PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

May 4, 2012

GENERAL

This Proxy Statement is furnished by the Board of Directors (which we sometimes refer to as the Board) of Saul Centers, Inc. (the Company) in connection with the solicitation by the Board of Directors of proxies to be voted at the annual meeting of stockholders to be held on May 4, 2012, and at any adjournment or adjournments thereof, for the purposes set forth in the accompanying notice of such meeting. All common stockholders of record at the close of business on March 1, 2012 will be entitled to vote.

Any proxy, if received in time, properly signed and not revoked, will be voted at such meeting in accordance with the directions of the stockholder. If no directions are specified, the proxy will be voted for the Proposals set forth in this Proxy Statement. Any stockholder giving a proxy has the power to revoke it at any time before it is exercised. A proxy may be revoked (i) by delivery of a written statement to the Secretary of the Company stating that the proxy is revoked, (ii) by presentation at the annual meeting of a subsequent proxy executed by the person executing the prior proxy, or (iii) by attendance at the annual meeting and voting in person.

Votes cast in person or by proxy at the annual meeting will be tabulated, and a determination will be made as to whether or not a quorum is present. The Company will treat abstentions as shares that are present for purposes of determining the presence or absence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the stockholders. If a broker submits a proxy indicating that it does not have discretionary authority as to certain shares to vote on a particular matter (broker non-votes), those shares will be considered as present for purposes of determining the presence or absence of a quorum.

For Proposal 1, the four nominees for director who receive the most votes will be elected. If a stockholder indicates withhold authority to vote for a particular nominee on the stockholder's proxy card, the stockholder's vote will not count either for or against the nominee. Any shares not voted as a result of an abstention or a broker non-vote will have no impact on the vote for Proposal 1. For Proposal 2, the affirmative vote of a majority of the votes cast on the proposal is required to ratify the appointment of the Company's independent registered public accounting firm. For Proposal 3, the affirmative vote of a majority of the votes cast on the proposal is required to approve the conversion right of limited partnership interests held by The Saul Organization. As a result, any shares not voted as a result of an abstention or a broker non-vote will have no impact on the vote for Proposal 2 or Proposal 3.

Solicitation of proxies will be primarily by mail. However, directors and officers of the Company also may solicit proxies by telephone or telegram or in person. All of the expenses of preparing, assembling, printing and mailing the materials used in the solicitation of proxies will be paid by the Company. Arrangements may be made with brokering houses and other custodians, nominees and fiduciaries to forward soliciting materials, at the expense of the Company, to the beneficial owners of shares held of record by such persons. It is anticipated that this Proxy Statement and the enclosed proxy card first will be mailed to common stockholders on or about March 23, 2012. Proxy materials are also available at www.saulcenters.com.

Edgar Filing: SAUL CENTERS INC - Form PRE 14A

As of the record date, March 1, 2012, 19,225,398 shares of common stock of the Company, \$0.01 par value per share (Common Stock), were issued, outstanding and eligible to vote. Each share of Common Stock entitles the holder thereof to one vote on each of the matters to be voted upon at the annual meeting. Holders of depositary shares representing interests in preferred stock are not entitled to receive notice of, and to vote at, the annual meeting. As of the record date, officers and directors of the Company had the power to vote approximately 41.1% of the issued and outstanding shares of Common Stock. The Company's officers and directors have advised the Company that they intend to vote their shares of Common Stock in favor of the Proposals set forth in this Proxy Statement.

PROPOSALS TO BE PRESENTED AT THE ANNUAL MEETING

The Company will present the following proposals at the annual meeting. The Company has described in this proxy statement all the proposals that it expects will be made at the annual meeting. If a stockholder or the Company properly presents any other proposal to the meeting after March 13, 2012, the Company will, to the extent permitted by applicable law, use the stockholder's proxies to vote shares on the proposal in the Company's best judgment.

1. Election of Directors

The First Amended and Restated Articles of Incorporation of the Company, as amended (Articles), and the Amended and Restated Bylaws of the Company as amended (Bylaws), provide that there shall be no fewer than three, nor more than 15 directors, as determined from time to time by the directors in office. The Board of Directors of the Company currently consists of 14 directors divided into three classes with staggered three-year terms. The term of each class expires at the annual meeting of stockholders, which is expected to be held in the spring of each year. Each director elected at the annual meeting of stockholders in 2012 will serve until the annual meeting of stockholders in 2015 or until his replacement is elected and qualifies or until his earlier resignation or removal.

The nominees for election to the Board of Directors are:

Philip D. Caraci

Gilbert M. Grosvenor

Philip C. Jackson, Jr.

Mark Sullivan III

Each of the nominees is presently a member of the Board of Directors and has consented to serve as a director if re-elected. More detailed information about each of the nominees is available in the section of this proxy statement titled The Board of Directors, which begins on page 4. If any of the nominees cannot serve for any reason (which is not anticipated), the Board of Directors, upon recommendation of its Nominating and Corporate Governance Committee, may designate a substitute nominee or nominees. If a substitute is nominated, the Company will vote all valid proxies for the election of the substitute nominee or nominees. The Board of Directors, upon recommendation of the Nominating and Corporate Governance Committee, may also decide to leave the board seat or seats open until a suitable candidate or candidates are located, or it may decide to reduce the size of the Board. Proxies for the annual meeting may not be voted for more than four nominees.

The Board of Directors, upon recommendation of the Nominating and Corporate Governance Committee, unanimously recommends that you vote **FOR** these directors.

2. Ratification of Appointment of Ernst & Young LLP as the Company's Independent Registered Public Accounting Firm for 2012

The Audit Committee of the Board has appointed Ernst & Young LLP as the Company's independent registered public accounting firm for the year ending December 31, 2012. Services provided to the Company by Ernst & Young LLP in 2011 are described under 2011 and 2010 Independent Registered Public Accounting Firm Fee Summary on page 23.

Stockholder ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for 2012 is not required by the Articles, Bylaws or otherwise. However, the Board of Directors is submitting the appointment of Ernst & Young LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders do not ratify the selection, the Audit Committee will reconsider whether or not to retain the firm. In such event, the Audit Committee may retain Ernst & Young LLP, notwithstanding the fact that the stockholders did not ratify the selection, or select another accounting firm without re-submitting the matter to the stockholders. Even if the selection is ratified, the Audit Committee reserves the right at its discretion to select a different accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Representatives of Ernst & Young LLP will be present at the annual meeting to respond to appropriate questions and to make such statements as they may desire.

Edgar Filing: SAUL CENTERS INC - Form PRE 14A

The Board of Directors, upon recommendation of the Audit Committee, unanimously recommends that you vote **FOR** the ratification of Ernst & Young LLP as the Company's independent registered public accounting firm for 2012.

3. Authorization of Right of The Saul Organization to Convert Units of Limited Partnership Interest in Saul Holdings Limited Partnership into Shares of Common Stock of the Company

In September 2011, in connection with the purchase by the Company of three shopping center properties, the Saul Holdings Limited Partnership (which we refer to as the Operating Partnership) sold to a member of the Saul Organization 1,497,814 units of limited partnership interest. Under the Operating Partnership's partnership agreement, units are generally convertible into shares of Common Stock of the Company on a one-for-one basis. New York Stock Exchange rules require that certain issuances of securities require shareholder approval before they can be considered convertible into shares of Common Stock. At the time of the sale, the Company agreed to solicit such shareholder approval. The Board of Directors of the Company recommends that the shareholders vote FOR the proposal to approve the right of the Saul Organization to convert these units into shares of Common Stock on the terms set forth in the partnership agreement of the Operating Partnership.

CORPORATE GOVERNANCE

Board of Directors

General. The Company is currently managed by a 14-member Board of Directors. The Board has adopted a set of corporate governance guidelines, which, along with the written charters for the Board committees described below, provide the framework for the Board's governance of the Company. The corporate governance guidelines are available both on the Company's website at www.saulcenters.com and in print free of charge to any stockholder who requests them.

Independence and Composition. The Articles and the New York Stock Exchange (NYSE) listing standards each require that a majority of the Board of Directors be independent directors, as defined in the Articles and the NYSE listing standards.

The Board of Directors, upon the unanimous recommendation of the Nominating and Corporate Governance Committee, has determined that Messrs. Chapoton, Clancy, Grosvenor, Jackson, Kelley, Longsworth, Noonan, Platts, Sullivan III and Symington, representing a majority of the Board of Directors, are independent directors as defined in the NYSE listing standards and the Articles. The Board made its determination based on information furnished by all directors regarding their relationships with the Company and research conducted by management. In addition, the Board consulted with the Company's counsel to ensure that the Board's determination would be consistent with all relevant securities laws and regulations as well as the NYSE listing standards.

Leadership Structure. Currently, Mr. Saul II serves as the Chairman of the Board of Directors and Chief Executive Officer of the Company, and we do not have a lead independent director. At this time, the Board believes that the Company and its stockholders are best served by having Mr. Saul II serve as Chairman and Chief Executive Officer.

Mr. Saul II's tenure as Chief Executive Officer since the Company's formation, his more than 45 years of experience leading The Saul Organization and his significant ownership interest in the Company uniquely qualify him to serve as both Chairman and Chief Executive Officer. In addition, the Board believes that Mr. Saul II's combined role as Chairman and Chief Executive Officer promotes unified leadership and direction for the Board and executive management, and his knowledge of the Company's properties and business operations makes it appropriate for him to lead Board discussions.

The Company does not have a lead independent director because the Board believes that it is currently best served without designating a single lead independent director. Ten of the fourteen current members of our Board are independent under the NYSE listing standards and the Articles and, as required by the NYSE listing standards, the Audit, Compensation and Nominating and Corporate Governance Committees are composed solely of independent directors. In addition, the Board and each of these committees have complete and open access to any member of management and the authority to retain independent legal, financial and other advisors as they deem appropriate without consulting or obtaining the approval of any member of management. The Board also holds regularly scheduled executive sessions of only non-management directors in order to promote discussion among the non-management directors and assure independent oversight of management.

Meetings and Attendance. The Board of Directors met six times during the year ended December 31, 2011. Other than Messrs. Clancy and Platts, who were recently elected to the Board of Directors, all of the directors currently serving on the Board of Directors, including the nominees, attended at least 92% of the aggregate total number of meetings of (i) the Board of Directors and (ii) the committees of the Board of Directors that he was eligible to attend. The corporate governance guidelines provide that it is the responsibility of individual directors to make themselves available to attend scheduled and special Board and committee meetings on a consistent basis. All thirteen of the directors at such time were in attendance at the 2011 annual meeting of stockholders.

In addition, non-management members of the Board of Directors met in executive session twice in the year ended December 31, 2011. Pursuant to our corporate governance guidelines, if the Chairman of the Board is not an officer of the Company, the Chairman of the Board presides at all executive sessions of the Board of Directors, except for executive sessions to discuss the compensation of the Company's chief executive officer, which are chaired by the chairman of the Compensation Committee. If the Chairman is an officer of the Company, all executive sessions of the Board should be chaired by the chairman of the Nominating and Corporate Governance Committee. In 2011, Mr. Grosvenor, as Chairman of the Nominating and Corporate Governance Committee, presided over both executive sessions.

Risk Oversight. The Board is involved in risk oversight through direct decision-making authority with respect to significant matters and the general oversight of management by the Board and its committees. In particular, the Board administers its risk oversight function through (1) the review and discussion of regular reports from management, as well as auditors and other outside consultants, to the Board and its committees on the Company's business, including risks that the Company faces in conducting its business, (2) the required approval by the Board (or a committee thereof) of significant transactions and other decisions and (3) the direct oversight of specific areas of the Company's business by the Compensation, Audit and Nominating and Corporate Governance Committees. The Board also relies on management to bring significant matters impacting the Company to its attention.

Pursuant to the Audit Committee's charter, the Audit Committee is specifically responsible for reviewing with management, the independent auditor and the Company's internal auditors any significant risks or exposures, discussing the guidelines and policies that govern the process by which the Company's exposure to risk is assessed and managed by management and assessing the steps management has taken to minimize such risks to the Company.

While the Board believes its current leadership structure enables it to effectively oversee the Company's management of risk, it was not the primary reason the Board of Directors selected its current leadership structure over other potential alternatives.

Interested Party Communications. The Board of Directors has adopted a process whereby interested parties can send communications directly to the directors. Any interested party wishing to communicate directly with the presiding director or with the non-management directors as a group, or with one or more directors, may do so in writing, by addressing their communication to the director or directors, c/o Saul Centers, Inc., 7501 Wisconsin Avenue, Suite 1500, Bethesda, Maryland 20814-6522. All correspondence will be reviewed by the Company and forwarded to the director or directors.

Audit Committee

General. The Board of Directors has established an Audit Committee, which is governed by a written charter, a copy of which is available both on the Company's website at www.saulcenters.com and in print free of charge to any stockholder who requests it. Among the duties, powers and responsibilities of the Audit Committee as provided in the Audit Committee charter, the Audit Committee:

has sole power and authority concerning the engagement and fees of the independent registered public accounting firm,

reviews with the independent registered public accounting firm the plans and results of the audit engagement,

pre-approves all audit services and permitted non-audit services provided by the independent registered public accounting firm,

reviews the independence of the independent registered public accounting firm,

reviews the adequacy of the Company's internal control over financial reporting, and

reviews accounting, auditing and financial reporting matters with the Company's independent registered public accounting firm and management.

Independence and Composition. The composition of the Audit Committee is subject to the independence and other requirements of the Securities Exchange Act of 1934 and the rules and regulations promulgated by the SEC thereunder, which is referred to as the Exchange Act, and the NYSE listing standards. Messrs. Jackson, Kelley, Longsworth, Noonan and Symington currently are the members of the Audit Committee, with General Kelley serving as chairman.

The Board of Directors, upon the unanimous recommendation of the Nominating and Corporate Governance Committee, has determined that all current members of the Audit Committee meet the audit committee composition requirements of the Exchange Act and the NYSE listing standards and that Mr. Jackson is an audit committee financial expert as that term is defined in the Exchange Act.

Meetings. The Audit Committee met eight times in the year ended December 31, 2011.

Nominating and Corporate Governance Committee

General. The Board of Directors has established a Nominating and Corporate Governance Committee, which is governed by a written charter, a copy of which is available both on the Company's website at www.saulcenters.com and in print free of charge to any stockholder who requests it. As provided in the Nominating and Corporate Governance Committee charter, the Nominating and Corporate Governance Committee:

identifies and recommends to the Board of Directors individuals to stand for election and reelection to the Board at the annual meeting of stockholders and to fill vacancies that may arise from time to time,

develops and makes recommendations to the Board for the creation and ongoing review and revision of a set of effective corporate governance guidelines that promote the competent and ethical operation of the Company and any policies governing ethical business conduct of the Company's employees or directors, and

makes recommendations to the Board of Directors as to the structure and membership of committees of the Board of Directors.

Selection of Director Nominees. The corporate governance guidelines provide that the Nominating and Corporate Governance Committee endeavor to identify individuals to serve on the Board who have expertise that is useful to the Company and complementary to the background, skills and experience of other Board members. The Nominating and Corporate Governance Committee's assessment of the composition of the Board includes: (a) skills—knowledge of corporate governance, business and management experience and background, real estate experience and background, accounting experience and background, finance experience and background, and an understanding of regulation and public policy matters, (b) characteristics—ethical and moral standards, leadership abilities, sound business judgment, independence and innovative thought, and (c) composition—diversity, age and public company experience.
