Re: Atypical trading in shares

Dear Sir,

In view of the most recent variations in the prices of your company's shares, the number of trades and volume traded, as set out below, we request you to inform us, by 9 a.m. on June 25, 2015, whether there is any fact you are aware of that could be the reason for this.

Reply by CEMIG

Dear Sirs,

In compliance with the request made by BM&FBovespa, we would explain that the Company's understanding is that the movements in the prices of the company's shares may have been due to the outcome of the judgment, which took place today and is public knowledge, on the application for an order of mandamus relating to the Jaguara Hydroelectric Plant, and resulted in the publication of the Material Announcement transcribed on the next page:

MATERIAL ANNOUNCEMENT

Judgment given on Jaguará Plant mandamus case

In accordance with CVM Instruction 358 of January 3, 2002, as amended, **Cemig** (Companhia Energética de Minas Gerais), a listed company with securities traded on the stock exchanges of São Paulo, New York and Madrid, **hereby informs** the Brazilian Securities Commission (CVM), the São Paulo Stock Exchange (BM&F Bovespa S.A.) and the market in general, **as follows:**

*The Higher Appeal Court (Superior Tribunal de Justiça – STJ) has given **judgment** on the Application (Nº 20.432/DF) made by **Cemig**’s wholly-owned subsidiary **Cemig Geração e Transmissão S.A. (Cemig GT)** for an order of mandamus to annul the decision in which the Mining and Energy Ministry, by its dispatch of August 23, 2013, refused, on its merits, the application by Cemig GT for extension of its period of concession to operate the **Jaguará Hydroelectric Plant**, under the terms of its Concession Contract Nº 007/97.*

At the Court’s session of June 24, 2015, Justice Assusete Magalhães, who had asked for full sight of the papers in the case at the judgment session of December 10, 2014, voted to refuse Cemig GT’s application for an order of mandamus. Following this, Justice Sérgio Kukina then also gave his judgment vote, which was against grant of the order of mandamus. As a result, the decision of the Court is to reject the application by Cemig GT, by a majority of 6 votes to 2. Previously judgment votes had been given by Justices Ari Pargendler, Herman Benjamin, Mauro Campbell and Benedito Gonçalves, against grant of the order of mandamus; and by Justices Arnaldo Esteves Lima and Napoleão Nunes Maia, in favor of granting the order.

The Company respects the decision of the Higher Appeal Court, and awaits publication of the result of the judgment to take any further legal steps that are appropriate.

Cemig will give its stockholders and the market timely updates on the progress of this case.

The file to be sent should contain the question that is asked above, preceding your company's reply.

Reply by CEMIG

Dear Sirs,

We believe this news report arises from publication, in the Material Announcement of June 24, 2015, of the result of the judgment given by the Higher Appeal Court (*Superior Tribunal de Justiça* - STJ), on the Application for Mandamus N° 20.432/DF made by our wholly-owned subsidiary Cemig Geração e Transmissão S.A. (**Cemig GT**).

As stated in the Material Announcement published to the market, the Higher Appeal Court decided, by the judgment of six justices against and two in favor, to refuse the application for mandamus, brought by Cemig GT for the purpose of extension of the period of its concession to operate the Jaguara Hydroelectric Plant in accordance with its Concession Contract N° 007/97.

The company is confident that it has the right to renewal of the concession for the plant in the terms of its Concession Contract N° 007/97; it is awaiting publication of the result of the judgment before taking the appropriate legal measures, and will keep its stockholders and the public timely and appropriately informed on the progress of this case.

The company is aware of the risks to which it is exposed, and has been taking steps to ensure its economic and financial equilibrium in the event of not being successful.

Court decision in São Simão Plant mandamus case

In accordance with CVM Instruction 358 of January 3, 2002, as amended, Cemig (*Companhia Energética de Minas Gerais*), a listed company with securities traded on the stock exchanges of São Paulo, New York and Madrid, hereby informs the Brazilian Securities Commission (CVM), the São Paulo Stock Exchange (BM&F Bovespa S.A.) and the market in general, as follows:

The Higher Appeal Court (*Superior Tribunal de Justiça* – STJ) has given judgment on Application for Mandamus N° 21.465/DF made by **Cemig**’s wholly-owned subsidiary **Cemig Geração e Transmissão S.A.** (**Cemig GT**), which sought annulment of the decision in which the Mining and Energy Ministry, by its dispatch published August 29, 2014, refused, on merits, Cemig GT’s application for extension of its period of concession to operate the **São Simão Hydroelectric Plant**, under the terms of Cemig GT’s Concession Contract N° 007/97.

Cemig GT made this Application (N° 21.465/DF) to the STJ on December 15, 2014, and Justice Mauro Campbell granted an interim injunction enabling Cemig GT to continue to operate the concession. This grant was conditional upon the outcome of judgment in Application for Mandamus N° 20.432/DF, in which Cemig GT claimed the same rights in relation to the **Jaguara** Hydroelectric Plant.

Following the judgment in Application 20.432/DF, in which the STJ refused the application in relation to the Jaguara Plant, Justice Mauro Campbell has now revoked the interim injunction which had been granted in Application 21.465/DF (in relation to the São Simão Plant). The decision was published on today’s date (June 30, 2015).

The Company respects the decision of the Higher Appeal Court, and is considering such legal steps as are appropriate. Cemig will keep its stockholders and the market appropriately informed on the progress of this case.
