Item 7.01. Regulation FD Disclosure.

On September 28, 2015, The Williams Companies, Inc. (Williams) entered into an Agreement and Plan of Merger (the Merger Agreement) with Energy Transfer Equity, L.P. (Energy Transfer), Energy Transfer Corp LP (ETC), ETE Corp GP, LLC (ETC GP), LE GP, LLC (LE) and Energy Transfer Equity GP, LLC (ETE GP and, together with Energy Transfer, ETC, ETC GP and LE, the ETE Parties). Pursuant to the Merger Agreement, Williams will be merged with and into ETC, a newly formed partnership that will be treated as a corporation for federal income tax purposes, with ETC being the surviving entity (the Merger) and all of the outstanding common stock of Williams will be exchanged in the Merger for cash, mixed or stock consideration in ETC, and following the Merger all of the assets of Williams will be contributed to Energy Transfer in exchange for a newly-created class of Energy Transfer Class E common units, all subject to the satisfaction or waiver of the conditions in the Merger Agreement and related transaction documents. Prior to entry into the Merger Agreement, the merger agreement, dated May 12, 2015 (the WPZ Merger Agreement), by and among Williams, Williams Partners L.P. (WPZ), WPZ GP LLC (the WPZ General Partner) and SCMS LLC, was terminated and the WPZ General Partner executed Amendment No. 6 to the First Amended and Restated Agreement of Limited Partnership of WPZ, pursuant to which the WPZ General Partner waived a portion of the quarterly incentive distributions the WPZ General Partner is entitled to receive from WPZ (in an aggregate amount of \$428 million, but in no circumstances more than \$209 million per quarter).

On September 28, 2015, Williams and Energy Transfer issued a joint press release in connection with their entry into the Merger Agreement. The press release is attached hereto as Exhibit 99.1 and is incorporated herein in its entirety by reference.

Item 8.01. Other Events.

To the extent required, the information included in Item 7.01 of this Form 8-K is incorporated into this Item 8.01 by reference.

NO OFFER OR SOLICITATION

This document shall not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offering of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the U.S. Securities Act of 1933, as amended.

ADDITIONAL INFORMATION AND WHERE TO FIND IT

The proposed transaction involving Energy Transfer and Williams will be submitted to Williams stockholders for their consideration. In connection with the proposed transaction, ETC, Energy Transfer and Williams will prepare a registration statement on Form S-4 that will include a joint proxy statement/prospectus for Williams stockholders to be filed with the Securities and Exchange Commission (SEC), and Williams will mail the joint proxy statement/prospectus to its stockholders and file other documents regarding the proposed transaction with the SEC. This document is not intended to be, and is not, a substitute for such filings or for any other document that ETC, Energy Transfer or Williams may file with the SEC in connection with the proposed transaction. SECURITY HOLDERS ARE URGED TO CAREFULLY READ ALL RELEVANT DOCUMENTS FILED WITH THE SEC, INCLUDING THE REGISTRATION STATEMENT ON FORM S-4 AND THE JOINT PROXY STATEMENT/PROSPECTUS, WHEN THEY BECOME AVAILABLE, BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION. The registration statement, the joint proxy statement/prospectus and other relevant materials (when they become available) and any other documents filed or furnished by ETC, Energy Transfer or Williams with the SEC may be obtained free of charge at the SEC s website at www.sec.gov. In addition, security holders will be able to obtain free copies of the registration statement and the joint proxy statement/prospectus from

Energy Transfer by going to its investor relations page on its corporate website at <http://ir.energytransfer.com> and from Williams by going to its investor relations page on its corporate website at <http://co.williams.com/investors>.

PARTICIPANTS IN THE SOLICITATION

Energy Transfer, Williams, their respective directors and certain of their respective executive officers and employees may be deemed to be participants (as defined in Schedule 14A under the Exchange Act) in respect of the proposed transaction. Information about Energy Transfer's directors and executive officers is set forth in its annual report on Form 10-K filed with the SEC on March 2, 2015, and information about Williams' directors and executive officers is set forth in its definitive proxy statement filed with the SEC on April 10, 2015. These

documents are available free of charge from the sources indicated above, and from Energy Transfer by going to its investor relations page on its corporate website at <http://ir.energytransfer.com> and from Williams by going to its investor relations page on its corporate website at <http://co.williams.com/investors>. Other information regarding the participants in the solicitation and a description of their direct and indirect interests, by security holdings or otherwise, will be contained in the registration statement, the joint proxy statement/prospectus and other relevant materials Energy Transfer and Williams file with the SEC.

FORWARD-LOOKING STATEMENTS

The reports, filings, and other public announcements of Williams may contain or incorporate by reference statements that do not directly or exclusively relate to historical facts. Such statements are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. We make these forward-looking statements in reliance on the safe harbor protections provided under the Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by various forms of words such as anticipates, believes, seeks, could, may, should, continues, estimates, expects, intends, might, goals, objectives, targets, planned, potential, projects, scheduled, will, assumes, service date or other similar expressions. These forward-looking statements are based on management's beliefs and assumptions and on information currently available to management and include, among others, statements regarding:

The status, expected timing and expected outcome of the proposed merger between Williams and Energy Transfer;

Statements regarding the proposed merger between Williams and Energy Transfer;

Our beliefs relating to value creation as a result of the proposed merger between Williams and Energy Transfer;

Benefits and synergies of the proposed merger between Williams and Energy Transfer;

Future opportunities for the combined company;

Other statements regarding Williams and Energy Transfer's future beliefs, expectations, plans, intentions, financial condition or performance;

Expected levels of cash distributions by WPZ with respect to general partner interests, incentive distribution rights and limited partner interests;

Levels of dividends to Williams stockholders;

Future credit ratings of Williams and WPZ;

Amounts and nature of future capital expenditures;

Expansion and growth of our business and operations;

Financial condition and liquidity;

Business strategy;

Cash flow from operations or results of operations;

Seasonality of certain business components;

Natural gas, natural gas liquids, and olefins prices, supply, and demand; and

Demand for our services.

Forward-looking statements are based on numerous assumptions, uncertainties and risks that could cause future events or results to be materially different from those stated or implied in this document. Many of the factors that will determine these results are beyond our ability to control or predict. Specific factors that could cause actual results to differ from results contemplated by the forward-looking statements include, among others, the following:

Satisfaction of the conditions to the completion of the proposed merger between Williams and Energy Transfer, including receipt of the approval of Williams stockholders;

The timing and likelihood of completion of the proposed merger between Williams and Energy Transfer, including the timing, receipt and terms and conditions of any required governmental and regulatory approvals for the proposed merger that could reduce anticipated benefits or cause the parties to abandon the proposed transaction;

The possibility that the expected synergies and value creation from the proposed merger between Williams and Energy Transfer will not be realized or will not be realized within the expected time period;

The risk that the businesses of Williams and Energy Transfer will not be integrated successfully;

Disruption from the proposed merger between Williams and Energy Transfer making it more difficult to maintain business and operational relationships;

The risk that unexpected costs will be incurred in connection with the proposed merger between Williams and Energy Transfer;

The possibility that the proposed merger between Williams and Energy Transfer does not close, including due to the failure to satisfy the closing conditions;

Whether WPZ will produce sufficient cash flows to provide the level of cash distributions we expect;

Whether Williams is able to pay current and expected levels of dividends;

Availability of supplies, market demand and volatility of prices;

Inflation, interest rates, fluctuation in foreign exchange rates and general economic conditions (including future disruptions and volatility in the global credit markets and the impact of these events on customers and suppliers);

The strength and financial resources of our competitors and the effects of competition;

Whether we are able to successfully identify, evaluate and execute investment opportunities;

Our ability to acquire new businesses and assets and successfully integrate those operations and assets into our existing businesses as well as successfully expand our facilities;

Development of alternative energy sources;

The impact of operational and developmental hazards and unforeseen interruptions;

Costs of, changes in, or the results of laws, government regulations (including safety and environmental regulations), environmental liabilities, litigation, and rate proceedings;

Williams' costs and funding obligations for defined benefit pension plans and other postretirement benefit plans;

WPZ's allocated costs for defined benefit pension plans and other postretirement benefit plans sponsored by its affiliates;

Changes in maintenance and construction costs;

Changes in the current geopolitical situation;

Our exposure to the credit risk of our customers and counterparties;

Risks related to financing, including restrictions stemming from debt agreements, future changes in credit ratings as determined by nationally-recognized credit rating agencies and the availability and cost of capital;

The amount of cash distributions from and capital requirements of our investments and joint ventures in which we participate;

Risks associated with weather and natural phenomena, including climate conditions;

Acts of terrorism, including cybersecurity threats and related disruptions; and

Additional risks described in our filings with the SEC.

Given the uncertainties and risk factors that could cause our actual results to differ materially from those contained in any forward-looking statement, we caution investors not to unduly rely on our forward-looking statements. We disclaim any obligations to and do not intend to update the above list or announce publicly the result of any revisions to any of the forward-looking statements to reflect future events or developments.

In addition to causing our actual results to differ, the factors listed above may cause our intentions to change from those statements of intention set forth in this document. Such changes in our intentions may also cause our results to differ. We may change our intentions, at any time and without notice, based upon changes in such factors, our assumptions, or otherwise.

Investors are urged to closely consider the disclosures and risk factors in Williams' annual report on Form 10-K filed with the SEC on February 25, 2015, and each of its quarterly reports on Form 10-Q available from its offices or from its website at <http://co.williams.com/investors>, as well as in Energy Transfer's annual report on Form 10-K filed with the SEC on March 2, 2015, and each of its quarterly reports on Form 10-Q available from its offices or from its website at <http://ir.energytransfer.com>.
