## Introductory Note

On April 1, 2016, CVR Partners, LP, a Delaware limited partnership (the “Partnership”), completed the previously announced transactions contemplated by the Agreement and Plan of Merger, dated as of August 9, 2015 (the “Merger Agreement”), by and among the Partnership, Lux Merger Sub 1 LLC, a Delaware limited liability company and wholly-owned subsidiary of the Partnership (“Merger Sub 1”), Lux Merger Sub 2 LLC, a Delaware limited liability company and wholly-owned subsidiary of the Partnership (“Merger Sub 2”), East Dubuque Nitrogen Partners, L.P. (formerly known as Rentech Nitrogen Partners, L.P.), a Delaware limited partnership (“Rentech Nitrogen”), and East Dubuque Nitrogen GP, LLC (formerly known as Rentech Nitrogen GP, LLC), a Delaware limited liability company (“Rentech Nitrogen GP”). Pursuant to the terms and conditions set forth in the Merger Agreement, (i) Merger Sub 1 merged with and into Rentech Nitrogen GP, the general partner of Rentech Nitrogen, with Rentech Nitrogen GP continuing as the surviving entity as a wholly-owned subsidiary of the Partnership, and (ii) Merger Sub 2 merged with and into Rentech Nitrogen, with Rentech Nitrogen continuing as the surviving entity as a subsidiary of the Partnership (collectively, the “Merger”).

### Item 1.01 Entry into a Material Definitive Agreement.

The information set forth in the Introductory Note is incorporated herein by reference.

On April 1, 2016, in connection with the closing of the Merger, the Partnership entered into a new \$320 million senior term loan facility (the “AEPC Facility”) with American Entertainment Properties Corp., a Delaware corporation and an affiliate of the Partnership (“AEPC”), as the lender, which (i) may be used by the Partnership to provide funds to Rentech Nitrogen to make a change of control offer and, if applicable, a “clean-up” redemption in accordance with the indenture governing Rentech Nitrogen’s 6.500% Second Lien Senior Secured Notes due 2021 (the “Second Lien Notes”) or (ii) may be used by the Partnership or Rentech Nitrogen to make a tender offer for the Second Lien Notes and, in each case, pay fees and expenses related thereto. The AEPC Facility is for a term of two years and bears interest at a rate of 12% per annum. The AEPC Facility contains covenants that require the Partnership to, among other things, notify AEPC of the occurrence of any default or event of default and provide AEPC with information in respect of the Partnership’s business and financial status as it may reasonably require, including, but not limited to, copies of the Partnership’s unaudited quarterly financial statements and audited annual financial statements. In addition, the AEPC Facility contains customary events of default, including, among others, failure to pay any sum payable when due and the occurrence of a default of other indebtedness in excess of \$25.0 million.

On April 1, 2016, in connection with the closing of the Merger, the Partnership entered into a new \$300 million senior term loan facility (the “Coffeyville Facility”) with Coffeyville Resources, LLC, a Delaware limited liability company and the sole member of the general partner of the Partnership (“Coffeyville”), as the lender, which may be used by the Partnership (i) to fund the repayment of amounts outstanding under the Credit Agreement, dated as of July 22, 2014, as amended, among Rentech Nitrogen, Rentech Nitrogen Finance Corporation, the guarantors party thereto, the lenders and other financial institutions party thereto, and Wells Fargo Bank, National Association, as successor-in-interest by assignment from General Electric Company, as administrative agent, (ii) to pay the Cash Consideration and to pay fees and expenses in connection with the Merger and related transactions and (iii) to repay all of the loans outstanding under the Credit and Guaranty Agreement (the “Credit Agreement”), dated as of April 13, 2011, among the Partnership, Coffeyville Resources Nitrogen Fertilizers, LLC, the lenders party thereto and Goldman Sachs Lending Partners LLC, as administrative agent and collateral agent. The Coffeyville Facility is for a term of two years and bears interest at a rate of 12% per annum. The Coffeyville Facility contains covenants that require the Partnership to, among other things, notify Coffeyville of the occurrence of any default or event of default and provide Coffeyville with information in respect of the Partnership’s business and financial status as it may reasonably require, including, but not limited to, copies of the Partnership’s unaudited quarterly financial statements and audited annual

financial statements. In addition, the Coffeyville Facility contains customary events of default, including, among others, failure to pay any sum payable when due and the occurrence of a default of other indebtedness in excess of \$25.0 million.

The foregoing description is qualified in its entirety by reference to the full text of the AEPC Facility and Coffeyville Facility, which are attached as Exhibit 10.1 and 10.2, respectively, to this Current Report on Form 8-K and incorporated in this Item 1.01 by reference.

Item 1.02 Termination of Material Definitive Agreement.

The information set forth in the Introductory Note is incorporated herein by reference.

---

On April 1, 2016, in connection with the completion of the Merger, the Partnership repaid all amounts outstanding under the Credit Agreement. Effective upon such repayment, the Credit Agreement and all related loan documents and security interests were terminated and released.

Item 2.01 Completion of Acquisition or Disposition of Assets.

The information set forth in the Introductory Note and in Item 1.01 is incorporated herein by reference.

Pursuant to the Merger Agreement, at the effective time of the Merger (the “Effective Time”), each outstanding common unit representing a limited partner interest in Rentech Nitrogen (each, a “Rentech Nitrogen Common Unit”), other than certain units held by affiliates of the Partnership, was converted into the right to receive (1) 1.04 common units representing limited partner interests in the Partnership (“Partnership Common Units” and such amount, the “Unit Consideration”), and (2) \$2.57 in cash, without interest (the “Cash Consideration” and, together with the Unit Consideration, the “Merger Consideration”). Phantom units granted and outstanding under Rentech Nitrogen’s equity plans and held by employees who will continue in the employment of a Partnership-affiliated entity were cancelled and replaced with new incentive awards granted by the Partnership of substantially equivalent value and on similar terms. Each phantom unit granted and outstanding and held by (x) employees who will not continue in employment of a Partnership-affiliated entity or (y) directors of Rentech Nitrogen GP vested in full and were converted into the right to receive the Merger Consideration. Pursuant to the Merger Agreement, the Rentech Nitrogen Common Units held of record by an affiliate of CVR Partners and specified in writing by CVR Partners remained outstanding as Rentech Nitrogen Common Units following the Effective Time.

Pursuant to the Merger Agreement, the Partnership issued approximately 40.1 million Partnership Common Units and paid approximately \$99.2 million in cash to the holders of Rentech Nitrogen Common Units and certain holders of Rentech Nitrogen phantom units as described above.

The summary of the Merger Agreement in this Current Report on Form 8-K does not purport to be complete and is qualified by reference to the full text of the Merger Agreement, which is filed as Exhibit 2.1 to the Partnership’s Current Report on Form 8-K filed with the Securities and Exchange Commission (the “SEC”) on August 13, 2015 and incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 is incorporated in this Item 2.03 by reference.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

The information set forth in the Introductory Note is incorporated herein by reference.

On April 4, 2016, Keith B. Forman and Patrick Fleury were appointed to the board of directors (the “Board”) of CVR GP, LLC, the general partner of the Partnership, each of whom were designated in accordance with the Transaction Agreement dated August 9, 2015 (the “Transaction Agreement”) by and among the Partnership, Coffeyville, Rentech, Inc. (“Rentech”), Rentech Nitrogen Holdings, Inc. (“Rentech Holdings”) and DSHC, LLC (“DSHC” and, together with Rentech and Rentech Holdings, the “Rentech Nitrogen Unitholders”).

Pursuant to the Transaction Agreement, the Rentech Nitrogen Unitholders have the right to appoint two directors to the Board, subject to certain minimum ownership thresholds based on (i) for the first year following the closing of the

Merger, the combined ownership in Partnership Common Units of the Rentech Nitrogen Unitholders, any wholly-owned subsidiary of Rentech and any fund managed or affiliated with GSO Capital Partners LP, and (ii) during the second year following the closing of the Merger and thereafter, the ownership in Partnership Common Units of Rentech Nitrogen Unitholders or any wholly-owned subsidiary of Rentech. The Rentech Nitrogen Unitholders exercised this appointment right as set forth above. The Rentech Nitrogen Unitholders right to appointment will be reduced by one seat when and if their ownership (as calculated above) falls below 15% of the outstanding Partnership Common Units, and will terminate when and if their ownership (as calculated above) falls below 7.5% of the outstanding Partnership Common Units.

In addition, on April 4, 2016, Jonathan Frates and Louis J. Pastor were appointed to the Board. Following the closing of the Merger and because no director resigned from the Board, the Board has a total of eleven directors.
