PROFORMA CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

BASIS OF PRESENTATION

(unaudited)

The proforma condensed consolidated balance sheet as of October 31, 2008, and the unaudited proforma condensed consolidated statements of operations for the three months ended October 31, 2008, and for the fiscal years ended July 31, 2008, 2007 and 2006, are based on the historical financial statements of the Registrant.

The proforma condensed consolidated balance sheet as of October 31, 2008, is presented as if the disposition of the assets sold, the receipt of the \$18.4 million proceeds by the Registrant, the write off of fixed assets and other intangibles and the accrual for restructuring charges occurred in its entirety on October 31, 2008.

The proforma condensed consolidated statements of operations for the three months ended October 31, 2008, and for the fiscal years ended July 31, 2008, 2007 and 2006, are presented as if the disposition of the assets sold and the receipt of the proceeds by the Registrant occurred in the second fiscal quarter of 2006 (when the Registrant commenced its debt collection operations).

The proforma condensed consolidated financial statements should be read in conjunction with the historical financial statements and notes related thereto appearing in the Registrant's Form 10-K for the years ended July 31, 2008, 2007 and 2006 and its Form 10-Q for the quarter ended October 31, 2008.

Preparation of the proforma information was based on assumptions considered appropriate by the Registrant's management. The proforma financial information is unaudited and is not necessarily indicative of the results which would have occurred if the transactions described above had been consummated in the second fiscal quarter of 2006 for the proforma condensed consolidated statements of operations and on October 31, 2008 for the proforma condensed consolidated balance sheet, nor does it purport to represent the future financial position and the results of operations for future periods. In management's opinion, all adjustments necessary to reflect the effects of the transaction listed above have been made.

NOTES AND MANAGEMENT'S ASSUMPTIONS  
TO THE PROFORMA CONDENSED CONSOLIDATED FINANCIAL STATEMENTS  
(Unaudited)

1. The following is a description of the proforma adjustments to the historical condensed consolidated financial statements:

- (A) The net increase in cash and cash equivalents consists of the estimated net cash proceeds from the disposition of the entire active debt portfolio of \$18.4 million (which excludes 50% of proceeds received by Registrant during the period between and including December 9, 2008 and January 30, 2009 of \$2.5 million, and assumes that there will be no additional repurchase amounts within 90 days from closing of the transaction, as set forth in the Agreement).
- (B) Reflects the removal of the entire active debt portfolio of IDT Carmel of \$59.5 million (\$14.3 million of current and \$45.2 million of long term) as well as the write-off of the remaining fixed assets and other intangibles of \$2.0 million and the accrual of estimated restructuring and severance costs on exiting the business of \$2.4 million, as if the sale was consummated on October 31, 2008.
- (C) Accumulated deficit has been adjusted for an estimated loss of \$45.5 million from the sale of the entire active debt portfolio, write-off of fixed assets and other intangibles, and accrual of estimated restructuring and severance costs as if the sale occurred on October 31, 2008.
- (D) Reflects the removal of the results of operations of IDT Carmel as if the sale was consummated in the second fiscal quarter of 2006 (when the Registrant commenced its debt collection operations).
