Item 1.01 Entry Into Material Definitive Agreement

As previously disclosed, Northwest Natural Gas Company (NW Natural) is pursuing the formation of a holding company structure. NW Natural has received regulatory approval for conversion to a holding company structure from the Public Utility Commission of Oregon (OPUC) and the Washington Utilities and Transportation Commission (WUTC), and expects regulatory approval from the California Public Utility Commission during 2018.

The NW Natural Board of Directors has determined to recommend a holding company structure to NW Natural shareholders for vote at the 2018 Annual Shareholders Meeting. As part of this recommendation, the NW Natural Board of Directors approved entry into a plan of merger between NW Natural, NW Natural's wholly owned subsidiary, Northwest Natural Holding Company (NW Holding) and NW Holding's wholly owned subsidiary, Northwest Natural Merger Sub., Inc. (Merger Sub), attached hereto as Exhibit 2. NW Holding and Merger Sub were formed to effect the holding company reorganization and have no operations. NW Natural entered into the Plan of Merger on March 7, 2018.

The Plan of Merger provides that, upon satisfaction of the conditions in the Plan of Merger, Merger Sub will be merged into NW Natural and each outstanding share of NW Natural common stock will be converted into one share of NW Holding common stock, so that the holders of NW Natural common stock would become holders of NW Holding common stock and NW Natural would become a wholly owned subsidiary of NW Holding (Merger). NW Natural expects that, contemporaneously with the effective time of the Merger, when NW Holding becomes the sole holder of NW Natural common stock, NW Natural will transfer to NW Holding all outstanding shares of each of its subsidiaries other than Northwest Energy Corporation and that entity's subsidiary, which comprises part of the regulated gas utility business of NW Natural. Following the Merger, NW Natural would continue to operate as a gas utility subject to the jurisdiction of the OPUC and WUTC.

Effectiveness of the Merger is subject to: NW Natural shareholder approval; satisfaction of all conditions for listing of NW Holding common stock on the New York Stock Exchange; receipt of all regulatory approvals; and completion of appropriate filings under the Oregon Business Corporation Act. It is expected that, subject to the satisfaction of such conditions, the effective time of the Merger will occur between July 1, 2018 and January 1, 2019.

Forward-Looking Statements

All forward-looking statements made in this report and all subsequent forward-looking statements, whether written or oral and whether made by or on behalf of the company, are expressly qualified by these cautionary statements. Any forward-looking statement speaks only as of the date on which such statement is made, and we undertake no obligation to publicly update any forward-looking statement, whether as a result of new information, future developments or otherwise, except as may be required by law.
