PROXY STATEMENT

This Proxy Statement contains information relating to the solicitation of proxies by the Board of Directors (“Board of Directors” or “Board”) of PetMed Express, Inc. (the “Company,” “PetMed Express, Inc.,” “we,” “us,” “our”) for use at our 2015 Annual Meeting. Our Annual Meeting will be held on Friday, July 24, 2015, at 1:00 p.m., Eastern Time, at The Westin Fort Lauderdale, 400 Corporate Drive, Fort Lauderdale, Florida 33334. If you require directions to the Annual Meeting please call (954) 979-5995, extension 8195.

QUESTIONS AND ANSWERS ABOUT THE MEETING AND VOTING

What am I voting on?

1. The election of five directors to our Board of Directors (Menderes Akdag, Frank J. Formica, Gian M. Fulgoni, Ronald J. Korn, Robert C. Schweitzer).
2. Executive Compensation (an advisory non-binding vote).
3. The ratification of the appointment of McGladrey LLP as our independent registered public accounting firm for the 2016 fiscal year.
4. The approval of the PetMed Express, Inc. 2015 Employee Equity Compensation Restricted Stock Plan.
5. The approval of the PetMed Express, Inc. 2015 Outside Director Equity Compensation Restricted Stock Plan.
6. Such other business as may properly come before the meeting.

What is a proxy?

It is your legal designation of another person to vote the stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. We have designated Bruce S. Rosenbloom, our Chief Financial Officer and Alison Berges, our Corporate Secretary and General Counsel, as proxies for the 2015 Annual Meeting.

Why did I receive this Proxy Statement?

Our Board of Directors is soliciting your proxy to vote at the Annual Meeting because you were a stockholder of record at the close of business on May 29, 2015, the record date, and are entitled to vote at the Annual Meeting. The Company has made this Proxy Statement and the Annual Report on Form 10-K for the year ended March 31, 2015 (“2015 Annual Report on Form 10-K”), along with either a proxy card or a voting instruction card, available to you on the Internet or, upon request, has delivered printed versions to you by mail beginning on or about June 12, 2015. This Proxy Statement summarizes the information you need to know to vote at the Annual Meeting. You do not need to attend the Annual Meeting to vote your shares.

Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials this year instead of a full set of proxy materials?

As permitted by the rules adopted by the Securities and Exchange Commission (“SEC”), the Company has elected to provide access to its proxy materials over the Internet. Accordingly, on or about June 12, 2015, the Company will mail a Notice of Internet Availability of Proxy Materials (the “Notice”) to the Company’s stockholders of record and beneficial owners containing instructions on how to access the proxy materials on the website referred to in the Notice or to request to receive a printed set of the proxy materials. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. The Company encourages you to take advantage of the availability of the proxy materials on the Internet in order to help reduce the environmental impact of the Annual Meeting.

How will my proxy vote my shares?

Your proxy will vote according to your instructions. If you complete your proxy instructions but do not indicate your vote on one or all of the business matters, your proxy will vote “FOR” items 1 through 5. Also, your proxy is authorized to vote on any other business that properly comes before the Annual Meeting in accordance with the recommendation of our Board of Directors.

How can I get electronic access to the proxy materials?

The Notice will provide you with instructions regarding how to:

- view the Company’s proxy materials for the Annual Meeting on the Internet; and
- instruct the Company to send future proxy materials to you electronically by email.

The Company’s proxy materials are also available on the Company’s website at:

<http://investor-relations.petmeds.com/petmeds-annual-reports.html>. Choosing to receive future proxy materials by email will save the Company the cost of printing and mailing documents to you and will reduce the impact of the Company’s annual meetings of stockholders on the environment. If you choose to receive future proxy materials by email, you will receive an email message next year with instructions containing a link to those materials and a link to the proxy voting website. Your election to receive proxy materials by email will remain in effect until you terminate it.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

If your shares are registered directly in your name with our transfer agent, Continental Stock Transfer & Trust Company, you are considered, with respect to those shares, the “stockholder of record.” The Proxy Statement, 2015 Annual Report on Form 10-K, and proxy card have been sent directly to you by us. If your shares are held in a stock brokerage account by a bank or other nominee, you are considered the “beneficial owner” of shares held in “street name.” The Proxy Statement and 2015 Annual Report on Form 10-K or a notice for electronic access of these materials have been forwarded to you by your broker, bank, or other nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank, or other nominee on how to vote your shares by using the voting instruction card included in the mailing or by following their instructions for voting.

How do I vote?

If your shares are held in street name, through a broker, bank, or other nominee, that institution will send you separate instructions describing the procedure for voting your shares. Stockholders of record can vote as follows:

By Mail: If you requested printed copies of the proxy materials by mail, stockholders should sign, date, and return their proxy cards in the pre-addressed, postage-paid envelope that is provided.

By Telephone or Internet: Stockholders may vote by proxy over the telephone or Internet by following the instructions provided in the Notice of Internet Availability of Proxy Materials. Street name holders, however, may vote by telephone or Internet only if their bank or broker makes those methods available, in which case the bank or broker will enclose the instructions with the proxy materials. The telephone and Internet voting procedures are designed to authenticate stockholders' identities, to allow stockholders to vote their shares, and to confirm that their instructions have been properly recorded.

At the Meeting: If you are a stockholder of record and attend the Annual Meeting, you may vote in person, by ballot, even if you have previously returned a proxy card. If you are a beneficial owner of shares held in street name and you wish to vote in person at the Annual Meeting, you must obtain a valid proxy from the organization that holds your shares. If you do not obtain a valid proxy from your bank or broker, you will not be entitled to vote your shares, but you can still attend the Annual Meeting if you bring a recent bank or brokerage statement showing that you were the beneficial owner of the shares on May 29, 2015, the record date for voting.

Who is entitled to vote and how many votes do they have?

Holders of our common stock as of the close of business on May 29, 2015, the record date, are entitled to vote at the Annual Meeting. Each issued and outstanding share of our common stock is entitled to one vote. As of the record date, 20,259,359 shares of our common stock were outstanding and entitled to vote at the Annual Meeting. However, if you have shares held through a brokerage firm, bank, or other custodian, you may revoke your instructions only by informing the custodian in accordance with any procedures it has established.

What is a quorum of stockholders?

Shares representing the majority of the total outstanding votes present or represented by proxy constitute a quorum. If you vote or return a proxy card, your shares will be considered part of the quorum.

What vote is required for approval of the proposals?

Assuming a quorum is established:

Directors will be elected by a plurality of votes cast. Only votes cast "FOR" or "AGAINST" will affect the outcome of this proposal. Therefore, the nominees who receive the greatest number of votes will be elected to serve as directors.

The advisory vote on executive compensation requires the affirmative vote of a majority of the votes cast in person or by proxy at the Annual Meeting and entitled to vote on the matter in order to be approved. The vote is advisory and therefore not binding on our Board; however, the Board and the Compensation Committee of the Board will consider the result of the vote when making future decisions regarding our executive compensation policies and practices.

Ratification of the appointment of our independent registered public accounting firm requires the affirmative vote of a majority of the votes cast by stockholders present at the Annual Meeting in person or by proxy and entitled to vote on the matter.

Approval of the 2015 Employee Equity Compensation Restricted Stock Plan and the 2015 Outside Director Equity Compensation Restricted Stock Plan each require the affirmative vote of a majority of the shares of our common stock present at the annual meeting in person or by proxy and entitled to vote on the matter.

How does the Board recommend I vote on the proposals?

The Board recommends that you vote:

- FOR each of the nominees for director set forth on page 6;
- FOR the approval of executive compensation set forth on page 6;
- FOR the ratification of the appointment of our independent registered public accounting firm set forth on page 7;
- FOR the approval of the 2015 Employee Equity Compensation Restricted Stock Plan set forth on page 7; and
- FOR the approval of the 2015 Outside Director Equity Compensation Restricted Stock Plan set forth on page 9.

May I change my vote after I return my proxy card?

Yes, you may change your vote at any time before your shares are voted at the Annual Meeting by:

- Notifying our Corporate Secretary, in writing at PetMed Express, Inc., 1441 S.W. 29th Avenue, Pompano Beach, FL 33069 that you are revoking your proxy;
- Executing and delivering a later dated proxy card; or
- Voting in person at the Annual Meeting.

Who will count the votes and where can I find the voting results of the Annual Meeting?

A representative of Alliance Advisors LLC, a company contracted by us to assist the Company in the tabulation of proxies, and our Corporate Secretary and General Counsel, Alison Berges, will tabulate the votes and act as inspector of election. The preliminary voting results will be announced at the Annual Meeting. The final voting results will be tallied by the inspector of election, and a Form 8-K will be filed with the SEC within 4 business days following the Annual Meeting.

How are abstentions and broker non-votes counted?

Abstentions are considered shares present at the Annual Meeting in person or by proxy, and will be counted for purposes of determining whether a quorum is present. Broker non-votes refer to PetMed Express, Inc.'s shares held in street name by a brokerage firm or nominee organization (such as Cede & Co.) under circumstances where the beneficial owner has not instructed the broker or nominee as to how the shares should be voted. Broker non-votes are considered present by proxy for purposes of determining whether a quorum is present at the meeting. If your shares are held in street name, the broker or nominee organization in whose name your shares are held is permitted to vote your shares on matters deemed "routine" at the Annual Meeting, even if you have not provided specific direction on how your shares should be voted. Under Florida law, abstentions and broker non-votes are not treated as votes "cast" and thus have no effect on the proposals at the Annual Meeting.

Item 1 (Election of Directors), Item 2 (Advisory Vote on Executive Compensation), Item 4 (Approval of the 2015 Employee Equity Compensation Restricted Stock Plan) and Item 5 (Approval of the 2015 Outside Director Equity Compensation Restricted Stock Plan) are considered non-routine matters, and Item 3 (Ratification of the Appointment of Independent Registered Public Accounting Firm) is considered a routine matter. If the broker firm or nominee organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the organization that holds your shares will inform us that it does not have the authority to vote on this matter with respect to your shares. This is generally referred to as a "broker non-vote."

How do I get an admission card to attend the Annual Meeting?

If you are a stockholder of record, your admission card is attached to your proxy card. You will need to bring it with you to the Annual Meeting. If you own shares in street name, you will need to ask your broker or bank for an admission card in the form of a legal proxy. You will need to bring the legal proxy with you to the Annual Meeting. If you do not receive the legal proxy in time or you want to attend the Annual Meeting but not vote in person, bring your most recent brokerage statement or proof of ownership with you to the Annual Meeting. We can use that to verify your ownership of common stock and admit you to the Annual Meeting; however you will not be able to vote your

shares at the Annual Meeting without a legal proxy. Please note that if you own shares in street name and you request a legal proxy, any previously executed proxy will be revoked, and your vote will not be counted unless you appear at the Annual Meeting and vote in person. You will also need to bring a photo ID to gain admission.

Who is soliciting my proxy and who pays the cost?

The Company and its Board of Directors are soliciting your proxy. Our directors, officers, and employees may solicit proxies by mail, telephone, and personal contact. They will not receive any additional compensation for these activities. The Company will also reimburse brokerage firms, banks, and other custodians for their reasonable out-of-pocket expenses for forwarding these proxy materials to you.

When are stockholder proposals due for next year's Annual Meeting?

Pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended ("Exchange Act") stockholders may present proper proposals for inclusion in the Company's next year's proxy statement and for consideration at next year's annual meeting of stockholders by submitting their proposals to the Company, not less than 120 calendar days prior to the anniversary date of our Proxy Statement distributed to our stockholders in connection with our Annual Meeting.

Therefore, proposals that stockholders wish to be included in next year's proxy statement for the annual meeting of stockholders to be held in 2016 must be received at the Company's principal place of business at 1441 S.W. 29th Avenue, Pompano Beach, FL 33069, addressed to the Corporate Secretary's attention, no later than February 12, 2016. Upon receipt of any proposal, we will determine whether to include such proposal in accordance with regulations governing the solicitation of proxies. As of the date of this Proxy Statement, we had not received notice of any stockholder proposals for the 2015 Annual Meeting described herein.

How may I communicate with the Company's Board or the non-management Directors on the Company's Board?

You may contact any of our directors by writing to them c/o PetMed Express, Inc., 1441 S.W. 29th Avenue, Pompano Beach, FL 33069. Each communication should specify the applicable director or directors to be contacted as well as the general topic of the communication. We may initially receive and process communications before forwarding them to the applicable director. Concerns about accounting or auditing matters or communications intended for non-management directors should be sent to the attention of the Chairman of the Audit Committee at the address above. Our directors may at any time review a log of all correspondence received by the Company that is addressed to the independent members of the Board and request copies of any such correspondence.

Can different stockholders sharing the same address receive only one Annual Report on Form 10-K and Proxy Statement?

Yes. The SEC permits companies and intermediaries, such as a brokerage firm or a bank, to satisfy the delivery requirements for annual reports and proxy statements with respect to two or more security holders sharing the same address by delivering only one annual report and proxy statement to that address. This process which is commonly referred to as "householding" can effectively reduce our printing and postage costs. Under householding, each stockholder would continue to receive a separate proxy card or voting instruction card. Certain of our stockholders whose shares are held in street name and who have consented to householding will receive only one set of our Annual Meeting materials per household this year. If your household received a single set of our Annual Meeting materials this year, you can request to receive additional copies of these materials by calling or writing your broker, bank, or other nominee. If you own your shares in street name, you can request householding by calling or writing your broker, bank, or other nominee.

ITEM 1 - ELECTION OF DIRECTORS

The Board of Directors unanimously recommends a vote “FOR” the election of the following nominees for director:

Menderes Akdag, Frank J. Formica, Gian M. Fulgoni, Ronald J. Korn, and Robert C. Schweitzer

Our Board of Directors currently consists of five members. Each of our current directors was elected by our stockholders at the annual meeting of stockholders in 2014. Our Board of Directors, upon the recommendation of the Corporate Governance and Nominating Committee, has nominated the five persons listed to stand for election for a new term. Each of the nominees listed is currently serving as a director. Each of the nominated directors has agreed to serve if elected. If elected the directors will serve until the next annual meeting of stockholders or until the director is succeeded by another director who has been elected. However, if for some reason one or more of them is unable to accept nomination, or election, proxies will be voted for the election of a nominee(s) designated by our Board of Directors. Biographical information for each nominee for director is presented below.

The Board and the Corporate Governance and Nominating Committee believe that each of the director nominees possesses important experience and skills that provide the Board with an optimal balance of leadership, competencies, qualifications, and diversity in areas that are important to the Company, and that each of the director nominees has high ethical standards, acts with integrity and exercises careful, mature judgment. Each director nominee is committed to employing his skills and abilities to aid the long-term interests of our stockholders. In addition, our director nominees are knowledgeable and experienced in one or more business, governmental, or academic endeavors, which further qualifies them for service as members of the Board.

ITEM 2 - ADVISORY (NON-BINDING) VOTE ON EXECUTIVE COMPENSATION

The Board of Directors unanimously recommends a vote “FOR” the approval of the executive compensation described in this Proxy Statement.

The Dodd-Frank Wall Street Reform and Consumer Protection Act added Section 14A to the Exchange Act, which requires that we provide the Company’s stockholders with the opportunity to vote to approve, on a non-binding, advisory basis, the compensation of the Company’s named executive officers, as disclosed in this Proxy Statement in accordance with the compensation disclosure rules of the SEC.

This vote is advisory, which means that the vote on executive compensation is not binding on the Company, the Company's Board of Directors or the Compensation Committee of the Board of Directors. The vote on this resolution is not intended to address any specific element of compensation, but rather relates to the overall compensation of the Company's named executive officers, as described in this Proxy Statement in accordance with the compensation disclosure rules of the SEC. At our 2014 annual meeting of stockholders, our executive compensation program was approved, on an advisory basis, by more than 93% of the votes cast. Our Compensation Committee believes that this level of approval is indicative of our stockholders' support of our compensation philosophy and goals.

Accordingly, we ask the Company's stockholders to vote on the following resolution at the Annual Meeting:

“RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2015 Annual Meeting pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables and disclosure.”

**ITEM 3 - RATIFICATION OF THE APPOINTMENT OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

The Board of Directors unanimously recommends a vote “FOR” the ratification of the appointment of McGladrey LLP as the Company’s independent registered public accounting firm for the fiscal year ending March 31, 2016.

The Audit Committee of our Board of Directors has appointed and approved McGladrey LLP to audit our fiscal year 2016 consolidated financial statements. McGladrey LLP (formerly Goldstein Golub Kessler LLP and McGladrey & Pullen, LLP) has served us in this capacity since March 2001. Representatives of the firm may be available at the Annual Meeting to make a statement, if they choose, and to answer any questions you may have.

**ITEM 4 - APPROVAL OF THE 2015 EMPLOYEE EQUITY
COMPENSATION RESTRICTED STOCK PLAN**

The Board of Directors unanimously recommends a vote “FOR” the approval of the 2015 Employee Equity Compensation Restricted Stock Plan

The Board of Directors of the Company has adopted the PetMed Express, Inc. 2015 Employee Equity Compensation Restricted Stock Plan (the “2015 Employee Plan”), subject to the approval of the Company’s stockholders. If the stockholders approve the 2015 Employee Plan, it will become effective on July 24, 2015. If stockholders do not approve the 2015 Employee Plan, the 2015 Employee Plan will have no effect.

At the annual meeting of the Company’s stockholders held on July 28, 2006, the PetMed Express, Inc. 2006 Employee Equity Compensation Restricted Stock Plan (the “2006 Employee Plan”) was approved by the stockholders. Pursuant to the 2006 Employee Plan, awards may be made until July 28, 2016. In 2012, the Company’s stockholders approved an amendment to the 2006 Employee Plan (“2006 Amended and Restated Employee Plan”) to provide for an automatic increase every year in the amount of shares available for issuance of 10% of the shares authorized under the plan. The 2015 Employee Plan would be identical to the 2006 Amended and Restated Employee Plan except for raising the amount of the maximum number of shares of Common Stock that may be awarded thereunder so that there will be a sufficient number of shares available for the duration of the plan, and seeks to allow for awards to be made until July 24, 2025. See “COMPENSATION DISCUSSION AND ANALYSIS/ Components of our Executive Compensation Program/Long-Term Incentives Compensation” for a detailed description of the 2006 Employee Plan.

The following is a summary of the material terms and provisions of the 2015 Employee Plan and the tax consequences to the Company and to those employees who receive awards of Restricted Stock (as defined herein) under the 2015 Employee Plan. This summary is qualified in its entirety by reference to the 2015 Employee Plan, a copy of which is attached to this Proxy Statement as *Exhibit A*. To the extent that there is a conflict between this summary and the 2015 Employee Plan, the terms of the 2015 Employee Plan will govern.

Description of the Restricted Stock Plan

Administration. The 2015 Employee Plan shall be administered by the Compensation Committee (the “Committee”) of the Board of Directors, each of whom is a “non-employee director” as defined in Rule 16b-3 of the General Rules and Regulations under the Securities Exchange Act of 1934, as amended. The Committee shall have the sole authority to (i) award shares under the 2015 Employee Plan; (ii) consistent with the 2015 Employee Plan, determine the provisions of the shares to be awarded, the restrictions and other terms and conditions applicable to each award of shares under the 2015 Employee Plan; (iii) interpret the 2015 Employee Plan, the instruments evidencing the restrictions imposed upon stock awarded under the 2015 Employee Plan and the shares awarded under the 2015 Employee Plan; (iv) adopt, amend and rescind rules and regulations for the administration of the 2015 Employee Plan; and (v) generally administer the 2015 Employee Plan and make all determinations in connection therewith which may be necessary or advisable, and all such actions of the Committee shall be binding upon all participants.

Eligibility. All employees, including officers, of the Company who are, from time to time, responsible for the management, growth and protection of the business of the Company shall be eligible for awards of stock under the 2015 Employee Plan. No member of the Board of Directors of the Company shall be eligible to participate in the 2015 Employee Plan unless such director is also an employee of the Company. The employees who shall receive awards under the 2015 Employee Plan shall be selected from time to time by the Committee in its sole discretion, from among those eligible, and the Committee shall determine, in its sole discretion, the number of shares to be awarded to each such employee selected.

Awards. The shares that may be awarded under the 2015 Employee Plan (without payment by participants) (“Restricted Stock”) shall be the common stock, par value \$.001 per share, of the Company (“Common Stock”), and shall be authorized, but un-issued, shares. The Company has initially reserved 1,200,000 shares of Common Stock for issuance upon awards to be made under the 2015 Employee Plan (subject to any adjustments as provided below). The number of shares of Common Stock available for issuance under the 2015 Employee Plan shall automatically increase on the first trading day of January each calendar year during the term of the 2015 Employee Plan by an amount equal to ten percent (10%) of the total number of shares of Common Stock authorized under the Employee Plan.

Written Agreements. The terms and conditions of each award, including those related to the Restriction Period (as defined below), will be set forth in a written agreement executed by the Company and employee.

Transfer Restrictions. No share awarded under the 2015 Employee Plan shall be sold, assigned, transferred, pledged, hypothecated or otherwise disposed of during the Restriction Period applicable thereto.

Restrictions and Restriction Period. In addition to such other terms, conditions and restrictions as may be imposed by the Committee and contained in the written instrument under which awards of Common Stock are made pursuant to the 2015 Employee Plan, (i) no Common Stock so awarded shall be restricted for a period (the “Restriction Period”) of less than one year or more than ten years unless otherwise specified by the Committee; and (ii) except as provided in the 2015 Employee Plan, and described below under “Accelerated Vesting; Forfeiture”, the recipient of the award shall remain in the employ of the Company during the Restriction Period or otherwise forfeit all right, title and interest in and to the Restricted Stock subject to such restrictions.

Stock Certificates; Escrow. Certificates representing the Restricted Stock shall be registered in the name of the participant, such certificates shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such shares, and the Company shall retain physical possession of the certificate in escrow until all restrictions have been lifted or requirements met.

Accelerated Vesting; Forfeiture. Each outstanding award shall become immediately vested and unrestricted upon the occurrence of a change in control of the Company, upon the death or permanent disability, of the employee, or if the employee is terminated without cause. Shares of Restricted Stock shall be forfeited in the event the employee voluntarily resigns or is terminated for cause during the Restriction Period. If the Restricted Stock fails to vest as specified in the applicable award agreement, the shares of Restricted Stock will be canceled and forfeited by the employee. All shares of Restricted Stock that are canceled or forfeited will be available for future awards under the 2015 Employee Plan.

Voting and Dividend Rights. ITEM 5 - APPROVAL OF THE 2015 OUTSIDE DIRECTOR EQUITY

COMPENSATION RESTRICTED STOCK PLAN

The Board of Directors unanimously recommends a vote “FOR” the approval of the 2015 Outside Director Equity Compensation Restricted Stock Plan

The Board of Directors of the Company has adopted the PetMed Express, Inc. 2015 Outside Director Equity Compensation Restricted Stock Plan (the “2015 Director Plan”), subject to the approval of the Company’s stockholders. If the stockholders approve the 2015 Director Plan, it will become effective on July 24, 2015. If stockholders do not approve the 2015 Director Plan, the 2015 Director Plan will have no effect.

At the Annual Meeting of the Company’s stockholders held on July 28, 2006, the PetMed Express, Inc. 2006 Outside Director Equity Compensation Restricted Stock Plan (the “2006 Director Plan”) was approved by the stockholders. Pursuant to the 2006 Director Plan, awards may be made until July 28, 2016. In 2012, the Company’s stockholders approved an amendment to the 2006 Director Plan to increase from 200,000 to 400,000 the number of shares of the company’s common stock available for issuance under the plan, and to provide for an automatic increase every year in the amount of shares available for issuance to this plan of 10% of the shares authorized under the plan (“2006 Amended and Restated Director Plan”). The 2015 Director Plan would be identical to the 2006 Amended and Restated Director Plan except for raising the amount of the maximum number of shares of Common Stock that may be awarded thereunder so that there will be a sufficient number of shares available for the duration of the plan, and seeks to allow for awards to be made until July 24, 2025. See “COMPENSATION DISCUSSION AND ANALYSIS/ Components of our Executive Compensation Program/Long-Term Incentives Compensation” for a detailed description of the 2006 Director Plan.

The following is a summary of the material terms and provisions of the 2015 Director Plan and the tax consequences to the Company and to those outside directors who receive awards of Restricted Stock (as defined herein) under the 2015 Director Plan. This summary is qualified in its entirety by reference to the 2015 Director Plan, a copy of which is attached to this Proxy Statement as *Exhibit B*. To the extent that there is a conflict between this summary and the 2015 Director Plan, the terms of the 2015 Director Plan will govern.

Description of the Restricted Stock Director Plan

Administration. The 2015 Director Plan shall be administered by the Board. The Board shall have the sole authority to (i) award shares of Common Stock (“Restricted Stock”) under the 2015 Director Plan; (ii) interpret the 2015 Director Plan, the instruments evidencing the restrictions imposed upon shares of Common Stock with respect to which

Restricted Stock awards are awarded under the 2015 Director Plan; (iii) adopt, amend and rescind rules and regulations for the administration of the Director Plan; and (iv) administer the 2015 Director Plan and make all determinations in connection therewith which may be necessary or advisable, and all such actions of the Board shall be binding upon all participants.

Eligibility. Each “Outside Director” of the Company shall be a participant in the 2015 Director Plan. For purposes of the 2015 Director Plan, an “Outside Director” is any member of the Company’s Board who, as of the close of business on the date of the annual meeting of the Company’s stockholders, meets the definition of “Non-Employee Director” as set forth in Rule 16b-3(b)(3)(i) adopted under the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

The shares that may be awarded under the 2015 Director Plan (without payment by participants) (“Restricted Stock”) shall be the common stock, par value \$.001 per share, of the Company (“Common Stock”), and shall be authorized, but un-issued, shares. The Company has initially reserved 400,000 shares of Common Stock for issuance upon awards to be made under the 2015 Director Plan (subject to any adjustments as provided below). The number of shares of Common Stock available for issuance under the 2015 Director Plan shall automatically increase on the first trading day of January each calendar year during the term of the 2015 Director Plan by an amount equal to ten percent (10%) of the total number of shares of Common Stock authorized under the 2015 Director Plan.

Written Agreements. The terms and conditions of each award, including those related to the Restriction Period, will be set forth in a written agreement executed by the Company and the Outside Director.

Transfer Restrictions. No share awarded under the 2015 Director Plan shall be sold, assigned, transferred, pledged, hypothecated or otherwise disposed of during the Restriction Period applicable thereto.

Restrictions and Restriction Period. In addition to such other terms, conditions and restrictions as may be imposed and contained in the written instrument under which awards of Common Stock are made pursuant to the 2015 Director Plan, (i) no Common Stock so awarded shall be restricted for a period (the “Restriction Period”) of less than one year or more than ten years unless otherwise specified; and (ii) except as provided in the 2015 Director Plan, and described below under “Accelerated Vesting; Forfeiture”, the recipient of the award shall serve as an Outside Director for the Company during the Restriction Period or otherwise forfeit all right, title and interest in and to the Restricted Stock subject to such restrictions.

Stock Certificates; Escrow. Certificates representing the Restricted Stock shall be registered in the name of the participant, such certificates shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such shares, and the Company shall retain physical possession of the certificate in escrow until all restrictions have been lifted or requirements met.

Accelerated Vesting; Forfeiture. Each outstanding award shall become immediately vested and unrestricted upon the occurrence of a change in control of the Company, or upon the death or permanent disability of the participant. Shares of Restricted Stock shall be forfeited in the event that the participant ceases service as an Outside Director for any reason other than his or her death or permanent disability.

Voting and Dividend Rights. Prior to the vesting of any Restricted Stock awards under the 2015 Director Plan, a participant will have all of the rights of a stockholder with respect to the shares of Common Stock so awarded, including, but not limited to, the right to receive such cash dividends, if any, as may be declared on such shares from

time to time and the right to vote (in person or by proxy) such shares at any meeting of the Company's stockholders. As a condition to the grant of the award under the 2015 Director Plan, dividends, if any, as may be declared on such shares of Common Stock shall be deposited into an escrow or similarly segregated account, and disbursement of such dividends to the participant will occur only upon the delivery of the shares of Common Stock to which such dividends relate, and in the event the shares of Common Stock to which such dividends relate are forfeited, the participant's right to receive disbursement of such dividends will be forfeited and the amount of the dividends shall be returned to the Company.

Federal Income Tax Consequences

The following discussion of the federal tax consequences of the 2015 Employee Plan and 2015 Director Plan is based on the provisions of the Code currently in effect, current regulations, and administrative rulings of the Internal Revenue Service. The discussion is limited to the tax consequences on United States citizens and does not consider the potential impact of state or local tax laws. It is not intended to be a complete discussion of all of the United States income tax consequences of the 2015 Employee Plan and 2015 Director Plan or of all of the requirements that must be satisfied to qualify for the tax treatment described in this discussion. Changes in the law and the regulations may modify the discussion, and, in some cases, changes may be retroactive. In addition, tax consequences may vary depending upon the personal circumstances of individual holders of stock and the tax requirements applicable to residents of countries other than the United States.

With respect to an award, unless an participant makes an election under Section 83(b) of the Internal Revenue Code (an “83(b) election”), as described below, the participant will generally recognize ordinary compensation income in an amount equal to the fair market value of the shares subject to the grant of Restricted Stock at the time the Restricted Stock ceases to be subject to forfeiture. Dividends paid to a participant on the shares of Restricted Stock where no 83(b) election is made are treated as compensation income of the participant in the year received. The participant’s holding period for long-term capital gains purposes will not begin to run until the stock becomes unrestricted.

With respect to an award, a participant may make an 83(b) election only with the prior approval of the Board. If a participant makes an 83(b) election within the required period of thirty days after receipt of the Restricted Stock, the participant will be immediately taxed, as compensation income, on the fair market value of the Restricted Stock issued to such participant, valued on the date of grant. Any dividends received on stock subject to an 83(b) election will be treated as ordinary dividend income. Where an 83(b) election is made, a participant’s holding period for long-term capital gains purposes begins to run on receipt of the Restricted Stock. A forfeiture of Restricted Stock after an 83(b) election is made, even though the participant has included the stock as income, does not entitle the participant to a tax deductible loss if no amount was paid for the Restricted Stock by the participant.

Subject to the limitations on deductibility contained in Section 162(m) of the Code, the Company will receive a deduction for federal income tax purposes equal to the compensation income recognized by the participant receiving the Award.

DIRECTOR QUALIFICATIONS AND DIVERSITY

There are certain minimum qualifications for Board membership that Director candidates should possess, including strong values and discipline, high ethical standards, a commitment to full participation on the Board and its Committees, and relevant experience. Also as set forth in the Corporate Governance and Nominating Committee Charter (“Charter”), “[d]iversity of race, ethnicity, gender and age are important factors in evaluating candidates for Board membership.” The Charter thus provides that a commitment to diversity is a consideration in the identification and nomination of Director candidates. The Corporate Governance and Nominating Committee and the full Board implement and assess the effectiveness of these guidelines and the commitment to diversity by referring to the Charter in the review and discussion of Board candidates when assessing the composition of the Board. On an annual basis, the Corporate Governance and Nominating Committee reviews its own performance, leads the Board in its annual review of the Board’s performance, and reviews the Board structure to determine whether there is a need for an addition to the Board. In the event that either a vacancy on the Board occurs or the Corporate Governance and Nominating Committee determines that there is a need for an addition to the Board, as part of its authority and responsibilities as specified in its Charter, the Corporate Governance and Nominating Committee seeks individuals qualified to become Board members for recommendation to the Board, including evaluating persons suggested by stockholders or others.

The criteria for open Board positions, if any, includes, among others, the current composition of the Board, the range of talents, experiences, and skills that would best complement those already represented on the Board, the balance of management and independent directors, the need for financial or other specialized expertise, and a willingness and ability to devote adequate time to our Board's duties. The assessment of candidates includes a review of the nominee's judgment, experience, independence, possible conflicts of interest, understanding of the Company's or other related industries, and such other factors as the Corporate Governance and Nominating Committee concludes are pertinent in light of the current needs of the Board. The Corporate Governance and Nominating Committee then conducts appropriate inquiries into the backgrounds and qualifications of possible nominees in an effort to determine each proposed nominee's qualifications for service on the Board. The Company ensures that its stockholders are fully apprised of the Corporate Governance and Nominating Committee's Policy with Regard to the Consideration of Director Candidate Recommendations by our Stockholders as well as the process for the Corporate Governance and Nominating Committee's Identification and Evaluation of Nominees for Directors (see p. 16). A copy of the Corporate Governance and Nominating Committee's Charter may be found in our 2004 Proxy Statement which was filed on June 30, 2004. A copy is also available without charge upon written request to the Corporate Secretary and General Counsel, PetMed Express, Inc., 1441 S.W. 29th Avenue, Pompano Beach, FL 33069 or by contacting Investor Relations at 1-800-738-6337.

Our Board includes a majority of independent directors. Our Board reaffirms its accountability to stockholders through the stockholder election process. Our Board of Directors also oversees our strategic and business planning processes.

Policy with Regard to the Consideration of Director Candidate Recommendations by our Stockholders

The Corporate Governance and Nominating Committee has a policy pursuant to which it considers director candidates recommended by our stockholders. All director candidates recommended by our stockholders are considered for selection to the Board on the same basis as if such candidates were recommended by one or more of our directors or other sources. To recommend a director candidate for consideration by our Corporate Governance and Nominating Committee, a stockholder must submit the recommendation in writing to our Corporate Secretary not later than one hundred twenty (120) calendar days prior to the anniversary date of our Proxy Statement distributed to our stockholders in connection with our most recent Annual Meeting, and the recommendation must provide the following information: (i) the name of the stockholder making the recommendation, (ii) the name of the candidate, (iii) the candidate's resume or a listing of his or her qualifications to be a director, (iv) the proposed candidate's written consent to being named as a nominee and to serving as one of our directors if elected, and (v) a description of all relationships, arrangements or understandings, if any, between the proposed candidate and the recommending stockholder and between the proposed candidate and us so that the candidate's independence may be assessed. Corporate Governance and Nominating Committee's Identification and Evaluation of Nominees for Director

Potential candidates may come to the attention of the Corporate Governance and Nominating Committee through recommendations made by current directors, stockholders, executives, or director search firms retained by the Corporate Governance and Nominating Committee or other persons. Working closely with the full Board, the Corporate Governance and Nominating Committee develops criteria for open Board positions, taking into account such factors as it deems appropriate, including, among others, the current composition of the Board, the range of talents, experiences and skills that would best complement those already represented on the Board, the balance of management and independent directors, the need for financial or other specialized expertise, and willingness and ability to devote adequate time to our Board's duties.

MEETINGS OF THE BOARD OF DIRECTORS

Each director attended all of the meetings of the Board, and meetings held by committees on which he served, with the exception of Mr. Schweitzer, who missed one Audit Committee meeting and one Special Board meeting due to a last-minute conflict, and Mr. Akdag, who missed one Board meeting due to a family emergency. Members of the Board are expected to attend board meetings, board committee meetings, and annual meetings of our stockholders. A director who is unable to attend our Annual Meeting is expected to notify the Board in advance of the meeting. Mr. Akdag gave notice in advance that unfortunately he would not be able to attend the Annual Meeting in 2014 due to the same family emergency already mentioned.

Independent Directors and Meetings of our Independent Directors

Investment Committee

In addition to the above standing committees, in 2005 the Board of Directors determined that it was advisable and in the best interest of the Company to form an Investment Committee, with the primary purpose of such committee to establish policies and guidelines for the investment of excess cash held by or available to the Company and to revise or update such policies and guidelines whenever, in the judgment of the Investment Committee, it is appropriate to do so. The Investment Committee is comprised of Menderes Akdag, Robert C. Schweitzer, and Ronald J. Korn. Mr. Akdag and Bruce S. Rosenbloom, the Company's Chief Financial Officer, are authorized to take any and all action that is necessary to implement any recommendation of the Investment Committee as approved by the Board of Directors. Although there were no formal meetings of the Investment Committee during fiscal 2015, investment strategies were discussed during meetings of the Audit Committee and Board of Directors.

Corporate Code of Business Conduct and Ethics

The Company has in place a Corporate Code of Business Conduct and Ethics, which is applicable to all directors, officers, and employees, including our principal executive officer and principal financial and accounting officer. On a yearly basis, a reminder memo is sent concerning the necessity for compliance with the provisions. Our Code of Business Conduct and Ethics is a written standard designed to deter wrongdoing and to promote:

- honest and ethical conduct;
- full, fair, accurate, timely, and understandable disclosure in regulatory filings and public statements;
- compliance with applicable laws, rules, and regulations;
- the prompt reporting of violation of the code; and
- accountability for adherence to the Code of Business Conduct and Ethics.

Our Corporate Code of Business Conduct and Ethics is filed with the Securities and Exchange Commission as Exhibit 14 to our Annual Report on Form 10-K for the year ended March 31, 2015 and may be found in our 2004 Proxy Statement which was filed on June 30, 2004. A copy of our Corporate Code of Business Conduct and Ethics is available without charge, upon written request to the Corporate Secretary and General Counsel at PetMed Express, Inc., 1441 S.W. 29th Avenue, Pompano Beach, FL 33069, or by contacting Investor Relations at 1-800-738-6337.

Board Leadership Structure and Board's Role in Risk Oversight

Our Board of Directors has determined that the separation of the offices of Chairman of the Board and Chief Executive Officer enhances Board independence and oversight. Moreover, the separation of the offices of the

Chairman of the Board and Chief Executive Officer will allow the Chief Executive Officer to better focus on his responsibilities of running the Company, enhancing stockholder value and expanding and strengthening our business while allowing the Chairman of the Board to lead the Board in its fundamental role of providing advice to and independent oversight of management. Consistent with this determination, Robert C. Schweitzer serves as Chairman of the Board of Directors and is considered an independent director, and Menderes Akdag serves as our Chief Executive Officer.

Our Board of Directors, in conjunction with management, has responsibility for the oversight of risk management. Management is responsible for the day-to-day management of risks the Company faces, while the Board of Directors, as a whole and through its committees, provides risk oversight. The Board of Directors regularly and continually receives information intended to apprise the Board of the strategic, operational, commercial, financial, legal, and compliance risks the Company faces. While the Board of Directors is ultimately responsible for oversight of the Company's risk management practices, the Audit, Compensation, Corporate Governance and Nominating, and Investment Committees of the Board of Directors assist the Board in fulfilling its oversight responsibilities in certain areas of risk.

In particular, the Audit Committee focuses on financial risk, including but not limited to internal controls, and the committee receives, reviews, and discusses regular reports from management and external auditors concerning risk assessment. Our Compensation Committee assists the board in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs. Our Corporate Governance and Nominating Committee focuses on the management of risks associated with Board organization, membership, and structure, succession planning for our directors and executive officers, and corporate governance. Finally, our Investment Committee focuses on the management and risks of our financial investments.

Stockholder Communications with the Board

The Company provides an informal process for stockholders to send communications to our Board of Directors. Stockholders who wish to communicate directly with our Board of Directors, or specified individual directors, may do so in writing to the Board of Directors or individual director in c/o Corporate Secretary and General Counsel, PetMed Express, Inc., 1441 S.W. 29th Avenue, Pompano Beach, FL 33069. Correspondence directed to an individual Board member is referred to that member. Correspondence not directed to a particular Board member is referred to the Chairman of the Corporate Governance and Nominating Committee.

THE REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing by us under the Securities Act of 1933, as amended, ("Securities Act") or the Exchange Act, except to the extent we specifically incorporate this Report by reference therein.

The Audit Committee is comprised solely of independent directors, and it operates under a written charter adopted by the Company's Board of Directors. The composition of the Audit Committee, the attributes of its members and the responsibilities of the Audit Committee, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. The Audit Committee reviews and assesses the adequacy of its charter on an annual basis.

As described more fully in its charter, the purpose of the Audit Committee is to assist the Board of Directors in the oversight of its financial reporting, internal control, and audit functions. Management is responsible for the preparation, presentation, and integrity of its consolidated financial statements, accounting and financial reporting principles, and internal controls and procedures designed to ensure compliance with accounting standards and applicable laws and regulations. McGladrey LLP, the Company's independent registered public accounting firm, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States.

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent registered public accounting firm, nor can the Audit Committee certify that the independent registered public accounting firm is “independent” under applicable rules. The Audit Committee serves a board-level oversight role, in which it provides advice, counsel, and direction to management and the independent registered public accounting firm on the basis of the information it receives, discussions with management and the independent registered public accounting firm, and the experience of the Audit Committee’s members in business, financial, and accounting matters.

Among other matters, the Audit Committee monitors the activities and performance of the Company’s independent registered public accounting firm, including the audit scope, external audit fees, registered public accounting firm independence matters, and the extent to which the independent registered public accounting firm may be retained to perform non-audit services. The Audit Committee and the Board of Directors have ultimate authority and responsibility to select, evaluate and, when appropriate, replace the independent registered public accounting firm. The Audit Committee also reviews the results of the audit work with regard to the adequacy and appropriateness of financial, accounting, and internal controls. Management and independent registered public accounting firm presentations to and discussions with the Audit Committee also cover various topics and events that may have significant financial impact or are the subject of discussions between management and the independent registered public accounting firm. In addition, the Audit Committee generally oversees internal compliance programs.

The Audit Committee has reviewed and discussed the Company’s consolidated financial statements with management and the independent registered public accounting firm, management represented to the Audit Committee that its consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the independent registered public accounting firm represented that its presentations included the matters required to be discussed with the independent registered public accounting firm by Statement on Auditing Standards No. 61, as amended, “Communication with Audit Committees.”

McGladrey LLP, the independent registered public accounting firm, also provided the Audit Committee with the written disclosures required by Independence Standards Board Standard No. 1, “Independence Discussions with Audit Committees,” and the Audit Committee discussed with McGladrey LLP the firm’s independence. Following the Audit Committee’s discussions with management and McGladrey LLP, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company’s Annual Report on Form 10-K for the fiscal year ended March 31, 2015.

COMPENSATION DISCUSSION AND ANALYSIS

Overview

The Compensation Committee of our Board of Directors, composed entirely of independent directors, administers our executive compensation program. The role of the Compensation Committee is to oversee the administration of the Company's compensation and benefit plans and policies, to review the compensation of the executive officer(s) and directors, to administer our stock plans, to prepare any report on executive compensation required by the rules and regulations of the Securities and Exchange Commission, and generally to provide assistance to the Board of Directors on compensation matters.

The following discussion and analysis of compensation arrangements of our named executive officers should be read together with the compensation tables and related disclosures set forth elsewhere in this Proxy Statement. Our named executive officers for the year ended March 31, 2015 were Menderes Akdag, Chief Executive Officer and President ("CEO"), and Bruce S. Rosenbloom, Chief Financial Officer ("CFO"). This discussion contains forward-looking statements that are based on our current plans and expectations regarding future compensation programs. Actual compensation programs that we adopt may differ materially from currently planned programs as summarized in this discussion.

Compensation Philosophy

The objective of our compensation programs, as it has been in prior years, is to attract and retain top talent. Our compensation plans are designed to motivate and reward employees for achievement of positive corporate results and also to promote and enforce accountability. In determining the compensation arrangement of our executives, we are guided by the following key principles:

Attract and Retain Top Talent. Our compensation arrangements should be sufficient to allow us to attract, retain, and motivate executives with the necessary skills and talent to successfully manage our business. In order to attract, retain, and motivate such executives, we seek to compensate our executives at levels that are consistent with or more attractive than other available opportunities in the respective executive's marketplace.

Promote Corporate Performance Accountability. So that executive compensation is aligned with our business objectives and corporate performance, compensation is tied, in part, to financial performance of our business so that executives are held accountable through their compensation for contributions to our performance as a whole through the performance of the tasks for which they are responsible.

Promote Individual Performance Accountability. So that executive officers who contribute to our operating and financial performance are rewarded and motivated, compensation is tied, in part, to the individual executive's

performance to encourage and reflect individual contributions to corporate performance. Individual performance, as well as performance of the business, and responsibility areas that an individual oversees, are factors in assessing a particular individual's performance.

Align Stockholder Interests. Compensation should be tied, in part, to our financial performance through the grant of long-term incentives under our stock plans, which help to align our executives' interests with those of our stockholders.

The Compensation Committee believes that our compensation programs should include short-term and long-term components, including cash and equity-based compensation, and should reward performance as measured against established goals. The Compensation Committee considers the total current and potential long-term compensation of each of our executive officers in establishing each element of compensation.

The Compensation Committee reviews and recommends to the full Board of Directors the total compensation to be paid to our CEO, in advance of the expiration of his three-year employment agreement. The Compensation Committee reviews and recommends to the full Board of Directors on an annual basis, the long-term incentives to be awarded to other executive officers and key employees. As part of this process, the Compensation Committee reviews benchmarking of the aggregate level of executive compensation, as well as the mix of elements used to compensate the executive officers. In addition, the Compensation Committee has historically taken into account publicly available data relating to the compensation practices and policies of other companies within and outside our industry.

While benchmarking may not always be appropriate as a stand-alone tool for setting compensation due to the aspects of our business and objectives that may be unique to us, the Compensation Committee generally believes that gathering this information is an important part of our compensation-related decision-making process. At the request of the Compensation Committee, a compensation benchmarking analysis had been conducted to assist in the determination of appropriate executive compensation for fiscal 2007 and fiscal 2008, and was updated in fiscal 2010 and again in fiscal 2013. Two groups of peer companies were researched in fiscal 2013: comparable companies located in South Florida and other Catalog/Direct Mail Retailers (based on the nature of the Company's business).

Below is a list of each group:

South Florida Companies: National Beverage Corp., Geo Group Inc., Perry Ellis International Inc., Bluegreen Corp., Eclipsys Corp., Beasley Broadcast Group Inc., Terremark Worldwide, Tradestation Group, and Home Diagnostics.
Catalog/Direct Mail Retailers: Drugstore.com Inc., 1-800-Flowers.com Inc., Blue Nile, Inc., Overstock.com Inc., and Nutrisystem.

The information gathered about the peer companies was as follows: market capitalization, annual revenue, and annual earnings per share. The specific mix of elements of compensation that were benchmarked included: annual salary, bonuses, and stock based compensation (which included both stock options and restricted stock). Averages of each of the above categories were calculated. Our Company's data was then compared to the averages of the comparable companies' data. Based on the results of the above 2007 benchmarking study the CEO's salary, pursuant to entering into a three-year employment agreement, was increased in March 2007 from \$250,000 to \$450,000, and the CFO's salary was increased in June 2007 from \$147,940 to \$200,200. An average ratio, which was approximately 60% of the peer group average, was determined by the Board based on the collected data and that ratio was applied to determine a guideline for executive compensation for both the CEO and the CFO. Based on the results of the above 2010 benchmarking study the CEO's salary was increased in March 2010 from \$450,000 to \$550,000 for each year under his three-year employment agreement, which expired in March 2013. The Company entered into another three-year employment agreement with the CEO effective March 16, 2013. The CEO's salary remained at \$550,000 for each year under the March 16, 2013 three-year agreement.

While it has not yet done so, in the future the Compensation Committee may retain the services of third-party executive compensation specialists from time to time, as it sees fit, in connection with the establishment of cash and equity compensation and related policies.

The CEO evaluates the performance of the other executive officer and key employees on an annual basis and makes recommendations to the Compensation Committee with respect to grants pursuant to the Company's Employee Equity Compensation Restricted Stock Plan.

Application of our Philosophy

Our executive compensation program aims to encourage our management team to continually pursue our strategic opportunities while effectively managing the risks and challenges inherent to our business. Specifically, we have created an executive compensation package that we believe balances a short-term component (annual cash compensation), specifically, base salary, and a long-term component, specifically, restricted stock.

We believe that these components are appropriate to provide incentives to our senior management and reward them for achieving the following goals:

- develop a culture that embodies a passion for our company, creative contribution, and a drive to achieve established goals and objectives;
- provide leadership to the company in such a way as to maximize the results of our business operations;
 - lead us by demonstrating forward thinking in the operation, development, and expansion of our company;
- effectively manage organizational resources to derive the greatest value possible from each dollar invested; and
- take strategic advantage of the market opportunity to expand and grow our business.

Our executive compensation structure aims not only to compensate top talent at levels that our Board of Directors believes are consistent with or more attractive than other opportunities in an executive's marketplace, but also to be fair relative to compensation paid to other professionals within our organization, relative to our short- and long-term performance results and relative to the value we deliver to our stockholders. We seek to maintain a performance-oriented culture with a compensation approach that rewards our executive officers when we achieve our goals and objectives, while putting at risk an appropriate portion of their compensation against the possibility that our goals and objectives may not be achieved. Overall, our approach is designed to relate the compensation of our executive officers to: the achievement of short- and long-term goals and objectives; their willingness to challenge and improve existing policies and structures; and their capability to take advantage of unique opportunities and overcome difficult challenges within our business.

Components of our Executive Compensation Program

Annual Cash Compensation - Base Salary

The purpose of base salary is to create a secure base of cash compensation for executives that is competitive with the market. Executives' salary increases do not follow a preset schedule or formula; however, the following is considered when determining appropriate salary levels and increases: the individual's current and sustained performance results and the methods utilized to achieve such results; and non-financial performance indicators to include strategic developments for which an executive has responsibility and managerial performance. The Compensation Committee exercises discretion in making salary decisions taking into account, among other things, each individual's performance and the Company's overall performance. With regard to individual performance of executive officers other than the CEO, the Compensation Committee relies to a large extent on the CEO's evaluations of each individual executive officer's performance.

Long-Term Incentive Compensation

Long-Term Incentives. Prior to July, 2006, our long-term incentives were primarily in the form of stock option awards. The purpose of stock options was to provide equity compensation whose value was directly related to the creation of share-owner value. Grant levels were determined based on individual performance and potential, history of past grants, time in current job, and level of, or significant changes in, responsibility. Stock options provided a vehicle to increase equity ownership and share in the appreciation of the value of Company stock. Stock option grants were made pursuant to our 1998 Stock Plan. The 1998 Stock Plan expired on July 31, 2008, and as of March 31, 2011, all outstanding options had been exercised.

At the Annual Meeting of the Company's stockholders held on July 28, 2006, both the PetMed Express, Inc. 2006 Employee Equity Compensation Restricted Stock Plan and the PetMed Express, Inc. 2006 Outside Director Equity Compensation Restricted Stock Plan were approved by the stockholders. See "Director Compensation" for a detailed description of the Employee Plan and Director Plan.

The purpose of the Employee Plan is to promote the interests of the Company by securing and retaining employees of outstanding ability and to provide additional motivation to such employees to exert their best efforts on behalf of the Company. The Company expects that it will benefit from the added commitment that such employees will have in the welfare of the Company as a result of their ownership or increased ownership of the Company's common stock. All full-time employees are eligible to receive awards under the Employee Plan, which consist of grants of Restricted Stock. Awards may be made under the Employee Plan until July 28, 2016. The Company believes that the Employee Plan accomplishes its stated purpose, which is why the Company is seeking shareholder approval to adopt the 2015 Employee Equity Compensation Restricted Stock Plan.

The purpose of the Director Plan is to promote the interests of the Company by attracting, retaining, and compensating highly qualified individuals who are not employees or affiliates of the Company or any of its subsidiaries, to serve as members of the Company's Board of Directors, and to enable them to increase their ownership of Company's common stock, thereby increasing their proprietary interest in the Company and their identification with the interests of the Company's stockholders. Awards may be made under the Director Plan until July 28, 2016. The Company believes that the Director Plan accomplishes its stated purpose, which is why the Company is seeking shareholder approval to adopt the 2015 Outside Director Compensation Restricted Stock Plan.

Perquisites and Other Compensation Benefits. Consistent with our compensation philosophy, we intend to continue to maintain our current benefits for our executive officers, which are also generally available to employees, including medical, dental, and 401(k) matching contributions. In general, we do not view perquisites as a significant component of our executive compensation structure; however, the Compensation Committee in its discretion may revise, amend, or add to officer(s)' executive benefits.

EXECUTIVE COMPENSATION

On an annual basis, a forecast (budget) is presented to the Board of Directors, and this annual forecast is discussed and must be approved by the Board. The annual forecast serves as a baseline for the Company's performance goals, including those of the executive officers.

The CEO's annual compensation package is comprised of salary and stock based compensation determined by the Compensation Committee of the Board of Directors. When the CEO's then existing contract that was expiring in 2007, was due for renewal, the Compensation Committee conducted the previously discussed review of benchmarking data, which included comparable performing companies, and developed a contract renewal that was both fair to our Company and that would recognize our CEO's significant contribution to the success of our Company. The same process was followed for the renewal of the CEO's contract in March, 2010, based on the review of an updated benchmarking analysis, which again included comparable performing companies. The Compensation Committee also reviewed the compensation portions of the CEO's initial contract, and then-existing contract entered into in 2007 and the Company's performance during the CEO's tenure.

During the term of the CEO's then-existing contract, the Company's sales increased 18%, 16%, and 17% in fiscal 2007, 2008, and 2009, respectively, and earnings per share increased 20%, 39%, and 19% in fiscal 2007, 2008, and 2009, respectively. Thus, it was determined that these financial results exceeded the Compensation Committee's overall expectations. Based on the results of the above benchmarking study the CEO's salary was increased in March 2010 from \$450,000 to \$550,000 for each year under his three-year employment agreement, which expired in March 2013.

The same process was then followed again for the CEO's contract in March, 2013. During the term of the CEO's then-existing contract, the Company's sales decreased 3% in fiscal 2011, increased 3% in fiscal 2012, and decreased 4% in fiscal 2013, and earnings per share decreased 19% in fiscal 2011, increased 13% in fiscal 2012, and increased 6% in fiscal 2013. Based on the results of the above benchmarking study as well as the performance of the Company, the CEO's salary in March 2013 remained at \$550,000 for each year under his three-year employment agreement, expiring in March 2016.

The CFO's annual compensation package is comprised of salary, bonus (if awarded in a particular fiscal year), and stock based compensation. The package is determined preliminarily by the Company's CEO, and as of June 2007 the CFO's annual compensation package was increased to make it comparable to the packages as benchmarked (discussed previously). Currently on an annual basis, the CEO together with the CFO determines performance-based goals for the CFO at the beginning of the fiscal year. For fiscal 2014, the CFO's goals, on a percentage basis, included: Net Revenue (20%), Operating Profit (15%), Pet Supplies Revenue (15%), and the Net Promoter Score (15%), with all four - "the higher the better," and General and Administrative Expenses as a Percentage of Sales (20%) - "the lower the better." An additional goal was the completion of the Relocation Project Summary (15%). The goals of Net Revenue, Operating Profit, General and Administrative Expenses and Pet Supplies Revenue are Company-wide goals and the criteria are based annually on the Board-approved forecast (budget). The Relocation Project Summary goal and the Net Promoter Score (measures customer satisfaction) are also Company-wide goals.

The evaluation method used measures performance against planned objectives that can be determined quantitatively on a rating scale of 1 to 5 (with 5 being the highest rating), apportioning weight to each goal as a percentage (totaling 100%) and based on the final ratings, awarding a percentage increase in salary, at a previously predetermined amount. For example a rating of a 3 is meeting the predetermined goal. With respect to the CFO's annual compensation package for the fiscal year ended March 31, 2015, the below chart reflects his fiscal 2014 goals, which were the basis for the fiscal 2015 compensation, and the weight placed and rating received on each goal. The total represents the weight multiplied by the rating. The CFO's overall total rating was 2.02.

Goal	Budget	Actual	Weight	Rating	Total
Net Revenue (in millions)	\$242.0	\$233.4	20%	1.28	0.26
Operating Profit (in millions)	\$27.7	\$28.2	15%	3.33	0.50
General & Administrative Expenses as a percentage of sales	9.00%	9.15%	20%	2.25	0.45
Pet Supplies Project Goal	-	-	15%	1.00	0.15
Relocation Summary Project Goal	-	-	15%	3.13	0.47
Net Promoter Score	78.0	76.3%	15%	1.30	0.19
Total					2.02

With respect to the CFO's annual compensation package for the fiscal year ended March 31, 2015, a total rating of 1 earned no raise; a total rating of 2 earned a 2.0% raise; a total rating of 3 earned a 4.0% raise; a total rating of 4 earned a 7.0% raise; and a total rating of 5 earned a 10.0% raise. Based on the above-indicated total of 2.02, the CFO earned a 2.0% raise in annual salary for the fiscal year ended March 31, 2015.

Stock based compensation is also determined based on the above performance criteria. With respect to the CFO's annual stock based compensation for the fiscal year ended March 31, 2015, he was awarded 10,000 restricted shares of stock in July 2014, based on the above total rating of a 2.02. A predetermined scale was set in advance and any rating greater than 3.0 earned up to a 10% increase, and any rating less than 3.0 earned no increase.

The CFO's compensation for fiscal year 2016 will be based on the following fiscal 2015 goals, on a percentage basis: Net Revenue (20%), Operating Profit (20%), and Net Promoter Score Goal (20%) with all three - "the higher the better," and General and Administrative Expenses as a Percentage of Sales (20%) - "the lower the better." An additional goal was the completion of a Special Project (20%). The goals of Net Revenue, Operating Profit, and General and Administrative Expenses are Company-wide goals and the criteria are based annually on the board-approved forecast (budget). The Special Project Goal and the Net Promoter Score (measures customer satisfaction) are also Company-wide goals.

Similar to fiscal 2014, the method used provides planned objectives that can be determined quantitatively on a scale of 1 to 5, apportioning weight to each goal as a percentage (totaling 100%) and based on the final ratings, awarding a percentage increase in salary, at a previously predetermined amount. For example a rating of a 3 is meeting the predetermined goal. With respect to the CFO's annual compensation package for the fiscal year ended March 31, 2015, a total rating of 1 earned no raise; a total rating of 2 earned a 2.0% raise; a total rating of 3 earned a 4.0% raise; a total rating of 4 earned a 7.0% raise; and a total rating of 5 earned a 10.0% raise.

In previous fiscal years, an annual bonus was based on a Company-wide goal determined by management based on the Company's reorder goal. A minimum bonus was determined and the bonus pool would increase depending on

exceeding the goal. This bonus pool was then distributed to all employees, except for the CEO. The distribution amount was based on position and time of service. In fiscal 2015, the Company's CFO earned a bonus of \$450.

The following table sets forth certain summary information concerning compensation paid or accrued by the Company to or on behalf of the Company's CEO, and CFO ("Named Executive Officers") for the fiscal years ended March 31, 2015, 2014, and 2013.
