PROSPECTUS

Navistar International Corporation

8.25% Senior Notes due 2021

We may offer and sell, from time to time, in one or more offerings, 8.25% Senior Notes due 2021 (the "Notes"). The Notes will be issued as additional notes under the indenture, dated as of October 28, 2009 (the "Indenture"), by and among Navistar International Corporation, as issuer, Navistar, Inc., as a guarantor, and The Bank of New York Mellon Trust Company, N.A., as trustee, pursuant to which we issued on October 28, 2009 our existing 8.25% Senior Notes due 2021 (the "Existing Senior Notes"). The Notes will be treated under the Indenture as a single series with the Existing Senior Notes and will have the same terms as the Existing Senior Notes. The Notes will have the same CUSIP number and will be fungible with the Existing Senior Notes. The Notes will bear interest at a rate of 8.25% per year, payable semi-annually in arrears on May 1 and November 1 of each year. The Notes will mature on November 1, 2021.

At any time on or after November 1, 2014, we may redeem the Notes, in whole or in part, at redemption prices described in this prospectus under "Description of Notes - Optional Redemption." Not more than once during each twelve-month period ending on November 1, 2013 and 2014, we may redeem up to \$50 million in principal amount of the Notes in each such twelve-month period, at a redemption price equal to 103% of the principal amount of the notes redeemed, plus accrued and unpaid interest, if any. We may also redeem some or all of the Notes at any time prior to November 1, 2014 at a redemption price equal to 100% of the principal amount of the notes plus a make-whole premium, plus accrued and unpaid interest, if any. If we sell certain of our assets or experience specific kinds of changes in control, we must offer to repurchase the Notes.

The Notes will be our senior unsecured obligations and rank equally in right of payment with our existing and future unsecured senior indebtedness. The Notes will rank senior in right of payment to all of our existing and future subordinated indebtedness. The Notes will also be effectively junior to our existing and future secured indebtedness to the extent of the value of the collateral securing such indebtedness, regardless of whether or not such indebtedness would otherwise constitute senior indebtedness. The Notes will be guaranteed on a senior unsecured basis by our principal operating subsidiary, Navistar, Inc. The guarantee of the Notes will rank equally in right of payment with any and all of such guarantor's existing and future indebtedness that is not subordinated in right of payment to such guarantee, senior in right of payment to any and all of such guarantor's future indebtedness that is subordinated in right of payment to such guarantee and effectively subordinated to all existing and future secured indebtedness of such guarantor to the extent of the collateral securing such indebtedness. The Notes will be structurally subordinated to all of the existing and future obligations of those of our subsidiaries that do not guarantee the Notes.

The Notes will not be listed on any securities exchange.

For a more detailed description of the Notes, see "Description of Notes" beginning on page 7 of this prospectus and in any prospectus supplement.

This prospectus generally describes the terms that apply to the Notes and the manner in which they may be offered. Certain other terms of any Notes to be offered, including their issue date, offering price, initial interest payment date and the manner in which they may be offered, will be described in one or more supplements to this prospectus. This prospectus may not be used to sell the Notes unless accompanied by a prospectus supplement. Before investing, you should carefully read this prospectus and any related prospectus supplement. The prospectus supplements may also add, update or change information contained in this prospectus.

Investing in the Notes involves risks, including those described under Risk Factors on page 5 of this prospectus, in any applicable prospectus supplement and in the documents incorporated or deemed incorporated by reference herein or therein. You should carefully consider these risk factors before investing in our securities.

Corporate Structure

Our common stock is publicly traded on the New York Stock Exchange under the symbol NAV. As of the date hereof, all of the Subsidiaries comprising NIC s Financial Services Segment, the DealCor Subsidiaries, the Blue Diamond Truck and Blue Diamond Parts Subsidiaries and Subsidiaries whose principal business is operating a parts and service center are Unrestricted Subsidiaries. In addition, subject to the covenant described under the caption Certain Covenants Limitation on Restricted Payments, NIC will be permitted to designate additional Subsidiaries as Unrestricted Subsidiaries. Unrestricted Subsidiaries will not be subject to any of the restrictive covenants in the Indenture and will not guarantee the Notes.

Although the Indenture contains limitations on the amount of additional Indebtedness that NIC, the Subsidiary Guarantors and the Restricted Subsidiaries may incur, the amount of such additional Indebtedness could still be substantial.

Principal, Maturity and Interest

NIC issued the Existing Senior Notes in an aggregate principal amount of \$1 billion on October 28, 2009, of which \$900 million was outstanding as of January 31, 2013. NIC may offer and sell, from time to time, in one or more offerings, Notes. Subject to the covenant described under Certain Covenants Limitation on Indebtedness, any Notes offered and sold will be issued as Additional Notes under the Indenture and NIC is permitted to issue further Additional Notes under the Indenture. The Notes and any Additional Notes that are issued will be treated as a single class of debt securities for all purposes under the Indenture, including those with respect to waivers, amendments, redemptions and Offers to Purchase. The Notes will mature on November 1, 2021 and accrue interest at the rate of 8.25% per annum.

Unless the context otherwise requires, references to the Notes for all purposes under the Indenture and in this Description of the Notes include references to the Existing Senior Notes and any Additional Notes that are issued.

Except as described herein or in a prospectus supplement, interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from and including any issue date, and will be payable semi-annually in arrears on each Note on May 1 and November 1 of each year, commencing on such May 1 or November 1, as the case may be, immediately succeeding any issue date. Interest will be payable to Holders of record on each Note in respect of the principal amount thereof outstanding as of the immediately preceding April 15 or October 15, as the case may be.

Interest will be computed on the basis of a 360-day year comprising twelve 30-day months. Interest on overdue principal and interest will accrue at a rate that is the interest rate on the Notes to the extent permitted by applicable law.

Form of Notes

The Notes will be issued on any applicable issue date only in fully registered form without coupons and only in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

Table of Contents

The Notes will be initially in the form of one or more global notes (the *global notes*). The global notes will be deposited with the Trustee as custodian for the Depository Trust Company (*DTC*). Ownership of interests in the global notes, referred to in this description as book-entry interests, will be limited to persons that have accounts with DTC or their respective participants. The Indenture provides for the issuance of definitive registered Notes in certain circumstances. Please see the section entitled Book-Entry, Delivery and Form.

Transfer and Exchange

A Holder may transfer or exchange Notes in accordance with the Indenture. The registrar (the *Registrar*) and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents. No service charge will be made for any registration of transfer, exchange or redemption of the Notes, but NIC may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection with any such registration of transfer or exchange.

NIC is not required to transfer or exchange any Note selected for redemption. Also, NIC is not required to transfer or exchange any Note for a period of 15 days before a selection of Notes to be redeemed.

Payments on the Notes; Paying Agent and Registrar

If a Holder has given wire transfer instructions to NIC at least 10 Business Days prior to the applicable payment date, NIC will pay all principal, interest and premium and Additional Interest, if any, on that Holder's Notes in accordance with those instructions. All other payments on Notes will be made at the office or agency of the paying agent (the *Paying Agent*) and Registrar within the City and State of New York unless NIC elects to make interest payments by check mailed to the Holders at their addresses set forth in the register of Notes; *provided* that all payments of principal, premium, if any, and interest (including Additional Interest, if any), with respect to the Global Notes registered in the name of or held by DTC or its nominee and will be made by wire transfer of immediately available funds to the account specified by DTC.

The Trustee will initially act as Paying Agent and Registrar. NIC may change the Paying Agent or Registrar without prior notice to the Holders, and NIC or any of its Subsidiaries may act as Paying Agent or Registrar.

The registered Holder of a Note will be treated as the owner of it for all purposes.

Subsidiary Guarantees

General

The Notes will be initially guaranteed by NIC's wholly-owned Restricted Subsidiary, Navistar, Inc. Under the Indenture, the Initial Subsidiary Guarantor has agreed to guarantee the due and punctual payment of all amounts payable under the Notes, including principal, premium, if any, and interest (including Additional Interest, if any) payable under the Notes. The Indenture requires any other Restricted Subsidiary that Guarantees Indebtedness of NIC which, together with all other Indebtedness of NIC that is guaranteed by Restricted Subsidiaries, exceeds \$35.0 million (other than to the extent such Restricted Subsidiary is a co-borrower with respect to Indebtedness permitted pursuant to clause (3) of Certain Covenants Limitation on Incurrence of Indebtedness) to provide a Subsidiary Guarantee. Please see the section entitled Certain Covenants Limitation on Guarantees by Restricted Subsidiaries.

Each Subsidiary Guarantee of a Subsidiary Guarantor will be a general unsecured obligation of that Subsidiary Guarantor. The obligations of each Subsidiary Guarantor under its Subsidiary Guarantee will be limited to an amount not to exceed the maximum amount that can be guaranteed by such Subsidiary Guarantor by law or without resulting in its obligations under its Subsidiary Guarantee being voidable or unenforceable.

under applicable laws relating to fraudulent transfer or under similar laws affecting the rights of creditors generally. Each Subsidiary Guarantor that makes a payment or distribution under its Subsidiary Guarantee will be entitled to contribution from any other Subsidiary Guarantor.

Release of the Subsidiary Guarantees

A Subsidiary Guarantee of a Subsidiary Guarantor will be automatically and unconditionally released (and thereupon shall terminate and be discharged and be of no further force and effect):

- (1) in connection with any sale or other disposition (including by merger or otherwise) of the Capital Stock of the Subsidiary Guarantor after which such Subsidiary Guarantor is no longer a Subsidiary of NIC to a Person that is not (either before or after giving effect to such transaction) an Affiliate of NIC, if the sale of all such Capital Stock of that Subsidiary Guarantor complies with the applicable provisions of the Indenture;
- (2) if NIC properly designates the Subsidiary Guarantor as an Unrestricted Subsidiary under the Indenture;
- (3) solely in the case of a Subsidiary Guarantee created pursuant to the covenant described under **Certain Covenants Limitation on Guarantees by Restricted Subsidiaries**, upon the release or discharge of the guarantee that resulted in the creation of such Subsidiary Guarantee pursuant to that covenant, except a discharge or release by or as a result of payment under such guarantee;
- (4) upon a defeasance (as such term is defined under **Defeasance or covenant defeasance of the Indenture**) or satisfaction and discharge of the Indenture that complies with the provisions under **Defeasance or covenant defeasance of the Indenture** or **Satisfaction and discharge**; or
- (5) upon payment in full of the aggregate principal amount of all Notes then outstanding and all other financial obligations under the Indenture and the Notes then due and owing.

Upon any occurrence giving rise to a release of a Subsidiary Guarantee as specified above, the Trustee will execute any documents reasonably required in order to evidence or effect such release, discharge and termination in respect of such Subsidiary Guarantee. Neither NIC nor any Subsidiary Guarantor will be required to make a notation on the Notes to reflect any such Subsidiary Guarantee or any such release, termination or discharge.

Optional Redemption

On or after November 1, 2014, NIC may redeem all or a part of the Notes, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest and Additional Interest, if any, thereon, to the applicable redemption date, subject to the rights of Holders of the Notes on the relevant record date to receive interest due on the relevant interest payment date, if redeemed during the twelve-month period beginning on November 1 of the years indicated below:

Year	Percentage
2014	104.125%
2015	102.750%
2016	101.375%
2017 and thereafter	100.000%

Not more than once during each twelve-month period ending on November 1, 2013 and 2014, NIC may redeem up to \$50 million in principal amount of the Notes in each such twelve-month period, upon not less than 30 nor more than 60 days notice, at a redemption price equal to 103% of the principal amount of the Notes redeemed, plus accrued and unpaid interest, if any, to the date of redemption (subject to the rights of holders of Notes on the relevant record date to receive interest on the relevant interest payment date).

Table of Contents

In addition, at any time prior to November 1, 2014, NIC may redeem the Notes, in whole or in part, at a redemption price equal to 100% of the principal amount thereof plus the Applicable Premium, plus accrued and unpaid interest, if any, to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date).

If less than all of the Notes are to be redeemed at any time, the Trustee will select Notes for redemption as follows:

- (1) in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed; or
- (2) if the Notes are not so listed, on a pro rata basis, by lot or by such other method as the Trustee deems fair and appropriate (and in such manner as complies with applicable legal requirements).

Notes and portions thereof that the Trustee selects for redemption will be in principal amounts of \$2,000 or an integral multiple of \$1,000 in excess thereof. Notices of redemption will be mailed by first class mail, at least 30 but not more than 60 days before any redemption date, to each Holder of the Notes to be redeemed at its registered address. Notices of redemption may not be conditional.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note will state the portion of the principal amount thereof to be redeemed. A new Note in principal amount equal to the unredeemed portion of the original Note will be issued in the name of the Holder thereof upon cancellation of the original Note. Notes called for redemption become due and payable on the redemption date.

Mandatory redemption; offers to purchase; open market purchases

NIC is not required to make any mandatory redemption or sinking fund payments with respect to the Notes. However, under certain circumstances, NIC may be required to offer to purchase the Notes as described under the captions *Certain Covenants Change of Control* and *Certain Covenants Limitation on Certain Asset Dispositions*. NIC and its Restricted Subsidiaries may at any time and from time to time purchase Notes in the open market or otherwise.

Certain Covenants

Application of Certain Covenants. Following the first day (the *Suspension Period*) that:

- (1) the Notes have been assigned an Investment Grade rating by both Rating Agencies; and
- (2) no Default under the Indenture has occurred and is continuing, NIC and its Restricted Subsidiaries will not be subject to the agreements and covenants described under the following captions:

Limitation on Incurrence of Indebtedness,

Limitation on Restricted Payments,

Limitation on Certain Asset Dispositions,

Limitation on Payment Restrictions Affecting Restricted Subsidiaries,

Limitation on Transactions with Affiliates,

Limitation on Guarantees by Restricted Subsidiaries, and

Edgar Filing: Navistar, Inc. - Form S-3ASR

clause (2) of the first paragraph of Merger, Consolidation, Etc. (collectively, the *Suspended Covenants*)
In the event that NIC and its Restricted Subsidiaries are not subject to the Suspended Covenants for any period of time as a result of the foregoing and on any subsequent date (the *Reversion Date*) one or both of the

Table of Contents

Rating Agencies withdraws its Investment Grade rating or downgrades the rating assigned to the Notes below an Investment Grade rating, then NIC and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants with respect to future events. The period of time between the Suspension Date and the Reversion Date is referred to in this Description of Notes as the *Suspension Period*. Notwithstanding that the Suspended Covenants may be reinstated, no Default or Event of Default will be deemed to have occurred as a result of a failure to comply with the Suspended Covenants during the Suspension Period. During any Suspension Period, NIC may not designate any Subsidiary to be an Unrestricted Subsidiary unless NIC would have been permitted to designate such Subsidiary to be an Unrestricted Subsidiary if a Suspension Period had not been in effect for any period.

On the Reversion Date, all Indebtedness Incurred during the Suspension Period will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under clause (2) of the first paragraph of Limitation on Incurrence of Indebtedness. Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Limitation on Restricted Payments will be made as though the covenant described under Limitation on Restricted Payments had been in effect since the Issue Date but not during the Suspension Period. Accordingly, Restricted Payments made during the Suspension Period will not reduce the amount available to be made as Restricted Payments under clause (3) of the first paragraph of Limitation on Restricted Payments and items specified in subclauses (a) through (e) of clause (3) of the first paragraph of Limitation on Restricted Payments will not increase the amount available to be made thereunder. For purposes of determining compliance with the covenant described under Limitation on Certain Asset Dispositions, the Net Unutilized Net Available Proceeds from all Asset Dispositions not applied in accordance with the covenant will be deemed to be reset to zero after the Reversion Date.

In addition, the Indenture also permits, without causing a Default or Event of Default, NIC and its Restricted Subsidiaries to honor any contractual commitments to take actions in the future after any date on which the Notes no longer have an Investment Grade rating from both of the Rating Agencies as long as such contractual commitments were entered into during the Suspension Period and not in anticipation of the Notes no longer having an Investment Grade rating from both of the Rating Agencies.

Limitation on Liens. The Indenture provides that NIC will not, and will not cause or permit any of its Restricted Subsidiaries to, create, incur, assume or suffer to exist any Liens upon any of their respective properties or assets (including, without limitation, any asset in the form of the right to receive payments, fees or other consideration or benefits) whether owned on the Issue Date or acquired after the Issue Date, other than:

- (1) Liens granted by NIC or a Subsidiary Guarantor on property or assets of NIC or a Subsidiary Guarantor securing Indebtedness of NIC or a Subsidiary Guarantor that is permitted by the Indenture and that is *pari passu* with the Notes or the Subsidiary Guarantee; *provided*, that the Notes or the Subsidiary Guarantee, as the case may be, are secured on an equal and ratable basis with the Indebtedness secured by such Liens for so long as such Indebtedness is so secured;
- (2) Liens granted by NIC or a Subsidiary Guarantor on property or assets of NIC or a Subsidiary Guarantor securing Indebtedness of NIC or a Subsidiary Guarantor that is permitted by the Indenture and that is subordinated to the Notes or the Subsidiary Guarantee, *provided*, that the Notes or the Subsidiary Guarantee, as the case may be, are secured by Liens ranking prior to such Liens;
- (3) Permitted Liens;
- (4) Liens (including extensions, replacements and renewals thereof) in respect of Acquired Indebtedness permitted by the Indenture; *provided*, that the Liens in respect of such Acquired Indebtedness secured such Acquired Indebtedness at the time of the incurrence of such Acquired Indebtedness and such Liens and the Acquired Indebtedness were not incurred by NIC, any of its Restricted Subsidiaries or by the Person being acquired or from whom the assets were acquired in connection with, or in anticipation of, the incurrence of such Acquired Indebtedness by NIC or any of its Restricted Subsidiaries, and *provided, further* that such Liens in respect of such Acquired Indebtedness do not extend to or cover any property or

the provisions of this clause (4) shall no longer be applicable to such Indebtedness and such Indebtedness shall be deemed to have been incurred at the time of any such issuance, sale, transfer or other disposition, as the case may be;

(5) Indebtedness of NIC or any of its Restricted Subsidiaries under any Interest Rate Protection Agreement, Commodity Agreement or Currency Agreement, in each case incurred in the ordinary course of business;

(6) Acquired Indebtedness, if either (i) NIC would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to clause (1) above after giving pro forma effect to the relevant acquisition and incurrence of such Acquired Indebtedness or (ii) (a) NIC's Consolidated Cash Flow Ratio for the most recent four full fiscal quarters for which financial statements are available after giving pro forma effect to the relevant acquisition and incurrence of such Acquired Indebtedness as of the beginning of such four quarter period would be greater than (b) NIC's Consolidated Cash Flow Ratio for such four quarter period as of immediately prior to such acquisition and incurrence of such Acquired Indebtedness;

(a) such Indebtedness does not exceed the principal amount (or accreted amount, if less) of Indebtedness so refunded plus the amount of any premium required to be paid in connection with such refunding pursuant to the terms of the Indebtedness refunded or the amount of any premium reasonably determined by NIC as necessary to accomplish such refunding by means of a tender offer, exchange offer, or privately negotiated repurchase, plus the expenses of NIC or such Restricted Subsidiary incurred in connection therewith and

Table of Contents

Indebtedness under this covenant, guarantees, Liens or letter of credit obligations supporting Indebtedness otherwise included in the determination of such particular amount shall not be included so long as incurred by a Person that could have incurred such Indebtedness.

For purposes of determining compliance with any dollar-denominated restriction on the incurrence of Indebtedness denominated in a foreign currency, the dollar-equivalent principal amount of such Indebtedness incurred pursuant thereto shall be calculated based on the relevant currency exchange rate in effect on the date that such Indebtedness was incurred

If Indebtedness is secured by a letter of credit that serves only to secure such Indebtedness, then the total amount deemed incurred shall be equal to the greater of (1) the principal of such Indebtedness and (2) the amount that may be drawn under such letter of credit.

Limitation on Restricted Payments. The Indenture provides that NIC will not, and will not cause or permit any of its Restricted Subsidiaries to directly or indirectly:

(1) an Event of Default, or an event that with the passing of time or giving of notice, or both, would constitute an Event of Default, shall have occurred and be continuing, or

(2) upon giving effect to such Restricted Payment, NIC could not incur at least \$1.00 of additional Indebtedness pursuant to the terms of the Indenture described in clause (1) of the covenant described under the caption *Limitation on Incurrence of Indebtedness* above, or

(2) the renewal, extension, refunding or refinancing of any Indebtedness otherwise permitted pursuant to clause (13) of the covenant described under the caption "Limitation on Incurrence of Indebtedness" above;

(3) the exchange or conversion of any Indebtedness of NIC or any of its Restricted Subsidiaries for or into Qualified Capital Stock of NIC;

(4) so long as no Default or Event of Default has occurred and is continuing, any Investment made in exchange for or out of the Net Cash Proceeds of a substantially concurrent sale, or a sale within 60 days of such Investment (other than to a Subsidiary of NIC) of Qualified Capital Stock of NIC; *provided*, that the proceeds of such sale of Qualified Capital Stock shall not be (and have not been) included in clause (3) of the preceding paragraph;

(5) the redemption, repurchase, retirement or other acquisition of any Capital Stock of NIC or the payment of any dividend or other distribution in respect of any class of its Capital Stock in exchange for or out of the Net Cash Proceeds of the substantially concurrent sale, or a sale within 60 days of such redemption, repurchase, retirement, other acquisition, dividend or other distribution (other than to a Subsidiary of NIC) of Qualified Capital Stock of NIC; *provided*, that the proceeds of such sale of Qualified Capital Stock shall not be (and have not been) included in clause (3) of the preceding paragraph;

(6) so long as no Event of Default has occurred and is continuing, the redemption, repurchase, retirement or other acquisition of any subordinated Indebtedness of NIC or a Subsidiary Guarantor in

exchange for or out of the Net Cash Proceeds of the substantially concurrent sale, or a sale within 60 days of such redemption, repurchase, retirement, or other acquisition (other than to a Subsidiary of NIC) of Qualified Capital Stock of NIC; *provided*, that the proceeds of such sale of Qualified Capital Stock shall not be (and have not been) included in clause (3) of the preceding paragraph;

(7) cash payments (a) made with respect to the hedging arrangements entered into by NIC or any of its Restricted Subsidiaries to increase the effective conversion premium of the Convertible Subordinated Notes, (b) made to net share settle Convertible Subordinated Notes in an amount not to exceed the principal amount thereof and (c) made in lieu of the issuance of fractional shares in connection with the conversion of the Convertible Subordinated Notes;

(8) the declaration and payment of dividends to holders of any class of Disqualified Capital Stock of NIC or a Restricted Subsidiary of NIC or Preferred Stock of any Restricted Subsidiary of NIC issued after the Issue Date; *provided*, that such Disqualified Capital Stock or Preferred Stock was issued in accordance with the covenant described under the caption **Limitation on Incurrence of Indebtedness** above and such dividends constitute Consolidated Fixed Charges;

(9) so long as no Event of Default has occurred and is continuing, any purchase or redemption or other retirement for value of Capital Stock of NIC (including purchases of stock from current or former employees, employees' spouses, estates or estate planning vehicles in accordance with the terms of employee stock purchase plans) pursuant to any shareholders agreement, management agreement or employee stock option agreement in accordance with the provisions of any such arrangement in an amount in a calendar year not to exceed \$15.0 million (with unused amounts in any calendar year carried over to succeeding years subject to a maximum of \$25.0 million in any calendar year);

(10) repurchases of Capital Stock deemed to occur upon the exercise of stock options or warrants if such Capital Stock represents a portion of the exercise price thereof or tax withholdings related to the exercise of stock options or warrants or in connection with the vesting of restricted stock;

(11) payments not to exceed \$10.0 million per annum in the aggregate to enable NIC to make payments to holders of its Capital Stock in lieu of issuance of fractional shares of its Capital Stock;

(12) so long as no Event of Default has occurred and is continuing the redemption of any other stock purchase rights under a rights plan in an aggregate amount not to exceed \$2.5 million;

(13) so long as no Event of Default has occurred and is continuing, Investments in Permitted Joint Ventures and designations of Restricted Subsidiaries as Unrestricted Subsidiaries; *provided*, that after giving pro forma effect to such Investment or such designation, NIC could incur at least \$1.00 of additional Indebtedness pursuant to clause (1) of the covenant described under the caption **Limitation on Incurrence of Indebtedness** above;

(14) so long as no Event of Default has occurred and is continuing, the repurchase, redemption, acquisition or retirement of subordinated Indebtedness with Unutilized Net Available Proceeds remaining after an Offer to Purchase pursuant to the covenant described under the caption **Limitation on Certain Asset Dispositions** below;

(15) so long as no Event of Default has occurred and is continuing, the repurchase, redemption, acquisition or retirement of any subordinated Indebtedness at a price not greater than 101% of the principal amount thereof (together with accrued and unpaid interest) following a Change of Control pursuant to provisions similar to those described under the caption **Change of Control**; *provided* that NIC shall have complied with the provisions under **Change of Control** and have purchased all Notes validly tendered and not withdrawn; and

(16) if no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof, any other Restricted Payment which, together with all other Restricted Payments made pursuant to this clause (16), does not to exceed \$100.0 million in the aggregate since the Issue Date.

Table of Contents

Each Restricted Payment described in clauses (1), (7), (9), (13), (14) and (15) of the previous sentence since the Issue Date shall be taken into account (and the Restricted Payments described in the remaining clauses shall not be taken into account) for purposes of computing the aggregate amount of all Restricted Payments made pursuant to clause (3) of the preceding paragraph.

For purposes of determining compliance with this covenant, in the event that a proposed Restricted Payment (or portion thereof) meets the criteria of more than one of the categories of Restricted Payments described in clauses (1) through (16) in paragraph (b) above, or is entitled to be incurred pursuant to paragraph (a) above, NIC will be entitled to classify such Restricted Payment (or portion thereof) on the date of its payment in any manner that complies with this covenant.

Limitation on Certain Asset Dispositions. The Indenture provides that NIC will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, make one or more Asset Dispositions unless:

(1) NIC or the Restricted Subsidiary, as the case may be, receives consideration for such Asset Disposition at least equal to the fair market value of the assets sold or disposed of (as determined in good faith by the Board of Directors of NIC or a member of senior management of NIC);

(2) not less than 75% of the consideration for the disposition consists of Cash Equivalents or the assumption of Indebtedness (other than non-recourse Indebtedness, intercompany Indebtedness or any Indebtedness subordinated to the Notes) of NIC or such Restricted Subsidiary or other obligations relating to such assets (and release of NIC or such Restricted Subsidiary from all liability on the Indebtedness or other obligations assumed); and

(3) all Net Available Proceeds, less any amounts invested or committed to be invested within 360 days of such Asset Disposition in non-current assets related to the business of NIC (including capital expenditures or the Capital Stock of another Person (other than NIC or any Person that is a Restricted Subsidiary of NIC immediately prior to such investment); *provided*, that immediately after giving effect to any such investment (and not prior thereto) such Person shall be a Restricted Subsidiary of NIC) are applied, on or prior to the 360th day after such Asset Disposition (unless and to the extent that NIC shall determine to make an Offer to Purchase), either to

(a) the permanent reduction and prepayment of any secured Indebtedness of NIC or a Subsidiary Guarantor (other than Indebtedness which is expressly subordinate to the Notes) then outstanding (including a permanent reduction of commitments in respect thereof) or

(b) the permanent reduction and repayment of any Indebtedness of any Restricted Subsidiary of NIC that is not a Subsidiary Guarantor then outstanding (including a permanent reduction of commitments in respect thereof).

The 361st day after such Asset Disposition shall be deemed to be the *Asset Sale Offer Trigger Date*, and the amount of Net Available Proceeds from Asset Dispositions otherwise subject to the preceding provisions not so applied or as to which NIC has determined not to so apply shall be referred to as the *Unutilized Net Available Proceeds*. Within fifteen days after the Asset Sale Offer Trigger Date, NIC shall make an Offer to Purchase the outstanding Notes at a purchase price in cash equal to 100% of their principal amount plus any accrued and unpaid interest thereon to the Purchase Date. Notwithstanding the foregoing, NIC may defer making any Offer to Purchase outstanding Notes until there are aggregate Unutilized Net Available Proceeds equal to or in excess of \$25.0 million (at which time, the amount in excess of \$25.0 million, shall be applied as required pursuant to this paragraph). Pending application of the Unutilized Net Available Proceeds pursuant to this covenant, such Unutilized Net Available Proceeds shall be invested in any manner not otherwise prohibited by this Indenture or applied temporarily to reduce any Indebtedness of NIC or a Subsidiary Guarantor (other than Indebtedness which is expressly subordinated in right of payment to the Notes).

If any Indebtedness of NIC or any of its Restricted Subsidiaries ranking *pari passu* with the Notes requires that prepayment of, or an offer to prepay, such Indebtedness be made with any Net Available Proceeds, NIC may apply such Net Available Proceeds pro rata (based on the aggregate principal amount of the Notes then

Table of Contents

outstanding and the aggregate principal amount (or accreted value, if less) of all such other Indebtedness then outstanding) to the making of an Offer to Purchase the Notes in accordance with the foregoing provisions and the prepayment or the offer to prepay such *pari passu* Indebtedness. Any remaining Net Available Proceeds following the completion of the required Offer to Purchase may be used by NIC for any other purpose (subject to the other provisions of the Indenture) and the amount of Net Available Proceeds then required to be otherwise applied in accordance with this covenant shall be reset to zero, subject to any subsequent Asset Disposition. These provisions will not apply to a transaction consummated in compliance with the provisions described under the caption Merger, Consolidation, Etc. below.

For purposes of clause (2) of this covenant, the following will be deemed to be cash: (a) the amount of any notes, securities or other similar obligations received by NIC or any Restricted Subsidiary from such transferee that are immediately converted, sold or exchanged (or are converted, sold or exchanged within 90 days of the related Asset Disposition) by the Company or the Restricted Subsidiaries into cash or Cash Equivalents in an amount equal to the Net Cash Proceeds realized upon such conversion, sale or exchange and (b) Qualified Non-Cash Proceeds.

Notwithstanding the foregoing, the provisions of this covenant shall not apply to any Sale/Leaseback Transaction with respect to the purchase of tooling and related manufacturing equipment in the ordinary course of business.

In the event that NIC makes an Offer to Purchase the Notes, NIC shall comply with any applicable securities laws and regulations, including any applicable requirements of Section 14(e) of, and Rule 14e-1 under, the Exchange Act and any violation of the provisions of the Indenture relating to such Offer to Purchase occurring as a result of such compliance shall not be deemed an Event of Default or an event that with the passing of time or giving of notice, or both, would constitute an Event of Default.

NIC's ability to repurchase the Notes may be limited by other then-existing borrowing agreements of NIC and its Restricted Subsidiaries. There can be no assurance that NIC will be able to obtain such a consent or a waiver of such limitations.

Limitation on Sale/Leaseback Transactions. The Indenture provides that NIC shall not, and shall not cause or permit any Restricted Subsidiary to, enter into any Sale/Leaseback Transaction with respect to any property unless:

- (1) NIC or such Restricted Subsidiary would be entitled to incur Indebtedness in an amount equal to the Attributable Indebtedness with respect to such Sale/Leaseback Transaction pursuant to any provision of the covenant described under the caption Limitation on Incurrence of Indebtedness ;
- (2) the Net Available Proceeds received by NIC or any Restricted Subsidiary in connection with such Sale/Leaseback Transaction are at least equal to the fair value (as determined by the Board of Directors of NIC or a member of senior management of NIC) of such property; and
- (3) NIC or such Restricted Subsidiary applies the Net Available Proceeds of such transaction in compliance with the covenant described under the caption Limitation on Certain Asset Dispositions.

Notwithstanding the foregoing, the provisions of this covenant shall not prohibit NIC or any Restricted Subsidiary from entering into any Sale/Leaseback Transaction with respect to the purchase of tooling and related manufacturing equipment in the ordinary course of business.

Limitation on Payment Restrictions Affecting Restricted Subsidiaries. The Indenture provides that NIC will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create or suffer to exist or allow to become effective any consensual encumbrance or restriction of any kind on the ability of any such Restricted Subsidiary to:

- (1) pay dividends, in cash or otherwise, or make other payments or distributions on its Capital Stock or any other equity interest or participation in, or measured by, its profits, owned by NIC or by any Restricted Subsidiary of NIC, or make payments or prepayments on any Indebtedness owed to NIC or to any Restricted Subsidiary of NIC;

Table of Contents

(2) make loans or advances to or make Investments in NIC or any Restricted Subsidiary of NIC; or

(3) transfer any of their respective property or assets to NIC or to any Restricted Subsidiary of NIC.

The preceding restrictions, however, will not apply to encumbrances or restrictions existing under or by reason of:

(1) applicable law, regulations or order;

(2) customary provisions restricting subletting or assignment of any lease, sublease, license, sublicense or service contract;

(3) Indebtedness or any other contractual requirements (including pursuant to any corporate governance documents in the nature of a charter or by-laws) of a Securitization Subsidiary arising in connection with a Qualified Securitization Transaction, *provided*, that any such encumbrances and restrictions apply only to such Securitization Subsidiary;

(4) any agreement in effect on the Issue Date as any such agreement is in effect on such date;

(5) any agreement (including Acquired Indebtedness) of any Restricted Subsidiary in effect on the date on which such Restricted Subsidiary became a Subsidiary of NIC and not entered into in anticipation or contemplation of becoming a Subsidiary of NIC, *provided*, that such encumbrance or restriction shall not apply to any assets of NIC or its Restricted Subsidiaries other than such Restricted Subsidiary;

(6) the Indenture, the Notes and the Subsidiary Guarantees;

(7) restrictions relating to any Lien permitted under the Indenture imposed by the holder of such Lien;

(8) restrictions imposed under any agreement to sell assets permitted under the Indenture to any Person pending the closing of such sale;

(9) any other agreement governing Indebtedness entered into after the Issue Date that contains encumbrances and restrictions that are not materially more restrictive with respect to any Restricted Subsidiary than those in effect on the Issue Date with respect to that Restricted Subsidiary pursuant to agreements in effect on the Issue Date;

(10) customary provisions in partnership agreements, limited liability company organizational governance documents, joint venture agreements and other similar agreements entered into in the ordinary course of business that restrict the transfer of ownership interests in such partnership, limited liability company, joint venture or similar Person;

(11) Indebtedness incurred in compliance with clause (18) of the covenant described under Limitation on Incurrence of Indebtedness, *provided* that such encumbrance or restriction applies only to assets financed with the proceeds of such Indebtedness;

(12) restrictions on cash or other deposits or net worth imposed by suppliers or landlords under contracts entered into in the ordinary course of business;

(13) encumbrances or restrictions contained in Indebtedness of Restricted Subsidiaries permitted to be incurred under clauses (3), (26) or (27) of the covenant described under Limitation on Incurrence of Indebtedness; *provided* that any such encumbrances or restrictions are ordinary and customary with respect to the type of Indebtedness being incurred under the relevant circumstances and either (A) such encumbrances or restrictions do not materially impair the NIC's ability to make payment on the Notes when due or (B) such encumbrances or restrictions only apply if a default occurs in respect of a payment or financial covenant relating to such Indebtedness;

(14) encumbrances or restrictions imposed by the Support Agreement, the Master Intercompany Agreements or the Shy Settlement; and

Table of Contents

(15) any encumbrances or restrictions imposed by any amendments, refinancings or replacements of the contracts, instruments or obligations referred to in clauses (1) through (14) above; *provided* that such amendments, refinancings or replacements are no more materially restrictive with respect to such encumbrances and restrictions than those prior to such amendment, refinancing or replacement.

Limitation on Transactions with Affiliates. The Indenture provides that NIC will not, and will not cause or permit any of its Restricted Subsidiaries to:

- (1) sell, lease, transfer or otherwise dispose of any of its property or assets to,
- (2) purchase any property or assets from,
- (3) make any Investment in, or
- (4) enter into or amend or extend any contract, agreement or understanding with or for the benefit of, any Affiliate of NIC or of any Subsidiary (an *Affiliate Transaction*), other than Affiliate Transactions that are on terms that are fair and reasonable to NIC or such Restricted Subsidiary of NIC and that are no less favorable to NIC or such Restricted Subsidiary of NIC than those that could be obtained in a comparable arm's length transaction by NIC or such Restricted Subsidiary of NIC from an unaffiliated party; *provided*, that if NIC or any Restricted Subsidiary of NIC enters into an Affiliate Transaction or series of Affiliate Transactions involving or having an aggregate value of more than \$25.0 million, a majority of the disinterested members of the Board of Directors of NIC or a committee thereof shall, prior to the consummation of such Affiliate Transaction, have determined (as evidenced by a resolution thereof) that such Affiliate Transaction meets the foregoing standard; *provided further* that if NIC or any Restricted Subsidiary of NIC enters into an Affiliate Transaction or series of Affiliate Transactions involving or having an aggregate value of more than \$75.0 million, NIC delivers to the Trustee an opinion issued by an independent accounting, appraisal or investment banking firm of national standing stating that such Affiliate Transaction is fair to NIC or such Restricted Subsidiary from a financial point of view.

The foregoing restrictions shall not apply to:

- (1) any transaction between Restricted Subsidiaries of NIC, or between NIC and any Restricted Subsidiary of NIC;
- (2) transactions entered into pursuant to the terms of the Master Intercompany Agreements, the Tax Allocation Agreement or the Support Agreement;
- (3) transactions entered into in the ordinary course of business;
- (4) any transaction effected in connection with a Qualified Securitization Transaction;
- (5) reasonable fees and compensation paid to and advances of expenses to and indemnity provided on behalf of officers, directors, employees or consultants of NIC or any Subsidiary in the reasonable determination of a member of senior management of NIC or by NIC's Board of Directors;
- (6) any agreement as in effect as of the Issue Date or any amendment thereto or any transaction contemplated thereby (including pursuant to any amendment thereto) or in any replacement agreement thereto so long as any such amendment or replacement agreement is not more disadvantageous to the Holders in any material respect than the original agreement in effect on the Issue Date;
- (7) Restricted Payments and Permitted Investments (other than clause (5) thereof) permitted by the Indenture;
- (8) loans or advances to officers, directors, employees or consultants of NIC or any of its Subsidiaries in the ordinary course of business in an aggregate amount outstanding at any time not to exceed \$10.0 million;
- (9) transactions with Unrestricted Subsidiaries, joint venture partners, customers, clients, suppliers or purchasers or sellers of goods or services, in each case in the ordinary course of business which are fair to

Table of Contents

NIC or its Restricted Subsidiaries, in the reasonable determination of the senior management of NIC, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(10) any employment, compensation or severance arrangement entered into by NIC or any of its Subsidiaries in the ordinary course of business that is not otherwise prohibited by the Indenture; and

(11) the issuance or sale of Capital Stock (other than Disqualified Stock) of NIC to any Affiliate of NIC and the granting of registration and other customary rights in connection therewith.

Limitation on Guarantees by Restricted Subsidiaries. The Indenture provides that NIC shall not cause or permit any of its Restricted Subsidiaries, directly or indirectly, to guarantee the payment of any Indebtedness of NIC (other than to the extent such Restricted Subsidiary is a co-borrower with respect to Indebtedness permitted pursuant to clause (3) of the covenant described under the caption *Limitation on Incurrence of Indebtedness*) which, in the aggregate, together with all other Indebtedness of NIC that is guaranteed by Restricted Subsidiaries, exceeds \$35.0 million, unless such Restricted Subsidiary of NIC executes and delivers within ten Business Days thereof a supplemental indenture to the Indenture providing for the guarantee of payment of the Notes by such Restricted Subsidiary pursuant to the indenture; *provided*, that any guarantee by a Subsidiary Guarantor of such other Indebtedness:

(1) (a) (I) is unsecured or (II) is secured and (A) in the case of any such guarantee of Indebtedness of NIC ranking *pari passu* with the Notes, the Subsidiary Guarantees are secured equally and ratably with any Liens securing such guarantee and (B) in the case of any such guarantee of Indebtedness of NIC subordinated to the Notes, the relevant Subsidiary Guarantees are secured on a basis ranking prior to the Liens securing such guarantee and (b) (I) in the case of any such guarantee of Indebtedness of NIC subordinated or junior to the Notes (whether pursuant to its terms or by operation of law), such guarantee is subordinated pursuant to a written agreement to the relevant Subsidiary Guarantees at least to the same extent and in the same manner as such other Indebtedness is subordinated to the Notes, or (II) the Subsidiary Guarantees are not subordinated or junior to any Indebtedness of such Subsidiary Guarantor; and

(2) such Subsidiary Guarantor waives, and agrees it will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against NIC or any other Subsidiary of NIC as a result of any payment by it under such Subsidiary Guarantees.

NIC will shall cause each Restricted Subsidiary that guarantees the payment of any Indebtedness of NIC, which, in the aggregate, together with all other Indebtedness of NIC that is guaranteed by Restricted Subsidiaries, exceeds \$35.0 million, after the Issue Date, to execute and deliver to the Trustee, promptly upon any such formation or acquisition (i) a supplemental indenture in form and substance satisfactory to the Trustee which subjects such subsidiary to the provisions of the Indenture as a Subsidiary Guarantor, and (ii) an opinion of counsel to the effect that such supplemental indenture has been duly authorized and executed by such subsidiary and constitutes the legal, valid, binding and enforceable obligation of such subsidiary (subject to such customary exceptions concerning fraudulent conveyance laws, creditors' rights and equitable principles as may be acceptable to the Trustee in its discretion).

Change of Control. Upon the occurrence of a Change of Control (the date of each such occurrence being the *Change of Control Date*), NIC will notify the Holders in writing of such occurrence and will commence an Offer to Purchase (the *Change of Control Offer*) all Notes then outstanding, in each case, at a purchase price equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the Purchase Date. Notice of a Change of Control will be mailed by NIC to the Holders not more than 30 days after any Change of Control Date.

None of the provisions relating to a repurchase upon a Change of Control are waivable by the Board of Directors of NIC. NIC could, in the future, enter into certain transactions, including certain recapitalizations of

Table of Contents

NIC, that would not constitute a Change of Control with respect to the Change of Control purchase feature of the Notes, but would increase the amount of Indebtedness outstanding at such time. If a Change of Control were to occur, there can be no assurance that NIC would have sufficient funds to pay the redemption price for all Notes that NIC is required to redeem. In the event that NIC were required to purchase outstanding Notes pursuant to a Change of Control Offer, NIC expects that it would need to seek third-party financing to the extent it does not have available funds to meet its purchase obligations. However, there can be no assurance that NIC would be able to obtain such financing.

With respect to the disposition of property or assets, the phrase "all or substantially all" as used herein and in the Indenture (including as set forth under "Merger, Consolidation, Etc." below) varies according to the facts and circumstances of the subject transaction, has no clearly established meaning under New York law (which governs the Indenture) and is subject to judicial interpretation. Accordingly, in certain circumstances there may be a degree of uncertainty in ascertaining whether a particular transaction would involve a disposition of "all or substantially all" of the property or assets of a Person and therefore it may be unclear as to whether a Change of Control has occurred and whether the Holders are subject to a Change of Control Offer. In addition, Holders may not be entitled to require the Company to repurchase their Notes in certain circumstances involving a significant change in the composition of the Board of Directors of the Company, including in connection with a proxy contest, where the Company's Board of Directors does not endorse a dissident slate of directors but approves them as continuing directors for purposes of the Indenture.

NIC's ability to repurchase the Notes may be limited by other then-existing borrowing agreements of NIC and its Subsidiaries. There can be no assurance that NIC will be able to obtain such a consent or a waiver of such limitations. See "Limitation on Restricted Payments."

If NIC makes an Offer to Purchase the Notes as a result of a Change of Control, NIC will comply with all tender offer rules under state and Federal securities laws, including, but not limited to, Section 14(e) under the Exchange Act and Rule 14e-1 thereunder, to the extent applicable to such offer.

The Change of Control redemption feature of the Notes may in certain circumstances make more difficult or discourage a takeover of NIC and, thus, the removal of incumbent management.

NIC will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements described in the Indenture applicable to a Change of Control Offer made by NIC and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer or (2) a notice of redemption has been given pursuant to the Indenture as described under "Optional redemption," unless and until there is a default in the payment of the applicable redemption price. A Change of Control Offer may be made in advance of a Change of Control and may be conditional upon the occurrence of a Change of Control if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

Reports. So long as any Note is outstanding, notwithstanding whether NIC is subject to the requirements of Sections 13 or 15(d) of the Exchange Act, NIC will file with the SEC (unless the SEC will not accept such filing) and, within 15 days after it files them with the SEC, file with the Trustee and mail or cause the Trustee to mail to the Holders at their addresses as set forth in the register of the Notes, copies of the annual reports and of the information, documents and other reports which NIC is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act or which NIC would be required to file with the SEC if NIC then had a class of securities registered under the Exchange Act. Notwithstanding the foregoing, NIC will be deemed to have furnished such information referred to in the previous sentence to the Trustee and the Holders if NIC has filed such reports and other information with the SEC via the EDGAR filing system (or any successor system) and such reports and other information are publicly available. If the SEC will not accept NIC's filings for any reason, NIC will post the reports, documents and information referred to in the first sentence of this paragraph on its

Table of Contents

website within the time periods that would apply if NIC were required to file such reports, documents and information with the SEC and, in that event, NIC will be deemed to have furnished such information referred to above to the Trustee and the Holders.

Merger, Consolidation, Etc. NIC will not, in a single transaction or series of related transactions, consolidate or merge with or into, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of NIC's assets (determined on a consolidated basis) to any Person unless:

(1) either (a) NIC shall be the surviving or continuing corporation or (b) the Person (if other than NIC) formed by such consolidation or into which NIC is merged or the Person which acquires by conveyance, transfer or lease the properties and assets of NIC and its Restricted Subsidiaries substantially as an entirety (I) shall be a corporation, limited liability company or partnership organized and validly existing under the laws of the United States or any State thereof or the District of Columbia and (II) shall expressly assume, by supplemental indenture (in form and substance satisfactory to the Trustee), executed and delivered to the Trustee, the due and punctual payment of the principal of, premium, if any, interest and Additional Interest, if any, on all of the Notes and the performance of every covenant of the Notes and the Indenture on the part of NIC to be performed or observed; *provided* that in the case where the surviving or continuing Person is not a corporation, a corporation becomes a co-obligor of the Notes;

(2) (i) immediately after giving effect to such transaction and the assumption contemplated by clause (1)(b)(II) above (including giving effect to any Indebtedness and Acquired Indebtedness incurred or anticipated to be incurred in connection with or in respect of such transaction), (x) NIC (in the case of clause (a) of the foregoing clause (1)) or such Person (in the case of clause (II) thereof) could incur at least \$1.00 of additional Indebtedness pursuant to clause (1) of the covenant described under the caption *Limitation on Incurrence of Indebtedness* or (y) NIC's or such Person's Consolidated Cash Flow Ratio for the most recent four full fiscal quarters for which financial statements are available after giving pro forma effect to such transaction as of the beginning of such four quarter period would be greater than NIC's Consolidated Cash Flow Ratio for such four quarter period immediately prior to such transaction;

(3) immediately before and after giving effect to such transaction and the assumption contemplated by clause (1)(b)(II) above (including giving effect to any Indebtedness and Acquired Indebtedness incurred or anticipated to be incurred in connection with or in respect of the transaction) no Default and no Event of Default shall have occurred or be continuing; and

(4) NIC or such Person shall have delivered to the Trustee an officer's certificate and an opinion of counsel, each stating that such consolidation, merger, conveyance, transfer or lease and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture, comply with this provision of the Indenture and that all conditions precedent in the Indenture relating to such transaction have been satisfied.

Notwithstanding the foregoing:

(1) a Restricted Subsidiary of NIC may consolidate with, or merge with or into, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its assets to, NIC or another Restricted Subsidiary of NIC; and

(2) a series of transactions involving the sale of Receivables or interests therein by a Securitization Subsidiary in connection with a Qualified Securitization Transaction shall not be deemed to be the sale of all or substantially all of NIC's assets to the extent such transactions are consummated in the ordinary course of business.

For purposes of the foregoing, the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the properties or assets of one or more Restricted Subsidiaries of NIC, the Capital Stock of which constitutes all or substantially all of the properties and assets of NIC, shall be deemed to be the transfer of all or substantially all of the properties and assets of NIC. For the avoidance of

Table of Contents

doubt, notwithstanding anything to the contrary in this Description of the Notes or in the Indenture, the sale, assignment, transfer, conveyance or other disposition of all or any portion of the NIC's Financial Services Segment, including without limitation through the sale or other disposition of all or any portion of the Capital Stock of any Unrestricted Subsidiary that is part of the Financial Services Segment, or all or any portion of their respective assets or properties, shall not under any circumstances constitute the sale, assignment, transfer, conveyance or disposition of all or substantially all of NIC's assets (on a consolidated basis) for any purpose whatsoever under the Indenture or the Notes.

Upon any such consolidation, merger, conveyance, lease or transfer in accordance with the foregoing, the successor Person formed by such consolidation or into which NIC is merged or to which such conveyance, lease or transfer is made will succeed to, and be substituted for, and may exercise every right and power of, NIC under the Indenture with the same effect as if such successor had been named as NIC therein, and thereafter (except in the case of a sale, assignment, transfer, lease, conveyance or other disposition) the predecessor corporation will be relieved of all further obligations and covenants under the Indenture and the Notes.

A Subsidiary Guarantor will not, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not such Subsidiary Guarantor is the surviving Person), or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties and assets of the Subsidiary Guarantor, in one or more related transactions, to another Person, other than NIC or another Subsidiary Guarantor, unless:

(1) immediately after giving effect to that transaction, no Default or Event of Default exists; and

(2) either:

(a) the Subsidiary Guarantor is the surviving corporation, or the Person formed by or surviving any such consolidation or merger (if other than the Subsidiary Guarantor) or to which such sale, assignment, transfer, conveyance or other disposition which has been made (i) is organized or existing under the laws of the United States, any state thereof or the District of Columbia and (ii) assumes all the obligations of that Subsidiary Guarantor under the Indenture and its Subsidiary Guarantee pursuant to a supplemental indenture satisfactory to the Trustee; or

(b) such sale, assignment, transfer, conveyance or other disposition or consolidation or merger complies with the covenant described under the caption Limitation on Certain Asset Dispositions above.

Events of Default

The following are Events of Default under the Indenture with respect to the Notes:

(1) default in the payment of principal of, or premium, if any, on any Note when due at maturity, upon repurchase, upon acceleration or otherwise, including, without limitation, failure of NIC to repurchase any Note on the date required following a Change of Control; or

(2) default in the payment of any installment of interest or Additional Interest, if any, on any Note when due and continuance of such Default for 30 days or more; or

(3) failure to observe, perform or comply with any of the provisions described under the caption Certain Covenants Merger, Consolidation, Etc. above; or

(4) default (other than a default set forth in clauses (1), (2) and (3) above) in the performance of, or breach of, any other covenant or warranty of NIC or of any Restricted Subsidiary in the Indenture, or in the Notes and failure to remedy such default or breach within a period of 30 days after written notice from the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes; or

(5) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by NIC or any Subsidiary of NIC (other than a Securitization Subsidiary) (or the payment of which is guaranteed by NIC or any Restricted

Table of Contents

Subsidiary of NIC), which default is caused by a failure to pay principal of or premium, if any, on such Indebtedness upon its stated maturity or which default results in the acceleration of such Indebtedness prior to its express maturity and the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness the maturity of which has been so accelerated, aggregates \$50.0 million or more and such acceleration has not been rescinded or annulled or such Indebtedness discharged in full within 30 days; or

(6) the entry by a court of competent jurisdiction of one or more judgments, orders or decrees against NIC or any Subsidiary of NIC (other than a Securitization Subsidiary) or any of their respective property or assets in an aggregate amount in excess of \$50.0 million, which judgments, orders or decrees have not been vacated, discharged, satisfied or stayed pending appeal within 30 days from the entry thereof and with respect to which legal enforcement proceedings have been commenced; or

(7) certain events of bankruptcy, insolvency or reorganization involving NIC, any Subsidiary Guarantor or any Significant Subsidiary of NIC.

If an Event of Default (other than an Event of Default specified in clause (7) above involving NIC) occurs and is continuing, then and in every such case the Trustee or the Holders of not less than 25% in aggregate principal amount of the then outstanding Notes may, and the Trustee shall upon the request of Holders of not less than 25% in aggregate principal amount of the Notes then outstanding, declare the unpaid principal of, premium, if any, accrued and unpaid interest and Additional Interest, if any, on all the Notes then outstanding to be due and payable, by a notice in writing to NIC (and to the Trustee, if given by Holders) and upon such declaration such principal amount, premium, if any, and accrued and unpaid interest will become immediately due and payable, notwithstanding anything contained in the Indenture or the Notes to the contrary. If an Event of Default specified in clause (7) above involving NIC occurs, all unpaid principal of, and premium, if any, accrued and unpaid interest and Additional Interest, if any, on the Notes then outstanding will ipso facto become due and payable.

No Holder of the Notes may enforce the Indenture or the Notes except as provided in the Indenture. Subject to the provisions of the Indenture relating to the duties of the Trustee, with respect to the Indenture the Trustee is under no obligation to exercise any of its rights or powers under such Indenture at the request, direction of any of the Holders, unless such Holders have offered to the Trustee security or indemnity satisfactory to the Trustee. Subject to all provisions of the Indenture and applicable law, the Holders of a majority in aggregate principal amount of the then outstanding Notes have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to the Notes. The Trustee may withhold from the Holders notice of any continuing Default or Event of Default (except a Default or Event of Default in the payment of principal of or premium, if any, or interest on the Notes, or that resulted from the failure of NIC to comply with the covenants described under the captions **Certain Covenants Change of Control** or **Certain Covenants Merger, Consolidation, Etc.** above) if it determines that withholding notice is in the interests of the Holders.

The Holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the Trustee may rescind an acceleration of the Notes and its consequences if all existing Events of Default (other than the nonpayment of principal of and premium, if any, interest and Additional Interest, if any, on the Notes which has become due solely by virtue of such acceleration) have been cured or waived and if the rescission would not conflict with any judgment or decree. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

The Holders of a majority in aggregate principal amount of the Notes then outstanding may, on behalf of the Holders of all the Notes, waive, by notice to the Trustee, any past Default or Event of Default under the Indenture and its consequences, except a Default in the payment of principal of or premium, if any, interest, if any, or Additional Interest, if any, on any Note or a Default resulting from the breach of a covenant or provision of the Indenture which cannot be modified or amended without the consent of all adversely affected Holders.

Under the Indenture, an executive officer of NIC is required to provide a certificate to the Trustee within five business days of any such officer obtaining knowledge of any Default or Event of Default (*provided* that such officers shall provide such certification at least annually whether or not he knows of any Default or Event of Default) that has occurred and, if applicable, describe such Default or Event of Default and the status thereof.

Notwithstanding the foregoing, the Indenture provides that, to the extent NIC elects, the sole remedy for an Event of Default relating to NIC's failure to comply with its obligations as set forth under the caption "Certain Covenants Reports" above, will after the occurrence of such an Event of Default consist exclusively of the right to receive additional interest on the Notes at a rate equal to 0.25% per annum of the principal amount of the Notes outstanding for each day during the 90-day period beginning on, and including, the occurrence of such an Event of Default during which such Event of Default is continuing, and at a rate equal to 0.50% per annum of the principal amount of the Notes outstanding for each day from the 91st day until the 179th day during which such Event of Default is continuing (*Additional Interest*).

If NIC so elects, such additional interest will be payable in the same manner and on the same dates as the stated interest payable on the Notes. On the 180th day after such Event of Default (if the Event of Default relating to the reporting obligations is not cured or waived prior to such 180th day), the Notes will be subject to acceleration as provided above. The foregoing provisions will not affect the rights of Holders in the event of the occurrence of any other Event of Default. In the event NIC does not elect to pay the Additional Interest following an Event of Default in accordance with this paragraph, the Notes will be subject to acceleration as provided above.

In order to elect to pay the Additional Interest as the sole remedy during the first 179 days after the occurrence of an Event of Default relating to the failure to comply with the reporting obligations in accordance with the immediately preceding paragraph, NIC must notify all Holders and the Trustee and Paying Agent of such election on or prior to the close of business on the business day before the date on which such Event of Default would occur and on or prior to the close of business on the 91st day after the date on which such Event of Default occurs. Upon NIC's failure to timely give such notice, the Notes will be immediately subject to acceleration as provided above.

Amendment, supplement and waiver

From time to time, NIC, when authorized by a resolution of its Board of Directors, and the Trustee, may, without the consent of the Holders, amend, waive or supplement the Indenture and the Notes issued thereunder for certain specified purposes, including, among other things, curing ambiguities, defects or inconsistencies, qualifying, or maintaining the qualification of, the Indenture under the TIA, adding or removing a Subsidiary Guarantor or making any change that does not adversely affect the rights of any Holder; *provided* that NIC has delivered to the Trustee an opinion of counsel stating that such change does not adversely affect the rights of any Holder. Other amendments and modifications of the Indenture and the Notes issued thereunder may be made by NIC, and the Trustee with the consent of the Holders of at least a majority of the aggregate principal amount of the Notes issued under the Indenture then outstanding.

Notwithstanding the foregoing, no amendment or modification may, without the consent of the Holder of each outstanding Note affected thereby:

- (1) change the final maturity of the principal of, or premium, if any, on, or any installment of principal of or premium, if any, interest, if any, or Additional Interest, if any, on the Notes or the repurchase provisions of the Notes or the Indenture (other than those provisions referenced in clause (9) hereof) in a manner adverse to the Holders of the Notes;
- (2) reduce the principal amount of (or the premium) of the Notes;
- (3) reduce the rate of or extend the time for payment of interest or Additional Interest, if any, on the Notes;

Table of Contents

- (4) change the place or currency of payment of principal of (or premium) or interest on the Notes;
- (5) modify any provisions of the Indenture relating to the waiver of past defaults (other than to add sections of the Indenture or the Notes subject thereto or the right of the Holders of the Notes outstanding thereunder to institute suit for the enforcement of any payment on or with respect to the Notes) or the modification and amendment of the Indenture and the Notes (other than to add sections of such Indenture or such Notes which may not be amended, supplemented or waived without the consent of each Holder herein affected);
- (6) reduce the percentage of the principal amount of outstanding Notes the consent of whose Holders is necessary for amendment to or waiver of compliance with any provision of the Indenture or the Notes outstanding thereunder or for waiver of any Default in respect thereof;
- (7) waive a default in the payment of principal of, interest on, or redemption payment with respect to, the Notes (except a rescission of acceleration of the Notes by the Holders thereof as provided in the Indenture and a waiver of the payment default that resulted from such acceleration);
- (8) modify the ranking or priority of the Notes in a manner that would be adverse to the Holders of the Notes affected thereby; or
- (9) modify the provisions relating to any Offer to Purchase required under the covenants described under **Certain Covenants Limitation on Certain Asset Dispositions** if an **Asset Sale Offer Trigger Date** has occurred or **Certain Covenants Change of Control** if a **Change of Control** has occurred in a manner materially adverse to the Holders of the Notes affected thereby.

Defeasance or covenant defeasance of the Indenture

NIC may, at its option and at any time, terminate the obligations of NIC with respect to the Notes (*defeasance*). Such defeasance means that NIC shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes so defeased, except for:

- (1) the rights of Holders of outstanding Notes to receive payment in respect of the principal of, premium, if any, interest and Additional Interest, if any, on such Notes when such payments are due;
- (2) NIC's obligations to issue temporary Notes, register the transfer or exchange of any Notes, replace mutilated, destroyed, lost or stolen Notes and maintain an office or agency for payments in respect of the Notes;
- (3) the rights, powers, trusts, duties and immunities of the Trustee; and
- (4) the defeasance provisions of the Indenture.

In addition, NIC may, at its option and at any time, elect to terminate its obligations with respect to certain covenants that are set forth in the Indenture with respect to the Notes, some of which are described under **Certain Covenants** above, and any omission to comply with such obligations shall not constitute a Default or an Event of Default with respect to the Notes so defeased (*covenant defeasance*).

In order to exercise either defeasance or covenant defeasance:

- (1) NIC must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes to be defeased, cash in United States dollars, Government Obligations, or a combination thereof, in such amounts as will be sufficient to pay the principal of, premium, if any, interest and Additional Interest, if any, on the outstanding Notes to be defeased to redemption or maturity;
- (2) NIC shall have delivered to the Trustee an officers' certificate and an opinion of counsel to the effect that the Holders of the outstanding Notes to be defeased will not recognize income, gain or loss for Federal income tax purposes as a result of such defeasance or covenant defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the

Table of Contents

case if the act of such defeasance or covenant defeasance had not occurred (in the case of defeasance, such certificate and opinion must refer to and be based upon a ruling of the Internal Revenue Service or a change in applicable Federal income tax laws);

(3) no Default or Event of Default under the Indenture shall have occurred and be continuing immediately after giving effect to such deposit (other than a Default resulting from the borrowing of funds to be applied to such deposit);

(4) such defeasance or covenant defeasance shall not cause the Trustee to have a conflicting interest with respect to any securities of NIC;

(5) such defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a default under, any material agreement or instrument to which NIC is a party or by which it is bound (other than a Default or default resulting solely from the borrowing of funds to be applied to such deposit); and

(6) NIC shall have delivered to the Trustee an officer's certificate stating that the deposit was not made by it with the intent of preferring the Holders over any of its creditors or with the intent of defeating, hindering, delaying or defrauding any of its other creditors.

Notwithstanding the foregoing, the opinion of counsel required by clause (2) above need not be delivered if at such time all outstanding Notes have been irrevocably called for redemption.

Satisfaction and discharge

The Indenture will be discharged and will cease to be of further effect (except as to surviving rights or registration of transfer or exchange of the Notes issued thereunder, as expressly provided for in the Indenture) as to all outstanding Notes issued thereunder when:

(1) either

(a) all the Notes issued thereunder theretofore authenticated and delivered (except lost, stolen or destroyed Notes issued thereunder which have been replaced or paid and Notes issued thereunder for whose payment money has theretofore been deposited in trust or segregated and held in trust by NIC and thereafter repaid to NIC or discharged from such trust) have been delivered to the Trustee for cancellation or

(b) all Notes issued thereunder not theretofore delivered to the Trustee for cancellation (i) have become due and payable, (ii) will become due and payable at their Stated Maturity within one year, or (iii) are to be called for redemption within one year under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of NIC and NIC has irrevocably deposited or caused to be deposited with the Trustee funds in an amount sufficient to pay and discharge the entire Indebtedness of the Notes issued thereunder not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, interest, if any, and Additional Interest, if any, on the Notes issued thereunder to the date of deposit together with irrevocable instructions from NIC directing the Trustee to apply such funds to the payment thereof at maturity;

(2) NIC has paid or caused to be paid all other sums payable under the Indenture by NIC; and

(3) NIC has delivered to the Trustee an officer's certificate and an opinion of counsel stating that all conditions precedent under the Indenture relating to the satisfaction and discharge of the Indenture have been complied with.

Book-entry, delivery and form

The Notes will be represented by one or more notes in registered, global form without interest coupons. The global notes will be deposited upon issuance with the Trustee as custodian for DTC, in New York, New York, and registered in the name of DTC or its nominee in each case for credit to an account of a direct or indirect participant in DTC as described below.

Table of Contents

Except as set forth below, the global notes may be transferred, in whole and not in part, only by DTC to another nominee of DTC, by a nominee of DTC to DTC or another nominee, or by DTC or this nominee to a successor of DTC or a nominee of this successor. Beneficial interests in the global notes may not be exchanged for notes in certificated form except in the limited circumstances described below. See Exchange of global notes for certificated notes. Except in the limited circumstances described below, owners of beneficial interests in the global notes will not be entitled to receive physical delivery of notes in certificated form.

Depository procedures

The following description of the operations and procedures of DTC, Euroclear and Clearstream are provided solely as a matter of convenience. These operations and procedures are solely within the control of the respective settlement systems and are subject to changes by them. NIC takes no responsibility for these operations and procedures and urges investors to contact the system or its participants directly to discuss these matters.

DTC has advised NIC that DTC is a limited-purpose trust company created to hold securities for its participants and to facilitate the clearance and settlement of transactions in those securities between these participants through electronic book-entry changes in accounts of its participants. The participants include securities brokers and dealers (including the initial purchasers), banks, trust companies, clearing corporations and certain other organizations. Access to DTC's system is also available to indirect participants, which include other entities such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a participant, either directly or indirectly. Persons who are not participants may beneficially own securities held by or on behalf of DTC only through the participants or the indirect participants. The ownership interests in, and transfers of ownership interests in, each security held by or on behalf of DTC are recorded on the records of the participants and indirect participants.

DTC has also advised NIC that, pursuant to procedures established by it:

- (1) upon deposit of the global notes, DTC will credit the accounts of participants designated by the initial purchasers with portions of the principal amount of the global notes; and
- (2) ownership of these interests in the global notes will be shown on, and the transfer of ownership thereof will be effected only through, records maintained by DTC (with respect to the participants) or by the participants and the indirect participants (with respect to other owners of beneficial interest in the global notes).

Investors in the global notes who are participants in DTC's system may hold their interests in the global notes directly through DTC. Investors in the global notes who are not participants may hold their interests therein indirectly through organizations (including Euroclear and Clearstream) that are participants in such system. Euroclear and Clearstream will hold interests in the global notes on behalf of their participants through customers' securities accounts in their respective names on the books of their respective depositories, which are Morgan Guaranty Trust Company of New York, Brussels office, as operator of Euroclear, and Citibank, N.A. and The Chase Manhattan Bank N.A., as operator of Clearstream. All interests in a global note, including those held through Euroclear or Clearstream, may be subject to the procedures and requirements of DTC. Those interests held through Euroclear or Clearstream may also be subject to the procedures and requirements of such systems. The laws of some states require that certain Persons take physical delivery in definitive form of securities that they own. Consequently, the ability to transfer beneficial interests in a global note to such Persons will be limited to that extent. Because DTC can act only on behalf of participants, which in turn act on behalf of indirect participants, the ability of a Person having beneficial interests in a global note to pledge such interests to persons that do not participate in the DTC system, or otherwise take actions in respect of such interests, may be affected by the lack of a physical certificate evidencing such interests.

Except as described below, owners of interests in the global notes will not have notes registered in their names, will not receive physical delivery of notes in certificated form and will not be considered the registered owners or holders thereof under the Indenture for any purpose.

Table of Contents

Payments in respect of the principal of, and interest and premium and special interest, if any, on a global note registered in the name of DTC or its nominee will be payable to DTC in its capacity as the registered holder under the Indenture. Under the terms of the Indenture, we and the Trustee will treat the Persons in whose names the notes, including the global notes, are registered as the owners for the purpose of receiving payments and for all other purposes. Consequently, none of us, the Trustee or any agent of ours or the Trustee has or will have any responsibility or liability for:

(1) any aspect of DTC's records or any participant's or indirect participant's records relating to or payments made on account of beneficial ownership interests in the global notes or for maintaining, supervising or reviewing any of DTC's records or any participant's or indirect participant's records relating to the beneficial ownership interests in the global notes; or

(2) any other matter relating to the actions and practices of DTC or any of its participants or indirect participants.

DTC has advised NIC that its current practice, upon receipt of any payment in respect of securities such as the notes (including principal and interest), is to credit the accounts of the relevant participants with the payment on the payment date in accordance with instructions provided to DTC. Each relevant participant is credited with an amount proportionate to its beneficial ownership of an interest in the principal amount of the relevant security as shown on the records of DTC. Payments by the participants and the indirect participants to the beneficial owners of notes will be governed by standing instructions and customary practices and will be the responsibility of the participants or the indirect participants and will not be the responsibility of DTC, the trustee or NIC. Neither NIC nor the Trustee will be liable for any delay by DTC or any of its participants in identifying the beneficial owners of the notes, and NIC and the Trustee may conclusively rely on and will be protected in relying on instructions from DTC or its nominee for all purposes.

Transfers between participants in DTC will be effected in accordance with DTC's procedures, and will be settled in same-day funds, and transfers between participants in Euroclear and Clearstream will be effected in accordance with their respective rules and operating procedures.

Cross-market transfers between the participants in DTC, on the one hand, and Euroclear and Clearstream participants, on the other hand, will be effected through DTC in accordance with DTC's rules on behalf of each of Euroclear and Clearstream, as the case may be, by its respective depository; however, such cross-market transactions will require delivery of instructions to Euroclear or Clearstream as the case may be, by the counterparty in such system in accordance with the rules and procedures and within the established deadlines (Brussels time) of such system. Euroclear or Clearstream, as the case may be, will, if the transaction meets its settlement requirements, deliver instructions to its respective depository to take action to effect final settlement on its behalf by delivering or receiving interests in the relevant global note in DTC, and making or receiving payment in accordance with normal procedures for same-day funds settlement applicable to DTC. Euroclear participants and Clearstream participants may not deliver instructions directly to the depositories for Euroclear or Clearstream.

DTC has advised NIC that it will take any action permitted to be taken by a Holder only at the direction of one or more participants to whose account DTC has credited the interests in the global notes and only in respect of such portion of the aggregate principal amount of the notes as to which such participant or participants has or have given such direction. However, if there is an Event of Default under the notes, DTC reserves the right to exchange the global notes for legended notes in certificated form, and to distribute such notes to its participants.

Although DTC, Euroclear and Clearstream have agreed to the foregoing procedures to facilitate transfers of interests in the global notes among participants in DTC, Euroclear and Clearstream, they are under no obligation to perform or to continue to perform such procedures, and may discontinue such procedures at any time. Neither we nor the Trustee or any of our or their respective agents will have any responsibility for the performance by DTC, Euroclear or Clearstream or their respective participants or indirect participants of their respective obligations under the rules and procedures governing their operations.

Exchange of global notes for certificated notes

A global note is exchangeable for definitive notes in registered certificated form, which we refer to as certificated notes, if:

- (1) DTC notifies NIC that it (a) is unwilling or unable to continue as depository for the global notes or (b) has ceased to be a clearing agency registered under the Exchange Act and, in either case, we fail to appoint a successor depository within 120 days after the date of such notice;
- (2) NIC, at its option, notifies the trustee in writing that it elects to cause the issuance of the certificated notes; or
- (3) there shall have occurred and be continuing a Default or Event of Default with respect to the notes.

In addition, beneficial interests in a global note may be exchanged for certificated notes upon prior written notice given to the Trustee by or on behalf of DTC in accordance with the Indenture. In all cases, certificated notes delivered in exchange for any global note or beneficial interests in global notes will be registered in the names, and issued in any approved denominations, requested by or on behalf of the depository (in accordance with its customary procedures).

No personal liability of directors, officers, employees and stockholders

No director, officer, employee, incorporator or stockholder of NIC or any Subsidiary Guarantor has any liability for any obligations of NIC or the Subsidiary Guarantors under the Notes, the Subsidiary Guarantees or the Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting the Notes waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

Governing law

The Indenture and the Notes will be governed by, and construed in accordance with, the laws of the State of New York.

The Trustee

The Indenture provides that, except during the continuance of an Event of Default, the Trustee will perform only such duties as are specifically set forth in the Indenture. During the existence of an Event of Default, the Trustee will exercise such rights and powers vested in it by the Indenture, and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

The Indenture and the provisions of the TIA contain certain limitations on the rights of the Trustee, should it become a creditor of NIC, to obtain payments of claims in certain cases or to realize on certain property received in respect of any such claim as security or otherwise. Subject to the TIA, the Trustee will be permitted to engage in other transactions, *provided* that if the Trustee acquires any conflicting interest as described in the TIA, it must eliminate such conflict or resign.

Consolidated Cash Flow Ratio of any Person means for any period the ratio of

- (1) Consolidated Cash Flow Available for Fixed Charges of such Person for such period to
- (2) Consolidated Fixed Charges for such period.

In the event that NIC or any Restricted Subsidiary incurs, assumes, guarantees, redeems, retires or extinguishes any Indebtedness (other than Indebtedness incurred under any revolving credit facility unless such Indebtedness has been permanently repaid and has not been replaced) or issues or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Consolidated Cash Flow Ratio is being calculated but prior to or simultaneously with the event for which the calculation of the Consolidated Cash Flow Ratio is made (the *Consolidated Cash Flow Ratio Calculation Date*), then the Consolidated Cash Flow Ratio shall be calculated giving pro forma effect to such incurrence, assumption, guarantee, redemption, retirement or extinguishment of Indebtedness, or such issuance or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, consolidations and discontinued operations (as determined in accordance with GAAP) that have been made by NIC or any of its Restricted Subsidiaries during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Consolidated Cash Flow Ratio Calculation Date shall be

Table of Contents

calculated on a pro forma basis assuming that all such Investments, acquisitions, dispositions, mergers, consolidations and discontinued operations (and the change in any associated fixed charge obligations and the change in Consolidated Cash Flow Available for Fixed Charges resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into NIC or any of its Restricted Subsidiaries since the beginning of such period shall have made any Investment, acquisition, disposition, merger, consolidation or discontinued operation that would have required adjustment pursuant to this definition, then the Consolidated Cash Flow Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, merger, consolidation or discontinued operation had occurred at the beginning of the applicable four-quarter period.

Calculations of pro forma amounts in accordance with this definition shall be done in good faith by a responsible financial or accounting officer of NIC and may give pro forma effect to any cost savings, operating expense reductions or synergies that have been realized during such period as if such actions had been implemented at the beginning of such period and, except as otherwise provided herein, in accordance with Article 11 of Regulation S-X under the Securities Act or any successor provision.

If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Consolidated Cash Flow Ratio Calculation Date had been the applicable rate for the entire period (taking into account any Interest Rate Protection Agreement applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of NIC to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period except as set forth in the first paragraph of this definition. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as NIC may designate.

- (1) Consolidated Interest Expense; and
- (2) all dividends or other distributions paid or accrued on Disqualified Capital Stock of such Person or Preferred Stock of such Person's Restricted Subsidiaries (except dividends payable in shares of Qualified Capital Stock).

In calculating Consolidated Fixed Charges for purposes of determining the denominator (but not the numerator) of this Consolidated Fixed Charge Coverage Ratio,

- (1) interest on Indebtedness determined on a fluctuating basis as of the date of determination and which will continue to be so determined thereafter shall be deemed to have accrued at a fixed rate per annum equal to the rate of interest on such Indebtedness in effect on the date of determination;
- (2) if interest on any Indebtedness actually incurred on the date of determination may be optionally determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate or other rates, then the interest rate in effect on the date of determination will be deemed to have been in effect during the relevant four-quarter period reference; and
- (3) notwithstanding the foregoing, interest on Indebtedness determined on a fluctuating basis, to the extent such interest is covered by agreements relating to interest swap agreements, shall be deemed to accrue at the rate per annum resulting after giving effect to the operation of such agreements.

The Board of Directors may designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided*, that immediately after giving effect to such designation (a) if such Unrestricted Subsidiary at such time has Indebtedness, NIC could incur \$1.00 of additional Indebtedness under clause (1) of the covenant described under the caption Certain Covenants Limitation on Incurrence of Indebtedness and (b) no Default shall have occurred and be continuing. Any such designation by the Board of Directors shall be evidenced by NIC to the Trustee by promptly filing with the Trustee a copy of the board resolution giving effect to such designation and an officers certificate certifying that such designation complied with the foregoing provisions.

Voting Stock means, with respect to any Person, securities of any class or classes of Capital Stock in such Person entitling the holders thereof (whether at all times or only so long as no senior class of stock has voting power by reason of any contingency) to vote in the election of members of the Board of Directors or other governing body of such Person.

PLAN OF DISTRIBUTION

We may sell the Notes being offered directly to one or more purchasers, through agents, to or through underwriters or dealers, or through a combination of any such methods of sale. The distribution of the Notes may be effected from time to time in one or more transactions at fixed prices, which may be changed, at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices. We may offer and sell the Notes from time to time to certain of our pension plans. The prospectus supplement will set forth the terms of the offering, including the names of any underwriters, dealers or agents, the purchase price of the Notes and the proceeds to us from such sale, any underwriting discounts and commissions or agency fees and other items constituting underwriters or agents compensation, any initial public offering price and any discounts or concessions allowed or paid to dealers or any securities exchange on which the Notes may be listed. Any initial public offering price, discounts or concessions allowed or paid to dealers may be changed from time to time.

Any discounts, concessions or commissions received by underwriters or agents and any profits on the resale of the Notes by them may be deemed to be underwriting discounts and commissions under the Securities Act. Unless otherwise set forth in the applicable prospectus supplement, the obligations of underwriters to purchase the offered Notes will be subject to certain conditions precedent, and such underwriters will be obligated to purchase all such Notes, if any are purchased. Unless otherwise indicated in the applicable prospectus supplement, any agent will be acting on a best efforts basis for the period of its appointment.

We may enter into derivative transactions with third parties, or sell securities not covered by this prospectus to third parties in privately negotiated transactions. If the applicable prospectus supplement indicates, in connection with those derivatives, the third parties may sell the Notes covered by this prospectus and the applicable prospectus supplement, including in short sale transactions. If so, the third parties may use securities pledged by us or borrowed from us or others to settle those sales or to close out any related open borrowings of securities, and may use securities received from us in settlement of those derivatives to close out any related open borrowings of securities. The third parties in such sale transactions will be underwriters and, if not identified in this prospectus, will be identified in the applicable prospectus supplement (or a post-effective amendment).

Under certain circumstances, we may repurchase the Notes and reoffer them to the public as set forth above. We may also arrange for repurchase and resale of such offered Notes by dealers.

We may also offer and sell the Notes, if so indicated in the applicable prospectus supplement, in connection with a remarketing upon their purchase, in accordance with a redemption or repayment pursuant to their terms, or otherwise, by one or more firms referred to as remarketing firms, acting as principals for their own accounts or as our agents. Any remarketing firm will be identified and the terms of its agreement, if any, with us and its compensation will be described in the applicable prospectus supplement. Remarketing firms may be deemed to be underwriters under the Securities Act in connection with the securities they remarket.

We may authorize underwriters, dealers or other persons acting as agents for them to solicit offers by certain institutions to purchase the Notes from us pursuant to contracts providing for payment and delivery on a future date. Institutions with which such contracts may be made include commercial and savings banks, insurance companies, pension funds, investment companies, educational and charitable institutions and others, but in all cases we must approve such institutions. The obligations of any purchaser under any such contract will be subject to the conditions that the purchase of the offered Notes shall not at the time of delivery be prohibited under the laws of the jurisdiction to which such purchaser is subject. The underwriters and such other agents will not have any responsibility in respect of the validity or performance of such contracts.

The Notes will be issued as additional notes under the Indenture governing the Existing Senior Notes. The Notes are expected to be treated as a single class with the Existing Senior Notes for all purposes and will have the same terms as those of the Existing Senior Notes. The notes will have the same CUSIP number and will be fungible with the Existing Senior Notes. Although there is presently a trading market for the Existing Senior Notes, we can make no assurance as to the maintenance or liquidity of that trading market.

We may indemnify agents, underwriters, dealers and remarketing firms against certain liabilities, including liabilities under the Securities Act, or our agents, underwriters, dealers and remarketing firms may be entitled to contribution with respect to payments that such parties may be required to make in respect thereof. Our agents, underwriters, dealers and remarketing firms, or their affiliates, may be customers of, engage in transactions with or perform services for us, in the ordinary course of business.

Any underwriter may engage in over-allotment, stabilizing transactions, short-covering transactions and penalty bids in accordance with Regulation M under the Exchange Act. Over-allotment involves sales in excess of the offering size, which create a short position. Stabilizing transactions permit bids to purchase the Notes so long as the stabilizing bids do not exceed a specified maximum. Short-covering transactions involve purchases of the Notes in the open market after the distribution is completed to cover short positions. Penalty bids permit the underwriters to reclaim a selling concession from a dealer when the Notes originally sold by the dealer are purchased in a covering transaction to cover short positions. Those activities may cause the price of the Notes to be higher than it would otherwise be. If commenced, the underwriters may discontinue any of the activities at any time.

Item 15. Indemnification of Directors and Officers.

The Company is incorporated under the laws of the State of Delaware. Section 145 (Section 145) of the Delaware General Corporation Law, as the same exists or may hereafter be amended (the DGCL), provides that a Delaware corporation may indemnify any persons who were, are or are threatened to be made, parties to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation s best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was illegal. A Delaware corporation may indemnify any persons who are, were or are threatened to be made, a party to any threatened, pending or completed action or suit by or in the right of the corporation by reasons of the fact that such person was a director, officer, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation s best interests, provided that no indemnification is permitted without judicial approval if the officer, director, employee or agent is adjudged to be liable to the corporation. Where an officer, director, employee or agent is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him against the expenses which such officer or director has actually and reasonably incurred.

Section 145 further authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against any liability asserted against him and incurred by him in any such capacity, arising out of his status as such, whether or not the corporation would otherwise have the power to indemnify him under Section 145.

Article Eighth of NIC's certificate of incorporation includes a provision which eliminates directors' personal liability to the fullest extent permitted under the DGCL. Under Article Ninth of NIC's certificate of incorporation and Article XII of its by-laws, as amended, NIC shall indemnify any person who was or is made a party or is threatened to be made party to or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a director or officer of NIC (including any predecessor corporation of NIC), or is or was serving at the request of NIC as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, against all expenses, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid in settlement) reasonably incurred or suffered by such person in connection therewith to the fullest extent authorized by the DGCL. Such right of indemnification shall be a contract right and shall not be exclusive of any other right which such directors, officers or representatives may have or hereafter acquire under any statute, NIC's certificate of incorporation, NIC's by-laws, agreement, vote of stockholders or disinterested directors or otherwise. NIC also maintains a policy of directors and officers liability insurance covering certain liabilities incurred by its directors and officers in connection with the performance of their duties.

The foregoing statements are subject to the detailed provisions of the DGCL and the certificate of incorporation and bylaws of NIC.

Item 16. Exhibits.

Reference is made to the attached Exhibit Index, which is incorporated herein by reference.

Item 17. Undertakings.

(a) Each of the undersigned registrants hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and

contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was deemed effective.

- (3) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (4) That, for the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (5) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (6) That, for the purpose of determining liability under the Securities Act to any purchaser:
 - (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.
- (7) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
 - (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

- (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

- (b) Each of the undersigned registrants hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of such annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions referred to in Item 15, or otherwise, each of the registrants has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by such registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, such registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

- (d) Each of the undersigned registrants hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act of 1939 in accordance with the rules and regulations prescribed by the SEC under Section 305(b)(2) of the Trust Indenture Act of 1939.
