**PROXY STATEMENT**

**FOR THE 2019 ANNUAL MEETING OF STOCKHOLDERS**

**To Be Held On May 15, 2019 at 10:00 a.m., Eastern Daylight Time**

**QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING**

**Why am I receiving these materials?**

The Board of Directors (the Board) of The ExOne Company (we, the Company, or ExOne) is soliciting your proxy to vote at the 2019 Annual Meeting of Stockholders (the Annual Meeting) to be held on May 15, 2019 at 10:00 a.m., Eastern Daylight Time, at ExOne's principal executive offices, 127 Industry Boulevard, North Huntingdon, Pennsylvania 15642.

You are invited to attend the Annual Meeting to vote on the proposals described in this Proxy Statement. However, you do not need to attend the meeting to vote your shares. If you are a registered holder, you may vote by telephone, over the Internet or by completing, signing and returning a proxy card to Broadridge by following the instructions on the card. If you hold your shares through a broker, bank or other nominee, you will receive voting instructions from your broker, bank or other nominee. Please follow the instructions that you receive to vote your shares.

We intend to mail to all stockholders of record entitled to vote at the Annual Meeting either the Internet Notice or a full set paper copy of this Proxy Statement, together with our 2018 Annual Report, the Notice of Annual Meeting and the accompanying proxy card on or about April 4, 2019.

Copies of our 2018 Annual Report furnished to our stockholders do not contain copies of exhibits to our Annual Report on Form 10-K for the year ended December 31, 2018. You can obtain copies of these exhibits electronically at the website of the Securities and Exchange Commission (the SEC) at [www.sec.gov](http://www.sec.gov) or by mail from the Public Reference Section of the SEC at 100 F Street, N.E., Washington, D.C. 20549 at prescribed rates. Copies of the exhibits are also available as part of the Form 10-K for the year ended December 31, 2018 which can be accessed on ExOne's corporate website at [www.exone.com](http://www.exone.com). Stockholders may also obtain copies of exhibits without charge by contacting our General Counsel and Corporate Secretary at (724) 863-9663.

We will also post this Proxy Statement, our 2018 Annual Report and the Notice of Annual Meeting on the Internet at [HTTP://WWW.PROXYVOTE.COM](http://WWW.PROXYVOTE.COM) on or about April 4, 2019, which you may access using your 16-digit control number.

**Why did I receive an Internet Notice in the mail regarding the Internet availability of proxy materials instead of a full set paper copy of this Proxy Statement, the 2018 Annual Report and the Notice of Annual Meeting?**

We are taking advantage of an SEC rule that allows companies to furnish their proxy materials over the Internet rather than in paper form. This rule allows a company to send some or all of its stockholders the Internet Notice. Instructions on how to access the proxy materials over the Internet or how to request a paper copy of proxy materials may be found in the Internet Notice.

## **Table of Contents**

If you would prefer to receive proxy materials (including a proxy card) in printed form by mail or electronically by email, please follow the instructions contained in the Internet Notice.

### **Why didn't I receive an Internet Notice in the mail regarding the Internet availability of proxy materials?**

The SEC rule that allows us to furnish our proxy materials over the Internet rather than in paper form does not require us to do so for all stockholders. We may choose to send certain stockholders the Internet Notice, while sending other stockholders a full set paper copy of our Proxy Statement, 2018 Annual Report, Notice of Annual Meeting and proxy card.

### **Who can vote at the Annual Meeting and when is the Record Date?**

Only stockholders of record at the close of business on March 18, 2019 are entitled to vote at the Annual Meeting. On the record date, there were 16,341,278 shares of Common Stock outstanding. All holders of these outstanding shares are entitled to one vote for each share of Common Stock held by them as of the close of business on March 18, 2019 for each matter to be voted on at the Annual Meeting.

### **How can I access the proxy materials over the Internet?**

An electronic copy of this Proxy Statement, the 2018 Annual Report and the Notice of Annual Meeting are available with your 16-digit control number at [HTTP://WWW.PROXYVOTE.COM](http://www.proxyvote.com).

### **What proposals are being considered?**

There are five matters scheduled for a vote at the Annual Meeting:

*Proposal No. 1:* Election of the seven (7) nominees to the Board identified in Proposal No. 1, each for a term that expires at the 2020 Annual Meeting of Stockholders.

*Proposal No. 2:* Ratification of the appointment of Schneider Downs & Co., Inc. as ExOne's independent registered public accounting firm for the year ending December 31, 2019.

*Proposal No. 3:* Approval of Amendment to Certificate of Incorporation to allow for stockholder removal of directors either with or without cause.

*Proposal No. 4:* Approval, on a non-binding advisory basis, of the compensation paid to the Company's named executive officers in 2018.

*Proposal No. 5:* Approval, on a non-binding advisory basis, of the frequency of future advisory votes on the compensation paid to named executive officers.

### **How do I vote?**

For Proposal No. 1, you may vote **For** or **Against** each director nominee or you may **Abstain** from voting for any nominee. For Proposal Nos. 2, 3 and 4, you may vote **For** or **Against** each proposal, or **Abstain** from voting on such proposal. For Proposal No. 5, you may vote for **1 Year**, **Years**, or **3 Years**, or **Abstain** from voting on the proposal.

**Stockholder of Record (Shares Registered in Your Name)** If on March 18, 2019, your shares were registered directly in your name with ExOne's transfer agent, American Stock Transfer & Trust, LLP, then you are a stockholder of record with respect to those shares.

## Edgar Filing: ExOne Co - Form DEF 14A

As a stockholder of record, you may vote by proxy by telephone, over the Internet or by returning a proxy card, or you may vote in person at the Annual Meeting. Regardless of whether you plan to attend the meeting, we

---

## **Table of Contents**

urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

If you received your proxy materials in the mail, you may vote your shares by proxy over the Internet, by telephone or by returning your proxy card by mail in the envelope provided. Instructions to vote over the Internet or by telephone are printed on your proxy card. To vote using the proxy card, please complete, sign and date the enclosed proxy card and return it promptly to us. If you vote by proxy by telephone, over the Internet or by returning your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

To vote in person, please come to the Annual Meeting and we will give you a ballot when you arrive.

**Beneficial Owner (Shares Registered in the Name of a Broker, Bank or Other Nominee)** If on March 18, 2019, your shares were held in an account at a broker, bank, or other similar organization as your nominee, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting.

As a beneficial owner, you have the right to direct that organization on how to vote the shares in your account. Please refer to the voting instructions provided by your broker, bank or other nominee. Many organizations allow beneficial owners to give voting instructions via telephone or the Internet, as well as in writing. You also are invited to attend the Annual Meeting, but you will need to bring a copy of a brokerage statement reflecting stock ownership as of March 18, 2019. Because you are not the stockholder of record, you may not vote your shares in person at the meeting unless you provide a valid proxy (sometimes referred to as a legal proxy) from your broker, bank or other nominee.

### **How many votes do I have?**

You have one vote for each share of Common Stock you own as of the close of business on March 18, 2019 for each matter to be voted on at the Annual Meeting. You may vote on each proposal presented for consideration at the Annual Meeting. There are no cumulative voting rights with respect to our Common Stock.

### **What if I return a proxy card but do not make specific choices?**

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted **For** the election of each of the seven (7) nominees for director, **For** ratification of Schneider Downs & Co., Inc. as our independent registered public accounting firm for the year ending December 31, 2019, **For** the approval of the amendment to the Certificate of Incorporation, and **For** the approval of the compensation paid to the Company's named executive officers in 2018. With respect to Proposal No. 5, if your card is signed but a choice is not marked, the shares will be voted for the frequency of **1 Year** for future advisory votes on compensation paid to the named executive officers. If any other matter is properly presented at the meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

### **What do I need to do to attend the Annual Meeting in person?**

Space for the Annual Meeting is limited. Therefore, admission will be on a first-come, first-served basis. Registration will open at 9:45 a.m. Eastern Daylight Time, and the Annual Meeting will begin at 10:00 a.m. Each stockholder should be prepared to present:

1. Valid government issued photo identification, such as a driver's license or passport; and
2. Beneficial owners holding their shares through a broker, bank or other nominee will need to bring proof of beneficial ownership as of March 18, 2019, the record date, such as their most recent account statement reflecting their stock ownership prior to March 18, 2019, a copy of the voting instruction card provided by their broker, bank or other nominee, or similar evidence of ownership.

## **Table of Contents**

Use of cameras, recording devices, computers and other electronic devices, such as smart phones and tablets, are not permitted at the Annual Meeting. Photography and video are prohibited at the Annual Meeting.

Please allow ample time for check-in. Please note that large bags and packages are not allowed at the Annual Meeting. Persons may be subject to search.

### **Who is paying for this proxy solicitation?**

ExOne will pay for the entire cost of soliciting proxies. In addition to ExOne mailing these proxy materials, ExOne's directors and employees also may solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. ExOne may reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

### **What does it mean if I receive more than one set of proxy materials?**

If you receive more than one set of proxy materials (including multiple Internet Notices or multiple copies of this Proxy Statement, Notice of Annual Meeting and proxy card), your shares are registered in more than one name or are registered in different accounts. Please make sure that you vote all of your shares by following the directions on each Internet Notice or proxy card.

### **Can I change my vote after submitting my proxy?**

Yes. You can change your vote at any time before the final vote at the meeting.

If you are a stockholder of record, you may change your vote in any one of the following ways:

You may submit another properly completed proxy (including by telephone or over the Internet) with a later date.

You may send a written notice that you are revoking your proxy to our Corporate Secretary at The ExOne Company, 127 Industry Boulevard, North Huntingdon, Pennsylvania 15642.

You may attend the Annual Meeting and vote in person by ballot. Simply attending the meeting will not, by itself, revoke your proxy. If you are a beneficial owner of shares held in street name, you may change your vote in any one of the following ways:

You may submit new voting instructions to your broker, bank or other nominee.

If you have obtained a legal proxy from the broker, bank or other nominee that holds your shares giving you the right to vote the shares, by attending the Annual Meeting and voting in person.

### **How many votes are needed to approve each proposal?**

*Proposal No. 1.* Directors will be elected by the vote of a majority of the shares cast with respect to the director at the Annual Meeting. This means that the number of votes cast **For** a director's election must exceed the number of votes cast **Against** that director's election. Stockholders may not cumulate votes in the election of directors.

*Proposal No. 2.* Ratification of the appointment of Schneider Downs & Co., Inc. as ExOne's independent registered public accounting firm for the year ending December 31, 2019 requires the affirmative vote of a majority of the shares represented at the Annual Meeting and entitled to vote on this matter.

## **Table of Contents**

*Proposal No. 3.* Approval of the amendment to the Certificate of Incorporation requires the affirmative vote of at least 75% of the voting power of all outstanding shares of capital stock of the Company generally entitled to vote in the election of directors, voting together as a single class.

*Proposal No. 4.* Advisory approval of the compensation paid to the Company's named executive officers in 2018 requires the affirmative vote of a majority of the shares represented at the Annual Meeting and entitled to vote on this matter.

*Proposal No. 5.* For the advisory approval of the frequency of future advisory votes on the compensation paid to named executive officers, the frequency (1, 2 or 3 years) receiving the most votes will be deemed the preference of the stockholders.

### **How are votes counted?**

We have designated a representative of Broadridge Financial Services as the inspector of elections who will validate the votes.

With respect to Proposal No. 1, the inspector of elections will count **For** votes and **Against** votes. Abstentions and broker non-votes will not be counted as having been voted on the proposal, nor will they affect the outcome of this proposal.

With respect to Proposal No. 2, the inspector of elections will count separately **For**, **Against** and **Abstain** votes and broker non-votes. **Abstain** votes will be counted towards the vote total for the proposal, and will have the same effect as **Against** votes. Because broker non-votes are not deemed to be votes entitled to be cast on the matter, they will not affect the outcome of this proposal.

With respect to Proposal No. 3, the inspector of elections will count separately **For**, **Against** and **Abstain** votes and broker non-votes. In accordance with Delaware law, only votes cast for a matter constitute affirmative votes. Accordingly, abstentions and broker non-votes will have the same effect as an **Against** vote on this proposal.

With respect to Proposal No. 4, the inspector of elections will count separately **For**, **Against** and **Abstain** votes and broker non-votes. **Abstain** votes will be counted towards the vote total for the proposal, and will have the same effect as **Against** votes. Because broker non-votes are not deemed to be votes entitled to be cast on the matter, they will not affect the outcome of this proposal.

With respect to Proposal No. 5, the inspector of elections will count separately **1 Year**, **2 Years** and **3 Years** votes. Because the frequency (1 Year, 2 Years or 3 Years) receiving the most votes will be deemed the preference of the stockholders, abstentions and broker non-votes will not affect the outcome of this proposal.

### **What is a broker non-vote ?**

If your shares are held by your broker, bank or other similar organization as your nominee (that is, in street name), you will need to follow the voting instructions provided by that organization on how to vote your shares. If you do not provide voting instructions, your shares may constitute broker non-votes. Generally, broker non-votes occur on a matter when a broker, bank or other nominee is not permitted to vote on that matter, including the election of directors, without instructions from the beneficial owner and instructions are not given.

In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal. Thus, while broker non-votes will be counted as present for the purpose of determining the presence of a quorum at the meeting, broker non-votes will **not** affect the outcome on Proposals No. 1, 2, 4 and 5. Because Proposal No. 3 requires the affirmative vote of at least 75% of the voting power of all outstanding shares of capital stock of the Company, broker non-votes will have the same effect as an **Against** vote on that proposal.

## **Table of Contents**

### **What are the Board's voting recommendations?**

*Proposal No. 1:* **For** election of each of the seven (7) nominees to the Board.

*Proposal No. 2:* **For** ratification of the appointment of Schneider Downs & Co., Inc. as ExOne's independent registered public accounting firm for the year ending December 31, 2019.

*Proposal No. 3:* **For** approval of the amendment to the Certificate of Incorporation.

*Proposal No. 4:* **For** the non-binding approval of the compensation paid to the Company's named executive officers in 2018, as reported in this Proxy Statement.

*Proposal No. 5:* For approval of the frequency of **1 Year** for future advisory votes on compensation paid to named executive officers.

### **What is the quorum requirement?**

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if a majority of all outstanding shares entitled to vote is represented by stockholders present at the meeting or represented by proxy. On the record date, there were 16,341,278 shares of Common Stock outstanding and entitled to vote. This means that at least 8,170,640 shares must be represented by stockholders present at the meeting or represented by proxy to have a quorum. Your shares will be counted towards the quorum if you submit a valid proxy or vote at the meeting.

### **How can I find out the results of the voting at the Annual Meeting?**

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a Current Report on Form 8-K filed with the SEC within four business days following the Annual Meeting. In the event we are unable to obtain the final voting results within four business days, we will file the preliminary voting results in a Current Report on Form 8-K within four business days following the Annual Meeting, and will file an amended Current Report on Form 8-K with the final voting results within four business days after the final voting results are known.

### **How can stockholders submit a proposal for inclusion in our Proxy Statement for the 2020 Annual Meeting of Stockholders?**

Our 2020 Annual Meeting of Stockholders will be held on May 13, 2020 at 10:00 a.m. To be included in our Proxy Statement for the 2020 Annual Meeting of Stockholders, stockholder proposals must comply with the requirements of Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the Exchange Act). To be eligible for inclusion, such proposals must be received by ExOne by December 6, 2019, which is at least 120 calendar days before the anniversary date of the release of ExOne's Proxy Statement to stockholders in connection with the previous year's annual meeting.

### **How can stockholders submit nominations of persons for election to the Board or proposals of business to be transacted by the stockholders for the 2020 Annual Meeting of Stockholders?**

With respect to any other business that the stockholder proposes, the stockholder notice must contain a brief description of such business, the reasons for conducting such business at the meeting, any personal or other direct or indirect material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made, and certain other information specified in our Bylaws.

If you wish to bring a stockholder proposal or nominate a candidate for director, you are advised to review our Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

If a stockholder wishes only to recommend a candidate for consideration by the Nominating and Governance Committee as a potential nominee for director, see the procedures discussed in *Corporate Governance - Nominating and Governance Committee*.

### **What are the implications of being a smaller reporting company ?**

Following the SEC's recent amendment to the definition of smaller reporting company in Rule 12b-2 of the Exchange Act, which was effective on September 10, 2018, we qualify as a smaller reporting company and may take advantage of the scaled disclosure requirements applicable to smaller reporting companies. Many of the same reduced reporting requirements previously available to us as an emerging growth company are now available to us as a smaller reporting company, in addition to others.

**PROPOSAL NO. 1 ELECTION OF DIRECTORS**

**General**

This year, the Nominating and Governance Committee has selected seven (7) nominees for election to the Board for consideration at the Annual Meeting; our Board has approved the nominees. All nominees are current members of the Board. Each nominee elected as a director at the Annual Meeting will continue to serve until the 2020 Annual Meeting of Stockholders, until his or her successor has been elected or qualified, or until his or her earlier death, resignation or removal.

**Director Qualifications**

Our Nominating and Governance Committee believes each member of our Board possesses the individual qualities necessary to serve on ExOne's Board, including high personal and professional ethical standards and integrity, honesty and good values. Our directors are highly educated and have diverse backgrounds and extensive track records of success in what we believe are highly relevant positions with large international companies, firms and major private and public institutions. Our directors have each demonstrated an ability to exercise sound judgment and have exhibited a commitment of service to ExOne and to the Board, and each of our directors possesses strong communication skills. In addition, we believe that each director brings the skills, experience and perspective that, when taken as a whole, create a Board that possesses the requirements necessary to oversee ExOne's business. Each nominee's particular experience, qualifications, attributes and skills that led the Board to conclude that such nominee should serve as a director for ExOne are set forth below under *Nominees*.

**Vote Required**

Directors will be elected by the vote of a majority of the shares cast with respect to the director at the Annual Meeting. This means that the number of votes cast **For** a director's election must exceed the total number of votes cast **Against** that director's election. Stockholders may cast their votes for, against, or abstain from voting with respect to each director nominee. Abstentions and broker non-votes will not be counted as having been voted on the proposal, nor will they affect the outcome of Proposal No. 1.

If a nominee is not elected, the director shall offer to tender his or her resignation to the Board in accordance with the Bylaws. The Nominating and Governance Committee of the Board will make a recommendation to the Board as to whether to accept or reject the resignation, or whether other action should be taken. The Board will act on the Nominating and Governance Committee's recommendation and publicly disclose its decision and rationale within 90 days following the date of the certification of the election results. The director who tenders his or her resignation will not participate in the Board's decision with respect to that resignation.

The proxy holders intend to vote all proxies received by them **For** the nominees listed below unless otherwise instructed. In the event that any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who may be designated by the current Board to fill the vacancy. As of the date of this Proxy Statement, the Board is not aware that any nominee is unable or will decline to serve as a director.

**The Board Recommends a Vote FOR the Election of Each Director Nominee.**

**CORPORATE GOVERNANCE**

**Highlights of Our Corporate Governance Practices**

Our Board is committed to establishing and maintaining corporate governance policies and practices that are appropriate for a company like ExOne. Highlights of our implemented measures include:

Independent Lead Director and use of independent committees to ensure a balanced process;

Annual election of directors;

Majority voting standard for non-contested election of directors;

Supermajority of independent directors on the Board (5 out of 7 independent directors upon election at 2019 Annual Meeting);

100% independent members on Audit, Compensation and Nominating and Governance Committees;

Stock ownership and retention policy for directors and executive officers;

Anti-hedging and anti-pledging policies for directors and executive officers;

Clawback policy for restatement of financial statements;

Succession and executive talent planning at the Board level;

Ethics policy, whistleblower policy and international policies on import and export matters;

Process for review and approval of related person transactions;

Board compensation in form and amount appropriate for our size and state of development; and

Annual Board self-evaluation process.

**Structure and Size of the Board**

Our Board may establish the authorized number of directors from time-to-time by resolution, as permitted under our Bylaws. Currently, the Board has established that the Board will have seven (7) members. Our current directors, if elected at the Annual Meeting, will continue to serve until the 2020 Annual Meeting of Stockholders, until his or her successor has been elected or qualified, or until his or her earlier death, resignation or removal.

**Independence of the Board and Committees**

A majority of our directors are independent under the applicable rules of NASDAQ. The Board determined in February 2019 that Messrs. Pashke, Semple, Strome and Thiltgen, and Ms. Wachtel, each qualify as an independent director in accordance with the published listing requirements of NASDAQ.

As required by the NASDAQ rules, the Board has made a subjective determination as to each independent director that no relationships exist which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the directors reviewed and discussed information provided by the directors and ExOne with regard to each director's business and personal activities as they may relate to us and our management.

Upon the election of the directors at the 2019 Annual Meeting, we will have five (5) out of seven (7) independent directors on the Board, and each committee will have only independent members.

**Board Leadership Structure and our Independent Lead Director**

Our Bylaws give the Board the flexibility to determine whether the roles of Chief Executive Officer and Board Chairman should be held by the same person or by two separate individuals. In many situations, the Board

## **Table of Contents**

believes the combined offices of Chief Executive Officer and Chairman can provide significant benefits for our stockholders, including a unified approach to strategy and execution and a Chairman that has a pulse on the day-to-day business of the Company and therefore knowledge of the important issues to be addressed by the Board. At this time, our Nominating and Governance Committee and Board believe that combining the role of Chief Executive Officer and Chairman is appropriate because it provides the Company with a clear leadership structure, provides the Board with valuable insight into the Company's operations and strategies from management's perspective and facilitates the flow of information between management and the Board.

In June 2018, after the departure of James L. McCarley, former Chief Executive Officer of the Company, our Board appointed S. Kent Rockwell to serve as Chief Executive Officer and Chairman. As the founder of the Company and former Chief Executive Officer and Executive Chairman, the Board believes that Mr. Rockwell is uniquely positioned to continue to take the lead on strategic planning for the Company and leading the Board by setting Board agendas and leading Board meetings. In addition, in November 2018, the Board appointed Mr. John F. Hartner as the Chief Operating Officer to lead the Company's operations and business.

The Board also has elected Mr. Semple to serve as the Lead Director of our independent directors, which is an important role for our Company because he provides leadership to the Board if circumstances arise in which Mr. Rockwell (who is also a significant stockholder) may be, or may be perceived to be, in conflict with the Company. As the Lead Director, Mr. Semple also:

Presides at executive sessions of the independent directors;

Regularly meets with and assists Mr. Rockwell in preparing for meetings of the Board;

Chairs certain meetings when the Chairman is not in attendance;

Serves as a liaison between the other independent directors and Mr. Rockwell;

Guides the Board's governance processes, including annual self-evaluations, succession planning and other governance related matters;

May call meetings of the independent directors in his discretion;

Makes himself available for consultation and direct communication with our major stockholders; and

Performs any other functions as the Board may direct.

Each meeting of the Board includes a meeting of the independent directors (led by our Lead Director), which takes place without any members of management or employees present.

## **Risk Oversight Management**

Our management is responsible for the day-to-day management of the risks that we face including, without limitation, strategic, financial, operational, legal/compliance and reputational risks.

Our Board, as a whole, has responsibility for the oversight of enterprise risk management, and our Audit Committee is responsible for overseeing the process by which management assesses and manages our exposure to risk, as well as our major financial risk exposures and the steps management takes to monitor and control such exposures, based on consultation with our management and independent auditors. The Board's and Audit Committee's oversight roles are supported by management reporting processes that are designed to provide the Board and the Audit Committee insight into the identification, assessment and management of critical risks. The Board receives regular updates related to risks

and risk management.

**Information Regarding the Board and its Committees**

Our Board has established three committees: an Audit Committee, a Compensation Committee and a Nominating and Governance Committee.

**Table of Contents**

The following table provides membership information for each of the Board committees as of March 18, 2019:

Below is a description of each committee of the Board. A copy of the charter for each committee is posted on our website at [www.exone.com](http://www.exone.com) under the Corporate Governance section and within the Investor Relations section.

During 2018, the Board met nine (9) times. During that period, each director attended 75% or more of the total meetings of the Board and the committees on which he or she served.

**Audit Committee**

The Audit Committee of our Board assists the Board in overseeing:

The integrity of our financial statements;

The effectiveness of our internal control over financial reporting;

Our compliance with legal and regulatory requirements;

The independence, qualifications and performance of our independent registered public accounting firm;

Our processes and procedures relating to risk assessment and risk management; and

Review and approval of significant related person transactions.

During 2018, the Audit Committee met five (5) times. The current members of the Audit Committee are Messrs. Pashke and Strome and Ms. Wachtel, each of whom is independent for Audit Committee purposes under the rules and regulations of the SEC and the listing standards of NASDAQ. Mr. Strome currently chairs the Audit Committee.

The Board has determined that Mr. Strome is an audit committee financial expert as defined in Item 407(d)(5)(ii) of Regulation S-K and that he, therefore, also satisfies the financial sophistication requirement of the NASDAQ rules. The designation does not impose on Mr. Strome any duties, obligations or liabilities that are greater than are generally imposed on him as a member of the Audit Committee and the Board.

Reviewing and recommending for Board approval the proposals regarding say-on-pay and the frequency of the say-on-pay vote; and

Developing and recommending to the Board for approval officer succession plans and monitoring and updating such plans as needed. During 2018, the Compensation Committee met five (5) times. The current members of our Compensation Committee are Messrs. Semple and Strome and Ms. Wachtel, each of whom is independent for Compensation Committee purposes under the rules and regulations of the SEC and the listing standards of NASDAQ. Ms. Wachtel currently chairs the Compensation Committee. Each of the members also is a non-employee director within the meaning of Rule 16b-3 of the Exchange Act.

Our Chief Executive Officer does not participate in the determination of his own compensation or the compensation of directors. However, the Chief Executive Officer and the Senior Vice President - Corporate Development make recommendations to the Compensation Committee regarding the amount and form of the compensation of the other executive officers and key employees, and each participates in the Compensation Committee's deliberations about the compensation of the other executive officers and key employees.

In 2018, the Compensation Committee did not engage an independent compensation consultant to advise it.

The Compensation Committee shall have the authority to delegate any of its responsibilities, along with the authority to take action in relation to such responsibilities, to one or more subcommittees as the Compensation Committee may deem appropriate in its sole discretion. The Compensation Committee reviews its charter annually to ensure that it complies with NASDAQ listing requirements.

### **Compensation Committee Interlocks and Insider Participation**

None of Ms. Wachtel, Mr. Strome, or Mr. Semple, the current members of our Compensation Committee, has been an officer or employee of ExOne. None of our executive officers has served as a member of a compensation committee or the board of directors of any other entity that has an executive officer serving as a member of our Board or our Compensation Committee.

### **Nominating and Governance Committee**

The Nominating and Governance Committee of our Board is charged with the following responsibilities, among others:

Determining qualifications, qualities, skills, and other expertise required to be a director and developing and recommending to the Board for its approval, criteria to be considered in selecting nominees for director;

Identifying and recommending candidates to fill vacancies on the Board and for election by the stockholders;

Recommending committee assignments for directors;

Monitoring and assessing the performance of the Board and individual non-employee directors;

Reviewing compensation received by directors for service on the Board and its committees; and

Developing and recommending to the Board appropriate corporate governance policies, practices and procedures for our Company. During 2018, the Nominating and Governance Committee met four (4) times. The current members of our Nominating and Governance Committee are Messrs. Semple, Pashke and Strome, each of whom is independent under the listing standards of NASDAQ. Mr. Semple currently chairs the Nominating and Governance Committee.

### **Director Nomination Process**

The Nominating and Governance Committee believes that members of the Board should have certain minimum qualifications, including having the highest professional and personal ethics and values, broad experience at the policy-making level in business, government, education, technology or public interest, a commitment to enhancing stockholder value, and sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. The Nominating and Governance Committee also considers such other guidelines and various relevant career experience, relevant skills, financial expertise, diversity and local and community ties. While we do not maintain a formal policy requiring the consideration of diversity in identifying nominees for director, diversity is, as noted above, one of the factors our Nominating and Governance Committee considers in conducting its assessment of director nominees. We view diversity expansively to include those attributes that we believe will contribute to a Board that, through a variety of backgrounds, viewpoints, professional experiences, skills, educational experiences and other such attributes, is best able to guide ExOne and its strategic direction. Candidates for director nominees are reviewed in the context of the current make-up of the Board. The Nominating and Governance Committee will conduct any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Governance Committee meets to discuss and consider such candidates' qualifications and then selects a nominee for recommendation to the Board.

The Nominating and Governance Committee will consider director candidates recommended by stockholders, although a formal policy has not been adopted with respect to consideration of such candidates because stockholder recommendations may be informally submitted and considered by the Nominating and Governance Committee under its charter. Director candidates recommended by stockholders will be evaluated by the Nominating and Governance Committee using the same criteria as candidates identified by the Board or the Nominating and Governance Committee for consideration. If a stockholder of ExOne wishes to recommend a director candidate for consideration by the Nominating and Governance Committee, the stockholder should refer to pages 6-7 of this Proxy Statement for information regarding advance notice. The stockholder recommendation should be delivered to the Corporate Secretary of ExOne at our principal executive offices and should include:

## Edgar Filing: ExOne Co - Form DEF 14A

To the extent reasonably available, information relating to such director candidate that would be required to be disclosed in a proxy statement pursuant to Regulation 14A under the Exchange Act, in which such individual is a nominee for election to the Board;

## **Table of Contents**

The director candidate's written consent to (i) if selected, be named in ExOne's Proxy Statement and proxy; and (ii) if elected, serve on the Board; and

Any other information that such stockholder believes is relevant in considering the director candidate.

### **Code of Ethics and Business Conduct**

Our Board has adopted a code of ethics and business conduct. The code of ethics and business conduct applies to all of our employees, officers and directors. The full text of our code of ethics and business conduct is posted on our website at [www.exone.com](http://www.exone.com) under the Corporate Governance section within the Investor Relations section. We will disclose any future amendments to the code of ethics and business conduct that relate to our executive officers on our website, as well as any waivers of the code of ethics and business conduct that relate to the executive officers of ExOne.

Each such communication should set forth (i) the name and address of such stockholder, as they appear on ExOne's books, and if the stock is held by a nominee, the name and address of the beneficial owner of the stock, and (ii) the class and number of shares of ExOne's stock that are owned of record by such record holder and beneficially by such beneficial owner.

The person receiving such stockholder communication shall, in consultation with appropriate members of the Board as necessary, generally screen out communications from stockholders to identify communications that are (i) solicitations for products and services, (ii) matters of a personal nature not relevant for stockholders, or (iii) matters that are of a type that render them improper or irrelevant to the functioning of the Board and ExOne.

### **Attendance at Annual Meeting of Stockholders by the Board**

We do not have a formal policy regarding attendance by members of the Board at our Annual Meeting of Stockholders. All directors and director nominees attended the 2018 Annual Meeting of Stockholders. Directors are encouraged, but not required, to attend the 2019 Annual Meeting of Stockholders.

**Table of Contents****TRANSACTIONS WITH RELATED PERSONS****Approval of Related Person Transactions**

Under its written policy, The ExOne Company Policy and Procedures with Respect to Related Person Transactions, ExOne will enter into or ratify related person transactions involving more than \$50,000 only when the Board, acting through the Audit Committee, has determined that the transaction in question is in, or is not inconsistent with, the best interests of ExOne. Prior to entering into a related person transaction, the related person is required to provide notice to ExOne's General Counsel of the facts and circumstances of the transaction. Upon determining that the proposed transaction involves an amount greater than \$50,000 and is a related person transaction, the proposed transaction will be submitted to the Audit Committee for consideration. The Audit Committee will consider all relevant facts and circumstances and approve only those related person transactions that are in the best interests of ExOne and its stockholders.

**Related Person Transactions*****Revolving Credit Facility with LBM Holdings, LLC***

On March 12, 2018, the Company and its ExOne Americas LLC and ExOne GmbH subsidiaries, as guarantors (collectively, the Loan Parties), entered into a Credit Agreement and related ancillary agreements with LBM Holdings, LLC (LBM), a company controlled by Mr. Rockwell, who was the Executive Chairman of the Company (a related person) at such date and effective June 20, 2018, became the Chairman and Chief Executive Officer of the Company, relating to a \$15,000,000 revolving credit facility (the Credit Agreement) to provide additional funding for working capital and general corporate purposes. The Credit Agreement provides for a term of three years (through March 12, 2021) and bears interest at a rate of one month LIBOR plus an applicable margin of 500 basis points (approximately 6.7% at inception and 7.5% at December 31, 2018). The Credit Agreement requires a commitment fee of 75 basis points, or 0.75%, on the unused portion of the facility, payable monthly in arrears. In addition, an up-front commitment fee of 125 basis points, or 1.25% (approximately \$187,500), was required at closing. Borrowings under the Credit Agreement are required to be in minimum increments of \$1,000,000. The Company may terminate or reduce the credit commitment at any time during the term of the Credit Agreement without penalty. The Company may also make prepayments against outstanding borrowings under the Credit Agreement at any time without penalty. Borrowings under the Credit Agreement have been collateralized by the accounts receivable, inventories and machinery and equipment of the Loan Parties. At inception of the credit facility and at December 31, 2018, the total estimated value of collateral was in significant excess of the maximum borrowing capacity under the Credit Agreement.

The Company does not consider the Credit Agreement indicative of a fair market value lending, as LBM was determined to be a related person based on common control by Mr. Rockwell. Prior to execution, the Credit Agreement was reviewed and approved by the Audit Committee, in accordance with The ExOne Company Policy and Procedures with Respect to Related Person Transactions, and subsequently by a sub-committee of independent members of the Board. At the time of execution of the Credit Agreement, the \$15,000,000 in available loan proceeds were deposited into an escrow account with an unrelated, third party financial institution acting as escrow agent pursuant to a separate Escrow Agreement by and among the parties. Loan proceeds held in escrow are available to the Company upon its submission to the escrow agent of a loan request. Such proceeds will not be available to LBM until payment in-full of the obligations under the Credit Agreement and termination of the Credit Agreement. Payments of principal and other obligations will be made to the escrow agent, while interest payments will be made directly to LBM. Provided there exists no potential default or event of default, the Credit Agreement and Escrow Agreement prohibit any acceleration of repayment of any amount outstanding under the Credit Agreement and prohibit termination of the Credit Agreement or withdrawal from escrow of any unused portion of the Credit Agreement.

There have been no borrowings under the Credit Agreement from March 12, 2018 (inception) through December 31, 2018. During the period from March 12, 2018 (inception) through December 31, 2018, in addition to the approximately \$187,500 that the Company paid at inception for the up-front commitment fee, the Company incurred approximately \$90,000 in commitment fees on the unused portion of the credit facility, of which \$80,000 was paid at December 31, 2018. The remaining amount payable at December 31, 2018 was subsequently paid by the Company in January 2019.

As of December 31, 2018, each of Messrs. Irvin, Pashke, Semple and Strome and Ms. Wachtel owned 5,000 shares of unvested restricted stock, and Mr. Thiltgen owned 2,500 shares of unvested restricted stock.

**Stock Ownership and Retention Policy**

The Compensation Committee has adopted a stock ownership and retention policy that requires our directors to retain 50% of all shares received on the vesting of equity awards (net of any shares withheld or sold to pay exercise price or taxes). All shares must be retained for a period of at least one year after vesting. Once the one-year period has ended, directors may sell shares so long as the director holds 50% of all shares

received in the vesting of the equity award and a total minimum value equal to two times such director's annual retainer.

**PROPOSAL NO. 2 RATIFICATION OF APPOINTMENT OF  
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board has selected Schneider Downs & Co., Inc. as our independent registered public accounting firm for the year ending December 31, 2019, and has further directed that management submit the appointment of the independent registered public accounting firm for ratification by the stockholders at the Annual Meeting.

Representatives of Schneider Downs & Co., Inc. are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our Bylaws nor other governing documents or law require stockholder ratification of the appointment of Schneider Downs & Co., Inc. as our independent registered public accounting firm. However, the Board is submitting the appointment of Schneider Downs & Co., Inc. to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain that firm. Even if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of ExOne and our stockholders.

**Vote Required**

Ratification of the appointment of Schneider Downs & Co., Inc. as ExOne's independent registered public accounting firm for the year ending December 31, 2019, requires the affirmative vote of a majority of the shares represented at the Annual Meeting and entitled to vote on this matter. Stockholders may cast their votes for, against, or abstain from voting with respect to this Proposal No. 2. Abstentions will have the same effect as an "Against" vote. Because broker non-votes are not deemed to be votes entitled to be cast, they will not affect the outcome of this proposal. The proxy holders intend to vote all proxies received by them **For** the ratification of the appointment of Schneider Downs & Co., Inc. unless otherwise instructed.

**PROPOSAL NO. 3 AMENDMENT TO CERTIFICATE OF INCORPORATION**

The Board believes that it is a best corporate governance practice to allow stockholders, by majority vote, to determine their directors, and that is consistent with that practice to allow for the removal of directors with or without cause by a majority vote of the stockholders. Therefore, the Board is recommending that the FIFTH article of the Company's Certificate of Incorporation be amended to specifically provide for the removal of directors with or without cause by majority vote of the stockholders, as follows:

(c) Removal of Directors. No director of the Corporation may be removed from office as a director by vote or other action of the stockholders or otherwise except ~~for cause, and then only~~ by the affirmative vote of the holders of at least a majority of the voting power of all outstanding shares of capital stock of the Corporation generally entitled to vote in the election of directors, voting together as a single class. ~~Except as applicable law otherwise provides, cause for the removal of a director shall be deemed to exist only if the director whose removal is proposed:~~ (i) ~~has been convicted, or has been granted immunity to testify in any proceeding in which another has been convicted, of a felony by a court of competent jurisdiction and that conviction is no longer subject to direct appeal;~~ (ii) ~~has been found to have been negligent or guilty of misconduct in the performance of his duties to the Corporation in any matter of substantial importance to the Corporation by (A) the affirmative vote of at least eighty percent (80%) of the directors then in office at any meeting of the Board of Directors called for that purpose or (B) a court of competent jurisdiction; or (iii) has been adjudicated by a court of competent jurisdiction to be mentally incompetent, which mental incompetency directly affects his ability to serve as a director of the Corporation.~~ Notwithstanding the foregoing, whenever holders of outstanding shares of one or more series of Preferred Stock are entitled to elect members of the Board of Directors voting separately as a class pursuant to the provisions applicable in the case of arrearages in the payment of dividends or other defaults contained in this Certificate of Incorporation or the Board of Directors' resolution providing for the establishment of any series of Preferred Stock, any such director of the Corporation so elected may be removed in accordance with the provisions of this Certificate of Incorporation or that Board of Directors' resolution. The foregoing provisions are subject to the terms of any series of Preferred Stock with respect to the directors to be elected solely by the holders of such series of Preferred Stock.

**Vote Required**

Approval of the amendment to the Certificate of Incorporation requires the affirmative vote of at least 75% of the voting power of all outstanding shares of capital stock of the Company generally entitled to vote in the election of directors, voting together as a single class. Stockholders may cast their votes for, against, or abstain from voting with respect to this Proposal No. 3. Abstentions and broker non-votes will have the same effect as an Against vote. The proxy holders intend to vote all proxies received by them **For** the approval of the amendment to the Certificate of Incorporation unless otherwise instructed.

**The Board Recommends a Vote FOR the Approval of the Amendment to the Certificate of Incorporation.**

**COMPENSATION OF NAMED EXECUTIVE OFFICERS**

**Compensation Discussion and Analysis**

The Compensation Committee and management provide the following Compensation Discussion and Analysis on a voluntary basis.

For purposes of this discussion, we define **Named Executive Officers** to include John F. Hartner, James L. McCarley, Brian W. Smith, and S. Kent Rockwell. Disclosure about executive compensation is required in this Proxy Statement for:

each person who served as our Chief Executive Officer in 2018 (Mr. McCarley and Mr. Rockwell), and

each of the next two most highly compensated executive officers who were serving as executive officers as of December 31, 2018 (Messrs. Hartner and Smith).

Any references to **executive officers** include the executive officers listed in **Executive Officers of ExOne** section of this Proxy Statement.

***Pay Philosophy***

The Compensation Committee has responsibility for reviewing the compensation of ExOne's Chairman and Chief Executive Officer as well as the other executive officers of the Company and making recommendations about this compensation to the Board.

In February 2018, the Compensation Committee codified ExOne's compensation goals and governing principals through adoption of a written Pay Philosophy Governing Executive Compensation (the **Pay Philosophy**), which it reviewed and amended in February 2019. As described in the Pay Philosophy, ExOne's compensation program has three principal goals:

1. To attract and retain executives who can excel in our innovative, fast-changing and competitive industry;
2. To align the interests of management with creation of long-term stockholder value; and
3. To motivate and reward management for performance that advances ExOne's goals.

These goals are balanced and aligned with our plans to conserve cash for operations while the Company advances towards generating positive cash flows from operations.

Our compensation plan relies on a mix of base salary, bonus and equity compensation. The philosophy behind each component of executive officer compensation is as follows:

**Salary.** Salary is paid to attract and retain qualified executives, to recognize consistent good performance over a number of years, and to provide a base level of income regardless of fluctuations in the Company's stock price and performance. Our executive salaries are intended to be set at or below comparable positions in industry.

**Bonus.** The Company's annual incentive program is intended to motivate and reward performance over a fiscal year with reference to predetermined financial or other objectives, payable in cash, equity or a combination thereof under our 2013 Equity Incentive Plan (the **2013 Equity Incentive Plan**).

**Long-Term Equity Incentives.** Our long-term incentives are typically granted in the form of restricted stock or stock options under our 2013 Equity Incentive Plan. They are intended to reward executives for the creation of stockholder value as reflected in a higher Company stock price and are also intended to encourage retention of high performing executives over a number of years.

---

## **Table of Contents**

**Benefits.** We provide our executives with other benefits that we believe are reasonable, competitive and consistent with our overall executive compensation program.

**Retirement Benefits.** Our executives may participate in the Company's 401(k) defined contribution employee savings and investment plan, in which the Company currently makes discretionary matching contributions of 50% of the first 8% of an executive's base salary, subject to applicable Internal Revenue Code limits and in accordance with plan documents. ExOne does not offer a pension plan or a supplemental retirement plan.

**Limited Perquisites.** The Company does not provide any perquisites to its Chief Executive Officer other than a company contribution to a 401(k) retirement plan described above. ExOne also provides a car and parking allowance to Mr. Smith, and in accordance with Mr. Hartner's offer letter, the Company is reimbursing the executive for personal commuting and living expenses for the first six months of his employment.

### ***Significant Equity Ownership Creates Strong Alignment Between Our Leadership and Our Stockholders***

We believe that the interests of ExOne's executive officers are strongly aligned with the interests of our stockholders through equity ownership. Our Chairman and Chief Executive Officer, Mr. Rockwell, is ExOne's largest beneficial owner (as the beneficial owner of approximately 28.2% of our outstanding Common Stock as of March 18, 2019). In addition, certain of our other executive officers have invested their own money in ExOne and all of them have been granted equity incentive awards for their service to the Company. This ownership provides a strong foundation of alignment between ExOne stockholders and the ExOne management team.

### ***2018 Compensation Considerations***

For 2018, our Named Executive Officers received a combination of base salary and annual and long-term equity incentive awards.

Salary for each of our Named Executive Officers is based on the scope of the individual's responsibility, leadership skills, performance and length of service. Mr. Rockwell received a salary of \$50,000 per year for his services as Executive Chairman until June 20, 2018, when he assumed the role of Chief Executive Officer, at which time the independent directors increased his salary to \$300,000.

The Compensation Committee also awarded Common Stock to Mr. Smith pursuant to the 2018 annual incentive program (described further below).

The Compensation Committee elected to award stock options to Mr. Hartner and restricted stock to Mr. Rockwell and Mr. Smith as incentive awards with the goal of further aligning the interests of our executives with those of our stockholders as well as to retain and reward the executives for creating long-term value for our stockholders.

### ***2013 Equity Incentive Plan***

The Board adopted our 2013 Equity Incentive Plan on January 24, 2013. The 2013 Equity Incentive Plan was approved by stockholders on August 19, 2013. The purpose of the 2013 Equity Incentive Plan is to provide incentives to attract, retain and motivate eligible persons whose present and potential contributions are important to the success of ExOne and its subsidiaries, by offering them an opportunity to participate in ExOne's future performance through the grant of awards. The 2013 Equity Incentive Plan permits a variety of awards to be made at the discretion of the Compensation Committee including stock options, restricted stock, restricted stock units, stock bonus awards, performance awards and stock appreciation rights. The 2013 Equity Incentive Plan will terminate January 24, 2023, unless it is terminated earlier by our Board. The 2013 Equity Incentive Plan is administered by the Compensation Committee. Equity grants under the 2013 Equity Incentive Plan are generally

**Table of Contents**

granted during an open trading window in accordance with our Insider Trading Policy. No person is eligible to receive more than 100,000 shares in any calendar year under the 2013 Equity Incentive Plan, except that ExOne may choose to issue a new employee up to 500,000 shares under the plan in the calendar year in which the employee commences employment. The total grant pool is determined with reference to industry practice and impact on the Company's capitalization. Total awards under the 2013 Equity Incentive Plan are limited by share count of no more than 1,992,241 shares, which was 15% of the Company's total outstanding shares immediately following its initial public offering. Individual awards are determined on a discretionary basis, principally with reference to an executive's responsibility, salary structure and performance. Restricted stock awarded under the 2013 Equity Incentive Plan is granted at fair market value and the exercise price of each stock option awarded under the 2013 Equity Incentive Plan is the closing price of the Common Stock on the date of grant. Equity grants are subject to vesting requirements as determined by the Compensation Committee.

**2018 Annual Incentive Program**

On February 7, 2018, the Compensation Committee adopted the 2018 senior executive annual incentive program (the 2018 AIP), and the Compensation Committee made awards to be delivered in shares of Common Stock to certain senior executives, including Mr. Smith, under the 2018 AIP on March 18, 2019, upon the satisfaction of performance goals described immediately below.

**2018 AIP Design**

The 2018 AIP provided an opportunity for performance-based compensation to senior executive officers of the Company (excluding the Executive Chairman) (each an Executive), among others. The target annual incentive award for each Executive was expressed as a percentage of base salary: 50% for the Chief Executive Officer and 35% for the other Executives. Achievement of the award was conditioned on the Company meeting certain goals for 2018 relating to revenue growth, Program Adjusted EBITDA (earnings before interest, taxes, depreciation and amortization) (as defined below), total cash and restricted cash (net of any debt incurred) and stock value (collectively, the Goals). Program Adjusted EBITDA was defined as net income (loss), as calculated under accounting principles generally accepted in the United States, plus interest expense, provision (benefit) for income taxes, depreciation and amortization, equity-based compensation, and other (income) expense net, as well as the addition of certain qualifying research and development expenses, 2018 AIP expenses and other costs.

**Performance Goal Target Performance Level and Weighting under 2018 AIP**

Performance Goal	Target Performance Level	Weighting
Revenue Growth 2018 vs 2017	25%	25%
Program Adjusted EBITDA for 2018	(\$ 1,061,000)	25%
Total Cash and Restricted Cash at December 31, 2018	>\$ 20,000,000	25%
Stock Value	>\$ 13.50 per share	25%

An Executive earned payment of the award based on achievement of the equally-weighted Goals, as then adjusted by a multiplier that could decrease or increase the award depending on the number of goals achieved. In no event could payment exceed 125% of the target annual incentive award for each Executive. The Compensation Committee retained negative discretion over final payment amounts.

**Pro Forma Multiplier Effect of Performance Goals (Performance-Based Award x Multiplier) under 2018 AIP**

Pro Forma Target Award Value	Number of Goals Achieved	Multiplier	Adjusted Target Award Value
\$100,000	0 or 1	50%	\$ 50,000
\$100,000	2	75%	\$ 75,000
\$100,000	3	100%	\$ 100,000
\$100,000	4	125%	\$ 125,000

## **Table of Contents**

Final payments were to be made to the Executives 100% in Common Stock based on the closing stock price of the Company on the date of payment under the 2013 Equity Incentive Plan (March 18, 2019). The performance period began January 1, 2018 and ended on December 31, 2018.

### **Fiscal Year 2018 Financial Performance**

For the year ended December 31, 2018, the Company reported revenue growth of 12%, net loss of \$12.7 million, Adjusted EBITDA\* (as defined in Appendix A) of a \$6.5 million loss, Total Cash and Restricted Cash of \$9.1 million and Stock Value of \$6.62 per share. In addition, net income in the six months ended December 31, 2018 was \$1.8 million, or \$0.11 per share, and Adjusted EBITDA\* was \$4.7 million for the same period. In July 2018, the Company also implemented a 2018 global cost realignment initiative, reaching approximately \$7 million of net annualized run rate cost reductions.

### **Payout of Performance Awards**

On March 13, 2019, the Compensation Committee considered the potential awards under the 2018 AIP. Since the Company did not achieve target performance against any of the Goals, the Compensation Committee exercised negative discretion and did not authorize any awards under the 2018 AIP to either Mr. Rockwell or Mr. McCarley, who had each served as Chief Executive Officers during 2018. With respect to other Executives, the Committee considered that there was improved performance by the Company in the second half of the year, particularly with respect to net income and Adjusted EBITDA, and therefore exercised negative discretion to reduce the 50% payouts, but not completely eliminate the awards. These adjustments were made on an individual basis based on individual performance. In the case of Mr. Smith, the only Named Executive Officer to receive an award under the 2018 AIP, the Compensation Committee took into account his leadership of the 2018 global cost realignment program that contributed to significant annualized cost reductions. Since Mr. Hartner was not employed by the Company until November 2018, he was not eligible to receive an award under the 2018 AIP. Payout of awards under the 2018 AIP were made effective March 18, 2019.

### ***Clawback Policy and Other Actions Available to ExOne for Misconduct***

The Compensation Committee has adopted a clawback policy that enables ExOne to recover all or any portion of any Performance-Based Compensation granted or paid to any current or former Section 16 Officer, or in which any current or former Section 16 Officer became vested, at any time within the three (3) year period immediately preceding the date on which ExOne is required to prepare an accounting restatement due to material non-compliance with any financial reporting requirements under the securities laws, as determined by the Audit Committee and confirmed by our independent registered public accounting firm.

In addition, in cases of detrimental misconduct by an executive officer, the Board may also take a range of other actions to remedy the misconduct, prevent its recurrence, and discipline the individual as appropriate, including, depending on the facts and circumstances, terminating the individual's employment. These remedies would be in addition to, and not in lieu of, any actions imposed by law enforcement agencies, regulators or other authorities.

### ***Stock Ownership and Retention Policy and Equity Grant Practices***

**Stock Ownership and Retention Policy.** The Compensation Committee has adopted a stock ownership and retention policy that requires our directors and our Section 16 executive officers to retain 50% of all shares received on the vesting of equity awards (net of any shares withheld or sold to pay exercise price or taxes). All shares must be retained for a period of at least one year after vesting. Once the one-year period has ended, directors and executives may sell shares so long as the director or executive holds 50%

of all shares received in the vesting of the equity award and a total minimum value equal to two times such director's annual retainer or such executive's base salary.

**Anti-hedging policy.** We do not believe our executive officers or directors should speculate or hedge their interests in our Common Stock. We therefore prohibit them (in our Insider Trading Policy) from making short sales of Common Stock or from purchasing or selling options, puts, calls, straddles, equity swaps or other derivative securities that are directly linked to Common Stock.

**Anti-pledging policy.** In addition, our Insider Trading Policy prohibits our executive officers and directors from pledging Common Stock.

**Equity grant practices.** Equity grants are generally made during an open trading window in accordance with our Insider Trading Policy or on a date predetermined pursuant to an employment contract or Company equity compensation program. The exercise price of each stock option awarded under the 2013 Equity Incentive Plan is the closing price of Common Stock on the date of grant. ExOne Board and committee meetings are generally scheduled at least a year in advance and without regard to unanticipated major company announcements.

### ***Other Compensation Practices and Policies***

**Compensation Committee Oversees Executive Compensation and Succession Planning.** The Compensation Committee has the primary responsibility for helping the Board develop and evaluate potential candidates for executive positions and for overseeing the development of executive succession plans. As part of this responsibility, the Compensation Committee oversees the design, development and implementation of the compensation program for the Chief Executive Officer and the other executive officers. Our Chief Executive Officer and Senior Vice President - Corporate Development assist the Compensation Committee in administering our compensation program.

**Use of Compensation Consultant.** The Compensation Committee has previously engaged the use of a compensation consultant for special assignments but did not engage the services of a consultant in 2018.

**Peer Group Comparisons.** The Compensation Committee reviews many factors in setting pay. It does not target a peer group or percentile within a peer group in exercising judgment about the types and amounts of compensation the Company provides.

### ***Employment Arrangements with Named Executive Officers***

*James L McCarley.* On June 20, 2018, Mr. McCarley separated from the Company, and the Company's employment agreement with Mr. McCarley, the initial term of which commenced on August 19, 2016 was terminated. His employment agreement would have otherwise terminated on December 31, 2018. Pursuant to the employment agreement, Mr. McCarley was entitled to receive an annual base salary of \$375,000 and was eligible to participate in any annual bonus plan or long-term incentive compensation plan maintained by the Company, in both cases on the terms established from time-to-time by the Board or its Compensation Committee. Furthermore, under the employment agreement, Mr. McCarley could participate in all employee benefit and fringe benefit plans and arrangements made available by the Company to its executives and key management.

The employment agreement provided that if Mr. McCarley was terminated without cause (as defined in the employment agreement) and had timely delivered a release of claims, he would be entitled to receive, among other severance payments and benefits, an amount equal to one times his then-current base salary and a pro-rata portion of his bonus for the year of termination (subject to his compliance with the confidentiality, non-competition and non-solicitation restrictions set forth in the employment agreement) and payment of the executive's COBRA health insurance continuation premium for the COBRA continuation period (generally 18 months) or until such time as the executive is employed, whichever is earlier. The confidentiality provisions survived the termination of Mr. McCarley's employment with us and the non-competition and non-solicitation provisions will survive for a period of one year following the termination of his employment.

*Brian W. Smith.* Mr. Smith is an at-will employee and does not have an individual employment, severance or change-of-control agreement. During 2018, Mr. Smith received an annual base salary of \$275,000, although the Company reported on March 15, 2019, in Item 9B of the Company's Annual Report Form 10-K for the year ended December 31, 2018, that Mr. Smith and the Company agreed to reduce the scope of his responsibilities by half, with a commensurate reduction in his salary, effective March 25, 2019.

*John F. Hartner.* Mr. Hartner is an at-will employee and does not have an individual employment, severance or change-of-control agreement. As set forth in his offer letter, Mr. Hartner receives an annual base salary of \$300,000 and is eligible to participate in annual bonus plans for senior executives on terms established from time to time by the Board or its Compensation Committee. Mr. Hartner is also entitled to reimbursement for his commuting and living expenses for his initial six-month employment period. In connection with his hiring, Mr. Hartner also received an option to purchase 100,000 shares of Common Stock on November 12, 2018 which vested 25% on the date of grant and the remaining 75% on the first anniversary of the date of grant.

***Change of Control Severance Plan***

In August 2017, the Compensation Committee adopted The ExOne Company Change of Control Severance Plan (the "Severance Plan"). The Severance Plan provides certain benefits to participants in the event of a change of control of ExOne. If a change of control occurs during the protection period (described below), and any of the participants either (i) has a voluntary termination of employment for good reason, or (ii) has an involuntary termination of employment, other than for death, disability or cause, then the participant is entitled to receive the following:

If the participant is designated as a Tier I employee under the Severance Plan, a one-time cash payment equal to two and a half times the participant's annual base salary and certain health and welfare benefits for 18 months after termination;

If the participant is designated as a Tier II employee under the Severance Plan, a one-time cash payment equal to two times the participant's annual base salary and certain health and welfare benefits for 18 months after termination; or

If the participant is designated as a Tier III employee under the Severance Plan, a one-time cash payment equal to one times the participant's annual base salary and certain health and welfare benefits for 18 months after termination.

The protection period begins on the date on which a definitive agreement is signed that, if consummated, would result in a change of control (or if no agreement, the date of the change of control itself), and ends on the earlier of (i) the date which is 18 months following the occurrence of the change of control or (ii) the public announcement that the transaction contemplated by the definitive agreement will not take place.

In addition to the cash payments described above, upon the occurrence of a change of control, 50% of any unvested stock options, restricted stock, restricted stock units or other equity based awards of ExOne held by a participant will immediately vest and become exercisable. The remaining 50% of such unvested awards held by the participant will vest and become exercisable pursuant to the terms of the awards, or immediately upon (i) voluntary termination of the participant's employment for good reason, or (ii) involuntary termination of the participant's employment, other than for death, disability or cause of the participant, if such termination occurs within 18 months following a change of control.

Under the Severance Plan, a "change of control" is defined as the occurrence of any of the following, so long as such event also constitutes a change in control event as defined under Section 409A of the Internal

Under the Severance Plan, a termination for "good reason" by a participant will be deemed to occur if it occurs within six months of any of the following without the Designated Employee's express written consent:

- (i) A material and sustained diminution in the participant's duties or position from those in effect immediately prior to the Change of Control;
- (ii) A material reduction by the Company in the participant's annual base salary as in effect on the date of a Change of Control or as in effect thereafter if such compensation has been increased and such increase was approved prior to the Change of Control;

- (v) Any failure by the Company to obtain the assumption of the Plan or any agreement entered into pursuant to the Severance Plan by any successor or assign of ExOne.

No Section 280G excise tax gross-up or other tax gross-up is provided under the Severance Plan. Outside of the protection period, the Severance Plan is subject to termination or amendment by the Board or the Compensation Committee.

Among our Named Executive Officers, our Chief Executive Officer, S. Kent Rockwell, is defined as a Tier I employee and no other Executives are expected to be named in this Tier. Our Chief Operating Officer, John F. Hartner and our Senior Vice President-Corporate Development, Brian W. Smith, are named as Tier II employees.

On August 8, 2018, the Compensation Committee amended the Severance Plan to eliminate single-trigger severance benefits under the Severance Plan.

**PROPOSAL NO. 4 ADVISORY APPROVAL OF COMPENSATION**

**PAID TO THE COMPANY'S NAMED EXECUTIVE OFFICERS FOR 2018**

This year, since the Company has exited emerging growth company status, our stockholders have the opportunity to vote to approve, on a non-binding advisory basis, the compensation of our Named Executive Officers in 2018, as disclosed in this Proxy Statement in accordance with Section 14A of the Exchange Act the related compensation disclosure rules of the SEC. This say-on-pay vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and our compensation philosophy, policies and practices as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC. Accordingly, we ask our stockholders to vote **For**, on an advisory basis, the compensation paid to our Named Executive Officers in 2018, as disclosed in this Proxy Statement under the heading *Compensation of Named Executive Officers*, and to adopt the following resolution at the Annual Meeting:

RESOLVED, that the compensation paid to the Company's Named Executive Officers, as disclosed in this Proxy Statement, including the compensation tables and narrative disclosure, is hereby APPROVED.

As described in detail under the heading *Compensation Discussion and Analysis* beginning on page 26 of this Proxy Statement, the Pay Philosophy adopted by the Company is intended to achieve three principal goals. It aims to attract and retain executives, to align the interests of management with the creation of long-term stockholder value, and to motivate and reward management for performance that advances the Company's goals. The Compensation Committee balances and aligns these goals with the Company's plans to conserve cash for operations while the Company advances toward generating positive cash flows from operations.

In 2018, the Compensation Committee instituted the 2018 AIP with target goals for revenue growth, Program Adjusted EBITDA (as described previously on page 28), total cash and restricted cash (net of any debt incurred) and stockholder value. The payouts to the senior executives were to be paid 100% in Common Stock. As further described in *Compensation Discussion and Analysis*, on March 13, 2019, due to the Company's financial performance, the Compensation Committee exercised negative discretion and did not authorize a payout to either Mr. Rockwell or Mr. McCarley, and reduced the earned payout to Mr. Smith.

The Compensation Committee also continued the practice of using long-term equity incentive awards (stock options and restricted stock) as a significant portion of total compensation, in order to retain and motivate management and to align management's interests with the long-term interests of our stockholders.

Our Board believes these compensation decisions reward performance and ensure that the long-term interests of our stockholders are served, and therefore asks for the support of our stockholders in approving the compensation of our Named Executive Officers.

**Vote Required**

Approval of the compensation paid to the Company's Named Executive Officers in 2018, as reported in this Proxy Statement, requires the affirmative vote of a majority of the shares represented at the Annual Meeting and entitled to vote on this matter. Stockholders may cast their votes for, against, or abstain from voting with respect to this Proposal No. 4. Abstentions will have the same effect as an **Against** vote. Because broker non-votes are not deemed to be votes entitled to be cast, they will not affect the outcome of this proposal. The proxy holders intend to vote all proxies received by them **For** the approval of compensation paid to the Named Executive Officers unless otherwise instructed.

As an advisory vote, a stockholder's vote on this Proposal No. 4 is not binding on the Company. Our Board will not be required to act in response to the results of the vote, as the ultimate decision regarding our Named Executive Officers' compensation remains with our Compensation Committee. Our Board believes that our

Compensation Committee is in the best position to consider the extensive information and factors necessary to make independent, appropriate, and competitive compensation recommendations and decisions that are in the best interest of the Company and its stockholders. However, our Board values the opinions of our stockholders as expressed through their votes and other communications. Although the vote is non-binding, our Board and Compensation Committee will carefully consider the outcome of the advisory vote on the compensation of our Named Executive Officers when making future compensation decisions.

**PROPOSAL NO. 5 ADVISORY APPROVAL OF THE FREQUENCY OF  
FUTURE ADVISORY VOTES ON COMPENSATION OF NAMED EXECUTIVE OFFICERS**

This year, since the Company has exited emerging growth company status, our stockholders have the opportunity to vote, on a non-binding advisory basis, for their preference as to whether the advisory stockholder vote on the compensation paid to the Company's named executive officers should occur every one, two, or three years, in accordance with SEC rules.

The Board believes that submitting the advisory vote on the compensation of our named executive officers to stockholders on an annual basis is appropriate for the Company at this time. The Board has determined that an annual advisory vote on executive compensation will allow our stockholders to provide timely, direct input on the Company's executive compensation philosophy, policies and practices as disclosed in the Proxy Statement each year. The Board believes that an annual vote is therefore consistent with the Company's efforts to engage in an ongoing dialogue with our stockholders on executive compensation and corporate governance matters.

The Company recognizes that our stockholders may have different views as to the best approach for the Company, and therefore we look forward to hearing from our stockholders as to their preferences on the frequency of an advisory vote on executive compensation.

**Vote Required**

Stockholders may vote for 1 Year, 2 Years, 3 Years, or Abstain with respect to Proposal No. 5. The frequency (1, 2 or 3 years) receiving the most votes will be deemed the preference of the stockholders. Abstentions and broker non-votes will not affect the outcome of this proposal. The proxy holders intend to vote all proxies received by them for the frequency of every **1 Year** unless otherwise instructed.

As an advisory vote, the frequency vote is not binding on the Company. The final decision on the frequency of the future advisory votes on the compensation of our named executive officers remains with the Board and/or its committees. The Board values the opinions of the Company's stockholders as expressed through their votes and other communications. Although the resolution is non-binding, the Board and the Compensation Committee will carefully consider the outcome of the frequency vote and other communications from stockholders when making future decisions regarding the frequency of advisory votes on the compensation of our named executive officers.

**Table of Contents****APPENDIX A****The ExOne Company****Adjusted EBITDA Reconciliation***(in millions)**(unaudited)*

	<b>Year Ended December 31, 2018</b>	<b>Six Months Ended December 31, 2018</b>
Net income (loss)	\$ (12.7)	\$ 1.8
Interest expense	0.2	0.1
Provision for income taxes	0.2	0.1
Depreciation and amortization	5.5	2.7
Equity-based compensation	1.0	0.6
Other expense (income)-net	(0.7)	(0.6)
<b>Adjusted EBITDA</b>	<b>\$ (6.5)</b>	<b>\$ 4.7</b>

ExOne defines Adjusted EBITDA (earnings before interest, taxes, depreciation and amortization) as net income (loss) (as calculated under accounting principles generally accepted in the United States ( GAAP )) plus interest expense, provision for income taxes, depreciation and amortization, equity-based compensation, and other expense (income)-net. Use of Adjusted EBITDA, which is a non-GAAP financial measure, as defined under SEC rules, is intended as a supplemental measure of ExOne s performance that is not required by, or presented in accordance with, GAAP. The presentation of Adjusted EBITDA is not intended to be a substitute for, and should not be considered in isolation from, net income (loss) reported in accordance with GAAP. The Company s presentation of Adjusted EBITDA should not be construed to imply that its future results will be unaffected by unusual or non-recurring items.

The Company believes Adjusted EBITDA is meaningful to its investors to enhance their understanding of ExOne s financial results. Although Adjusted EBITDA is not necessarily a measure of the Company s ability to fund its cash needs, the Company understands that it is frequently used by securities analysts, investors and other interested parties as a measure of financial performance and to compare ExOne s performance with the performance of other companies that report Adjusted EBITDA. ExOne s calculation of Adjusted EBITDA may not be comparable to similarly titled measures reported by other companies.
