1. To elect eleven (11) directors of the Company to serve until the 2020 Annual Meeting of Shareholders or until their successors are elected; and
2. To ratify the selection of RSM US LLP as the Company’s independent registered public accountants for the fiscal year ending December 31, 2019; and
3. To transact such other business as may properly come before the Annual Meeting, including adjourning the Annual Meeting to permit, if necessary, further solicitation of proxies or any adjournment thereof.

The Board of Directors is not aware of any such other business.

Only shareholders of record of outstanding shares of common stock of the Company at the close of business on March 29, 2019 are entitled to notice of, and to vote, at the Annual Meeting or any adjournment or postponement thereof.

A list of the Company’s shareholders will be open to the examination of any shareholder at 220 Elm Street, New Canaan, Connecticut, for any purpose germane to the Annual Meeting, during ordinary business hours, beginning two (2) days after the notice date of the Annual Meeting through the date of the Annual Meeting.

The Company cordially invites all shareholders to attend the Annual Meeting in person. For the first time, we will be providing access to our proxy materials over the Internet under the Securities and Exchange Commission’s “notice and access” rules. As a result, on or about April 18, 2019, we are mailing to our shareholders a notice instead of a paper copy of the proxy statement and our 2018 Annual Report.

Whether or not you expect to attend the Annual Meeting, we hope you will vote as soon as possible. You may cast your vote over the Internet or during the Annual Meeting. Alternatively, you may vote by mail or telephone by requesting hard copies of proxy materials by May 19, 2019. If your shares are held in the name of a broker, only the broker can vote your shares and only after receiving your instructions with regard to the election of Directors. If necessary, please contact the responsible person on your account and instruct him or her to execute a proxy sheet on your behalf.

By Order of the Board of Directors

Blake S. Drexler

Chairman of the Board

New Canaan, Connecticut

April 18, 2019

IMPORTANT: All shareholders are encouraged to attend the Annual Meeting. However, in order that there may be sufficient shareholder representation at the Annual Meeting, you are urged to vote by proxy even if you plan to attend the Annual Meeting. You may vote over the Internet, via telephone, via mail or in person. Shares represented by proxies received prior to the time of the Annual Meeting will be voted as directed by the shareholders on their respective proxies. If you are present in person you may, if you wish, revoke the proxy and vote personally on all matters brought before the meeting.

Internet: vote your shares at www.investorvote.com/BWFG

Telephone and Mail: You can vote by telephone or mail by following the instructions on your proxy card.

At the Annual Meeting: The method or timing of your vote will not limit your right to vote in person at the Annual Meeting. However, if your shares are held in the name of a broker, bank or other nominee, you must obtain a legal proxy, executed in your favor, from the holder of record to be able to vote at the Annual Meeting. You should allow yourself enough time prior to the Annual Meeting to obtain this proxy from the holder of record.

Your prompt action in voting your shares by proxy will be greatly appreciated. Upon request, in accordance with the instructions provided in the Notice of Internet Availability of Proxy Materials, a self-addressed postage paid envelope will be provided for your use.

We would appreciate notice of your plan to attend the meeting in person so that we may be certain to accommodate those who come.

PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON MAY 29, 2019

Your proxy is being solicited by the Directors of Bankwell Financial Group, Inc. (the “Company”), the bank holding company for Bankwell Bank (the “Bank”), in connection with the 2019 Annual Meeting of Shareholders of the Company (the “Annual Meeting”) to be held at Woodway Country Club, 540 Hoyt Street, Darien, Connecticut 06820, on May 29, 2019, at 8:00 a.m. and at any adjournments thereof. The matters to be considered and acted upon at such meeting are referred to in the preceding notice and are more fully discussed below. We are making the Notice of Internet Availability of Proxy Materials (the “Internet Notice”), this proxy statement, the accompanying form of proxy card, and our 2018 Annual Report available to shareholders on or about April 18, 2019.

We are furnishing these proxy materials, including our 2018 Annual Report, to our shareholders by providing access to such documents via the Internet Notice instead of mailing printed copies. The Internet Notice provides instructions as to how you may access and review all of the proxy materials on the Internet. The Internet Notice also instructs you as to how you may submit your proxy over the Internet or by telephone. If you would like to receive a paper copy of our proxy materials, you should follow the instructions for requesting such materials in the Internet Notice. Any request to receive proxy materials by mail will remain in effect until you revoke it.

Directors, officers and employees may solicit proxies personally or by telephone or facsimile. The Company may also request brokers, nominees, custodians and fiduciaries to forward soliciting material to the beneficial owners of stock held of record as of March 29, 2019, and will reimburse such persons for reasonable expenses incurred in forwarding such material. The cost of solicitation will be borne by the Company.

All properly executed, unrevoked proxies received pursuant to this solicitation prior to the close of voting will be voted as directed therein. Properly executed, unrevoked proxies, which do not specifically direct the voting of the shares covered thereby on any matter will be voted in the affirmative on such matter(s). Any proxy given pursuant to this solicitation may be revoked in writing by the shareholder at any time prior to the voting of the proxy by notifying Penko Ivanov or Laura Waitz, Bankwell Financial Group, Inc., 220 Elm Street, New Canaan, Connecticut 06840.

The persons named on the form of proxy card to act as proxies at the Annual Meeting are: Richard E. Castiglioni and Todd Lampert, both of whom are Directors of the Company and residents of Connecticut. If, for any reason, any Director nominee shall become unavailable before the date of the Annual Meeting, discretionary authority will be exercised by the above-named persons to vote the proxy cards for the election of such other person(s) as the Board of Directors shall determine. The holders of a majority of the outstanding shares of stock, present at the Annual Meeting in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting.

Who Can Vote

You will be entitled to vote your shares of Company common stock at the Annual Meeting if you were a shareholder of record at the close of business on March 29, 2019. As of that date, there were 7,873,471 shares of common stock outstanding and entitled to vote at the meeting. You are entitled to one vote on each proposal voted on at the meeting for each share of common stock that you held on March 29, 2019. There is no cumulative voting.

We recommend that shareholders vote by proxy even if they plan to attend the Annual Meeting. You may vote over the Internet, via telephone, via mail or in person.

Internet: vote your shares at www.investorvote.com/BWFG

Telephone and Mail: You can vote by telephone or mail by following the instructions on your proxy card.

At the Annual Meeting: The method or timing of your vote will not limit your right to vote in person at the Annual Meeting. However, if your shares are held in the name of a broker, bank or other nominee, you must obtain a legal proxy, executed in your favor, from the holder of record to be able to vote at the Annual Meeting. You should allow yourself enough time prior to the Annual Meeting to obtain this proxy from the holder of record.

Internet voting is available 24 hours a day and will close at 3:00 a.m. (EDT) on Wednesday, May 29, 2019.

The shares voted by proxy over the Internet, telephonically or by mail, properly marked, dated, signed and not revoked, will be voted at the Annual Meeting. Voting by proxy will not prevent you from voting your shares in person if you attend the Annual Meeting.

How to Vote Shares Held by a Broker, Bank or Other Nominee

If your shares are held through a broker, bank or other nominee, you may vote your shares by marking, signing and dating the voting instruction form provided to you by your broker, bank or other nominee. To be able to vote shares not registered in your own name in person at the Annual Meeting, you will need appropriate documentation from the record holder of your shares. If you hold your shares in "street name" through a broker or bank you may only vote in person or change your vote in person if you have a legal proxy in your name from Broadridge Financial Solutions or your broker or bank.

If you are the beneficial owner of shares held in "street name" by a broker and you do not give instructions to the broker on how to vote your shares at the Annual Meeting, then the broker will be entitled to vote the shares with respect to "discretionary" items, but will not be permitted to vote the shares with respect to "non-discretionary" items (in which case, the shares will be treated as a "broker non-vote"). The ratification of the selection of RSM US LLP as the Company's independent registered public accountants (Proposal 2) is considered to be a discretionary item and your broker will be able to vote on that item even if it does not receive instructions from you. The other proposal to be considered at the Annual Meeting, election of directors, is a "non-discretionary" item. If you do not instruct your broker how to vote with respect to this item, your broker may not vote your shares with respect to this item.

An abstention is a decision by a shareholder to take a neutral position on a proposal being submitted to shareholders at a meeting. A proxy marked as abstaining with respect to a proposal will be counted for quorum purposes, but will not be counted as a vote cast, and therefore will have no effect on the vote.

Broker non-votes are also counted in determining the number of shares represented for the purpose of determining whether a quorum is present at the Annual Meeting, provided that there are discretionary items to be acted upon at a shareholders' meeting such as here with the ratification of the independent registered public accounting firm.

Votes Required

The number of votes required to approve the proposals that are scheduled to be presented at the meeting is as follows:

Proposal	Required Vote
1. Election of 11 directors	For each nominee, a plurality of the votes cast for such nominee.
2. Ratification of the selection of the Company's independent registered public accountants	A majority of the votes cast on the proposal.

Shareholders' votes will be tabulated by the person from Computershare appointed by the Board of Directors to act as inspector of election for the annual meeting.

PROPOSAL 1 -

ELECTION OF DIRECTORS

The Certificate of Incorporation of the Company provides that the number of directors shall not be less than six (6) or more than sixteen (16) and permits the exact number to be determined from time to time by our Board of Directors. We have determined beneficial ownership in accordance with the rules of the SEC. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons and entities named in the tables below have sole voting and investment power with respect to all shares of common stock that they beneficially own, subject to applicable community property laws. Unless otherwise noted, the address for each shareholder listed on the table below is: c/o Bankwell Financial Group, Inc., 220 Elm Street, New Canaan, Connecticut 06840.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

Director Qualifications

We believe the current composition of our Board of Directors reflects and supports our strategic direction and that our directors bring skills, experience, background and commitment that are relevant to and support our key strategic and operational goals. We seek to continue to strengthen our Board of Directors when we add new members. Community leadership is an important consideration in reviewing and selecting board candidates. Consideration is given to candidates who can provide diversity to our Board of Directors reflective of the community we serve. Where other criteria in terms of character, skills, experience, track record and commitment are assessed by our Governance and Nominating Committee, to be equivalent, candidates reflecting such diversity may be given preference. With respect to re-nominations of sitting directors, the Governance and Nominating Committee and our Board of Directors considers individual performance as a director and any material changes in the director's professional or job status, or community involvement. The Governance and Nominating Committee is also guided in this effort by an annual assessment of our directors. A director may not serve on the board of more than four public companies.

Director Independence

Under the rules of the Nasdaq Stock Market, independent directors must comprise a majority of our Board of Directors. The rules of the Nasdaq Stock Market, as well as those of the SEC, also impose several other requirements with respect to the independence of our directors. Our Board of Directors has determined that all of our directors except Mr. Gruseke are independent for purposes of the Nasdaq Stock Market rules with respect to board of director composition. Shareholders wishing to communicate directly with the independent members of the Board of Directors may send correspondence to Bankwell Financial Group, Inc., Attn.: Mr. Blake S. Drexler, 220 Elm Street, New Canaan, Connecticut 06840.

Board Leadership

Our Board of Directors has appointed Mr. Drexler as Chairman of the Board. In prior years, our Chief Executive Officer also served as its Chairman. By having another director serve as chairman, Mr. Gruseke is able to focus his time on running our operations.

Code of Conduct; Code of Ethics

Our Board of Directors is committed to developing and maintaining effective, transparent, and accountable corporate governance practices. We have adopted Corporate Governance Guidelines as a set of guiding principles under which we govern our affairs and the affairs of the Bank. Our Corporate Governance Guidelines address, among other things, the composition and functions of our Board of Directors, director independence, compensation of directors, management succession and review, board of director committees and selection of new directors. In addition, our Board of Directors has adopted Codes of Conduct that apply to all of our directors, officers and employees, including a Code of Conduct for Senior Executive Financial Officers, which is applicable to our Chief Executive Officer, Chief Financial Officer and Controller. Our Corporate Governance Guidelines, as well as our Codes of Conduct, are available on our website at www.mybankwell.com. Any amendments to our Code of Conduct for Senior Executive Financial Officers, or any waivers of its requirements, will be disclosed on our website, as well as any other means required by the Nasdaq Stock Market rules.

Diversity

We have not adopted a formal policy on diversity. Our Board of Directors will consider diversity when selecting candidates for future board service. When our Board of Directors determines there is a need to fill a director position, we begin to identify qualified individuals for consideration. We seek individuals who possess skill sets that a prospective director will be required to draw upon in order to contribute to our Board of Directors, including professional experience, education, and local knowledge. While education and skills are important factors, we also consider how candidates will contribute to the overall balance of our Board of Directors, so that we will benefit from directors with different perspectives,

varying view points and wide-ranging backgrounds and experiences. We view and define diversity in its broadest sense, which includes gender, ethnicity, education, experience and leadership qualities.

Compensation Committee Interlocks and Insider Participation

None of the members of our Compensation Committee are or have been an officer or employee of the Company or the Bank. In addition, none of our executive officers serves or has served as a member of the board of directors, compensation committee or other board committee performing equivalent functions of any entity that has one or more executive officers serving as one of our directors or on our Compensation Committee.

Risk Oversight

Risk is an inherent part of the business of banking, including credit risk relating to its loans and interest rate risk related to its entire balance sheet. Our Board of Directors oversees these risks through the adoption of policies and by delegating oversight to certain committees, including the Audit Committee, the Directors Loan Committee, and the Asset Liability Committee. These committees exercise oversight by establishing a corporate environment that promotes timely and effective disclosure, fiscal accountability and compliance with all applicable laws and regulations.

Communications with the Board

Our Board welcomes the submission of any comments or concerns from shareholders and any interested parties. Communications should be in writing and addressed to our Chairman of the Board at our principal executive offices and marked to the attention of the Board or any of its Committees, individual directors or non-management or independent directors as a group. All correspondence will be forwarded to the intended recipient(s).

Board and Annual Meeting Attendance

In 2018, our Board met eight times and each incumbent director who was a member of our Board during 2018 attended at least 75% of the total number of meetings of the Board and all committees of the Board on which the director served.

Directors are encouraged to attend our annual meetings of shareholders. All of our current directors attended the 2018 Annual Meeting either in person or by telephone conference call.

and
to approve the Audit Committee Report required by the SEC to be included in the annual proxy statement.

The Audit Committee works closely with management and our independent auditors. The Audit Committee has the authority to obtain advice and assistance from, and receive appropriate funding to engage outside legal, accounting or other consultants that it deems necessary to provide advice to the Audit Committee for any matters related to the discharge of the Audit Committee's duties and responsibilities. Our Board of Directors has adopted a written charter for the Audit Committee which is available on our website at www.mybankwell.com.

The Audit Committee currently consists of Ms. Brathwaite, Mr. Garnett, Mr. Jones (Chair) and Mr. Liss. All members of the Audit Committee are independent. Messrs. Jones and Liss qualify as "audit committee financial experts." In 2018, the Audit Committee met fifteen times.

Audit Committee Report

The Audit Committee meets periodically to consider the adequacy of the Company's financial controls and the objectivity of its financial reporting. The Audit Committee meets with the Company's independent auditors and the Company's internal auditors, all of whom have unrestricted access to the Audit Committee.

In connection with this year's financial statements, the Audit Committee has reviewed and discussed the Company's audited financial statements with the Company's officers and RSM US LLP, our independent auditors. We have discussed with RSM US LLP, the matters required to be discussed by the Public Company Accounting Oversight Board (United States) (PCAOB) Auditing Standard No. 1301, "Communications with Audit Committees". We also have received the written disclosures and letters from RSM US LLP required by Independence Standards Board Standard No. 1 ("Independence Discussions with Audit Committees"), and have discussed with representatives of RSM US LLP their independence.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2018.

Stock Option, Equity Award and Incentive Plans

Officer Incentive Compensation Plan. The Officer Incentive Compensation Plan is designed to provide cash compensation to our senior management for achieving budgeted profits and for outstanding performance in furthering our financial goals. The Officer Compensation Plan is administered by our Compensation Committee. Awards under the Officer Compensation Plan are normally based upon specific operating results and individual performance. The Compensation Committee reserves the right to amend or adjust payouts. Incentive awards paid under the Officer Compensation Plan are considered taxable income in the year paid. The Officer Compensation Plan includes a "clawback" provision providing for the forfeiture of incentives in the event of material financial restatements.

Equity Plans. The Company has five equity award plans. Any future issuances of equity awards will be made under the 2012 Plan and/or any new plan adopted by the Company and its shareholders in the future. All equity awards made under the plans are made by means of an award agreement, which contains the specific terms and conditions of the grant, which may include terms relative to vesting, rights upon death, disability or other termination of service, rights upon change in control, acceleration of benefits, transferability and amendments.

On June 25, 2003, the Company's shareholders adopted the 2002 Bank Management, Director and Founder Stock Option Plan, or the 2002 Plan. Under the 2002 Plan, 152,200 shares were made available to be issued as options. On July 26, 2006, the Company's shareholders approved the 2006 Stock Option Plan, or the 2006 Plan. Under the 2006 Plan, 47,800 shares were made available to be issued as options. On June 27, 2007, the Company's shareholders adopted the 2007 Bank of New Canaan Stock Option and Equity Award Plan, or the 2007 Plan, and 165,244 shares were made available for issuance as stock options and restricted stock pursuant to the 2007 Plan. On June 22, 2011, the Company's shareholders adopted the 2011 BNC Financial Group, Inc. Stock Option and Equity Award Plan, or the 2011 Plan, together with the 2002 Plan, 2006 Plan, 2007 Plan and 2011 Plan, collectively referred to as the Other Plans. Under the 2011 Plan the following number of shares were made available for issuance: (i) 45,000 shares plus (ii) the aggregate number of shares and shares underlying grants that have not been reserved for issuance under the abovementioned plans as of September 1, 2011, plus (iii) any shares previously reserved for issuance under the abovementioned plans that, subsequent to September 1, 2011, pursuant to the terms of the such plans, are shares under grants that remain unexercised at the expiration, forfeiture or other termination of such grant, or are shares pursuant to a grant that are forfeited or repurchased and thus become available for re-issuance under the abovementioned plans. On September 19, 2012, the Company's shareholders adopted the 2012 BNC Financial Group, Inc. Stock Plan or the 2012 Plan. On June 26, 2013, the Company's shareholders adopted an amendment to the 2012 Plan. The Amendment provided for an aggregate number of shares reserved and available for issuance in the amount of an "overhang" of up to 12%. "Overhang" is defined as the aggregate number of grants outstanding but unexercised or unvested under the 2012 Plan and the Other Plans, plus the number of grants available to be granted under the 2012 Plan, divided by the total shares outstanding of the Company. The calculation is made once each year based on the facts available on the prior December 31; the Company's Board of Directors can then elect to add to the 2012 Plan each year, up to a maximum 12% overhang.

Administration of the Plans. The plans are administered by the Compensation Committee of our Board of Directors, which has significant discretion with respect to the issuance of awards, establishment of award terms and adoption of policies and practices related to the plans.

Share Authorization. The 2012 Plan authorizes the issuance of options and shares of common stock in relation to the Company's total "overhang," as defined above with respect to stock awards. Through December 31, 2018 there were 853,546 options and shares of common stock authorized under the 2012 Plan. Awards not yet made under the Other Plans, or which are forfeited under the Other Plans, may be issued under the 2012 Plan. In connection with recapitalizations, stock dividends, stock splits, combination of shares or other changes in the stock, our Compensation Committee will make adjustments that it deems appropriate in the aggregate number of shares of common stock that may be issued under the 2012 Plan and the terms of outstanding awards. If any options or shares of stock covered by an award granted under the 2012 Plan are not purchased or are forfeited or expire, or if an award otherwise terminates without delivery of any shares of stock subject thereto, or is settled in cash in lieu of shares of stock, then the number of shares of stock counted against the aggregate number of shares of stock available under the 2012 Plan with respect

to the award will again be available for making awards under the 2012 Plan. An aggregate of 590,079 shares of common stock remained available for issuance on December 31, 2018.

Stock Options. The stock options granted under the plans vest pursuant to the individual award agreement. The term of an option cannot exceed 10 years from the date of the grant. If we experience a change of control (as defined in each plan), unless otherwise provided in an award agreement, and subject to a potential roll over of stock options, all stock options become immediately exercisable. Stock options granted under the 2012 Plan do not become immediately exercisable if, as part of the transaction, the successor entity, with the approval of the Compensation Committee, provides for the stock options to roll over and after the transaction will be options for the successor's shares of capital stock with substantially similar terms and conditions as the outstanding stock options prior to the transaction.

Restricted Stock Grants. A participant who receives a restricted stock grant will have all the rights of a shareholder as to those shares, including, without limitation, the right to vote and the right to receive dividends on the shares. If we experience a change of control (as defined in each plan), unless otherwise provided in an award agreement, and subject to a potential roll over of restricted stock grants, all restrictions on restricted stock lapse. Restrictions on restricted stock grants awarded under the 2012 Plan will not lapse if, as part of the transaction, the successor entity, with the approval of the Compensation Committee, provides for the restricted stock grants to roll over and after the transaction will be restricted stock grants in the successor's plan with substantially similar terms and conditions as the outstanding restricted stock grants prior to the transaction. Restricted Stock Units, or RSUs, are rights to receive shares of our common stock or cash based on the value of our common stock at the end of the restriction period, as determined by the Compensation Committee. A grantee of a RSU has none of the rights of a Company shareholder unless and until the shares of our common stock are delivered in satisfaction of such RSUs.

Stock Appreciation Rights. A participant who receives a stock appreciation right, or a SAR, is entitled to surrender to the Company any then exercisable portion of the SAR in exchange for that number of shares of our common stock, cash, or both having an aggregate fair market value on the date of surrender equal to the product of (a) the excess of the fair market value of a share of our common stock on the date of surrender over the base price, as determined by the Compensation Committee, which shall be the fair market value of a share of our common stock on the date the SAR was granted, and (b) the number of shares subject to such SAR. SARs may become exercisable in full or in installments according to a vesting, as the Compensation Committee may determine. If we experience a change in control (as defined in each plan), unless otherwise provided in an award agreement, and subject to a potential roll over of SARs, all SARs shall become fully vested and immediately exercisable. SARs granted under the 2012 Plan do not become fully vested and immediately exercisable if, as part of the transaction, the successor entity, with the approval of the Compensation Committee, provides for the SARs to roll over and after the transaction SARs in the successor's plan will have substantially similar terms and conditions as the outstanding SARs prior to the transaction.

Performance Grants. The Compensation Committee may award performance grants subject to conditions and attainment of such performance goals over such periods as the Compensation Committee determines. A performance share has an initial value equal to the fair market value of our common stock as determined on the date the performance share is granted. To the extent earned, performance grants may be settled in cash, shares of our common stock or any combination thereof as determined by the Compensation Committee. Performance grants become fully vested upon a change in control (as defined in each plan).

Issued and Exercisable Equity Awards. As of December 31, 2018, of the 1,227,776 stock awards authorized under the 2002, 2006, 2007, 2011 and 2012 Plans, 332,998 options have been granted to current and former employees, directors and founders of the Bank, and 533,849 shares of restricted stock have been awarded to current or former employees, management and directors. There were 590,079 stock awards available to be issued as of December 31, 2018.

Termination of the 2012 Plan. In accordance with IRS requirements, the 2012 Plan will terminate upon its tenth anniversary in 2022.

401(k) Retirement Plan

We maintain a defined contribution 401(k) retirement savings plan for our employees. The 401(k) plan is intended to qualify as a tax-qualified plan under Section 401 of the Internal Revenue Code so that contributions to the plan and income earned on those contributions are not taxable to participants until withdrawn or distributed from the plan. Employees may elect to contribute through salary deductions on a before tax and after tax basis. We provide a discretionary matching contribution, which totaled \$264,702 for 2018. Our match is 50% of the first 6% of employee contributions.

Director Compensation

We believe that to successfully recruit and retain talented directors of the caliber needed to effectively direct the Company, our director compensation package should be highly competitive compared to our peer group. We consider institutions of similar asset size located throughout Connecticut to be the peer group. Additional public survey data may be consulted to assist us in determining competitive director compensation. We also believe that director compensation should serve to solidify the alignment of the shareholders' interests with that of our Board of Directors and relate to our success or the success of us or our affiliates.

We combine Company and Bank boards and committees and pay a combined fee for service on both. We pay our directors, in part, based on their attendance at our board and committee meetings held throughout the year. During 2018, directors received an annual retainer of \$30,000. In addition, they received the following attendance fees:

\$1,000 per board meeting;

\$600 per Audit Committee and Directors Loan Committee meetings; and

\$500 per Compensation, Governance and Nominating, Asset/Liability, Strategic, Community Reinvestment Act (CRA), and Technology Committee meetings.

The chair of each committee received the following annual retainers:

\$14,000 each for Audit Committee and Directors Loan Committee;

\$10,000 each for Compensation, Governance and Nominating, and Technology Committee;

\$8,000 for Asset/Liability Committee;

\$7,500 for CRA Committee; and

\$5,000 for Strategic Committee.

The Chairman of our Board of Directors received an annual retainer of \$105,000. Mr. Gruseke did not receive any direct remuneration for serving as a director.

This compensation was recommended by the Compensation Committee and approved by our Board of Directors after careful and extended evaluation and consideration of the recommendation of the independent compensation consultant hired by the Compensation Committee to review our Board of Directors' compensation relative to its peer group.

We established the BNC Financial Group, Inc. and Affiliates Deferred Compensation Plan for Directors, or the Directors Plan, in 2008. Directors who receive fees are eligible to participate in the Directors Plan. This non-qualified deferred compensation plan is designed to enable non-employee directors to defer receipt of compensation on a tax-advantaged basis. The deferred compensation is paid following retirement except under certain specified circumstances, including a severe financial hardship resulting from illness or accident, loss of property or other similar extraordinary and unforeseeable circumstances. The Directors Plan invests primarily in our common stock, which is purchased by an independent trustee in the open market. The Directors Plan is administered by that independent third party trustee.

The following table sets forth for the year ended December 31, 2018, the compensation paid or awarded by the Company and Bank to each person who served as a director during 2018.

Directors have been and will continue to be reimbursed for travel, food, lodging and other expenses directly related to their activities as directors. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In addition to the compensation arrangements with directors and executive officers described in “Executive Compensation” above, the following is a description of each transaction since January 1, 2018, and each proposed transaction in which:

- we have been or are a participant;
- the amount involved exceeds or will exceed \$120,000; and
- any of our directors, executive officers or beneficial holders of more than five percent of our capital stock, or any immediate family member of or person sharing the household with any of these individuals (other than tenants or employees), had or will have a direct or indirect material interest.

There were/are none.

Ordinary Banking Relationships

Certain of our officers, directors and principal shareholders, as well as their immediate family members and affiliates, are customers of, or have had transactions with, the Bank or us in the ordinary course of business. These transactions include deposits, loans and other financial services related transactions. Related party transactions are made in the ordinary course of business, on substantially the same terms, including interest rates and collateral (where applicable), as those prevailing at the time for comparable transactions with persons not related to us, and do not involve more than normal risk of collectability or present other features unfavorable to us. As of the date of this proxy statement, no related party loans were categorized as nonaccrual, past due, restructured or potential problem loans. We expect to continue to enter into transactions in the ordinary course of business on similar terms with our officers, directors and principal shareholders, as well as their immediate family members and affiliates.

The aggregate amount of loans to related parties, including their immediate families and other associates, was \$8.7 million as of December 31, 2018. All loans were made in the ordinary course of business on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with others and do not represent more than a normal risk of collectability or present other unfavorable features. We expect to have similar banking transactions in the future on comparable terms and conditions. All of these loans are performing as agreed.

Policies and Procedures Regarding Related Party Transactions

Transactions by the Bank or us with related parties are subject to a formal written policy, as well as regulatory requirements and restrictions. These requirements and restrictions include Sections 23A and 23B of the FRA and the Federal Reserve Board’s Regulation W (which govern certain transactions by the Bank with its affiliates) and the Federal Reserve Board’s Regulation O (which governs certain loans by the Bank to its executive officers, directors, and principal shareholders). We and the Bank have adopted policies designed to ensure compliance with these regulatory requirements and restrictions.

Our Board of Directors has adopted a written policy governing the approval of related party transactions that complies with all applicable requirements of the SEC and NASDAQ concerning related party transactions. Related party transactions are transactions in which we are a participant and a related party has or will have a direct or indirect material interest. Related parties include our current directors (including nominees for election as directors) and our executive officers, senior vice presidents, beneficial holders of more than 5% of our capital stock and the immediate family members of these persons. All related party transactions in which the aggregate amount involved will or may be expected to exceed \$50,000 in any calendar year are reviewed and approved by the Governance and Nominating Committee. In determining whether to approve a related party transaction, the Governance and Nominating Committee will consider, among other factors, the related party’s interest in the transaction, the materiality of the related party transaction to the Company and the related party, whether the transaction with the related party is proposed to be entered into on terms no less favorable to the Company than terms that could have been reached with an unrelated third party, the purpose of, and the potential benefits to the Company of, the related party transaction, the perceived impact on the independence of a director related

party and other information regarding the related party transaction or the related party in the context of the proposed transaction that the Governance and Nominating Committee deems relevant. Our Related Party Transactions Policy is available on our website. During 2018, the Governance and Nominating Committee of the Board of Directors considered that the law firms of which Mr. Castiglioni, Mr. Lampert and Mr. Porto are associated with performed de minimis legal services for the Bank in 2018. Neither Mr. Castiglioni, Mr. Lampert nor Mr. Porto participated in the discussion regarding their independence.

PROPOSAL 2

RATIFY THE SELECTION OF INDEPENDENT AUDITORS

The Audit Committee has appointed the firm of RSM US LLP to act as our independent registered public accounting firm and to audit our consolidated financial statements for the fiscal year ending December 31, 2019. This appointment will continue at the pleasure of the Audit Committee and is presented to the shareholders for ratification as a matter of good governance. In the event that this appointment is not ratified by our shareholders, the Audit Committee will consider that fact when it selects independent auditors for the following fiscal year.

One or more representatives of RSM US LLP will be present at the Annual Meeting. These representatives will be provided an opportunity to make a statement at the Annual Meeting if they desire to do so and will be available to respond to appropriate questions from shareholders.

The Audit Committee approves, in advance, all services provided by RSM US LLP.

Change in Auditor

On April 7, 2017, our Audit Committee selected RSM US LLP as our principal independent accounting firm, effectively dismissing our former principal independent accounting firm, Whittlesey & Hadley, P.C., subsequent to their first quarter 2017 review. During the years ended December 31, 2015 and 2016, we did not consult with RSM US LLP regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K. During the years ended December 31, 2015 and 2016, there were no disagreements between the Company and Whittlesey & Hadley, P.C. on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Whittlesey & Hadley, P.C.'s satisfaction, would have caused Whittlesey & Hadley, P.C. to make reference to the subject matter of the disagreement in connection with its reports on our financial statements for such periods. Also, none of the reportable events described under Item 304(a)(1)(v) of Regulation S-K occurred within the years ended December 31, 2015 and 2016.

The audit reports of Whittlesey & Hadley, P.C. on our consolidated financial statements as of and for the years ended December 31, 2015 and 2016 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. We requested Whittlesey & Hadley, P.C. to furnish us with a letter addressed to the Securities and Exchange Commission stating whether they agreed with the above statements. A copy of that letter was filed with the Commission on a Form 8-K filed on April 13, 2017.
