RELEVANT FACT

Edgar Filing: Vivo Participacoes S.A. - Form 6-K

VIVO PARTICIPAÇÕES S.A. (“VIVO PART.”) communicates to the market that TELEFÓNICA S.A. disclosed the following Relevant Fact on May 10, 2010:

“On May 06, 2010, TELEFÓNICA S.A. submitted a cash offer (the “Offer”) to Portuguese company PORTUGAL TELECOM, SGPS, S.A. for the purchase of the shares representing 50% of the capital stock of Dutch company BRASILCEL, N.V., owned by it, for the price of 5,700 million Euros.

The Offer is binding, not subject to any kind of conditions whatsoever, and provides for a term of two months, counted from the acceptance thereof, for completion of the referred purchase of shares in BRASILCEL, N.V.. TELEFÓNICA, S.A. deems that it will be able to obtain the corresponding regulatory approval in Brazil within such period.

BRASILCEL, N.V. is a company 50% owned by TELEFÓNICA, S.A., and PORTUGAL TELECOM, SGPS, S.A. is the owner of shares representing approximately 60% of the capital stock of Brazilian company VIVO PARTICIPAÇÕES S.A.

The Offer also contemplates an IPO, to be carried out by TELEFÓNICA, S.A., for the common shares (ONs) of VIVO PARTICIPAÇÕES S.A. not owned by BRASILCEL, N.V. and which represent, approximately, 11.1% of the total number of common shares (ONs) and 3.8% of the total capital stock of VIVO PARTICIPAÇÕES S.A. The price per common share (ON) in the referred IPO would be 80% of the value assigned to each common share (ON) owned by BRASILCEL, N.V., in the Offer, with which the total price would come to, approximately, 600 million Euros.

Therefore, the total transaction value, considering (i) the price offered for the purchase of the shares of BRASILCEL, N.V. owned by PORTUGAL TELECOM, SGPS, S.A., of 5,700 million Euros, and (ii) the IPO price of the common shares (ONs) of VIVO PARTICIPAÇÕES S.A. not owned by BRASILCEL, N.V., of approximately 600 million Euros, would be around 6,300 million Euros.

As mentioned in the Offer, the same shall expire on June 06, 2010, except if prior to such date (i) the Offer has been accepted by PORTUGAL TELECOM, SGPS, S.A., or (ii) TELEFÓNICA has decided to extend the effective term thereof.”

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
