Mr. Mikuen owns shares of the Registrant's Common Stock and options to purchase shares of the Registrant's Common Stock.

**Item 6. Indemnification of Directors and Officers.**

Section 145 of the Delaware General Corporation Law ( DGCL ) permits a corporation to indemnify any person who was or is, or is threatened to be made, a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

This power to indemnify applies to actions brought by or in the right of the corporation to procure a judgment in its favor as well, but only to the extent of expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense of the action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and with the further limitation that in such actions no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Delaware Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Delaware Court of Chancery or such other court shall deem proper.

Where a present or former director or officer has been successful on the merits or otherwise in the defense of any action, suit or proceeding referred to in the prior paragraphs, the corporation must indemnify him or her against the expenses (including attorneys' fees) which he or she actually and reasonably incurred in connection therewith.

The Registrant's By-Laws provide for indemnification of (among others) the Registrant's current and former directors and officers to the full extent permitted by law. The Registrant's By-Laws also provide that expenses (including attorneys' fees) incurred by any such person in defending actions, suits or proceedings shall be paid or reimbursed by the Registrant promptly upon demand by such person and, if any such demand is made in advance of the final disposition of any such action, suit or proceeding, promptly upon receipt by the Registrant of an undertaking of such person to repay such expenses if it shall ultimately be determined that such person is not entitled to be indemnified by the Registrant.

As permitted by Section 102(b)(7) of the DGCL, the Registrant's Restated Certificate of Incorporation provides that its directors will not be personally liable to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (a) for any breach of the director's duty of loyalty to the Registrant or its stockholders, (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (c) under Section 174 of the DGCL, which concerns unlawful payment of dividends, stock purchases or redemptions or (d) for any transaction from which the director derived an improper personal benefit.

While the Restated Certificate of Incorporation provides directors with protection from awards for monetary damages for breaches of their duty of care, it does not eliminate that duty. Accordingly, the Restated Certificate of

Incorporation will have no effect on the availability of equitable remedies such as an injunction or rescission based on a director's breach of his or her duty of care. The provisions described in the preceding paragraph apply to an officer of the Registrant only if he or she is a director of the Registrant and is acting in his or her capacity as a director, and do not apply to officers of the Registrant who are not directors.

As permitted by the DGCL, the Registrant maintains officers' and directors' liability insurance that insures against claims and liabilities (with stated exceptions) that officers and directors of the Registrant may incur in such capacities. In addition, the Registrant has entered into indemnification agreements with each of the directors and executive officers pursuant to which each director and executive officer is entitled to be indemnified to the extent of the highest and most advantageous to such officer or director, as determined by the officer or director, of one or any combination of the following: (a) benefits provided by the Registrant's Certificate of Incorporation or By-Laws in effect on the date of the indemnification agreement or at the time indemnification is sought or expenses are incurred by such officer or director; (b) benefits allowable under Delaware law in effect on the date of the indemnification agreement or the law of the jurisdiction under which the Registrant exists at the time indemnification is sought or expenses are incurred by such officer or director; (c) benefits available under liability insurance obtained by the Registrant; and (d) such other benefits as may be otherwise available to such officer or director under then existing practices of the Registrant.

The foregoing summaries are subject to the complete text of the DGCL and the Registrant's Restated Certificate of Incorporation, By-Laws and the other arrangements referred to above and are qualified in their entirety by reference thereto.

**Item 8. Exhibits.**

The Exhibits accompanying this Registration Statement are listed on the accompanying Exhibit Index.

**Item 9. Undertakings.**

The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
  - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
  - (ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) under the Securities Act if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in this Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
  
- (4) That, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
  
- (5) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
