ITEM 4. CHANGES IN REGISTRANT'S CERTIFYING ACCOUNTANT

On April 3, 2002, California Amplifier, Inc. (the "Company") dismissed its former independent accountants and appointed KPMG LLP ("KPMG"), effective as of that same date, as its new independent auditors. This change followed the Company's decision to seek proposals from independent accountants to audit the financial statements of the Company, and was approved by the Company's Board of Directors upon the recommendation of its Audit Committee. Prior to the selection of KPMG, Arthur Andersen LLP ("Andersen") served as the company's independent auditors.

Andersen's reports on the Company's consolidated financial statements for each of the fiscal years ended March 3, 2001 and February 26, 2000 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. However, as previously reported in the Company's Form 8-Ks filed with the Securities and Exchange Commission on April 4, 2001 and May 23, 2001, Andersen's report on the Company's consolidated financial statements for the fiscal year ended February 26, 2000 was withdrawn on April 2, 2001 when it was discovered that such financial statements contained misstatements. Andersen's audit report, as restated, on the fiscal year 2000 financial statements was reissued on May 21, 2001, following the correction and re-audit of such financial statements.

During the fiscal years ended March 3, 2001 and February 26, 2000 and through the date hereof, there were no disagreements with Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Andersen's satisfaction, would have caused Andersen to make reference to the subject matter of such disagreements in connection with their reports on the Company's consolidated financial statements for such years.

In connection with their audits of the financial statements of the Company for the years ended March 3, 2001 and February 26, 2000, Andersen reported to the Company's Board of Directors conditions they believed to be material weaknesses in the Company's system of internal accounting and financial controls. In response, management identified measures to improve the Company's system of internal controls, including implementing more rigorous internal accounting policies, procedures and controls. Management believes these improved procedures corrected the noted weaknesses.

The Company provided Andersen with a copy of the foregoing disclosures. Attached as Exhibit 16.1 is a copy of Andersen's letter, dated April 9, 2002, stating its agreement with such statements, and if not, stating the respects in which Andersen does not agree.

During the fiscal years ended March 3, 2001 and February 26, 2000 and through the date hereof, the Company did not consult KPMG with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

FOR IMMEDIATE RELEASE

California Amplifier Appoints KPMG as Independent Auditor and Announces Updated Q4 Revenue and Earnings Guidance

CAMARILLO, Calif., April 4, 2002 -- California Amplifier, Inc. (Nasdaq: CAMP) today announced that its Board of Directors has appointed KPMG, LLP as the Company's independent auditor for its fiscal year ended February 28, 2002, replacing Arthur Andersen, LLP.

"We are pleased that KPMG will serve as California Amplifier's new auditor and look forward to building a long-term relationship with the firm," said Fred Sturm, President and Chief Executive Officer. "The appointment of KPMG as outside auditor for fiscal year 2002 was made after careful review and consideration. Arthur Andersen has provided professional services to California Amplifier since the Company's inception. However, in light of recent developments involving Arthur Andersen, we believe that engaging KPMG is in the best interest of California Amplifier and its shareholders."

Mr. Sturm continued, "As a result of the change in auditors, we anticipate reporting fourth quarter and fiscal year 2002 audited financial results in the second half of May 2002."

The Company also announced unaudited fourth quarter revenue of approximately \$22.5 million, modestly above the high end of the \$18 to \$22 million sales guidance the Company provided in December 2001. Additionally, the Company currently anticipates fourth quarter earnings per share to be at or above the high end of the previous guidance of \$.01 to \$.04.
