ABOUT THE CONCERNED STOCKHOLDERS

The Concerned Stockholders are each long-term investors in the Company. Mr. Tofias first invested in the Company in March 2004. Mr. Rexroad first invested in the Company in January 2013. Together, the Concerned Stockholders own 22.4% of the Company. The Concerned Stockholders believe that Mr. Tofias is the Company's largest individual stockholder.

REASONS FOR THIS PROXY SOLICITATION

The Concerned Stockholders believe that the Company has a history of underperformance. For example, over the five years preceding August 26, 2016 (when the Concerned Stockholders went public with their concerns), the Company's stock price has declined by 17% while the S&P 500 and Russell 2000 indices have produced returns of 105% and 92%, respectively. Over the preceding 20 years, the Company's stock price dropped by 85% while the S&P 500 returned 375% and the Russell 2000 returned 387%. The Company also has outdated governance practices, such as a classified board of directors where directors stand for election only once every three years. The Concerned Stockholders believe it is time for new directors with the fresh perspectives and sense of urgency necessary to unlock the Company's full potential. To that end, the Concerned Stockholders nominated two experienced and respected individuals who they believe would each, consistent with the best interests of the Company, help improve stockholder value and the Company's operations and corporate governance. The Concerned Stockholders believe that the Nominees have excellent qualifications and will bring insightful and experienced voices to the Board.

Table of Contents

3. “**AGAINST**” the ratification of the appointment of Seligson & Giannattasio, LLP as the Company’s independent registered public accounting firm for the fiscal year ending November 30, 2016;
4. “**AGAINST**” the approval of a rights plan (also known as a poison pill);
5. “**FOR**” the reincorporation of the Company in Delaware;
6. “**FOR**” a declassified board structure; and

Messrs. Rexroad and Tofias intend to vote their shares of Common Stock consistent with these recommendations.

Q: Why are the Concerned Stockholders soliciting your vote?

The Concerned Stockholders believe that the Company has a history of underperformance. For example, over the five years preceding August 26, 2016 (when the Concerned Stockholders went public with their concerns), the Company’s stock price has declined by 17% while the S&P 500 and Russell 2000 indices have produced returns of 105% and 92%, respectively. Over the preceding 20 years, the Company’s stock price dropped by 85% while the S&P 500 returned 375% and the Russell 2000 returned 387%. The Company also has outdated governance practices, such as a classified board of directors where directors stand for election only once every three years. The Concerned Stockholders believe it is time for new directors with the fresh perspectives and sense of urgency necessary to unlock the Company’s full potential. To that end, the Concerned Stockholders nominated two experienced and respected individuals, Bradley P. Rexroad and Michael D. Tofias, who they believe would each, consistent with the best interests of the Company, help improve stockholder value and the Company’s operations and corporate governance. The Concerned Stockholders believe that the Nominees have excellent qualifications and will bring insightful and experienced voices to the Board, and urge the stockholders to support them in this effort by voting “**FOR**” the Nominees’s election to the Board.

Additional information concerning the background of, and the Concerned Stockholders’ reasons for, this proxy solicitation is set forth under the captions “Background of this Proxy Solicitation” and “Reasons for this Proxy Solicitation,” respectively.

Q: Who are the Nominees?

The Nominees, Bradley P. Rexroad and Michael D. Tofias, are highly qualified individuals with a diversity of A: experience relevant to the Company. The principal occupation and business experience of each Nominee is set forth under the caption “Proposal 1—Election of Directors.”

Q: Who can vote at the Annual Meeting?

A: If you are a record or beneficial owner of shares of Common Stock as of the close of business on the Record Date, then you have the right to vote at the Annual Meeting.

Q: How many shares of Common Stock must be voted in favor of the Nominees to elect them?

Directors of the Company are elected by a plurality of all of the votes cast at the Annual Meeting, assuming a A: quorum is present. For this purpose, “plurality” means that the individuals receiving the greatest number of votes are elected as directors, up to the maximum number of directors to be elected.

Table of Contents

The Company has disclosed that two directors are standing for election at the Annual Meeting. Accordingly, at the Annual Meeting, the two nominees who receive the greatest number of “**FOR**” votes (among votes properly cast in person or by proxy) will be elected as Class A directors for terms expiring at the 2019 Annual Meeting and until their respective successors have been duly elected and qualified. A signed proxy that withholds authority with respect to the election of any or all nominees will be counted for purposes of determining whether there is a quorum, but, with respect to any specific nominee, will not be considered to have been voted for such nominee. Broker non-votes, if any, are not considered votes cast and will result in the applicable nominee receiving fewer “**FOR**” votes for purposes of determining the two nominees receiving the most votes.

Q: How many shares of Common Stock must be voted in favor of any proposal other than the election of directors that properly comes before the Annual Meeting?

A: With respect to any proposal other than the election of directors that properly comes before the Annual Meeting, assuming a quorum is present, such proposal will be approved if the holders of a majority of the stock represented and entitled to vote at the Annual Meeting vote “**FOR**” such proposal. Abstentions and broker non-votes, if any, have the same effect as a vote “**AGAINST**” a proposal.

Q: What should I do in order to vote for the Nominees and any other proposals?

A: If you hold your shares of Common Stock of record in your own name, please authorize a proxy to vote by signing, dating and returning the enclosed **WHITE** proxy card in the postage-paid envelope provided.

If your shares of Common Stock are held in “street name” in the name of a bank, brokerage firm, dealer, trust company or other nominee, only it can exercise your right to vote your shares of Common Stock and only upon receipt of your specific instructions. Accordingly, it is critical that you promptly give instructions to your bank, brokerage firm, dealer, trust company or other nominee to ensure that a **WHITE** proxy card is submitted on your behalf. Please follow the instructions on the enclosed **WHITE** voting instruction form to provide voting instructions to your bank, brokerage firm, dealer, trust company or other nominee. If your bank, brokerage firm, dealer, trust company or other nominee provides for voting instructions to be delivered by telephone or over the Internet, instructions will be included on the enclosed **WHITE** voting instruction form.

YOUR VOTE IS VERY IMPORTANT. If you do not plan to attend the Annual Meeting, the Concerned Stockholders encourage you to vote the enclosed **WHITE** proxy card **TODAY** so that your shares of Common Stock will be represented and voted in accordance with your instructions. Even if you plan to attend the Annual Meeting in person, the Concerned Stockholders recommend that you sign, date and return a **WHITE** proxy card so that your vote will be counted if you later decide not to attend the Annual Meeting.

Q: Can I use the WHITE proxy card to vote for any of the Company's nominees?

No. Under the proxy rules, the Concerned Stockholders may only solicit proxies in support of the Nominees. If you wish to vote for other nominees, you will need to return the Company's gold proxy card or attend the Annual Meeting in person and vote by ballot.

Q: How do proxies work?

Giving the Concerned Stockholders your proxy means that you authorize the proxy holders designated by the Concerned Stockholders to vote your shares of Common Stock at the Annual Meeting according to the directions that you provide. Whether or not you are able to attend the Annual Meeting, the Concerned Stockholders urge you to vote the enclosed **WHITE** proxy card **TODAY**. If you specify a choice with respect to any item by marking the appropriate box on the **WHITE** proxy card, the shares of Common Stock to which that proxy card relates will be voted in accordance with that specification. If no specification is made, then the shares of Common Stock will be voted (1) **“FOR”** the election of the Nominees, Bradley P. Rexroad and Michael D. Tofias; (2) **“AGAINST”** the approval of the Company’s executive compensation; (3) **“AGAINST”** the ratification of the appointment of Seligson & Giannattasio, LLP as the Company’s independent registered public accounting firm for the fiscal year ending November 30, 2016; (4) **“AGAINST”** the approval of a rights plan (also known as a poison pill); (5) **“FOR”** the reincorporation of the Company in Delaware; (6) **“FOR”** a declassified board structure; (7) **“FOR”** the repeal of any amendments to the By-Laws adopted by the Board without the approval of stockholders after February 18, 2016, and prior to the effectiveness of this resolution; and (8) in the proxy holders’ discretion as to any other matters that may properly come before the Annual Meeting and are unknown to the Concerned Stockholders a reasonable time before the Annual Meeting.

Q: What is the deadline for submitting proxies?

A: Proxies can be submitted until the polls are closed at the Annual Meeting. However, to be sure that the Concerned Stockholders receive your proxy in time to utilize it, please provide your proxy as early as possible.

Q: May I change my vote?

A: Yes. Even after you have submitted your proxy, you may change your vote at any time by returning a later dated proxy card or voting at the Annual Meeting by ballot. Attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy.

Q: What should I do if I receive a gold proxy card from the Company?

A: We urge you to discard any gold proxy card you receive from the Company. If you submit a **WHITE** proxy card, do not sign or return a gold proxy card solicited by the Company or follow any voting instructions provided by the Company unless you want to change your vote. Only your latest signed and dated proxy will count.

Q: Whom should I contact if I have any questions about the Concerned Stockholders’ solicitation?

BACKGROUND OF THIS PROXY SOLICITATION

The Concerned Stockholders are each long-term investors in the Company. Mr. Tofias has been a stockholder of the Company since March 2004, and Mr. Rexroad has been a stockholder of the Company since January 2013. Each of Messrs. Rexroad and Tofias began investing in the Company based on the belief that the Common Stock was undervalued.

From time to time, each of Messrs. Rexroad and Tofias has discussed various matters with Ira Levy, the Company's Chief Executive Officer, including (1) operating results; (2) costs and capital allocation; (3) opportunities to enhance stockholder value; (4) corporate governance; (5) excessive director compensation; and (6) strategic alternatives.

On September 15, 2014, Mr. Rexroad filed a Schedule 13D with the SEC disclosing his beneficial ownership of 5.6% of the then-outstanding Common Stock.

On May 5, 2015, Mr. Tofias sent a letter to the Board requesting to be nominated to the Board and expressing the view that there should be more significant unaffiliated stockholder representation on the Board.

On December 20, 2015, Mr. Levy informed Mr. Tofias that the Board had declined to add Mr. Tofias as a director.

On January 4, 2016, Mr. Tofias filed a Schedule 13D with the SEC disclosing his beneficial ownership of 15.7% of the then-outstanding Common Stock. Mr. Tofias had previously reported his holdings on a Schedule 13G.

On March 15, 2016, Mr. Tofias sent a letter to the directors of the Company expressing his view that the Common Stock continued to be significantly undervalued. Mr. Tofias recommended that the Board promptly explore a sale of the Company.

On June 16, 2016, Mr. Tofias submitted a proposal to the Board for inclusion in this Proxy Statement urging the Board to take all necessary steps (excluding those that may be taken only by stockholders) to change the Company's jurisdiction of incorporation to Delaware. For additional information, see the section of this Proxy Statement captioned "Proposal 5 —Advisory Stockholder Proposal Requesting the Reincorporation of the Company in Delaware."

On June 29, 2016, Mr. Rexroad submitted a proposal to the Company for inclusion in this Proxy Statement urging the Board to take all necessary steps (excluding those that may be taken only by stockholders) to eliminate the classification of the Board and to require that all directors be elected on an annual basis. For additional information, see the section of this Proxy Statement captioned “Proposal 6 —The Concerned Stockholders’ Advisory Proposal Requesting a Declassified Board Structure.”

On July 1, 2016, Mr. Tofias submitted a request to inspect certain books and records of the Company, including a stockholder list.

On July 31, 2016, Messrs. Rexroad, Tofias and Levy and Gary Jacobs, a member of the Board, participated in a telephonic meeting during which Messrs. Rexroad and Tofias expressed their continued dissatisfaction with the Company’s corporate governance and capital allocation, as well as their view that the Company should be sold. Mr. Levy expressed a desire for the Company to remain public and potentially repurchase the shares of Common Stock held by Messrs. Rexroad and Tofias. Messrs. Rexroad and Tofias expressed their concern that such a repurchase would constitute preferential treatment over the Company’s other stockholders. Mr. Levy also expressed an interest in acquiring all shares of Common Stock not held by the Board or the Company’s management.

On August 24, 2016, the Concerned Stockholders entered into a Joint Filing, Group and Solicitation Agreement in which they agreed, among other things, to (1) the joint filing on behalf of each of them of statements on Schedule 13D with respect to the securities of the Company; (2) seek representation on the Board at the 2016 Annual Meeting; and (3) share the expenses incurred in seeking representation on the Board.

On August 25, 2016, the Concerned Stockholders delivered to the Company a notice of its nomination of the Nominees, as required by the By-Laws. The notice also proposed two items of business for consideration at the Annual Meeting. For additional information, see the sections of this Proxy Statement captioned “Proposal 6 —The Concerned Stockholders’ Advisory Proposal Requesting a Declassified Board Structure” and “Proposal 7 —The Concerned Stockholders’ By-Law Restoration Proposal.”

On August 26, 2016, the Concerned Stockholders filed a Schedule 13D disclosing their aggregate beneficial ownership of 22.2% of the then-outstanding Common Stock.

On September 15, 2016, Messrs. Rexroad, Tofias, Levy and Alan Pflaker, a member of the Board, met. Messrs. Rexroad and Tofias reiterated their belief that the Board should pursue a sale of the Company. Messrs. Rexroad and Tofias also discussed the possibility of Board representation and of a significant return of capital to stockholders. No specific proposal to resolve the proxy contest was made by Messrs. Rexroad and Tofias.

On September 28, 2016, the Concerned Stockholders issued a press release announcing the filing by them of a preliminary proxy statement.

On October 6, 2016, the Concerned Stockholders sent an open letter to the stockholders of the Company expressing the desire to communicate regarding the Company and detailing the Company's poor stock performance.

On October 7, 2016, the Company announced the adoption of a rights plan (or poison pill). This action was taken without stockholder approval.

On October 10, 2016, the Concerned Stockholders sent an open letter to the stockholders of the Company expressing the Concerned Stockholders' objections to the adoption of a rights plan without stockholder approval.

PROPOSAL 1—ELECTION OF DIRECTORS

The Company has disclosed that two directors are standing for election at the Annual Meeting. Accordingly, at the Annual Meeting, the two nominees who receive the greatest number of “**FOR**” votes (among votes properly cast in person or by proxy) will be elected as Class A directors for terms expiring at the 2019 Annual Meeting and until their respective successors have been duly elected and qualified. The Concerned Stockholders are seeking your support at the Annual Meeting to elect the Nominees, Bradley P. Rexroad and Michael D. Tofias.

The Nominees have furnished the following information regarding their principal occupations and certain other matters. The ages of the nominees are given as of October 1, 2016. Each of the nominees is a citizen of the United States of America.

Bradley P. Rexroad

Bradley P. Rexroad, age 43, has served as Principal at Assay Research, LLC, a financial research firm that provides unbiased insight into the financial statements, accounting practices and policies, quality of earnings, and corporate governance practices of publicly-traded companies, since March 2003. Mr. Rexroad holds a B.S. in Accounting from San Diego State University and an M.B.A. from the University of Miami. Mr. Rexroad holds the Chartered Financial Analyst designation.

The Concerned Stockholders believe that Mr. Rexroad’s extensive financial and accounting expertise, including holding the Chartered Financial Analyst designation, would be of substantial value to the Board. In addition, the Concerned Stockholders believe that Mr. Rexroad would add a unique element to the Board as a major outside stockholder, allowing the Board to receive ongoing feedback from the perspective of a major outside stockholder.

Michael D. Tofias

Michael D. Tofias, age 50, has been an independent private investor since February 2015. From 1998 to February 2015, Mr. Tofias served in various positions at Citigroup Global Markets Inc. and its predecessors, most recently as

Managing Director, Institutional Fixed Income Sales. Citigroup Global Markets Inc. is a provider of investment banking and financial advisory services. Mr. Tofias holds a B.B.A. in Finance from the University of Massachusetts, Amherst, and an M.B.A. from the Wharton School of the University of Pennsylvania.

The Concerned Stockholders believe that Mr. Tofias's extensive experience in capital markets, credit markets and analyzing companies, as well as his knowledge of unlisted micro-cap companies and capital allocation, would be of substantial value to the Board. In addition, the Concerned Stockholders believe that Mr. Tofias would add a unique element to the Board as a major outside stockholder, allowing the Board to receive ongoing feedback from the perspective of a major outside stockholder. The Concerned Stockholders believe that Mr. Tofias is the Company's largest individual stockholder.

THE CONCERNED STOCKHOLDERS URGE YOU TO VOTE FOR THE ELECTION OF THE NOMINEES, BRADLEY P. REXROAD AND MICHAEL D. TOFIAS, ON THE ENCLOSED WHITE PROXY CARD TODAY.

Table of Contents

Even if all of the Nominees are elected, they will not constitute a majority of the Board. The Nominees will not alone be able to cause the Company to take any action. However, the Nominees expect to be able to actively engage other Board members in full discussion of the issues facing the Company and resolve them together. By utilizing their respective experiences and working constructively with the other Board members, the Nominees believe that they can effect positive change at the Company. If elected, the Concerned Stockholders expect the Nominees to advocate for improvements to the Company's corporate governance, including repealing the classification of the Board and reincorporating the Company in Delaware. The Concerned Stockholders are not aware of any plans by the Nominees to take any specific actions if elected to the Board, but understands that the Nominees intend to advocate for a repeal of the classification of the Board and the reincorporation of the Company in Delaware.

There can be no assurance that if any of the Nominees are elected, any other members of the Board who are not the Nominees will serve with the Nominees. Except as set forth in this Proxy Statement, the Concerned Stockholders believe that each of the Nominees is independent within the meaning of the rules of The NASDAQ Stock Market and is not currently affiliated with the Company or any of its subsidiaries. The Concerned Stockholders have no knowledge of any facts that would prevent the determination that each of the Nominees is independent in accordance with the corporate governance standards of the Company, the pertinent listing standards of The NASDAQ Stock Market and any applicable legal requirements. Consequently, the Concerned Stockholders believe that if the Nominees are elected, there will be a sufficient number of independent directors to serve on the Board's Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee. If the Nominees are elected, the composition of the Board's committees will be determined by the Board.

Each of the Nominees has consented to being named as a nominee in this Proxy Statement and to serve as a director of the Company if elected. The Concerned Stockholders do not expect that any of the Nominees will be unable to stand for election to the Board or to serve as a director if elected. In the event that a vacancy in the Concerned Stockholders' slate of nominees should occur because any Nominee is unable to serve or for good cause will not serve, the Concerned Stockholders may appoint a substitute candidate that they select and the shares of Common Stock represented by the enclosed **WHITE** proxy card will be voted for such substitute nominee. If the Concerned Stockholders appoint a substitute nominee, the Concerned Stockholders will make a filing with the SEC that (1) identifies such substitute nominee; (2) discloses that such substitute nominee has consented to being named in this Proxy Statement, as supplemented, and to serve as a director of the Company if elected; and (3) includes the information with respect to such substitute nominee required to be disclosed under the SEC's proxy rules. In the event that the Company refuses to permit a substitute nominee as contemplated by this paragraph by reason of the By-Laws or otherwise, the Concerned Stockholders reserve the right to challenge such By-Laws or the application of such By-Laws to such substitute nominee or take other action in an appropriate legal proceeding.

The Concerned Stockholders reserve the right to nominate additional nominees if the Company (1) purports to increase the number of directorships; or (2) makes or announces any changes to the By-Laws or takes or announces any other action that that purports to have, or if consummated would purport to have, the effect of disqualifying any of the Nominees. To the extent that the Company proposes to put up for election more than two nominees at the Annual Meeting, the Concerned Stockholders reserve the right to nominate an equal number of additional persons, which the Concerned Stockholders believe would be an available remedy under Nevada law in response to any attempt by the

Company to interfere with the voting rights of the Company's stockholders. Additional nominations made pursuant to the foregoing are without prejudice to the position of the Concerned Stockholders that any attempt to change the size of the Board or disqualify any of

-9-

Table of Contents

the Nominees or any substitute or additional alternate nominees through amendments to the By-Laws or otherwise would constitute unlawful manipulation of the Company's corporate machinery. If the Concerned Stockholders appoint an additional nominee, it will make a filing with the SEC that (1) identifies such additional nominee; (2) discloses that such additional nominee has consented to being named in this Proxy Statement, as supplemented, and to serve as a director of the Company if elected; and (3) includes the information with respect to such additional nominee required to be disclosed under the SEC's proxy rules. The Concerned Stockholders reserve the right to challenge any action by the Company that has, or if consummated would have, the effect of disqualifying any Nominee or substitute or additional nominee. The Concerned Stockholders further reserve the right to nominate fewer than all of the Nominees or to nominate persons to fill any vacancies on the Board.

To the extent that only two directorships are up for election at the Annual Meeting, the Concerned Stockholders will use proxies solicited only to vote for the Nominees (or any substitute nominee, as described above). If the Concerned Stockholders substitute a nominee or proposes an additional nominee, the Concerned Stockholders will make the filings with the SEC described above. Only then will the shares of Common Stock represented by the enclosed **WHITE** proxy card be voted for any substitute nominee or additional nominee.

If elected, the Nominees, together with the other directors of the Company, will be responsible for managing the business and affairs of the Company. Each director of the Company has an obligation to comply with his or her fiduciary duties under Nevada law. It is possible that circumstances may arise in which the interests of the Concerned Stockholders, on the one hand, and the interests of other stockholders of the Company, on the other hand, may differ. In that case, the Concerned Stockholders expect the Nominees to fully discharge their fiduciary obligations to the Company and its stockholders under Nevada law.

The Nominees will not receive any compensation from the Concerned Stockholders for their services as directors of the Company if elected. Each of the Nominees, if elected, will be entitled to receive from the Company compensation paid by the Company to its non-employee directors. The compensation currently paid by the Company to its non-employee directors is described in the Company's definitive proxy statement filed with the SEC on [], 2016 (the "Company Proxy Statement"). The Nominees may elect to waive any compensation that would be payable to them by the Company in connection with their service on the Board.

PROPOSAL 2—ADVISORY VOTE ON THE COMPANY'S EXECUTIVE COMPENSATION

As discussed in further detail in the Company Proxy Statement, and as required by the Dodd-Frank Wall Street Reform and Consumer Protection Act, the Company has proposed an advisory vote to approve the compensation of the Company's named executive officers as described in the Company Proxy Statement. This is often referred to as a "say-on-pay" vote, and provides stockholders with the ability to cast a vote with respect to the Company's executive compensation programs and policies and the compensation paid to the named executive officers as disclosed in the

Company Proxy Statement. This advisory vote on the Company's executive compensation is not binding on the Board.

The Concerned Stockholders strongly object to the employment agreements entered into by the Company with Ira Levy, the Company's Chief Executive Officer, and Steven J. Lubman, the Company's Vice President, in February 2016. In particular, these agreements include provisions whereby both Messrs. Levy and Lubman, if they are terminated without cause, would be entitled to 36 months of their annual compensation and the acceleration of any then-unvested stock options, restricted stock grants and other equity incentive awards. The Concerned Stockholders believe that these severance payments could exceed \$2 million. They also might dissuade others from acquiring the Company.

Furthermore, the Concerned Stockholders strongly object to the Board's continued grant of unrestricted stock and stock options (all of which dilute other stockholders) instead of paying cash bonuses. Since 2010, the Board has granted Messrs. Levy and Lubman options covering approximately 6.6% of the outstanding Common Stock. These are in addition to annual bonuses in the form of unrestricted stock, which have accounted for a further approximately 1.6% of the outstanding Common Stock.

Additional information regarding this proposal is contained in the Company Proxy Statement.

The Concerned Stockholders recommend that you vote "**AGAINST**" this proposal. The Concerned Stockholders intend to vote their shares of Common Stock "**AGAINST**" this proposal.

PROPOSAL 3—RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED ACCOUNTING FIRM

As discussed in further detail in the Company Proxy Statement, the Audit Committee of the Board has appointed Seligson & Giannattasio, LLP as the Company's independent registered accounting firm for the fiscal year ending November 30, 2016. The Company is submitting the appointment of Seligson & Giannattasio, LLP for ratification by the stockholders at the Annual Meeting.

Additional information regarding this proposal is contained in the Company Proxy Statement.

The Concerned Stockholders recommend that you vote “**AGAINST**” this proposal. The Concerned Stockholders intend to vote their shares of Common Stock “**AGAINST**” this proposal.

PROPOSAL 4—APPROVAL OF A RIGHTS PLAN (OR POISON PILL)

As discussed in further detail in the Company Proxy Statement, effective as of October 7, 2016, the Board adopted a rights plan that, according to the Board, is intended to protect the Company's NOLs from an “ownership change.” This type of rights plan is commonly known as a poison pill and can have numerous anti-takeover effects. The Company is submitting the poison pill for stockholder approval at the Annual Meeting. **If the poison pill is not approved by stockholders at the Annual Meeting, it will expire on the first business day after the Annual Meeting.**

Additional information regarding this proposal is contained in the Company Proxy Statement.

The Concerned Stockholders believe that the poison pill is unnecessary and, among other things, could deter a third party from pursuing an acquisition of the Company. Because the poison pill places artificial limits on the ability of stockholders to purchase additional shares of the Company's common stock, the Concerned Stockholders believe that the poison pill could serve to entrench the Board and make it more difficult for stockholders to elect new directors.

The Concerned Stockholders recommend that you vote “**AGAINST**” this proposal. The Concerned Stockholders intend to vote their shares of Common Stock “**AGAINST**” this proposal.

PROPOSAL 5 —ADVISORY STOCKHOLDER PROPOSAL REQUESTING THE REINCORPORATION OF THE COMPANY IN DELAWARE

Mr. Tofias submitted this proposal for consideration at the Annual Meeting. This proposal urges the Board to take all necessary steps (other than any steps that must be taken by the stockholders) to change the Company's jurisdiction of incorporation to Delaware.

Proposal 5 provides for the adoption of the following resolution:

RESOLVED, That the stockholders of Surge Components, Inc. (the "Company") urge the Board of Directors of the Company to take the necessary steps (excluding those that may be taken only by stockholders) to change the Company's jurisdiction of incorporation to Delaware.

The Company at present is incorporated under the laws of Nevada. Professor Michal Barzuza, writing in the Virginia Law Review, has called Nevada's corporate law "shockingly lax." For example, Nevada law allows officers and directors to avoid liabilities that are considered almost axiomatic, such as those for breaches of the duty of loyalty, acts or omissions not in good faith, and transactions from which an officer or a director derived an improper personal benefit. A leading corporate law treatise states flatly that "a lot of con artists also find Nevada an ideal place to hide behind their corporate 'shells,' to the point that many professional investors view with suspicion any Nevada corporation that has its mailing address in another state."

The proposal recommends reincorporation of the Company in Delaware. Delaware is by far the most popular jurisdiction of incorporation for public companies. A majority of the corporations listed on U.S. stock exchanges are incorporated in Delaware, as are 64% of the corporations that make up the Fortune 500. Research has shown that Delaware firms are worth significantly more than similar firms incorporated elsewhere.

There are excellent reasons for Delaware's success, including a corporate statute that provides corporate efficiencies while retaining protections for stockholders and is regularly updated, and an efficient and professional office of the Secretary of State, which maintains state corporate records. Particularly notable is Delaware's Court of Chancery, a specialized court that focuses on corporate issues and can provide swift decisions. The Court of Chancery is one of the most highly respected trial courts of any kind in the United States. It has produced a large body of case law, and its consistency and professionalism results in a predictability that is not available with less experienced courts.

Table of Contents

A head-to-head comparison shows other advantages to Delaware:

Delaware has strong appraisal rights for stockholders, which in the recent case of Dell resulted in a 28% premium over the price negotiated in a merger. Nevada's appraisal rights are less extensive and impose more procedural barriers to stockholders.

- Delaware provides stockholders with broad inspection rights, while Nevada rights are more limited.

Nevada imposes extensive antitakeover restrictions that can reduce stockholders' ability to realize value through a corporate sale.

While costs can be somewhat higher in Delaware (I estimate currently approximately \$6,000 per year), I believe the benefits to stockholders far exceed this difference in cost.

Accordingly, I believe it is time for the Company to reconsider its 2010 reincorporation in Nevada and seek to move instead to a more shareholder-friendly state. As Professor Barzuza has written, "it would seem as though Delaware is racing toward the top and Nevada is racing toward the bottom."

This proposal is advisory only and the results will not be binding on the Board.

The Concerned Stockholders recommend that you vote "**FOR**" this proposal. The Concerned Stockholders intend to vote their shares of Common Stock "**FOR**" this proposal.

PROPOSAL 6 —the Concerned Stockholders' ADVISORY Proposal requesting a declassified board structure

The Concerned Stockholders submitted this proposal for consideration at the Annual Meeting. This proposal urges the Board to take all necessary steps (other than any steps that must be taken by the stockholders) to eliminate the classification of the Board and to require that all directors be elected on an annual basis.

Proposal 6 provides for the adoption of the following resolution:

RESOLVED, that the stockholders of the Company urge the Board to take all necessary steps (other than any steps that must be taken by stockholders) to eliminate the classification of the Board and to require that all directors be elected on an annual basis

The Concerned Stockholders acknowledge that there are circumstances in which it may be beneficial for a company to have a classified board of directors. For example, a classified board reduces a company's vulnerability to certain potentially abusive takeover tactics by encouraging potential acquirers to negotiate at arms-length with the company's board of directors.

The Concerned Stockholders believe that a classified board reduces a board's accountability to stockholders because directors only stand for election once every three years.

This proposal is advisory only and the results will not be binding on the Board.

Table of Contents

The Concerned Stockholders believe that, as a matter of good corporate governance, all directors should be elected annually. The Concerned Stockholders recommend that you vote “**FOR**” this proposal. The Concerned Stockholders intend to vote their shares of Common Stock “**FOR**” this proposal.

PROPOSAL 7 —THE CONCERNED STOCKHOLDERS’ BY-LAW RESTORATION PROPOSAL

Pursuant to the Company’s Certificate of Incorporation and By-Laws, the Board has the power to adopt, amend and repeal the By-Laws by a vote of the majority of the Board at any regular or special meeting of the Board. As of the date of this Proxy Statement, the Concerned Stockholders are not aware of any decision by the Board to adopt, amend or repeal any provision of the By-Laws since February 18, 2016 (which is the date of the last publicly disclosed amendment to the By-Laws), but it is possible that, following the date of this Proxy Statement and prior to the adoption of this resolution, such an amendment could be adopted by the Board or become effective. Such an amendment could negatively impact the Concerned Stockholders’ ability to solicit or obtain proxies from stockholders or otherwise adversely affect the ability of stockholders to vote on Proposal 1. The Concerned Stockholders would like to ensure that stockholders have the ability to elect the Nominees at the Annual Meeting.

Although adoption of this proposal could have the effect of repealing previously undisclosed amendments to the By-Laws without considering the beneficial nature, if any, of such amendments to the stockholders, it would not repeal any such amendments that were approved by stockholders. In particular, the repeal of any By-Laws pursuant to this proposal could have the effect of reversing amendments to the By-Laws implemented by the Board that are aligned with stockholder interests.

Proposal 7 provides for the adoption of the following resolution:

RESOLVED, that each provision or amendment of the By-Laws adopted by the Board without the approval of the stockholders of the Company after February 18, 2016 (purportedly the last date of reported changes) and prior to the approval of this resolution be, and hereby is, repealed, effective as of the time this resolution is approved by the Company’s stockholders.

The Concerned Stockholders recommend that you vote “**FOR**” this proposal. The Concerned Stockholders intend to vote their shares of Common Stock “**FOR**” this proposal.

VOTING AND PROXY PROCEDURES

Securities Entitled to Vote

Based on information publicly disclosed by the Company, the shares of Common Stock constitute the only class of outstanding voting securities of the Company. Accordingly, only holders of shares of Common Stock as of the close of business on the Record Date are entitled to vote at the Annual Meeting. Each share of Common Stock entitles its holder to one vote. There are no cumulative voting rights. The Company has disclosed that [] shares of Common Stock were outstanding and entitled to vote as of the close of business on the Record Date. If you are a stockholder of record as of the Record Date, you will retain your right to vote at the Annual Meeting even if you sell your shares of Common Stock after the Record Date.

Quorum

The presence, in person or by proxy, of holders of a majority of the shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum. Your shares of Common Stock will be counted toward the quorum only if you submit a valid proxy (or one is submitted on your behalf by your bank, brokerage firm, dealer, trust company or other nominee) or if you vote in person by ballot at the Annual Meeting. Abstentions, broker non-votes and votes withheld will be counted toward the quorum requirement. If a quorum is not present or represented at the Annual Meeting, the Chairman of the Board or a majority of the directors on the Board present at the Annual Meeting may adjourn the Annual Meeting.

Vote Required

Directors of the Company are elected by a plurality of all the votes cast at the Annual Meeting, assuming a quorum is present. For this purpose, “plurality” means that the individuals receiving the greatest number of votes are elected as directors, up to the maximum number of directors to be elected. The Company has disclosed that two directors are standing for election at the Annual Meeting. Accordingly, at the Annual Meeting, the two nominees who receive the greatest number of “**FOR**” votes (among votes properly cast in person or by proxy) will be elected as Class A directors for terms expiring at the 2019 Annual Meeting and until their successors have been duly elected and qualified. A signed proxy that withholds authority with respect to the election of any or all nominees will be counted for purposes of determining whether there is a quorum, but, with respect to any specific nominee, will not be considered to have been voted for such nominee. Broker non-votes, if any, are not considered votes cast and will result in the applicable nominee receiving fewer “**FOR**” votes for purposes of determining the two nominees receiving the most votes.

By voting using the enclosed **WHITE** proxy card, you will only be able to vote for the Nominees. If you wish to vote for a different slate of nominees, you will need to return the Company's gold proxy card or attend the Annual Meeting in person and vote by ballot. If your shares of Common Stock are held in "street name" in the name of a bank, brokerage firm, dealer, trust company or other nominee, you will not be able to vote in person by ballot at the Annual Meeting unless you have previously requested and obtained a "legal proxy" from your bank, brokerage firm, dealer, trust company or other nominee and present it at the Annual Meeting.

With respect to any proposal other than the election of directors that properly comes before the Annual Meeting, assuming a quorum is present, such proposal will be approved if the holders of a majority of the stock represented and entitled to vote at the Annual Meeting vote "**FOR**" such proposal. Abstentions and broker non-votes, if any, have the same effect as a vote "**AGAINST**" a proposal.

Table of Contents

The Concerned Stockholders currently intend to deliver this Proxy Statement and a **WHITE** proxy card to a sufficient number of holders of shares of Common Stock to elect the Nominees and approve its stockholder proposals.

Pursuant to applicable SEC rules, the Company is required to announce the preliminary or final voting results within four business days of the Annual Meeting by means of a Current Report on Form 8-K filed with the SEC.

Voting by Proxy

Please authorize a proxy to vote by signing, dating and returning the enclosed **WHITE** proxy card in the postage-paid envelope provided **TODAY**.

If you hold your shares of Common Stock in more than one account, you will receive a **WHITE** proxy card for each account. To ensure that all of your shares of Common Stock are voted, please sign, date and return the **WHITE** proxy card for each account.

YOUR VOTE IS VERY IMPORTANT. If you do not plan to attend the Annual Meeting, the Concerned Stockholders encourage you to vote the enclosed **WHITE** proxy card today so that your shares of Common Stock will be represented and voted in accordance with your instructions. Even if you plan to attend the Annual Meeting in person, the Concerned Stockholders recommend that you vote your **WHITE** proxy card so that your vote will be counted if you later decide not to attend the Annual Meeting.

The enclosed **WHITE** proxy card may be signed only by holders of record of shares of Common Stock as of the close of business on the Record Date. If you were a stockholder of record as of the close of business on the Record Date, you will retain your voting rights at the Annual Meeting even if you sell some or all of your shares of Common Stock after the Record Date. Accordingly, it is important that you vote all of the shares of Common Stock held by you as of the close of business on the Record Date, or grant a proxy to vote your shares of Common Stock on the enclosed **WHITE** proxy card, even if you sell some or all of your shares of Common Stock after the Record Date.

If you are a beneficial owner of shares of Common Stock held in “street name” in the name of a bank, brokerage firm, dealer, trust company or other nominee, these proxy materials are being forwarded to you by your bank, brokerage firm, dealer, trust company or other nominee. As a beneficial owner, you must instruct your broker, dealer, trustee or nominee how to vote. **Your broker, dealer, trustee or nominee cannot vote your shares of Common Stock on your behalf without your instructions.**

If you are a beneficial owner of shares of Common Stock held in “street name” and do not provide voting instructions to your bank, brokerage firm, dealer, trust company or other nominee, your shares of Common Stock will not be voted on any proposal on which your bank, brokerage firm, dealer, trust company or other nominee does not have or does not exercise discretionary authority to vote, such as a non-routine matter for which you do not provide voting instructions. This is referred to as a “broker non-vote.” The Concerned Stockholders believe that due to the contested nature of the election at the Annual Meeting, all of the matters to be voted on at the Annual Meeting are considered non-routine. Accordingly, banks, brokerage firms, dealers, trust companies and other nominees will be unable to exercise discretionary voting authority with respect to any of the proposals to be voted on at the Annual Meeting.

Table of Contents

Depending upon your bank, brokerage firm, dealer, trust company or other nominee, you may be able to vote either by telephone or over the Internet. Please refer to the enclosed **WHITE** voting instruction form for instructions on how to vote electronically. You may also vote by signing, dating and returning the enclosed **WHITE** voting instruction form.

Because a beneficial owner is not the stockholder of record, if you wish to vote your shares of Common Stock in person by ballot at the Annual Meeting, you must obtain a “legal proxy” from the bank, brokerage firm, dealer, trust company or other nominee that holds your shares of Common Stock.

IMPORTANT

Regardless of how many shares of Common Stock you own, your vote is very important. Please vote by signing, dating and returning the enclosed WHITE proxy card.

Please vote each WHITE proxy card that you receive as each account must be voted separately.

Do not return any gold proxy card that you may receive from the Company, even as a protest vote. If you have already submitted a gold proxy card, it is not too late to change your vote. To revoke your prior proxy and change your vote, simply sign, date and return the enclosed WHITE proxy card in the postage-paid envelope provided. Only your latest signed and dated proxy will be counted.

Attending the Annual Meeting

You are entitled to attend the Annual Meeting if you are a stockholder of record as of the close of business on the Record Date.

If you are a beneficial owner of shares of Common Stock held in “street name” in the name of a bank, brokerage firm, dealer, trust company or other nominee, your name will not appear in the Company’s register of stockholders. Those shares of Common Stock are held in the name of your bank, brokerage firm, dealer, trust company or other nominee on your behalf. In order for you to attend the Annual Meeting, you must bring a letter or account statement showing that you beneficially own the shares of Common Stock held by your bank, brokerage firm, dealer, trust company or other nominee. To ensure that your shares of Common Stock are voted at the Annual Meeting, you should promptly

give instructions to your bank, brokerage firm, dealer, trust company or other nominee to ensure that a **WHITE** proxy card is submitted on your behalf.

Please refer to the Company Proxy Statement for additional information about attending the Annual Meeting, including any requirements to gain admission to the Annual Meeting.

Revocation of Proxies

If you are a record owner of shares of Common Stock as of the close of business on the Record Date and have mailed a proxy card to the Company, you may revoke that card before it is voted at the Annual Meeting by mailing a signed **WHITE** proxy card bearing a date later than the proxy card that you delivered to the Company either to the Concerned Stockholders in care of InvestorCom, 65 Locust Avenue, Suite 302, New Canaan, CT 06840, or to such address as the Company may provide. Only your latest signed and dated proxy will count and will serve as a revocation of any prior proxy submitted. Proxies may also be revoked at any time prior to being voted at the Annual Meeting by: (1) attending the Annual Meeting and voting in person by ballot (attendance at the Annual Meeting will not in

Table of Contents

and of itself constitute revocation of a proxy); or (2) delivering a written notice of revocation. A written revocation may be in any form validly signed by the record holder or an authorized agent of the record holder as long as it clearly states that the proxy previously given is no longer effective. A written notice of revocation may be delivered either to the Concerned Stockholders in care of InvestorCom, 65 Locust Avenue, Suite 302, New Canaan, CT 06840, or to such address as the Company may provide. Although a revocation is effective if delivered to the Company, the Concerned Stockholders request that you mail or deliver either the original or a copy of any revocation to the Concerned Stockholders in care of InvestorCom, 65 Locust Avenue, Suite 302, New Canaan, CT 06840. The Concerned Stockholders may contact stockholders who have revoked their proxies.

If your shares of Common Stock are held in “street name” in the name of a bank, brokerage firm, dealer, trust company or other nominee and you wish to revoke a proxy card, you must return a later dated proxy to your bank, brokerage firm, dealer, trust company or other nominee. Only your latest signed and dated proxy will count. You may also revoke a proxy at any time before it is voted at the Annual Meeting by attending the Annual Meeting and voting in person by ballot (attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy). You will also need to obtain a “legal proxy” from the bank, brokerage firm, dealer, trust company or other nominee that holds your shares of Common Stock in order to vote in person by ballot at the Annual Meeting.

By submitting your proxy to the Concerned Stockholders by signing and dating the enclosed **WHITE** proxy card, you are revoking all prior proxies that you have previously given with respect to the Annual Meeting.

SOLICITATION OF PROXIES

The initial solicitation of proxies by mail may be supplemented by telephone, fax, email, newspapers and other publications of general distribution, through the Internet, and by personal solicitation by the Concerned Stockholders and the persons listed on Annex A who are “participants” in the solicitation of proxies. No additional compensation for soliciting proxies will be paid to such participants for their proxy solicitation efforts.

The Concerned Stockholders have retained InvestorCom for solicitation and advisory services in connection with the solicitation of proxies, for which InvestorCom is to receive a fee of up to \$25,000. Up to 30 people may be employed by InvestorCom in connection with the solicitation of proxies. The Concerned Stockholders have also agreed to reimburse InvestorCom for out-of-pocket expenses and to indemnify InvestorCom against certain liabilities and expenses, including reasonable legal fees and related charges. InvestorCom will solicit proxies from individuals, banks, brokerage firms, dealers, trust companies, other nominees and other institutional holders.

The Concerned Stockholders' expenses related to the solicitation of proxies are currently estimated to be approximately \$100,000, of which approximately \$25,000 has been incurred to date. Such costs include, among other things, expenditures for attorneys, public relations advisors, proxy solicitors, printing, advertising, postage and other miscellaneous expenses and fees. The entire expense of soliciting proxies by or on behalf of the Concerned Stockholders is being borne by the Concerned Stockholders. Banks, brokerage firms, dealers, trust companies and other nominees will be requested to forward solicitation materials to beneficial owners of shares of Common Stock. The Concerned Stockholders will reimburse banks, brokerage firms, dealers, trust companies and other nominees for their reasonable expenses for sending solicitation material to beneficial owners.

Table of Contents

To the extent legally permissible, if successful in the election of one or more of the Nominees, the Concerned Stockholders currently intend to seek reimbursement from the Company for the costs of this solicitation. The Concerned Stockholders do not currently intend to submit the question of such reimbursement to a vote of the stockholders of the Company.

However, if the Concerned Stockholders learn of any other proposals made a reasonable time before the Annual Meeting, the Concerned Stockholders will either supplement this Proxy Statement and provide stockholders with an opportunity to vote by proxy directly on the proposal or will not exercise discretionary authority with respect to the proposal. If other proposals are made thereafter, the persons named as proxies on the **WHITE** proxy card will vote such proxies in their discretion on such proposals.
