

The enclosed proxy is solicited on behalf of OPTi Inc. ("OPTi" or the "Company") for use at the Annual Meeting of Shareholders (the "Annual Meeting") to be held on August 30, 2005 at 10:00 a.m., Pacific Time, or at any postponement or adjournment thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Shareholders. The Annual Meeting will be held at the offices of Heller Ehrman White & McAuliffe LLP at 275 Middlefield Road, Menlo Park, California 94025. The telephone number at that location is (650) 324-7000.

These proxy solicitation materials were mailed on or about August 1, 2005 to all shareholders entitled to vote at the meeting.

Purposes of the Annual Meeting

The purposes of the Annual Meeting are to (i) elect four directors to serve until the earlier of OPTi's next annual meeting; or the appointing of their successors; (ii) ratify the appointment of Ernst & Young LLP as the Company's independent auditors for fiscal year ending March 31, 2006; and (iii) transact such other business as may properly come before the Annual Meeting and at any and all postponements or adjournments thereof.

Annual Meeting Record Date and Share Ownership

Only shareholders of record at the close of business on July 22, 2005 (the "Annual Meeting Record Date") are entitled to receive notice of and to vote at the Annual Meeting. On the Annual Meeting Record Date, 11,633,903 shares of the Company's common stock were issued and outstanding. For information regarding security ownership by management and by 5% shareholders, see "OTHER INFORMATION Security Ownership of Certain Beneficial Owners and Management." The closing price of the Company's common stock on the Nasdaq National Market on the Annual Meeting Record Date was \$1.66 per share.

Revocability of Proxies

Edgar Filing: OPTI INC - Form DEF 14A

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to Michael Mazzone, Secretary of the Company at its principal executive offices, 880 Maude Avenue, Suite A, Mountain View, California 94043, a written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Attending the Annual Meeting in and of itself will not constitute a revocation of a proxy.

Voting and Solicitation

Every shareholder voting in the election of directors may cumulate such shareholder's votes and give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of shares held by such shareholder, or distribute the shareholder's votes on the same principle among as many candidates as the shareholder deems fit, provided that votes cannot be cast for more than four (4) candidates. However, no shareholder shall be entitled to cumulate votes unless the candidate's name has been placed in nomination prior to the voting and the shareholder, or any other shareholder, has given notice at the Annual Meeting prior to the voting of the intention to cumulate the shareholder's votes. On all other matters, each share has one (1) vote.

Shares of common stock represented by properly executed proxies will, unless such proxies have been previously revoked, be voted in accordance with the instructions indicated thereon. In the absence of specific instructions to the contrary, properly executed proxies will be voted: (i) FOR the election of each of the Company's nominees as a director and (ii) FOR ratification of the appointment of Ernst & Young LLP as independent auditors for fiscal year ending March 31, 2006. No business other than that set forth in the accompanying Notice of Annual Meeting of Shareholders is expected to come before the Annual Meeting. Should any other matter requiring a vote of shareholders properly arise, the persons named in the enclosed form of proxy will vote the shares they represent as the Board of Directors may recommend.

The cost of this solicitation will be borne by the Company. The Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone, telegram or letter.

Quorum; Abstentions; Broker Non-Votes

The required quorum for the transaction of business at the Annual Meeting is a majority of the shares of common stock issued and outstanding on the Annual Meeting Record Date. Shares that are voted FOR or AGAINST a matter are treated as being present at the meeting for purposes of establishing a quorum and are also treated as shares represented and voting at the Annual Meeting (the Votes Cast) with respect to such matter.

The Company intends to include abstentions and broker non-votes as present or represented for purposes of establishing a quorum for the transaction of business.

With respect to the election of directors, the four persons receiving the greatest number of votes will be elected to the Board. With respect to other proposals, abstentions are counted against a proposal for purposes of determining whether or not a proposal is approved, whereas broker non-votes are not counted for the purpose of determining whether a proposal has been approved.

Deadline for Receipt of Shareholder Proposals

OPTi currently expects that its next Annual Meeting of Shareholders will be held during the last week of August, 2006. Proposals of shareholders of the Company which are intended to be presented by such shareholders at the Annual Meeting of Shareholders to be held in 2006 must be received by the Company no later than May 2, 2006 in order to have them included in the proxy statement and form of proxy relating to that meeting.

In addition, proposals of the Company's shareholders that such shareholders intend to present at the Company's 2006 Annual Meeting, but not include in the Company's Proxy Statement and form of Proxy relating to the 2006 Annual Meeting (a Non-Rule 14a-8 Proposal), must be received by the Company at the Company's offices no later than July 1, 2006 and no earlier than May 3, 2006. In the event that the Company does not receive timely notice with respect to a Non-Rule 14a-8 Proposal, management of the Company would use its discretionary authority to vote the shares it represents as the Board of Directors may recommend.

Fiscal Year End

The Last Fiscal Year refers to the twelve months ended March 31, 2005.

PROPOSAL NUMBER 1**ELECTION OF DIRECTORS****Directors and Nominees for Directors**

Board Meetings and Committees

During the Last Fiscal Year, the Board of Directors held a total of five (5) meetings. No incumbent director attended less than 75% of the aggregate of all meetings of the Board of Directors and any committees of the Board on which he served, if any, during the Last Fiscal Year.

The Audit Committee appoints and provides for the compensation of the Company's independent auditors; oversees and evaluates the work and performance of the independent auditors; reviews the scope of the audit; considers comments made by the independent auditors with respect to accounting procedures and internal controls and the consideration given thereto by the Company's management; approves all professional services to be provided to the Company by its independent auditors; reviews internal accounting procedures and controls with the Company's financial and accounting staff; oversees a procedure that provides for the receipt, retention and treatment of complaints received by the Company and of confidential and anonymous submissions by employees regarding questionable accounting or auditing matters; and performs related duties as set forth in applicable securities laws, Nasdaq corporate governance guidelines, and the Committee charter. The Audit Committee met four (4) times during the Last Fiscal Year.

The Company's Board has not determined whether one of the members of its audit committee qualifies as an audit committee financial expert as set forth in Item 401(h) of Regulation S-K of the rules promulgated by the Securities and Exchange Commission. Each of the members of the Company's audit committee met the standards for audit committee membership set forth in the Nasdaq Marketplace Rules when they were selected for the committee by the Board. (The Company is no longer listed on the Nasdaq National Market). In addition, at least one member of the Audit Committee has past employment experience as a chief executive officer or other senior officer with financial oversight responsibilities which results in the individual's financial sophistication as set forth in the rules of the Nasdaq Stock Market. In light of the nature of the Company's business, the Company believes that its audit committee as presently constituted possesses the skills and experience necessary to oversee the work of the Company's independent auditor and carry out the duties set forth in the Company's audit committee charter.

Edgar Filing: OPTI INC - Form DEF 14A

The Compensation Committee was established to review and act on matters relating to compensation levels and benefit plans for key executives of the Company, among other things. The Board has determined that all members of the Compensation Committee are independent directors under the rules of the Nasdaq Stock Market. The Compensation Committee met one (1) time during the Last Fiscal Year.

The Nominating Committee was established to review nominees for election to the Board by the shareholders of the Company. See the section on Director Nomination below for procedures the Board has implemented for nominations to the Board. Nominations for election at this 2005 Annual Meeting were determined by OPTi's full Board. The Board has determined that all members of the Nominating Committee are independent directors under the rules of the Nasdaq Stock Market. The Nominating Committee did not meet during the Last Fiscal Year. The charter for Nominating Committee was attached to the Company's proxy statement for its 2004 annual meeting.

DIRECTOR NOMINATION

The Board has adopted the following criteria and procedures for reviewing nominations to the Board.

Criteria for Nomination to the Board.

The Nominating Committee considers the appropriate balance of experience, skills and characteristics required of the Board of Directors, and seeks to insure that at least a majority of the directors are independent under the rules of the Nasdaq Stock Market, and that members of the Company's Audit Committee meet the financial literacy requirements under the rules of the Nasdaq Stock Market. Nominees for director are selected on the basis of their depth and breadth of experience, wisdom, integrity, ability to make independent analytical inquiries, understanding of the Company's business environment, and willingness to devote adequate time to Board duties.

Shareholder Proposals for Nominees.

The Nominating Committee will consider written proposals from shareholders for nominees for director. Any such nominations should be submitted to the Board of Directors c/o the Secretary of the Company and should include the following information: (a) all information relating to such nominee that is required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934 (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); (b) the name(s) and address(es) of the shareholder(s) making the nomination and the number of shares of the Company's Common Stock which are owned beneficially and of record by such shareholder(s); and (c) appropriate biographical information and a statement as to the qualification of the nominee, and should be submitted in the time frame described in the Bylaws of the Company and under the caption, Deadline for Receipt of Shareholder Proposals above.

Process for Identifying and Evaluating Nominees.

The process for identifying and evaluating nominees to the Board of Directors who are not current board members is initiated by identifying a slate of candidates who meet the criteria for selection as a nominee and have the specific qualities or skills being sought based on input from members of the Board and, if the Nominating Committee deems appropriate, a third-party search firm. These candidates are evaluated by the Nominating Committee by reviewing the candidates' biographical information and qualification and checking the candidates' references, and qualified nominees are interviewed by at least one member of the Nominating Committee. Serious candidates meet with all members of the Board, and using the input from such interviews and the information obtained by the Nominating Committee, the committee evaluates which of the prospective candidates is qualified to serve as a director and whether the committee should recommend to the Board that the Board nominate, or elect to fill a vacancy, these final prospective candidates. Candidates recommended by the Nominating Committee are presented to the Board for selection as nominees to be presented for the approval of the shareholders or for election to fill a vacancy.

Edgar Filing: OPTI INC - Form DEF 14A

The Nominating Committee expects that a similar process will be used to evaluate nominees recommended by shareholders. However, to date, the Company has not received any shareholder's proposal to nominate a director.

Board Nominees for this Annual Meeting.

All of the board nominees are current directors standing for re-election

DIRECTOR COMPENSATION

During the Last Fiscal Year, non-employee members of the Board of Directors were compensated at the rate of \$1,000 per Board meeting attended, plus out-of-pocket expenses for attending such meetings.

In addition to the above per-meeting compensation for Board meetings, since January 2004, non-employee members of the Board have received a \$5,000 annual fee for their Board service and have been compensated at the rate of \$1,000 for each committee meeting attended.

SHAREHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Other than the procedures set forth under *Deadline for Receipt of Shareholder Proposals* and *Shareholder Proposals for Nominees* set forth in the sections above, the Company does not have a general procedure by which shareholders can send communications to the Board. The Company expects to adopt a procedure in the near future. Until such procedures are in place, shareholders may address questions or concerns to the Board of Directors at OPTi's main business address set forth above. The Company does not have a policy with regard to directors' attendance at annual meetings. Each of the four persons serving on the Company's Board attended the Company's last Annual Meeting.

PROPOSAL NUMBER 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors has selected Ernst & Young LLP, independent auditors, to audit the financial statements of the Company for the fiscal year ending March 31, 2006.

Ernst & Young LLP has audited the Company's financial statements for each fiscal year since the Company's inception. Representatives of Ernst & Young LLP are expected to be present at the meeting with the opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate questions.

Vote Required

The affirmative vote of a majority of the Votes Cast will be required to ratify and approve the appointment of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending March 31, 2006.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS INDEPENDENT AUDITORS OF OPTi FOR THE FISCAL YEAR ENDING MARCH 31, 2006.

Employment Agreements and Severance Arrangements

The Board of Directors has approved compensation arrangements for Mr. Marren and Mr. Mazzoni. Mr. Marren and Mr. Mazzoni are to receive a percentage of all monies returned to the shareholders of the Company. The compensation ranges from 5% for the first \$10 million, 4% for any amount between \$10 million and \$20 million, 3% for any amount between \$20 million and \$30 million, 2% for any amount between \$30 million and \$40 million and 1% for any amount over \$40 million.

There are no employment agreements with the executive officers beyond the compensation arrangements.

Compensation Committee Interlocks and Insider Participation

During the Last Fiscal Year the members of the Compensation Committee were Messrs. Nanda and Welling. There were no reportable compensation committee or director interlocks or insider participation during that period.

Certain Transactions

The Company's policy is that it will not enter into transactions with directors, officers or affiliates unless such transactions are (i) approved by a majority of the Company's independent disinterested directors, (ii) may reasonably be expected to benefit the Company, and (iii) will be on terms no less favorable to the Company than could be obtained in arm's length transactions with unaffiliated third parties.

The Company has entered into indemnification agreements with each of its directors and executive officers. Such agreements require the Company to indemnify such individuals to the fullest extent permitted by California law.

**REPORT OF COMPENSATION COMMITTEE
OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION**

The Compensation Committee of the Board of Directors establishes the general compensation policies of the Company as well as the compensation plans and specific compensation levels for executive officers. It also administers the Company's employee stock benefit plans. The Compensation Committee is currently composed of independent, non-employee directors who have no interlocking relationships as defined by the Securities and Exchange Commission.

The Compensation Committee believes that the compensation of the executive officers, including that of the Chief Executive Officer (collectively, the Executive Officers) should be influenced to a very significant extent by the Company's business performance. The Committee establishes the salaries of all of the Executive officers by considering various factors, including the progress of the Company in executing on its business plan to focus the Company's efforts on pursuit of licenses and patent claims related to infringement of the Company's intellectual property position.

The compensation package for the Company's Chief Executive Officer, Bernard T. Marren and its Chief Financial Officer, Michael Mazzoni, includes two elements: (i) base salary and (ii) performance bonus. The base salary was determined based upon Mr. Marren's and Mr. Mazzoni's leading roles and contributions to the Company's pursuit of revenues from companies that OPTi believes may be infringing its intellectual property. The Committee established the performance bonus element to relate directly to Mr. Marren and Mr. Mazzoni's performance together in returning proceeds that may be realized from the Company's patent claims to shareholders by setting the performance bonus as a percentage of the amounts distributed to shareholders. The Committee believes that this arrangement allows the Company to conserve cash while aligning the incentives of Messrs. Marren and Mazzoni directly with the interests of the Company's shareholders.

The Company may also confer other benefits or bonuses to officers and directors of OPTi in recognition of their services to OPTi based on the performance of such officers, and directors, including the success that OPTi may have in its pursuit of licenses and patent claims related to infringement of the Company's intellectual property position.
