EXPLANATORY NOTE

This Registration Statement on Form S-8 (the *Registration Statement*) registers an aggregate of 750,000 shares of the \$5.00 par value per share common stock (the *Common Stock*) of Renasant Corporation (the *Company*), which has been authorized and reserved for issuance under two separate employee benefit plans: 150,000 shares of Common Stock under the Renasant Corporation Deferred Stock Unit Plan (*DSU Plan*) and 600,000 shares of Common Stock under the 2011 Renasant Corporation Long-Term Incentive Compensation Plan (*LTIP*).

Renasant Corporation Deferred Stock Unit Plan

On December 23, 2002, the Company filed a Registration Statement on Form S-8 (File No. 333-102152) (the *2002 Registration Statement*) to register 30,000 shares of Common Stock, which had been authorized and reserved for issuance under the DSU Plan. On each of December 1, 2003 and August 28, 2006, the Company effected a three-for-two stock split of the Common Stock, and, as provided in the 2002 Registration Statement, the number of shares registered pursuant to such registration statement increased to 67,500 shares in accordance with Rule 416(a) of the Securities Act of 1933, as amended (the *Securities Act*).

On June 5, 2007, the Company's Board of Directors approved an amendment to the DSU Plan that provided for the issuance of an additional 100,000 shares of Common Stock. On June 29, 2007, the Company filed a Registration Statement on Form S-8 (File No. 333-144185) (the *2007 Registration Statement*). **Item 6. Indemnification of Directors and Officers.
Mississippi Business Corporation Act**

The Mississippi Business Corporation Act (MBCA) empowers a corporation to indemnify an individual who is a party to a proceeding because he is a director against liability incurred in the proceeding if

he conducted himself in good faith;

he reasonably believed, in the case of conduct in his official capacity, that his conduct was in the best interests of the corporation, and, in all other cases, that his conduct was at least not opposed to the best interests of the corporation; and

in the case of any criminal proceeding, he had no reasonable cause to believe his conduct was unlawful.

A corporation may also indemnify an individual who engaged in conduct for which broader indemnification has been made permissible or obligatory under a provision of the articles of incorporation as authorized by Section 79-4-2.02(b)(5) of the MBCA. The termination of a proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent is not, of itself, determinative that the director did not meet the relevant standard of conduct.

Unless ordered by a court under Section 79-4-8.54(a)(3) of the MBCA, a corporation may not indemnify a director in connection with

a proceeding by or in the right of the corporation except for reasonable expenses incurred in connection with the proceeding if it is determined that the director has met the relevant standard of conduct under the MBCA; or

any proceeding with respect to conduct for which he was adjudged liable on the basis that he received a financial benefit to which he was not entitled, whether or not involving action in his official capacity.

The MBCA further provides that a corporation shall indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which he was a party because he was a director of the corporation against reasonable expenses incurred by him in connection with the proceeding.

A corporation may, before final disposition of a proceeding, advance funds to pay for or reimburse the reasonable expenses incurred by a director who is a party to a proceeding because he is a director. The director must deliver to the corporation: (1) a written affirmation of his good faith belief that he has met the relevant standard of conduct described in the MBCA or that the proceeding involves conduct for which liability has been eliminated under a provision of the articles of incorporation as authorized by the MBCA; and (2) his written undertaking to repay any funds advanced if he is not entitled to mandatory indemnification under the MBCA and it is ultimately determined under the MBCA that he has not met the relevant standard of conduct described in the MBCA. The undertaking required must be an unlimited general obligation of the director. It need not be secured and may be accepted without reference to the financial ability of the director to make repayment.

A corporation may not indemnify a director as described above unless authorized by:

the board of directors if there are two or more qualified directors, by a majority vote of all the qualified directors (a majority of whom shall for such purpose constitute a quorum) or by a majority of the members of a committee of two or more qualified directors appointed by such a vote;

special legal counsel selected in accordance with the MBCA; or

the shareholders, but shares owned by or voted under the control of a director who at the time does not qualify as a qualified director may not be voted on the authorization.

A corporation may also indemnify and advance expenses to an officer of the corporation who is a party to a proceeding because he is an officer to the same extent as for a director.

Renasant Bylaws

The Restated Bylaws of the Company contain indemnification provisions that require the Company to indemnify any director or officer made party to any proceeding if such director or officer met the requisite standard of conduct set forth in the bylaws and such indemnification is not otherwise prohibited by Mississippi or federal law. The required standard of conduct under the bylaws is the same as that under the MBCA. Under the bylaws, the determination whether a director or officer met the required standard of conduct is made by the board of directors, special legal counsel, if there are fewer than two disinterested directors on the board of directors, or by the Company's shareholders. The advancement of expenses is also mandatory under the Company's bylaws, provided that the director or officer makes deliveries analogous to those required under the MBCA and such advancement is authorized as provided under the MBCA.

The Company also maintains an insurance policy insuring the Company and its directors and officers against certain liabilities.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof)

which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
