About GOL Linhas Aéreas Inteligentes S.A.

Brazil's largest airline group. **GOL** is Brazil's largest airline, carrying 33 million passengers annually on more than 700 daily flights to 64 destinations, 53 in Brazil and 11 in South America and the Caribbean, on a fleet of 120 Boeing 737 aircraft, with a further 120 Boeing 737 MAX on order. **GOLLOG** is a leading cargo transportation and logistics business serving more than 2,400 Brazilian municipalities and, through partners, 205 international destinations in 95 countries. **SMILES** is one of the largest coalition loyalty programs in Latin America, with 13 million registered participants, allowing clients to accumulate miles and redeem tickets for more than 700 locations worldwide. GOL has a team of more than 15,000 highly skilled aviation professionals delivering Brazil's top on-time performance, and an industry leading 16 year safety record. GOL's shares are traded on the NYSE (GOL) and the B3 (GOLL4).

Disclaimer

This release contains forward-looking statements relating to the prospects of the business, estimates for operating and financial results, and those related to growth prospects of GOL. These are merely projections and, as such, are based exclusively on the expectations of GOL's management. Such forward-looking statements depend, substantially, on external factors, in addition to the risks disclosed in GOL's filed disclosure documents and are, therefore, subject to change without prior notice. The Company's non-financial information was not reviewed by the independent auditors.

Non-GAAP Measures

To be consistent with industry practice, we disclose so-called non-GAAP financial measures which are not recognized under IFRS or U.S. GAAP, including "Net Debt", "Adjusted Net Debt", "total liquidity", "EBITDA" and "EBITDAR". Our management believes that disclosure of non-GAAP

measures provides useful information to investors, financial analysts and the public in their review of our operating performance and their comparison of our operating performance to the operating performance of other companies in the same industry and other industries. However, these non-GAAP items do not have standardized meanings and may not be directly comparable to similarly-titled items adopted by other companies. Potential investors should not rely on information not recognized under IFRS as a substitute for the GAAP measures of earnings or liquidity in making an investment decision.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
