#### INVITATION TO THE EXTRAORDINARY GENERAL MEETING OF TRANSOCEAN LTD.

November 29, 2018

5:00 p.m., Swiss time,

at the Offices of Transocean Ltd.

Turmstrasse 30, CH 6312

Steinhausen, Switzerland

On September 3, 2018, Transocean Ltd., a corporation incorporated under the laws of Switzerland (“Transocean”, the “Company”, “we” or “us”), Transocean Oceanus Holdings Limited, a newly-formed, direct, wholly-owned subsidiary of Transocean (“Holdco”), Transocean Oceanus Limited, a newly-formed, indirect, wholly-owned subsidiary of Transocean (“Merger Sub”) and Ocean Rig UDW Inc. (“Ocean Rig”) entered into an agreement and plan of merger (the “Merger Agreement”) pursuant to which Merger Sub will merge with and into Ocean Rig, with Ocean Rig being the surviving entity as a direct subsidiary of Holdco and an indirect, wholly-owned subsidiary of Transocean (the “Merger”). Upon completion of the Merger, each issued and outstanding share of Ocean Rig immediately prior to the Merger shall be converted into the right to receive 1.6128 newly issued shares of Transocean (the “Share Consideration”) and \$12.75 in cash (the “Cash Consideration” and, together with the Share Consideration, the “Merger Consideration”), shall automatically be canceled and retired, and shall cease to exist as of the effective time of the Merger (the “Effective Time”). The Merger Consideration is fixed and will not be adjusted as a result of changes in the price of shares of Transocean or Ocean Rig occurring prior to the completion of the Merger.

We cannot complete the Merger unless Agenda Item 1 and Agenda Item 2 described below are approved by Transocean shareholders. Additionally, we are asking shareholders to approve Agenda Item 3, which is not a condition to completion of the Merger. Additional information about the transactions contemplated by the Merger Agreement, including the Merger, and Ocean Rig is included in the joint proxy statement/prospectus filed by Transocean with the U.S. Securities and Exchange Commission on October 16, 2018 and available on the Company’s Web page (the “Proxy Statement and Prospectus”).

Agenda Items

Agenda Item 1: Amendment to Transocean's Articles of Association to create additional authorized share capital for the issuance of up to 147,700,195 Transocean shares to pay the Share Consideration in the Merger

#### Proposal of the Transocean Board of Directors

Transocean's board of directors (the "Transocean Board") proposes that the shareholders approve an amendment to Transocean's Articles of Association to create additional authorized share capital of Transocean, pursuant to which the Transocean Board is authorized to issue, subject to and upon completion of the Merger, and on a non-preemptive rights basis, up to 147,700,195 new Transocean shares to pay the Share Consideration in the Merger.

#### Explanation

Transocean's share capital currently consists of 462,880,809 fully paid-in shares, par value CHF 0.10 each. In connection with the Merger, Transocean's Board expects that up to 147,700,195 new Transocean shares will need to be issued for Transocean to pay the Share Consideration in the Merger. The proposed additional authorized share capital submitted to a vote of the Transocean shareholders under this agenda item will provide the Transocean Board with the necessary authority under Swiss law to issue up to such number of new Transocean shares. If the Share Consideration should exceed 147,700,195 Transocean shares for any reason, the Transocean Board may rely on its authority under the existing authorized share capital pursuant to Article 5 of Transocean's Articles of Association to issue the additional Transocean shares. As the Transocean shares issued in the Merger will be issued for the acquisition of all issued and outstanding shares of Ocean Rig, the proposed authorized share capital provides that the preferential subscription rights of the Transocean's shareholders will be excluded in connection with the issuance of the new Transocean shares to pay the Share Consideration and be allotted to the benefit of the holders of shares of Ocean Rig outstanding immediately prior to the effectiveness of the Merger (whereby an exchange agent will be acting on account of such holders).

The Transocean Board expects that the new Transocean shares to be issued in connection with the Merger out of Transocean's additional authorized share capital will be paid in by way of a contribution in kind by the exchange agent of newly issued shares of Holdco, a wholly-owned subsidiary of Transocean, which, upon effectiveness of the Merger, will hold Ocean Rig, the surviving company in the Merger, as a wholly-owned subsidiary. As a result, the Holdco shares acquired in the contribution in kind reflect Ocean Rig's market value on the date on which the Merger becomes effective. Transocean will acquire the portion of the Ocean Rig shares not acquired for Transocean shares through the payment of cash. In addition, Transocean will pay in cash resulting fractions of Transocean shares otherwise issuable.

As further described in the Proxy Statement and Prospectus, a holder of Ocean Rig shares outstanding immediately prior to the Effective Time who has validly exercised and not effectively withdrawn or lost its rights to dissent from the Merger in accordance with Cayman Islands law (the "Dissenting Shares") will be entitled to receive the payment of the fair value of such Dissenting Shares held by them in accordance with the applicable provisions of the Cayman Companies Law. However, if, after the Effective Time, such holder fails to perfect or effectively withdraws or otherwise loses the right to appraisal with respect to such shares (the "Non-Perfecting Shareholders"), such shares will be treated as if they had been converted as of the Effective Time into the right to receive the Merger Consideration, including the Share Consideration. The proposed additional authorized share capital gives the Transocean Board the authority to issue new Transocean shares to one of its subsidiaries, among other things for purposes of being able to deliver the Share Consideration to Non-Perfecting Shareholders after completion of the Merger. With respect to any excess shares that are not delivered to holders of Dissenting Shares, the Transocean Board will have authority to initiate cancellation proceedings or to use such excess shares to finance or refinance appraisal rights of such holders of Dissenting Shares, including by way of a placement to investors at market conditions.

The proposed additional authorized share capital is set forth in Annex A 1.

Approval of the proposed amendment to Transocean's Articles of Association to create additional authorized share capital, pursuant to which the Transocean Board is authorized to issue, subject to and upon completion of the Merger, and on a non-preemptive rights basis, up to 147,700,195 new Transocean shares to pay the Share Consideration in the Merger, is a condition to completion of the Merger. The Transocean Board has approved the Merger, including the amendment to Transocean's Articles of Association to create additional authorized share capital, and is therefore seeking shareholder approval of such amendment to Transocean's Articles of Association.

#### Recommendation

The Transocean Board recommends you vote "FOR" this proposal.

Agenda Item 2: Issuance of Transocean shares to pay the Share Consideration in the Merger, as required by the rules of the New York Stock Exchange ("NYSE")

#### Proposal of the Transocean Board of Directors

As required by the rules of the NYSE, the Transocean Board proposes that the shareholders approve the issuance of the Transocean shares necessary to pay the Share Consideration in the Merger. This proposal is a condition to the completion of the Merger.

#### Explanation

If the Merger is completed pursuant to the Merger Agreement, Transocean expects to issue 147,700,195 new Transocean shares to pay the Share Consideration in the Merger. Under the rules of the NYSE, shareholder approval must be obtained for the issuance of shares in excess of 20% of the number of shares issued and outstanding. As of October 11, 2018, the number of Transocean shares that may be issued as Share Consideration represents approximately 32% of the Transocean shares currently issued and outstanding.

Other than as described in Agenda Item 1, there is no Swiss law requirement for any additional shareholder approval of the issuance of the Share Consideration.

Approval of the proposal described in this Agenda Item 2 is a condition to completion of the Merger. If the proposal is approved by Transocean shareholders but the Merger Agreement is terminated and the Merger is not completed, Transocean will not issue any Transocean shares even though this proposal was approved.

#### Recommendation

The Transocean Board recommends you vote "FOR" this proposal.

Agenda Item 3: Deletion of the special purpose authorized share capital included in Article 5bis of Transocean's Articles of Association

Proposal of the Transocean Board of Directors

The Transocean Board proposes that Article 5bis of Transocean's Articles of Association, authorizing Transocean to issue new, registered Transocean shares in connection with a mandatory offer or a compulsory acquisition of all shares of Songa Offshore SE (the "Songa Offshore") not acquired in Transocean's public exchange offer for all issued and outstanding shares of Songa Offshore launched on December 21, 2017 (the "Voluntary Tender Offer"), be deleted.

Explanation

On March 30, 2018, following the successful completion of the Voluntary Tender Offer on January 23, 2018, Transocean completed the compulsory acquisition of all shares of Songa Offshore not previously acquired in the Voluntary Tender Offer. As a result, Transocean is now the beneficial owner of all issued and outstanding shares of Songa Offshore. To complete and settle the compulsory acquisition, the Transocean Board issued 1,121,201 Transocean shares on the basis of Article 5bis of Transocean's Articles of Association.

The authority of the Transocean Board to issue new Transocean shares under Article 5bis of Transocean's Articles of Association is limited to issuances in connection with a mandatory offer or a compulsory acquisition of shares of Songa Offshore following completion of the Voluntary Tender Offer. Since Transocean has completed the compulsory acquisition of all issued and outstanding shares of Songa Offshore not acquired in the Voluntary Tender Offer, Article 5bis of Transocean's Articles of Association no longer confers any authority on the Transocean Board to issue new Transocean shares and is therefore no longer required to be in Transocean's Articles of Association.

The Transocean Board now proposes that Article 5bis of Transocean's Articles of Association be deleted in order to remove this extraneous authority from Transocean's Articles of Association and avoid investor and market confusion over the number of Transocean shares that the Transocean Board is authorized to issue in the future without first obtaining shareholder approval. Under Swiss law, the deletion of authorized share capital prior to its expiration date—the authorized share capital pursuant to Article 5bis of Transocean's Articles of Association expires only on January 16, 2020—requires approval by Transocean's shareholders at a general meeting.

The adoption of this proposal is not a condition to the completion of the Merger. Transocean intends to complete the Merger regardless of whether this proposal is adopted by Transocean's shareholders, assuming all conditions to the Merger are satisfied or waived by the applicable parties to the Merger Agreement.

Recommendation

The Transocean Board recommends you vote "FOR" this proposal.
