PROXY STATEMENT
VOTING AND OTHER MATTERS

General

The enclosed proxy is solicited on behalf of Kona Grill, Inc., a Delaware corporation, by our Board of Directors for use at our Annual Meeting of Stockholders to be held at 2:00 p.m. on Thursday, April 30, 2009, or at any adjournment thereof, for the purposes set forth in this proxy statement and in the accompanying notice. The meeting will be held at the offices of Greenberg Traurig, LLP, at 2375 East Camelback Road, Suite 700, Phoenix, Arizona, 85016.

These proxy solicitation materials were first mailed on or about March _____, 2009 to all stockholders entitled to vote at the meeting.

Voting Securities and Voting Rights

Stockholders of record at the close of business on March 3, 2009, are entitled to notice of and to vote at the meeting. On the record date, there were 6,511,991 shares of our common stock outstanding. Each holder of common stock voting at the meeting, either in person or by proxy, may cast one vote per share of common stock held on all matters to be voted on at the meeting.

The presence, in person or by proxy, of the holders of a majority of the total number of shares of common stock entitled to vote constitutes a quorum for the transaction of business at the meeting. Assuming that a quorum is present, a plurality of the votes properly cast in person or by proxy will be required to elect the one director candidate; and the affirmative vote of a majority of the shares of common stock outstanding and entitled to vote is required (1) to approve the amendment to our 2005 Stock Award Plan, and (2) to approve the Rights Agreement dated as of May 27, 2008, between the Company and Continental Stock Transfer & Trust Company (the Rights Agreement).

Votes cast by proxy or in person at the meeting will be tabulated by the election inspectors appointed for the meeting who will determine whether a quorum is present. The election inspectors will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to that matter.

Voting of Proxies

When a proxy is properly executed and returned, the shares it represents will be voted at the meeting as directed. If no specification is indicated, the shares will be voted (1) for the election of the nominee set forth in this proxy statement, (2) for the approval of the amendment to our 2005 Stock Award Plan, and (3) for the approval of the Rights Agreement.

Revocability of Proxies

Any person giving a proxy may revoke the proxy at any time before its use by delivering to us either a written notice of revocation or a duly executed proxy bearing a later date or by attending the meeting and voting in person.

Solicitation

We will bear the cost of this solicitation. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for reasonable expenses incurred in forwarding solicitation materials to such beneficial owners. Proxies also may be solicited by certain of our directors and officers, personally or by telephone or e-mail, without additional compensation.

Annual Report and Other Matters

Our 2008 Annual Report on Form 10-K, which was made available to stockholders with or preceding this proxy statement, contains financial and other information about our company, but is not incorporated into this proxy statement and is not to be considered a part of these proxy soliciting materials or subject to Regulations 14A or 14C or to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended. The information contained in the

Compensation Committee Report on Executive Compensation and Report of the Audit Committee shall not be deemed filed with the Securities and Exchange Commission, or the SEC, or subject to Regulations 14A or 14C or to the liabilities of Section 18 of the Securities Exchange Act of 1934.

We will provide, without charge, a printed copy of our Annual Report on Form 10-K for the year ended December 31, 2008 as filed with the SEC to each stockholder of record as of the record date that requests a copy in writing. Any exhibits listed in the Form 10-K report also will be furnished upon request at the actual expense we incur in furnishing such exhibit. Any such requests should be directed to our company's secretary at our executive offices set forth in this proxy statement.

Classification of our Board of Directors

Our certificate of incorporation provides for a Board of Directors consisting of three classes serving three-year staggered terms. Mr. Marcus E. Jundt serves as our Class I director, with the term of office of the Class I directors expiring at the annual meeting of stockholders in 2009. The Class II directors consist of Messrs. Douglas G. Hipskind, Anthony L. Winczewski, and Mark A. Zesbaugh, with the term of office of the Class II directors expiring at the annual meeting of stockholders in 2010. Class III directors consist of Richard J. Hauser and W. Kirk Patterson, with the term of office of Class III directors expiring at the annual meeting of stockholders in 2011. Officers serve at the pleasure of the Board of Directors.

The Nominating Committee continues to review actively nominees for director to fill the Class III vacancy created by the resignation of Kent Carlson. The Nominating Committee identifies and evaluates nominees for our Board of Directors, including nominees recommended by stockholders, based on numerous factors it considers appropriate, which are described under Information Relating to Corporate Governance and the Board of Directors. The Nominating Committee.

Information Relating to Corporate Governance and the Board of Directors

Our Board of Directors has determined, after considering all the relevant facts and circumstances, that Messrs. Patterson, Winczewski, and Zesbaugh are independent directors, as independence is defined by NASDAQ and the SEC, because they have no relationship with us that would interfere with their exercise of independent judgment in carrying out their responsibilities as a director. Kent D. Carlson served as an independent director of our company and as a member of the Audit and Nominating Committees prior to his resignation in December 2008. As a result of Mr. Carlson's resignation, our company does not comply with NASDAQ's Marketplace Rule 4350, which requires companies to have a majority of independent directors as defined by the NASDAQ rules and requires a company's audit committee to have at least three independent directors. Consistent with NASDAQ Marketplace Rule 4350(c)(1) and Rule 4350(d)(4), NASDAQ has provided our company a cure period in order to regain compliance. Our company must evidence compliance no later than June 9, 2009, and we expect that we will be able to fill the vacancy within this cure period.

Our bylaws authorize our Board of Directors to appoint among its members one or more committees, each consisting of one or more directors. Our Board of Directors has established an Audit Committee, a Compensation Committee, and a Nominating Committee, each consisting entirely of independent directors. During 2008, the Board of Directors also appointed a Special Committee, comprised entirely of independent directors, to pursue various sources of external financing to supplement our operating cash flows and fund capital expenditure requirements. The Special Committee works closely with management and our outside professional advisors to identify, review, and oversee the structuring, negotiation, and execution of all reasonable alternatives in the best interest of our company and our stockholders.

Our Board of Directors has adopted charters for the Audit, Compensation, and Nominating Committees describing the authority and responsibilities delegated to each committee by our Board of Directors. Our Board of Directors has also adopted a Code of Business Conduct and Ethics, and a Code of Ethics for the CEO and Senior Financial Officers. We post on our website at www.konagrill.com, the charters of our Audit, Compensation, and Nominating Committees; our Code of Business Conduct and Ethics, and Code of Ethics for the CEO and Senior Financial Officers, and any amendments or waivers thereto; and any other corporate governance materials contemplated by SEC or NASDAQ regulations. These documents are also available in print to any stockholder requesting a copy in writing from our corporate secretary at our executive offices set forth in this proxy statement.

We regularly schedule executive sessions at which independent directors meet without the presence or participation of management.

Interested parties may communicate with our Board of Directors or specific members of our Board of Directors, including our independent directors and the members of our various board committees, by submitting a letter addressed to the Board of Directors of Kona Grill, Inc. c/o any specified individual director or directors at the address listed herein. Any such letters are sent to the indicated directors.

The Audit Committee

The purpose of the Audit Committee is to oversee the financial and reporting processes of our company and the audits of the financial statements of our company and to provide assistance to our Board of Directors with respect to the oversight of the integrity of the financial statements of our company, our company's compliance with legal and regulatory matters, the independent auditor's qualifications and independence, and the performance of our company's independent auditor. The primary responsibilities of the Audit Committee are set forth in its charter. The Audit Committee also selects the independent auditor to conduct the annual audit of the financial statements of our company; reviews the proposed scope of such audit; reviews accounting and financial controls of our company with the independent auditor and our financial accounting staff; and reviews and approves transactions between us and our directors, officers, and their affiliates.

The Audit Committee currently consists of Messrs. Patterson and Zesbaugh each of whom is an independent director of our company under the NASDAQ rules as well as under rules adopted by the SEC pursuant to the Sarbanes-Oxley Act of 2002. The Board of Directors has determined that each of Messrs. Patterson and Zesbaugh (whose backgrounds are detailed above) qualifies as an audit committee financial expert in accordance with applicable rules and regulations of the SEC. Mr. Zesbaugh serves as the Chairman of the Audit Committee.

The Nominating Committee

The purpose of the Nominating Committee includes the selection or recommendation to the Board of Directors of nominees to stand for election as directors at each election of directors, the oversight of the selection and composition of committees of the Board of Directors, the oversight of the evaluations of the Board of Directors and management, and the development and recommendation to the Board of Directors of a set of corporate governance principles applicable to our company. The Nominating Committee currently consists of Messrs. Winczewski and Patterson, with Mr. Winczewski serving as Chairman.

The Nominating Committee will consider persons recommended by stockholders for inclusion as nominees for election to our Board of Directors if the names, biographical data, and qualifications of such persons are submitted in writing in a timely manner addressed and delivered to our company's secretary at the address listed herein. The Nominating Committee identifies and evaluates nominees for our Board of Directors, including nominees recommended by stockholders, based on numerous factors it considers appropriate, some of which may include strength of character, mature judgment, career specialization, relevant technical skills, diversity, and the extent to which the nominee would fill a present need on our Board of Directors. As discussed above, the members of the Nominating Committee are independent, as that term is defined by NASDAQ.

The Compensation Committee

The purpose of the Compensation Committee includes determining, or recommending to our Board of Directors for determination, the compensation of the Chief Executive Officer and other executive officers of our company and discharging the responsibilities of our Board of Directors relating to compensation programs of our company. The Compensation Committee currently consists of Messrs. Patterson and Winczewski, with Mr. Patterson serving as Chairman.

Compensation Committee Interlocks and Insider Participation

During the year ended December 31, 2008, our Compensation Committee consisted of Messrs. Patterson and Winczewski, both non-employee directors (as defined in Rule 16b-3 under the Securities Exchange Act). None of these committee members had any contractual or other relationships with our company during such fiscal year.

Board and Committee Meetings

Our Board of Directors held a total of eight meetings during the year ended December 31, 2008. During the year ended December 31, 2008, the Audit Committee held five meetings, the Compensation Committee held four meetings, and the Nominating Committee held two meetings. No director attended fewer than 75% of the aggregate of (i) the total number of meetings of our Board of Directors, and (ii) the total number of meetings held by all Committees of our Board of Directors on which he was a member. We encourage each of our directors to attend our annual meeting of stockholders. Accordingly, and to the extent reasonably practicable, we regularly schedule a meeting of the Board of Directors on the same day as the annual meeting of stockholders. All of our directors then serving at the time attended our 2008 Annual Meeting of Stockholders on May 1, 2008.

Director Compensation

We use a combination of cash and stock-based incentive compensation to attract and retain qualified candidates to serve on our Board of Directors. In setting director compensation, we consider the amount of time that directors spend fulfilling their duties as a director, including committee assignments.

Cash Compensation Paid to Board Members

We paid each non-employee director of our company an annual cash retainer of \$15,000 and the Chairman of the Audit Committee was paid an additional cash retainer of \$5,000. Members of the Audit and Compensation Committees each receive an annual cash retainer of \$3,000 for each committee on which they serve during the year. We also reimburse each non-employee director for travel and related expenses incurred in connection with attendance at board and committee meetings. Employees who also serve as directors receive no additional compensation for their services as a director.

Stock-Based Compensation

Non-employee directors also are eligible to receive grants of stock options or awards pursuant to the discretion of the Compensation Committee or the entire Board of Directors. Upon joining the Board of Directors, each new non-employee director is granted an option to purchase 10,000 shares of common stock at a price equal to the fair market value on the date of such member's first board meeting. Such option awards vest immediately. Each subsequent year, non-employee directors receive an annual stock option grant to purchase 4,000 shares of our common stock that vests 25% each quarter over a period of one year, while new non-employee directors receive a pro-rata portion of the annual stock option grant in their first full year of service.

The following table summarizes the compensation paid by us to non-employee directors during 2008:

Name (1)	Fees Earned or Paid in Cash (\$)	Option Awards (\$) (2)	Total (\$)
Kent D. Carlson (3)	18,000	9,969	27,969

REPORT OF THE AUDIT COMMITTEE

The following Audit Committee report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any of our filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent we specifically incorporate this Audit Committee report by reference herein.

As more fully described in its charter, the purpose of the Audit Committee is to assist the oversight of our Board of Directors in the integrity of the financial statements of our company, our company's compliance with legal and regulatory matters, the independent auditor's qualifications and independence, and the performance of our company's independent auditor. The primary responsibilities of the committee include overseeing our company's accounting and financial reporting process and audits of the financial statements of our company on behalf of the Board of Directors.

As part of its oversight of our financial statements, the committee reviews and discusses with both management and our independent registered public accountants all annual and quarterly financial statements prior to their issuance. During 2008, management advised the committee that each set of financial statements reviewed had been prepared in accordance with generally accepted accounting principles, and reviewed significant accounting and disclosure issues with the committee. These reviews included discussion with the independent registered public accountants of matters required to be discussed pursuant to U.S. Auditing Standards No. 380 (Communication with Audit Committees), including the quality of our accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The committee also discussed with Ernst & Young LLP matters relating to its independence, including a review of audit and non-audit fees and the written disclosures and letter from Ernst & Young LLP to the committee pursuant to applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountants' communications with the committee concerning independence. In addition, the committee discussed with the independent auditor the overall scope and plans for its audit. The committee met with the independent auditor, with and without management present, to discuss the results of the examinations, its evaluations of our company and the overall quality of the financial reporting.

Based on the reviews and discussions referred to above, the committee recommended to the Board of Directors, and the Board approved, that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2008 for filing with the Securities and Exchange Commission.

The report has been furnished by the Audit Committee of the Board of Directors.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview of Compensation Philosophy and Objectives

The objective of our executive compensation program is to attract, retain, and reward executive officers who are critical to our long-term success. The executive compensation program of our company seeks to provide a level of compensation that is competitive with companies of similar size in the restaurant industry. We align executive officer compensation with both company performance and individual performance and provide incentives to motivate executive officers to achieve our business objectives. We compensate our senior management through a mix of compensation designed to be competitive within our industry and to align management's incentives with the long-term interests of our stockholders.

The Compensation Committee believes that executive compensation should be closely aligned with the performance of the company on both a short-term and a long-term basis. Our executive compensation is comprised of three principal components:

Annual base salary;

Performance-based incentive bonuses, which depend on our performance and individual performance; and

Long-term incentive compensation in the form of stock options or other equity-based awards which are designed to align executive officers' interests with the long-term interest of our stockholders.

Determining Executive Compensation

Our compensation setting process consists of establishing targeted overall compensation for each executive officer and then allocating that compensation among base salary and incentive compensation. At the executive level, we design the incentive compensation to reward company-wide performance through tying awards primarily to specific operational metrics and financial performance. The Compensation Committee evaluates both performance and compensation to ensure that we maintain the ability to attract and retain employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of our peer companies.

We compete with many restaurant companies for top executive-level talent. The committee obtains comparative data to assess competitiveness from a variety of resources. The committee reviewed proxy data obtained from Equilar, Inc., a market leader in benchmarking executive compensation, to review each element of total compensation for executive officers for similar sized restaurant companies in terms of market capitalization and revenue. The peer group companies consisted of Caribou Coffee, Granite City Food and Brewery, J. Alexander's, Morton's, and Nathan's Famous. The committee does not set a specific compensation percentile for our executive officers; instead the committee uses this information and the executive's level of responsibility and experience as well as the executive's success in achieving business results and leadership in determining the executive's compensation. The committee believes that this approach allows for the committee to take into consideration the executive's overall contribution to our company rather than relying solely on specific peer group targets.

A significant portion of total compensation is allocated to incentives as a result of the philosophy discussed above. There is no pre-established policy or target for the allocation between either cash and non-cash or short-term and long-term incentive compensation. The committee reviews data from Equilar, Inc. as well as other industry compensation surveys, SEC filings, and other publicly available sources to determine the appropriate level and mix of incentive compensation.

The responsibilities of the Compensation Committee include determining, or recommending to our Board of Directors for determination, the compensation of our executive officers and discharging the responsibilities of our Board of Directors relating to compensation programs of our company. The committee reviews base salary levels for executive officers of our company at the beginning of each year and recommends actual bonuses at the end of each year based upon our company and individual performance.

Elements of Executive Compensation

Base Salary

Base salaries for executive officers are generally reviewed on an annual basis and at the time of promotion or other change in responsibilities. We provide executive officers with a level of base salary that recognizes appropriately each individual officer's scope of responsibility, role in the organization, experience, and contributions to the success of our company. The Board of Directors reviews salaries recommended by the Compensation Committee. In formulating these recommendations, the committee considers the overall performance of our company, industry compensation benchmark data, and conducts an evaluation of individual officer performance. The committee makes, or recommends that the Board of Directors make, final determinations on any adjustments to the base salary for executive officers.

Annual Incentive Bonus

Annual bonuses are intended to provide incentive compensation to executive officers who contribute substantially to the success of our company. The granting of such awards is based upon the achievement of our company's performance objectives and pre-defined individual performance objectives. Company performance objectives are based upon achieving key financial metrics that the committee establishes early in each year. For 2008, the principal performance measures used to determine company performance objectives was based upon the degree of achievement of restaurant sales and operating income targets. Individual performance objectives are developed based upon personal, operational, and financial performance targets specific to the responsibilities of each executive officer and include elements designed to achieve our growth strategy such as new restaurant development, restaurant operating margins, and cost containment. Upon the close of each year, the committee conducts an assessment of individual performance achieved versus each individual's performance objectives. Simultaneously, the Board conducts an assessment of our company's overall performance, which includes the achievement of the performance objectives discussed above and other performance criteria. Performance targets are generally set at aggressive levels, which include the funding of any payout. No payout is made if the company's or an individual's performance targets are not achieved. The combination of these factors determines any incentive bonuses to be paid.

During January 2005, the committee approved a management bonus program pursuant to which our chief executive officer, chief operating officer, and chief financial officer are eligible to receive 50%, 40%, and 40% of his respective base salary upon successfully achieving certain specified goals as discussed above.

Long-Term Equity Compensation

Long-term performance-based compensation of executive officers has traditionally taken the form of stock option awards. We believe that equity ownership for all executive officers and for certain of our key employees is important for retention and to provide additional incentive to work to maximize long-term total return to stockholders. Stock option award levels are determined based on market data and vary among participants based on their positions within the company. Under our 2005 Stock Award Plan, the Board of Directors or a committee appointed by the Board is specified to act as the plan administrator. The Board has authorized the Compensation Committee to make recommendations to the Board regarding grants of options to executive officers of our company, and these recommendations are subject to ratification by the Board of Directors. In general, stock options are granted to our executive officers at the onset of employment. In establishing award levels, the committee bases the number of stock option awards to be granted on the target percentage of ownership of the recipient, assuming full dilution of outstanding stock option awards. The committee considers the target percentage of ownership of executive officers in our peer group in setting award levels for our executive officers. If, in the opinion of the committee, the outstanding service of an existing employee merits an increase in the number of options held, the committee may elect to issue additional stock options to that employee. We do not have any program or plan to time option grants to our executives in coordination with the release of material non-public information.

Stock options are granted at the closing market price of our common stock on the date of grant. Accordingly, a stock option becomes valuable only if the market price of our common stock increases above the option exercise price and the holder remains employed during the period of time that the option vests. In certain limited circumstances, the committee may grant options to an executive at an exercise price in excess of the closing price of our common stock on the grant date. The Board of Directors granted options to purchase a total of 20,000, 15,000, and 15,000 shares of common stock to each of Messrs. Jundt, Merritt, and Robinow, respectively, on February 7, 2008 related to their fiscal 2007 performance. These options were granted at an exercise price equal to the fair market value of our common stock as of the grant date. These grants were based upon past granting practices and each executive's individual performance and responsibilities. The options granted in 2008 to our executive officers vest at a rate of 25% per year.

Benefits

We offer various employee benefit programs to our executive officers, including medical, dental, life, and long-term disability insurance benefits. These benefits are generally available to all full-time salaried employees of our company. We also sponsor a tax-qualified 401(k) retirement savings plan pursuant to which eligible employees, including our named executive officers, are able to contribute the lesser of up to 50% of their annual salary or the limit prescribed by the Internal Revenue Service. We match 100% of the first 3% of salary contributed and 50% of the next 2% of salary contributed. All contributions to the 401(k) plan as well as any matching contributions are fully vested upon contribution. In addition, we sponsor an employee stock purchase plan pursuant to which eligible employees, including our named executive officers, are able to purchase our common stock at a five percent discount of the fair market value of our common stock on the last day of the applicable offering period. Eligible employees may purchase up to 15% of eligible earnings during each of the offering periods, subject to a maximum of \$25,000 annually.

Compliance with Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation in excess of \$1.0 million paid to each of any publicly held corporation's chief executive officer and four other most highly compensated executive officers. Qualifying performance-based compensation is not subject to the deduction limit if certain requirements are met. We currently intend to continue to structure the performance-based portion of the compensation of our executive officers in a manner that complies with Section 162(m).

Employment Agreements

Marcus E. Jundt

Effective September 26, 2006, we entered into an employment agreement with Mr. Jundt to serve as our President and Chief Executive Officer. The agreement provides for Mr. Jundt to receive a base salary of \$300,000 per annum, which is subject to review by the Board of Directors annually. In addition, Mr. Jundt received an option to purchase 100,000 shares of our common stock at an exercise price of \$16.40 per share, which was equal to 110% of the closing price per share of our common stock on the date of grant.

The employment agreement provides for Mr. Jundt to receive his earned but unpaid compensation and a pro rata portion of his bonus earned for the applicable year through the date of termination of his employment by reason of death. If employment is terminated by us for cause, or by Mr. Jundt without good reason, each as defined in the agreement, Mr. Jundt is entitled to his earned but unpaid compensation and any accrued and vested payments he is entitled to receive under our benefit plans. If we terminate the employment of Mr. Jundt by reason of disability, the agreement provides for the payment of earned but unpaid compensation, a pro rata portion of his bonus through the date of termination of employment, and any payments or benefits that Mr. Jundt is entitled to receive under our benefit plans. If we terminate Mr. Jundt's employment without cause, or if he terminates his employment for good reason, as defined in the agreement, we will pay Mr. Jundt his earned but unpaid compensation and any payments or benefits he is entitled to receive under our benefit plans. In addition, we will continue to pay to Mr. Jundt his base salary for the 18-month period following the date of termination and a payment of 150% of the most recent incentive bonus actually paid. During the severance period, Mr. Jundt will be entitled to receive all medical and dental benefits otherwise available to him during his employment for a period of 18 months. If we terminate Mr. Jundt's employment without cause or in the event of a change in control, any unvested stock options issued in connection with the employment agreement shall vest immediately and become exercisable.

The following table shows the potential payments upon termination or a change of control for Marcus E. Jundt, our Chief Executive Officer.

Mark S. Robinow

Effective October 15, 2004, we entered into an employment agreement with Mr. Robinow to serve as our Vice President and Chief Financial Officer. The agreement provides for Mr. Robinow to receive an annual base salary of \$225,000, subject to review by the Board of Directors. During October 2004, we granted to Mr. Robinow options to purchase 71,089 shares of our common stock at an exercise price per share of \$5.00. Mr. Robinow is entitled to receive all benefits, including health insurance, as offered to our other senior executive officers.

If we terminate Mr. Robinow's employment without cause, or if he terminates his employment for good reason, each as defined in the employment agreement, we will pay Mr. Robinow his fixed compensation and pro rata bonus through the date of termination of his employment, as well as a severance payment equal to 12 months of Mr. Robinow's base salary then in effect. In addition, the stock options that would have vested during the year in which such termination without cause occurs will vest and become exercisable. If we terminate Mr. Robinow's employment with cause, Mr. Robinow will receive his fixed compensation through the date of termination.

The following table shows the potential payments upon termination or a change of control for Mark S. Robinow, our Chief Financial Officer.

Jason J. Merritt

As a result of Mr. Merritt's resignation from the Company effective November 19, 2008, we will pay separation costs to Mr. Merritt in accordance with his employment agreement dated October 1, 2003. We paid Mr. Merritt his base salary through January 18, 2009, and will continue to pay Mr. Merritt an aggregate amount of his base salary of \$287,000 during the 12-month period thereafter. Mr. Merritt is also entitled to receive medical benefits during the severance period. In addition, an option to purchase 60,000 shares of common stock will continue to be exercisable through January 18, 2010, the end of the severance period.

Potential Payments Upon Termination or Change of Control

The tables above reflect the amount of compensation for each of the named executive officers of our company in the event of termination of such executive's employment, except for Mr. Bartholomay who we have not entered into any employment agreement. The amount of compensation payable to each named executive officer upon voluntary termination, involuntary not for cause termination, for cause termination, termination following a change of control and in the event of disability or death of the executive is shown above. The amounts shown assume that such termination was effective as of December 31, 2008, except for Mr. Merritt whose compensation is based upon his resignation from the Company effective November 19, 2008, and thus includes amounts earned through such time and

are estimates of the amounts which would be paid out to the executives upon their termination. As the exercise price on unvested options held by our executive officers was higher than the closing price of our common stock on December 31, 2008, no value has been attributed to stock options in the tables above. The actual amounts to be paid out can only be determined at the time of such executive's separation from our company.

Post-Employment Compensation**Pension Benefits and Nonqualified Deferred Compensation**

We do not offer a pension plan for any of our employees nor do we offer a nonqualified deferred compensation plan for any of our employees. Employees meeting certain plan eligibility requirements may participate in the Kona Grill Employee Retirement Savings Plan.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, officers, and persons that own more than 10 percent of a registered class of our company's equity securities to file reports of ownership and changes in ownership with the SEC. Officers, directors, and greater than 10% stockholders are required by SEC regulations to furnish our company with copies of all Section 16(a) forms they file.

Based solely upon our review of the copies of such forms received by us during the year ended December 31, 2008, and written representations that no other reports were required, we believe that each person who, at any time during such year, was a director, officer, or beneficial owner of more than 10 percent of our common stock complied with all Section 16(a) filing requirements during such year, except for Mr. Patterson who filed one late Form 4 relating to the grant of stock options.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We recognize that transactions between us and any of our directors or executives can present potential or actual conflicts of interest and create the appearance that our decisions are based on considerations other than the best interests of our company and stockholders. Therefore, as a general matter and in accordance with our Code of Business Conduct and Ethics, it is our preference to avoid such transactions. Nevertheless, we recognize that there are situations where such transactions may be in, or may not be inconsistent with, the best interests of our company. Therefore, our Board of Directors reviews and, if appropriate, approves or ratifies any such transactions. Pursuant to the policy, the Board of Directors, or a designated committee, will review any transaction in which we are or will be a participant and the amount involved exceeds \$120,000, and in which any of our directors or executives had, has or will have a direct or indirect material interest. After its review, the Board of Directors or designated committee will only approve or ratify those transactions that are in, or are not inconsistent with, the best interests of our company and our stockholders, as determined in good faith.

During 2008, we did not enter into, nor is there currently proposed, any transaction or series of similar transactions to which we were or are to be a party in which the amount involved exceeds \$120,000, and in which any director, executive officer, or holder of more than 5% of any class of voting securities of our company and members of such person's family had or will have a direct or indirect material interest with the exception of the subscription agreement entered into on December 22, 2008 with Mr. James R. Jundt for the purchase of \$1,000,000 of our common stock. Mr. James R. Jundt is the father of Mr. Marcus E. Jundt. The subscription agreement was terminated on February 14, 2009 by mutual agreement of the Company and Mr. Jundt without any continuing obligations by either party.

The Board of Directors anticipates that representatives of Ernst & Young LLP will be present at the annual meeting of stockholders, will have the opportunity to make a statement if they desire, and will be available to respond to appropriate questions.

The charter of our Audit Committee provides that the duties and responsibilities of our Audit Committee include the approval in advance of any significant audit or non-audit engagement or relationship with the independent auditor, and other services permitted by law or applicable SEC regulations (including fee and cost ranges) to be performed by our independent auditor. PROPOSAL TO AMEND THE 2005 STOCK AWARD PLAN

Our Board of Directors has approved a proposal to amend the Kona Grill, Inc. 2005 Stock Award Plan (the "2005 Plan"), subject to approval by our stockholders, to increase the maximum number of shares of our common stock available for issuance in connection with awards under the 2005 Plan by 375,000 shares. **Our Board of Directors recommends a vote for the proposed amendment to the Plan.** The full text of the proposed amendment to the 2005 Plan is attached as [Appendix A](#) to this proxy statement. The amendment will be effective upon approval by our stockholders of the amendment to the 2005 Plan. The full text of the 2005 Plan can be found attached to the Registration Statement on Form S-8 filed by the Company with the SEC on August 16, 2005.

Reasons for the Proposed Amendment

The 2005 Plan is intended to attract, retain, and motivate key personnel. The 2005 Plan provides such individuals with an opportunity to acquire a proprietary interest in our company and thereby align their interests with the interests of our other stockholders and give them an additional incentive to use their best efforts for the long-term success of our company.

As of December 31, 2008, there were 18,621 shares of common stock remaining available for issuance under the 2005 Plan. Accordingly, during January 2009, our Board of Directors determined that an increase in the share limitation under the 2005 Plan was necessary (1) to reflect the growth of our company, and (2) to provide a sufficient number of shares to enable us to continue to attract, retain, and motivate key personnel by making additional grants under the 2005 Plan. If the amendment to the 2005 Plan is approved, the shares available for issuance under the 2005 Plan will increase to 393,621.

As of December 31, 2008, there were 685,885 shares authorized under the 2005 Plan of which 638,667 shares are reserved for issuance under outstanding awards, 28,597 shares had been issued upon exercise of options granted under the 2005 Plan, and 18,621 shares remain available for grant. The number of shares authorized for issuance under the 2005 Plan may increase by the following: (i) the number of shares with respect to which awards previously granted under the Kona Grill, Inc. 2002 Stock Plan (the "2002 Plan") that terminate without the issuance of the shares or where the shares are forfeited or repurchased; (ii) with respect to awards granted under the plans, the number of shares which are not issued as a result of the award being settled for cash or otherwise not issued in connection with the exercise or payment of the award; and (iii) the number of shares that are surrendered or withheld in payment of the exercise price of any award or any tax withholding requirements in connection with any award granted under the existing plans.

Reasons for and Effect of the Proposed Amendment

The Board of Directors believes that the approval of the proposed amendment to the 2005 Plan is necessary to achieve the purposes of the 2005 Plan and to promote the welfare of our company and our stockholders. In June 2005, the original share limitation (based on 250,000 shares plus additional "rollover" shares from the 2002 Plan) was established under the 2005 Plan. At that time, we had approximately 800 employees, approximately 2.8 million total outstanding shares, including convertible preferred stock and shares issuable under our convertible subordinated promissory note, and revenues for the six months ended June 30, 2005 of approximately \$16.9 million. In May 2007, stockholders approved an increase of the original share limitation by 175,000 shares. Today, we have over 1,900 employees, restaurant sales during 2008 of \$75.8 million, and 21 restaurants. Looking toward the future, we have limited availability under the current share limitation for future grants, accordingly, the need for an amendment to increase the limitation on the shares issuable under the 2005 Plan. The Board of Directors believes that the proposed amendment to

the 2005 Plan will aid our company in attracting and retaining directors, officers, and key employees, and motivating such persons to exert their best efforts on behalf of our company. In addition, we expect that the proposed amendment will further strengthen the identity of interests of the directors, officers, and key employees with that of the stockholders.

Approval by Stockholders of the Proposed Amendment

Approval of the proposed amendment to our 2005 Plan will require the affirmative vote of the holders of a majority of the shares of our common stock present in person or by proxy. The amendment will be effective upon approval by our stockholders of the amendment to the 2005 Plan. In the event that the amendment to the 2005 Plan is not approved by our stockholders, the 2005 Plan will remain in effect as previously adopted and we will not have sufficient ability to grant options to retain, motivate, and attract new and existing directors, officers, and key employees. Any options outstanding under the 2005 Plan prior to the amendment will remain valid and unchanged.

PROPOSAL TO APPROVE THE RIGHTS AGREEMENT

The Company is currently a party to a Rights Agreement, dated as of May 27, 2008, with Continental Stock Transfer & Trust Company (the Rights Agreement). Under the Rights Agreement, the Company declared a dividend distribution of one preferred share purchase right (the Rights) for each outstanding share of the Company's common stock (the Common Stock). Our Board of Directors has approved the Rights Agreement, subject to approval by our stockholders, to enable the Board of Directors to assure that the Company's stockholders are able to realize the long-term value of their investment in the Company. **Our Board of Directors recommends a vote for the approval of the Rights Agreement.** The full text of the Rights Agreement can be found as Exhibit 4.5 to the Current Report on Form 8-K filed by the Company with the SEC on May 28, 2008.

Reasons for the Rights Agreement

The Board of Directors believes that maintaining the Rights Agreement is an important tool with which it can protect stockholder value. The Rights are intended to protect the stockholders of the Company in the event of an unfair or coercive offer to acquire the Company and to provide the Board of Directors with adequate time to evaluate unsolicited offers. The Rights may have anti-takeover effects. The Rights will cause substantial dilution to a person or group that attempts to acquire the Company without conditioning the offer on a substantial number of Rights being acquired. The Rights, however, should not inhibit any prospective offeror willing to make an offer at a fair price and otherwise in the best interests of the Company and its stockholders, as determined by the Board of Directors. The Rights should also not interfere with any merger or other business combination approved by the Board of Directors.

Description of the Rights Agreement

The following is a summary of the material terms of the Rights Agreement. The statements below are only a summary, and are qualified in their entirety by reference to the full text of the Rights Agreement, which can be found attached to the Current Report on Form 8-K referred to above.

General

Under the terms of the Rights Agreement, each share of Common Stock outstanding has one Right attached to it, so that the purchase of a share of Common Stock is also a purchase of the attached Right. Each Right entitles the registered holder to purchase from the Company one one-thousandth of a share of the Company's Series A Junior Participating Preferred Stock, par value \$0.01 per share (the Series A Preferred Stock) at an initial purchase price of \$55.00 per one one-thousandth of a share, subject to adjustment. The description and terms of the Rights are set forth in the Rights Agreement.

Exercisability and Termination

Initially, the Rights will be attached to all Common Stock certificates, and no separate Rights certificates will be distributed. Subject to certain exceptions specified in the Rights Agreement, the Rights will separate from the Common Stock and a Distribution Date will occur upon the earlier of (i) 10 days following a public announcement that a person or group of affiliated or associated persons has become an Acquiring Person, as defined in the Rights Agreement, or (ii) 10 business days (or such later date as may be determined by action of the Board of Directors prior to such time as any person or group of affiliated or associated persons becomes an Acquiring Person) following the commencement of, or announcement of an intention to make, a tender offer or exchange offer the consummation of which would result in beneficial ownership by a person or group of 20% or more of the outstanding shares of Common Stock.

The Rights are not exercisable until the Distribution Date and will expire on the earlier of May 28, 2011 or May 31, 2009, if our stockholders have not approved the adoption of the Rights Agreement by that date, unless the Rights are earlier redeemed or exchanged by the Company. If the Rights Agreement is not approved by the stockholders, the Rights will automatically terminate. If the Rights Agreement is approved by the stockholders at the 2009 Annual Meeting, then the Rights Agreement will continue in effect until May 28, 2011 at which time the Rights Agreement must again be approved by the stockholders of the Company at the 2011 Annual Meeting of Stockholders or the agreement will terminate.

Until the Distribution Date (or earlier expiration of the Rights), the Rights will be evidenced, with respect to Common Stock certificates outstanding at the May 28, 2008 record date, by such Common Stock certificates together with a copy of the Summary of Rights; new Common Stock certificates issued after the Record Date upon transfer or new issuances of Common Stock will contain a notation incorporating the Rights Agreement by reference. Until the Distribution Date (or earlier expiration of the Rights), the surrender for transfer of any certificates for shares of Common Stock outstanding as of the Record Date, even without such notation, or a copy of the Summary of Rights, will also constitute the surrender for transfer of the Rights associated with the shares of Common Stock represented by such certificate. As soon as practicable following the Distribution Date, separate certificates evidencing the Rights (Right Certificates) will be mailed to holders of record of the Common Stock as of the close of business on the Distribution Date and such separate Right Certificates alone will evidence the Rights. In certain circumstances, the detachment of Rights (and the issuance of separate Right Certificates) may be deferred by prior action of the Company's Board of Directors.

Triggering Events and Adjustment

In the event that any person or group of affiliated or associated persons becomes an Acquiring Person, each holder of a Right, other than Rights beneficially owned by the Acquiring Person (which will thereupon become void), will thereafter have the right to receive upon exercise of a Right that number of shares of Common Stock having a market value of two times the exercise price of the Right.

In the event that, after a person or group has become an Acquiring Person, the Company is acquired in a merger or other business combination transaction or 50% or more of its consolidated assets or earning power are sold, proper provision is required to be made so that each holder of a Right (other than Rights beneficially owned by an Acquiring Person, which will have become void) will thereafter have the right to receive upon exercise of a Right that number of shares of common stock of the person with whom the Company has engaged in the transaction (or its parent) having a market value (at the time of such transaction) of two times the exercise price of the Right.

At any time after any person or group becomes an Acquiring Person and prior to the earlier of one of the events described in the previous paragraph or the acquisition by the Acquiring Person of 50% or more of the outstanding shares of the Company's Common Stock, the Board of Directors of the Company may exchange the Rights (other than Rights owned by such Acquiring Person, which will have become void), in whole or in part, for shares of Common Stock or Preferred Stock (or a series of the Company's preferred stock having equivalent rights, preferences, and privileges), at an exchange ratio of one share of Common Stock, or a fractional share of Preferred Stock (or other preferred stock) equivalent in value thereto, per Right.

Redemption of the Rights

At any time prior to the time an Acquiring Person becomes such, the Board of Directors of the Company may redeem the Rights in whole, but not in part, at a price of \$.001 per Right (the Redemption Price), payable, at the option of the Company, in cash, shares of Common Stock, or such other form of consideration as the Board of Directors of the Company determines to be appropriate. The redemption of the Rights may be made effective at such time, on such basis, and with such conditions as the Board of Directors in its sole discretion may establish. Immediately upon any redemption of the Rights, the right to exercise the Rights will terminate and the only right of the holders of Rights will be to receive the Redemption Price.

Approval by Stockholders of the Rights Agreement

Approval of the Rights Agreement will require the affirmative vote of the holders of a majority of the shares of our common stock present in person or represented by proxy. The expiration date for the Rights Agreement will be May 28, 2011 upon approval by our stockholders of the Rights Agreement. In the event that the Rights Agreement is not approved by our stockholders, the Rights Agreement will terminate on May 31, 2009.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS

Any stockholder that wishes to present any proposal for stockholder action at our annual meeting of stockholders to be held in 2010 must notify us at our principal offices no later than November 20, 2009 in order for the proposal to be included in our proxy statement and form of proxy relating to that meeting. Under our bylaws, stockholders must follow certain procedures to nominate persons for election as director or to introduce an item of business at an annual meeting of stockholders.

Pursuant to Rule 14a-4 under the Exchange Act, we intend to retain discretionary authority to vote proxies with respect to stockholder proposals for which the proponent does not seek inclusion of the proposed matter in our proxy statement for the annual meeting to be held during calendar 2010, except in circumstances where (i) we receive notice of the proposed matter no later than February 5, 2010 and (ii) the proponent complies with the other requirements set forth in Rule 14a-4.

OTHER MATTERS

We know of no other matters to be submitted to the meeting. If any other matters properly come before the meeting, it is the intention of the persons named in the enclosed proxy card to vote the shares they represent as our Board of Directors may recommend.
