Item 1.01 Entry into a Material Definitive Agreement.

On December 1, 2011, we amended our U.S. credit agreement with Mercedes-Benz Financial Services USA LLC and Toyota Motor Credit Corporation (the "Agreement"). The amendment modifies the definition of "Borrowing Base" to allow us at our option to include the value of real property owned by the Company or our U.S. subsidiaries within the definition of "Borrowing Base", subject to certain limitations. The inclusion of such real property would increase the amount of outstanding borrowings considered to be collateralized as defined in the Agreement. Revolving loans under the Agreement bear interest at defined LIBOR plus 2.5%, subject to an incremental 1% for uncollateralized borrowings. Therefore, this amendment will potentially lower borrowing costs under the facility because a larger percentage of our borrowings would be considered to be collateralized and would not be subject to the additional 1% interest.

These changes are further described in the amendment to the Agreement, which is filed as Exhibit 4.1 to this Form 8-K and incorporated herein by reference. We purchase motor vehicles from Daimler AG and Toyota Motor Corporation, affiliates of the respective lenders under the Agreement, for sale at certain of our dealerships. The lenders also provide us with "floor-plan" financing and provide consumer financing to our customers.

Item 7.01 Regulation FD Disclosure.

The information in Item 1.01 is incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits.

Exhibit 4.1 Fifth Amendment dated December 1, 2011 to the Third Amended and Restated Credit Agreement dated September 30, 2008 by and among us, Mercedes-Benz Financial Services USA LLC and Toyota Motor Credit Corporation.
